SUMMARY

The following summary may not contain all the information that may be important to you. You should read the entire prospectus, as well as the information to which we refer you and the information incorporated by reference, before making an investment decision.

Wabash National Corporation

Founded in 1985 as a start-up company, Wabash is one of North America's leaders in designing, manufacturing and marketing standard and customized truck trailers and related transportation equipment. We believe our success has been the result of our longstanding relationships with our core customers, our demonstrated ability to attract new customers, our broad and innovative product lines, our technological leadership and our large distribution and service network. Our management team is focused on rightsizing our manufacturing and retail operations to match the current demand environment, implementing our cost savings initiatives, strengthening our capital structure, developing innovative products, improving earnings and selective production introductions that meet the needs of our customers.

We seek to identify and produce proprietary products that offer exceptional value to customers with the potential to generate higher profit margins than those of standardized products. We believe that we have the engineering and manufacturing capability to produce these products efficiently. We introduced our proprietary composite product, DuraPlate®, in 1996. Based on a July 2009 A.C.T. Research Company, LLC ("ACT") research report, composite trailers have achieved widespread industry acceptance with our DuraPlate® dry vans accounting for approximately one out of every three dry van trailers sold in 2008. Since 2002, sales of our DuraPlate® trailers represented approximately 90% of our total new dry van trailer sales. We are also a competitive producer of standardized sheet and post and refrigerated trailer products and we strive to become the low-cost producer of these products within our industry. Through our Transcraft Corporation ("Transcraft") subsidiary we also manufacture steel flatbed and dropdeck trailers. As part of our commitment to expand our customer base, diversify our revenues and extend our market leadership, Transcraft acquired in July 2008 certain operating assets of Benson International LLC, and its affiliates, a manufacturer of aluminum flatbeds, dump trailers and other truck bodies. In addition, in December 2008, the Company announced a multi-year agreement to build and service all of PODS®1 portable storage container requirements as part of our strategy to leverage our DuraPlate® panel technology into other industry segments. We expect to continue a program of product development and selective acquisitions of quality proprietary products that further differentiate us from our competitors and increase shareholder value.

We market our transportation equipment under the Wabash®, DuraPlate®, DuraPlateHD®, FreightPro®, ArcticLite®, RoadRailer®, Transcraft®, Eagle®, Eagle II®, D-Eagle® and Benson™ trademarks directly to customers, through independent dealers and through our Company-owned retail branch network. Historically, we have focused on our longstanding core customers representing many of the largest companies in the trucking industry. Our relationships with our core customers have been central to our growth since inception. Beginning in 2003, we have actively pursued the diversification of our customer base by focusing on what we refer to as the mid-market. These carriers, which represent approximately 1,250 carriers, operate fleets of between 250 to 7,500 trailers, which we estimate in total account for approximately one million trailers.

Our 11 company-owned full service retail branches provide additional opportunities to distribute our products and also offer nationwide services and support capabilities for our customers. In addition, we maintain four used fleet sales centers to focus on selling both large and small fleet trade packages to the wholesale market. Our retail branch network's sale of new and used trailers, aftermarket parts and service through our retail branch network generally provides enhanced margin opportunities. We also utilize a network of approximately 24 independent dealers with approximately 48 locations throughout North America to distribute our van trailers. In addition, we distribute our flatbed and dropdeck trailers through a network of over 80 independent dealers with approximately 110 locations

throughout North America.

We continue to be affected by the global economy, especially the credit markets, as well as the decline in the housing and construction-related markets in the U.S. For the year ended December 31, 2008 and six month period ended June 30, 2009, we recorded net sales of \$836.2 million and \$164.1 million, respectively and reported a net loss for these periods of \$125.8 million and \$46.2 million, respectively. Our gross profit was \$20.9 million for the year ended December 31, 2008 and declined to a gross loss of \$20.7 million for the six month period ended June 30, 2009. These figures are based on the audited and unaudited financial statements incorporated by reference into this prospectus and have not been adjusted to illustrate the estimated pro forma effects of the Transaction and the Amended Facility described below. You should read our audited and unaudited financial statements incorporated by reference into this prospectus and our unaudited pro forma financial information and the notes thereto, including the pro forma adjustments that reflect the effects of the Transaction and Amended Facility, which are included elsewhere in this prospectus.

The Transaction

On July 17, 2009, we entered into a Securities Purchase Agreement with Trailer Investments, LLC (“Trailer Investments”) pursuant to which Trailer Investments agreed to invest \$35 million in the Company. On August 3, 2009, pursuant to the Securities Purchase Agreement, we issued to Trailer Investments 20,000 shares of our Series E redeemable preferred stock (the “Series E Preferred”), 5,000 shares of our Series F redeemable preferred stock (the “Series F Preferred”), and 10,000 shares of our Series G redeemable preferred stock (the “Series G Preferred”, and together with the Series E Preferred and the Series F Preferred, the “Preferred Stock”) and a warrant that is exercisable at \$0.01 per share for 24,762,636 newly issued shares of our common stock representing on August 3, 2009, the date the warrant was delivered, 44.21% of our issued and outstanding common stock after giving effect to the issuance of the shares underlying the warrant, subject to upward adjustment (the “Warrant”) for an aggregate purchase price of \$35,000,000 (the “Transaction”). The dividend rates for the Series E Preferred, Series F Preferred and Series G Preferred are 15% per annum, 16% per annum and 18% per annum, respectively. Initially, the annual dollar amounts of dividends are \$3 million, \$800,000 and \$1.8 million, respectively. The dividend on each series of Preferred Stock is payable quarterly and subject to increase by 0.5% every quarter if the applicable series of Preferred Stock is still outstanding after August 3, 2014. During the first two years following the issuance of the Preferred Stock, we may elect to accrue these dividends. The dividend rates on the Preferred Stock will increase upon the occurrence of events of noncompliance. On July 17, 2009, we also entered into our Third Amended and Restated Loan and Security Agreement, which was effective August 3, 2009 (the “Amended Facility”), by and among us and certain of our subsidiaries identified on the signature page thereto (the “Borrowers”), Bank of America, N.A., as a lender and as agent (“Agent”), and the other lenders parties thereto. The proceeds from the Transaction were used by us to reduce the outstanding balance under our Amended Facility and to pay the costs of the Transaction. As a result of the Transaction, we have a material relationship with the selling stockholder and certain of its affiliates, as described in this prospectus and as described in detail in our Current Reports on Form 8-K filed with the SEC on July 20, 2009 and August 4, 2009, which are incorporated by reference in this prospectus.

Risk Factors

See “Risk Factors” and the other information contained in this prospectus or to which we refer you for a discussion of factors you should consider carefully before deciding to invest in shares of our common stock.

RISK FACTORS

Investing in our common stock involves a high degree of risk. You should carefully consider and evaluate all of the information contained in this prospectus and in the documents we incorporate by reference in this prospectus before you decide to purchase our common stock. In particular, you should carefully consider and evaluate the risks and uncertainties described below as well as those described in “Part I— Item 1A. Risk Factors” of our amended Form 10-K/A for the fiscal year ended December 31, 2008 and the additional risks and uncertainties set forth in “Part II— Item 1A. Risk Factors” of our Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2009, which information is incorporated in this prospectus by reference. Any of the risks and uncertainties set forth therein and below could materially and adversely affect our business, results of operations and financial condition, which in turn could materially and adversely affect the trading price of our common stock. As a result, you could lose all or part of your investment.

Our results of operations have declined significantly in recent periods, and the impact of the current global economic downturn and its effects on our industry could continue to harm our operations and financial performance.

For the year ended December 31, 2008 and six month period ended June 30, 2009, we recorded net sales of \$836.2 million and \$164.1 million, respectively, and we recorded a net loss for these periods of \$125.8 million and \$46.2 million, respectively. This compares to net sales of \$1.1 billion and \$362.5 million for the year ended December 31, 2007 and the six month period ended June 30, 2008, respectively, net income for the year ended December 31, 2007 of \$16.3 million and net loss for the six months ended June 30, 2008 of \$9.6 million. These declines in our results of operations reflect the conditions in the markets we serve and the general condition of the global economy. The global economic downturn has caused demand for new trailers to decline and has led to, in some cases, the cyclical timeframe for trailer replacement to be pushed out due to economic pressures. We believe that the overall industry in which we operate has been effected similarly. For example, according to a July 2009 report by ACT, total trailer industry shipments in 2008 were approximately 146,000, which reflected a decline of approximately 33% from the 216,000 trailers it reported for the year ended December 31, 2007. By comparison, we shipped 33,300 new trailers in 2008, which reflected a decline of approximately 28% from the 46,400 new trailers we shipped in the year ended December 31, 2007.

We continue to be affected by the global economy, especially the credit markets, as well as the decline in the housing and construction-related markets in the U.S. The same general economic concerns faced by us are also faced by our customers. We believe that many of our customers are highly leveraged, have limited access to capital, and may be reliant on liquidity from global credit markets and other sources of external financing. If the current conditions impacting the credit markets and general economy are prolonged, we may be faced with unexpected delays in product purchases or the loss of customers, which could further materially impact our financial position, results of operations and cash flow. Further, lack of liquidity by our customers could impact our ability to collect amounts owed to us. While we have taken steps to address these concerns through the implementation of our strategic plan, we are not immune to the pressures being faced by our industry and our results of operations may continue to decline.

Sales of a substantial number of shares of our common stock into the public market by the selling stockholder may result in significant downward pressure on the price of our common stock and could affect the ability of our stockholders to realize the current trading price of our common stock.

Sales of a substantial number of shares of our common stock in the public market could cause a reduction in the market price of our common stock. As of August 21, 2009, there were 31,241,388 shares of our common stock outstanding. The selling stockholder has the right to acquire 24,762,636 shares of our common stock, subject to upward adjustment, issuable upon exercise of the Warrant, which represented approximately 44.21% of our issued and outstanding common stock as of August 3, 2009, the date on which the Warrant was delivered. The selling

stockholder may sell these shares pursuant to this prospectus or otherwise. Investors should be aware that the current or future market price of their shares of our common stock could be negatively impacted by the sale or perceived sale of all or a significant number of the shares being registered hereby.

USE OF PROCEEDS

We will not receive any proceeds from the sale of shares of our common stock offered by this prospectus.

SELLING STOCKHOLDER

All of the shares of common stock registered for sale pursuant to this prospectus are shares issuable upon the exercise of the Warrant owned by the selling stockholder, Trailer Investments, or its donees, pledgees, transferees or other successors-in-interest. The Warrant was issued to Trailer Investments on August 3, 2009 and it was acquired by Trailer Investments, together with shares of Preferred Stock, under a Securities Purchase Agreement, dated as of July 17, 2009, between us and Trailer Investments. We are registering the shares of common stock in order to permit the selling stockholder and its donees, pledgees, transferees or other successors-in-interest, to offer the shares acquired by full or partial exercise of the Warrant for resale from time to time. We have agreed to pay all expenses resulting from our obligation to register the shares issuable upon exercise of the Warrant. This prospectus relates only to sales of shares of our Common Stock upon exercise of the Warrant and does not cover sale of any shares of the Preferred Stock, or the Warrant itself. The Warrant may be exercised in full or in part, from time to time and at any time within its 10 year term, by the holder thereof, and the exercise price per share is \$.01. The Warrant may be exercised for cash or pursuant to a cashless exercise feature and the shares issuable upon exercise will be issued in a transaction not involving a public offering under federal and state securities laws.

The Preferred Stock and the Warrant were issued for an aggregate purchase price of \$35,000,000. As a result of the Transaction, we have a material relationship with Trailer Investments and certain of its affiliates. This relationship includes certain consent rights and privileges we granted to Trailer Investments under the agreements we entered into at the closing of the Transaction. This material relationship includes, for so long as Trailer Investments and its affiliates, including investors in the funds controlled by Lincolnshire Management, Inc. (collectively with Trailer Investments, the "Trailer Investors"), beneficially own at least 10% of our outstanding common stock, the right for the Trailer Investors to designate five persons for election to our board of directors. Other elements of this material relationship are more fully described under the "Dividend Policy" and "Description of Our Common Stock" sections of this prospectus and are described in detail in our Current Reports on Form 8-K filed with the SEC on July 20, 2009 and August 4, 2009, which are incorporated by reference in this prospectus.

The following table sets forth information with respect to the selling stockholder and the shares of common stock beneficially owned by the selling stockholder, including shares that may be offered under this prospectus. The information is based on information provided by or on behalf of the selling stockholder to us and is as of the date of this prospectus. Because the selling stockholder may offer all or some portion of the common stock, no estimate can be given as to the amount of the common stock that will be held by the selling stockholder upon termination of this offering. For purposes of the table below, however, we have assumed that after termination of this offering none of the shares covered by this prospectus will be held by the selling stockholder.

Name of Selling Stockholder	Shares of Common Stock Beneficially Owned Prior to Offering	Maximum Number of Shares That May Be Sold Pursuant to this Prospectus	Shares of Common Stock Beneficially Owned After Offering	Percent of Shares Owned After Offering
Trailer Investments, LLC (1)	24,762,636 (1)	24,762,636	(2)	(2)

(1) Lincolnshire Equity Fund III, L.P. ("LEF III"), a Delaware limited partnership is the sole member of Trailer Investments, Lincolnshire Equity Partners III, L.P. ("LEP III"), a Delaware limited partnership, is the general partner

of LEF III, and Lincolnshire Equity III, LLC (“Equity III”), a Delaware limited liability company, is the general partner of LEP III. Thomas J. Maloney, one of our directors who was designated by Trailer Investments holds a majority of the voting power of Equity III. Trailer Investments has also designated the following individuals to serve on our board of directors: Michael J. Lyons, Vineet Pruthi, James G. Binch, and Andrew C. Boynton. All of the shares of common stock beneficially owned by Trailer Investments and offered hereby are not currently outstanding but are issuable at any time upon exercise of the Warrant.

(2) Because the selling stockholder may, under this prospectus, offer all or some portion of its common stock, no estimate can be given as to the number of shares of our common stock that will be held by the selling stockholder upon termination of any sales. We refer you to the information under the heading “Plan of Distribution.”

 - privately negotiated transactions;
- short sales effected after the date the registration statement of which this prospectus is a part is declared effective by the SEC;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- an agreement between a broker-dealer and the selling stockholder to sell a specified number of such shares at a stipulated price per share; and
 - a combination of any such methods of sale.

The selling stockholder may, from time to time, pledge or grant a security interest in some or all of the shares of common stock it owns and, if it defaults in the performance of its secured obligations, the pledgees or secured parties may offer and sell the shares of common stock, from time to time, under this prospectus, or under an amendment or supplement to this prospectus amending the list of selling stockholders to include the pledgee, transferee or other successors-in-interest as selling stockholders under this prospectus. The selling stockholder also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors-in-interest will be the selling beneficial owners for purposes of this prospectus.

To the extent required, the shares of our common stock to be sold, the name of the selling stockholder, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In connection with the sale of our common stock or interests therein, the selling stockholder may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholder may also sell shares of our common stock short and deliver these securities to close out its short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholder may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to the selling stockholder from the sale of the common stock it offers will be the purchase price of the common stock less discounts or commissions, if any. The selling stockholder reserves the right to accept and, together with its agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We will not receive any of the proceeds from this offering.

The selling stockholder also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act, provided that they meet the criteria and conform to the requirements of that rule.

The selling stockholder and any underwriters, broker-dealers or agents that participate in the sale of the common stock or interests therein may be “underwriters” within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. A selling stockholder who is an “underwriter” within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act.

In order to comply with the securities laws of some states, if applicable, the common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

To facilitate the offering of common stock, certain persons participating in the offering may engage in transactions that stabilize, maintain, or otherwise affect the price of common stock. This may include over-allotments or short sales of common stock, which involve the sale by persons participating in the offering of more common stock than the selling stockholders sold to them. In these circumstances, these persons would cover such over-allotments or short positions by making purchases in the open market or by exercising their over-allotment option, if any. In addition, these persons may stabilize or maintain the price of common stock by bidding for or purchasing common stock in the open market or by imposing penalty bids, whereby selling concessions allowed to dealers participating in the offering may be reclaimed if common stock sold by them is repurchased in connection with stabilization transactions. The

effect of these transactions may be to stabilize or maintain the market price of the common stock at a level above that which might otherwise prevail in the open market. These transactions may be discontinued at any time.

We have advised the selling stockholder that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholder and their affiliates. In addition, we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholder for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholder may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify the selling stockholder against liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the shares offered by this prospectus.

We have agreed with the selling stockholder to keep the registration statement of which this prospectus constitutes a part effective until the earlier of (1) such time as all of the shares covered by this prospectus have been disposed of pursuant to and in accordance with the registration statement or (2) the date on which the shares may be sold pursuant to Rule 144(b)(1)(i) of the Securities Act.

We resumed the payment of quarterly dividends beginning in the first quarter of 2005. However, in December 2008 these dividend payments were again suspended due to the weak economic environment and uncertainty as to the timing of a recovery as well as our effort to enhance liquidity.

Under the Amended Facility, we are not permitted to pay cash dividends to our common stockholders until the second anniversary of the effectiveness of the Amended Facility and then only if (i) no default or events of default are then in existence or would be caused by such purchase, redemption or payment, (ii) immediately after such purchase, redemption or payment, the Borrowers have unused availability under the Amended Facility of at least \$40 million, (iii) the amount of all cash dividends paid by us does not exceed \$20 million in any fiscal year and (iv) at least five business days prior to the purchase, redemption or payment, an officer of Wabash has delivered a certificate to the Agent certifying that the conditions precedent in clauses (i)-(iii) have been satisfied. Further, for so long as the Trailer Investors continue to hold a majority of the Preferred Stock, we cannot directly or indirectly declare or make any dividend, distribution, or redemption of any shares of any class of our stock other than dividend payments on the Preferred Stock without the consent of a majority of the Trailer Investors.

Voting Rights

Holders of our common stock are entitled to attend all annual and special meetings of our stockholders and to vote upon any matter, including, without limitation, the election of directors. Holders of our common stock are entitled to one vote for each share held on all matters submitted to a vote of stockholders and do not have cumulative voting rights. Accordingly, holders of a majority of the shares of our common stock entitled to vote in any election of directors may elect all of the directors standing for election. However, for so long as the Trailer Investors beneficially own at least 10% of our outstanding common stock, they maintain the right to designate five persons for election to our board of directors. In addition, for so long as the Trailer Investors continue to hold a majority of the Preferred Stock, we cannot take certain actions without the consent of a majority of the Trailer Investors, even if approved by the holders of our common stock. Specifically, without the approval of a majority of the Trailer Investors we cannot:

- directly or indirectly declare or make any dividend, distribution, or redemption of any shares of any class of our stock other than dividend payments on the Preferred Stock;

- directly or indirectly acquire any interest in an entity or joint venture, except for acquisitions involving aggregate consideration (whether payable in cash or otherwise) not to exceed \$5,000,000 in the aggregate if, at the time of any such acquisition, we have availability for draw-downs under the Amended Facility in an amount equal to or exceeding \$20,000,000 and the ratio of our aggregate indebtedness as of the most recent month end to the previous

- become subject to any agreement or instrument which by its terms would (under any circumstances) restrict (A) the right of any subsidiary to make loans or advances or pay dividends to, transfer property to, or repay any indebtedness owed to us or (B) restrict our right or ability to perform the provisions of certain agreements entered into in connection with the Transaction or to conduct its business as conducted as of the Effective Date (as defined in the Amended Facility);

Liquidation Rights

Upon our liquidation, dissolution or winding up, the holders of our common stock are entitled to receive their ratable portion of our assets legally available for distribution after the payment of all debts and other liabilities and subject to the rights of the Preferred Stock. Subject to the rights of our creditors, upon any liquidation, dissolution or winding up of Wabash the holders of the Preferred Stock are entitled to be paid before any distribution or payment is made to the holders of our common stock. The liquidation preference for the Preferred Stock is for an amount in cash equal to \$1,000 per share of Preferred Stock plus all accumulated, accrued and unpaid dividends thereon. Further, as noted above under “Voting Rights”, without the consent of a majority of the Trailer Investors we cannot engage in any transaction that results in a change of control unless we pay to the holders of the Preferred Stock all amounts then due and owing under the Preferred Stock (including the premium payable in connection with any redemption relating to a

change of control) prior to or contemporaneous with the consummation of such transaction.

Other Rights and Restrictions

Holders of our common stock have no preemptive, subscription, redemption or conversion rights. The rights, preferences and privileges of holders of our common stock are subject to, and may be adversely affected by, the rights of the holders of the Preferred Stock and the shares of any series of preferred stock that we may designate and issue in the future. Our certificate of incorporation and amended and restated bylaws, as amended, do not restrict the ability of a holder of common stock to transfer his or her shares of common stock.

Anti-Takeover Provisions

Organizational Documents. Our certificate of incorporation and our amended and restated bylaws, as amended, provide that any action required or permitted to be taken by our stockholders at an annual or special meeting of stockholders may only be taken if it is properly brought before the meeting or taken by written action in lieu of a meeting by persons who would be entitled to vote at a meeting and who hold shares having voting power equal to not less than the minimum number of votes that would be necessary to authorize or take action at a meeting at which all shares entitled to vote were present and void. Our amended and restated bylaws, as amended, further provide that special meetings of stockholders may only be called by our President, board of directors, or chairperson of the board of directors. In addition, our amended and restated bylaws establish an advance notice procedure for stockholder proposals and director nominations to be brought before an annual meeting of stockholders. Stockholders at an annual meeting may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the board of directors or by a stockholder of record on the record date for the meeting who is entitled to vote at the meeting and who has delivered timely written notice in proper form to our secretary of the stockholder's intention to bring such business before the meeting. These provisions could have the effect of delaying until the next stockholders' meeting actions that are favored by the holders of a majority of our outstanding voting securities.

Certificates of Designation of the Preferred Stock. Pursuant to the terms of our Preferred Stock, which are provided in the certificates of designation filed with the Secretary of State for the State of Delaware for each series, for so long as the Trailer Investors continue to hold a majority of the Preferred Stock we cannot engage in any transaction that results in a change of control unless we pay the Preferred Stock holders all amounts then due and owing under the Preferred Stock (including the premium payable in connection with any redemption relating to a change of control) prior to or contemporaneous with the consummation of such transaction without the consent of a majority of the Trailer Investors. Further, without the consent of a majority of the Trailer Investors we cannot sell, lease or otherwise dispose of more than 2% of our consolidated assets (as computed on the basis of book value determined in accordance with GAAP or on the basis of fair market value determined by the board of directors in its reasonable good faith judgment) in any transaction or series of related transactions, other than sales of inventory in the ordinary course of business.

Stockholders' Rights Plan. We have a Stockholders' Rights Plan (the "Rights Plan") that is designed to deter coercive or unfair takeover tactics in the event of an unsolicited takeover attempt. It is not intended to prevent a takeover on terms that are favorable and fair to all stockholders and will not interfere with a merger approved by our board of directors. Each right entitles stockholders to buy one one-thousandth of a share of Series D Junior Participating Preferred Stock at an exercise price of \$120. The rights will be exercisable only if a person or a group acquires or announces a tender or exchange offer to acquire 20% or more of our common stock or if we enter into other business combination transactions not approved by our board of directors. Trailer Investments is exempted from the application of the Rights Plan to the acquisition of our shares by them. In the event the rights become exercisable, the Rights Plan allows for our stockholders to acquire our stock or the stock of the surviving corporation, whether or not we are the surviving corporation, having a value twice that of the exercise price of the rights. These rights pursuant to the Rights Plan will expire December 28, 2015 or are redeemable for \$0.01 per right by the our board under certain circumstances.

Dividends

Holders of our common stock are entitled to receive proportionately any dividends as may be declared by our board of directors on our common stock, subject to any preferential dividend rights of outstanding preferred stock, including the Preferred Stock, and subject to any applicable contractual restrictions and limitations, including as a result of our current amended and restated credit facility.

Delaware General Corporation Law. Section 145(a) of the General Corporation Law of the State of Delaware (the “DGCL”) provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person’s conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person’s conduct was unlawful.

Section 145(b) of the DGCL states that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys’ fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which the person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the Delaware Court of Chancery or such other court shall deem proper.

Section 145(c) of the DGCL provides that to the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

II-1

Section 145(d) of the DGCL states that any indemnification under subsections (a) and (b) of Section 145 (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in subsections (a) and (b) of Section 145. Such determination shall be made with respect to a person who is a director or officer at the time of such determination (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders.

Section 145(f) of the DGCL states that the indemnification and advancement of expenses provided by, or granted pursuant to, the other subsections of Section 145 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

Section 145(g) of the DGCL provides that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such person and incurred by such person in any such capacity or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under the provisions of Section 145.

Section 145(j) of the DGCL states that the indemnification and advancement of expenses provided by, or granted pursuant to, Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

Certificate of Incorporation. Article TENTH of our certificate of incorporation provides that we will indemnify our directors and officers to the fullest extent permitted by law and that directors shall not be liable for monetary damage to us or our stockholders for breach of fiduciary duty, except to the extent not permitted under DGCL.

Bylaws. Our amended and restated bylaws, as amended, provide that any director or officer who was or is a party or is threatened to be made a party to any action or proceeding by reason of his or her services to us will be indemnified to the fullest extent permitted by the DGCL.

Indemnification Agreements. The board of directors has adopted a form of indemnification agreement for our directors, which provides a contractual right in certain circumstances to indemnification for related expenses including, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding arising as a result of such individual's relationship with us, and the advancement of expenses for the same.

Insurance. We maintain directors and officers liability insurance, which covers our directors and officers against certain claims or liabilities arising out of the performance of their duties.

Item 15. Recent Sales of Unregistered Securities

Since January 1, 2006 we have issued unregistered securities to a limited number of persons as described below:

(1) On August 3, 2009, we issued to Trailer Investments, an entity formed to invest in us by Lincolnshire Equity Fund III, L.P., a private equity fund managed by Lincolnshire Management, Inc., the following securities: (i) 20,000 shares of Series E redeemable preferred stock, (ii) 5,000 shares of Series F redeemable preferred stock, (iii) 10,000 shares of Series G redeemable preferred stock and (iv) a warrant is immediately exercisable at \$0.01 per share for up to 44.21% of the shares of our common stock (subject to adjustment) (the "Warrant"). At the time of issuance, the number of shares subject to the Warrant was 24,762,636 shares of newly issued common stock, subject to upward adjustment. The issuance of the foregoing securities was for an aggregate offering price of \$35,000,000 and the issuance was made in reliance on Section 4(2) under the Securities Act and Regulation D promulgated thereunder in a transaction not involving a public offering.

II-2

(2) On May 14, 2009, each non-employee director of our board of directors, as part of the director compensation to be paid by us for 2009, was granted 32,374 shares of unrestricted common stock for an aggregate grant of 194,244 shares, pursuant to our 2007 Omnibus Incentive Plan (the “Omnibus Plan”). The Omnibus Plan limits grants of unrestricted stock awards in an aggregate amount of up to 5% of the number of shares of stock available for issuance under the Plan. In July 2009, we discovered that the May 14, 2009 grant to non-employee directors exceeded this 5% limitation by 118,440 shares, or 19,740 shares per non-employee director, and as such, these shares were void. In response, and in consideration of the 2009 compensation for service on the board of directors, on July 30, 2009 the board of directors approved providing each non-employee director the right to receive, at the election of such non-employee director, either (i) 19,740 shares of our common stock or (ii) a cash amount equivalent to the product of (1) the closing price of our common stock on the New York Stock Exchange on the business day after the respective election is received us and (2) 19,740. Accordingly, since that date up to an aggregate of 118,440 shares have been issued to members of the board of directors in reliance on Section 4(2) under the Securities Act in a transaction not involving a public offering.

(b) Financial statement schedules.

The financial statement schedules have been omitted as they are not applicable or the required information is included in the notes to the financial statements.

Item 17. Undertakings.

- (a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(5) That, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of our company pursuant to the foregoing provisions, or otherwise, our company has been advised that in the opinion of the Securities and Exchange Commission that type of indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against said liabilities (other than the payment by our company of expenses incurred or paid by a director, officer or controlling person of our company in the successful defense of any action, suit or proceeding) is asserted by the director, officer or controlling person in connection with the securities being registered, our company will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of the issue.
