## INFORMATION CONCERNING SOLICITATION AND VOTING

As of the Record Date, there were 123,558,535 outstanding shares of Common Stock, each share entitled to one vote on each matter to be voted on at the Annual Meeting. As of the Record Date, the Company believes it had approximately 508 stockholders of record of Common Stock. Only holders of shares of Common Stock on the Record Date will be entitled to vote. The holders of Common Stock are entitled to one vote on all matters presented at the meeting for each share held of record. The presence in person or by proxy of holders of record of a majority of the shares outstanding and entitled to vote as of the Record Date shall be required for a quorum to transact business at the Annual Meeting. If a quorum should not be present, the Annual Meeting may be adjourned until a quorum is obtained.

Each nominee to be elected as a director named in Proposal 1 must receive the vote of a plurality of the votes of the shares of Common Stock present in person or represented by proxy at the meeting. For the purposes of election of directors, although abstentions will count toward the presence of a quorum, they will not be counted as votes cast and will have no effect on the result of the vote.

The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the meeting is required for approval of the ratification of the selection of Friedman LLP as independent auditors of the Company for the fiscal year 2010 described in Proposal 2. Abstentions will not be counted as votes entitled to be cast on this matter and will have no effect on the result of the vote.

“Broker non-votes,” which occur when brokers are prohibited from exercising discretionary voting authority for beneficial owners who have not provided voting instructions, will not be counted for the purpose of determining the number of shares present in person or by proxy on a voting matter and will have no effect on the outcome of the vote. Brokers who hold shares in street name may vote on behalf of beneficial owners with respect to Proposals 1 and 2.

The expense of preparing, printing and mailing this Proxy Statement, exhibits and the proxies solicited hereby will be borne by the Company. In addition to the use of the mails, proxies may be solicited by officers and directors and regular employees of the Company, without additional remuneration, by personal interviews, telephone or facsimile transmission. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of Common Stock held of record and will provide reimbursements for the cost of forwarding the material in accordance with customary charges.

Proxies given by stockholders of record for use at the Annual Meeting may be revoked at any time prior to the exercise of the powers conferred. In addition to revocation in any other manner permitted by law, stockholders of record giving a proxy may revoke the proxy by an instrument in writing, executed by the stockholder or his or her attorney authorized in writing or, if the stockholder is a corporation, by an officer or attorney thereof duly authorized, and deposited either at the corporate headquarters of the Company at any time up to and including the last business day preceding the day of the Annual Meeting, or any adjournments thereof, at which the proxy is to be used, or with the chairman of such Annual Meeting on the day of the Annual Meeting or adjournments thereof, and upon either of such deposits the proxy is revoked.

Proposals 1 and 2 do not give rise to any statutory right of a stockholder to dissent and obtain the appraisal of or payment for such stockholder's shares.

ALL PROXIES RECEIVED WILL BE VOTED IN ACCORDANCE WITH THE CHOICES SPECIFIED ON SUCH PROXIES. PROXIES WILL BE VOTED IN FAVOR OF EACH DIRECTOR NOMINEE AND FOR A PROPOSAL IF NO CONTRARY SPECIFICATION IS MADE. ALL VALID PROXIES OBTAINED WILL BE VOTED AT THE DISCRETION OF THE PERSONS NAMED IN THE PROXY WITH RESPECT TO ANY

OTHER BUSINESS THAT MAY COME BEFORE THE ANNUAL MEETING.

## Corporate Governance

The Company's Board of Directors has long believed that good corporate governance is important to ensure that the Company is managed for the long-term benefit of stockholders. During the past year, the Company's Board of Directors has continued to review its governance practices in light of the Sarbanes-Oxley Act of 2002 and new Securities and Exchange Commission (the "SEC") rules and regulations. This section describes key corporate governance guidelines and practices that the Company has adopted. Complete copies of the Audit Committee, Compensation and Stock Option Committee and Nominating and Corporate Governance Committee charters are posted on the Company's website at [http://www.csiwhq.com/About\\_CSI/governance.aspx](http://www.csiwhq.com/About_CSI/governance.aspx). Alternatively, you can request a copy of any of these documents by writing to the Company. The contents of our website should not be considered proxy solicitation material.

### Code of Conduct and Ethics

Our Board of Directors has adopted a Code of Conduct and Ethics which is applicable to all our directors, officers, employees, agents and representatives, including our principal executive officer and principal financial officer, principal accounting officer or controller, or other persons performing similar functions. We have made available on our website copies of our Code of Conduct and Ethics and charters for the committees of our Board and other information that may be of interest to investors.

### Board Meetings and Attendance of Directors

During fiscal year 2009, the Board of Directors held 4 meetings, 2 of which were attended by all of the Company's Directors during the period that such person was a member of the Board of Directors, and took action by unanimous written consent on 3 occasions. Directors are expected to attend all meetings. All of our Directors are expected to attend the 2010 Annual Meeting.

Special meetings are held from time to time to consider matters for which approval of the Board of Directors is desirable or required by law.

### Board Leadership Structure and Role in Risk Oversight

The Board of Directors does not have a policy, one way or the other, on whether the same person should serve as both the chief executive officer and chairman of the board or, if the roles are separate, whether the chairman should be selected from the non-employee directors or should be an employee. The Board believes that it should have the flexibility to make these determinations at any given point in time in the way that it believes best to provide appropriate leadership for the Company at that time. The current structure is that of separate Chief Executive Officer and Chairman of the Board of Directors. Lori Cohen serves as the Chief Executive Officer and President and is responsible for day-to-day leadership of the Company. Scott Newman serves as the Chairman of the Board. The Board of Directors believes this is the most appropriate structure for the Company at this time as it recognizes the time, effort and energy that the Chief Executive Officer is required to devote to his position in the current business environment, as well as the commitment required to serve as the Chairman of the Board, particularly as the Board's oversight responsibilities continue to grow.

The Board, either as a whole or through its Committees, regularly discusses with management strategic and financial risks and exposures associated with the Company's annual operating budget, their potential impact on the Company and the steps taken to manage them. While the Board of Directors is ultimately responsible for risk oversight at the Company, the Board's Committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. In particular, the Audit Committee focuses on financial and enterprise risk exposures and discusses with management and the independent registered public accountants the Company's policies with respect to risk assessment and risk

management, including risks related to financial reporting, tax, accounting, disclosure, internal control over financial reporting, financial policies and credit and liquidity matters. The Audit Committee also assists the Board of Directors in fulfilling its duties and oversight responsibilities relating to the Company's compliance and ethics programs, including compliance with legal and regulatory requirements. The Nominating and Corporate Governance Committee annually reviews the Company's corporate governance guidelines. Finally, the Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from the Company's compensation policies and programs.

#### Attendance Policy

All Board members are strongly encouraged to attend each meeting of the Board and committees on which they serve and be prepared to discuss the business presented. An attendance rate of at least 75% is the minimum acceptable rate of attendance at Board and committee meetings. A Board member's record of attendance will be considered with respect to recommendation of the renewal of a Board term or future assignment to a committee. Directors are strongly encouraged to attend annual meetings, and five of the six directors in office at that time attended the 2009 Annual Meeting.

#### Director Independence

Although we are currently listed on the Over-the-Counter Bulletin Board (the "OTCBB"), the Board has reviewed each of the directors' relationships with the Company in conjunction with Section 121(A) of the listing standards of the NYSE Amex ("AMEX"), as required by the SEC, and has affirmatively determined that (i) two of our directors, Lawrence K. Reisman and Thomas Pear, are independent of management and free of any relationship that would interfere with their independent judgment as members of the Audit Committee, Compensation and Stock Option Committee, and Nominating and Corporate Governance Committee and (ii) Brian Walton, a director nominee would be an independent director.

#### Committees of the Board of Directors

The Board of Directors has established three standing committees: (1) the Audit Committee, (2) the Compensation and Stock Option Committee and (3) the Nominating and Corporate Governance Committee. Each committee operates under a charter that has been approved by the Board. Copies of the Audit Committee, Compensation and Stock Option Committee and Nominating and Corporate Governance Committee's charters are posted on the Company's website. Messrs. Reisman and Pear are the members of each of such committees. Mr. Reisman is the chair of our Audit Committee, Mr. Pear is the chair of our Compensation and Stock Option Committee and our Nominating and Corporate Governance Committee.

## Audit Committee

The Audit Committee was formed in April 2005. The Audit Committee met 4 times in 2009. Each member of the Audit Committee was present at 2 of the meetings, and did not act by unanimous written consent during 2009. The Audit Committee is responsible for matters relating to financial reporting, internal controls, risk management and compliance. These responsibilities include appointing, overseeing, evaluating and approving the fees of our independent auditors, reviewing financial information which is included in our Annual Report on Form 10-K, discussions with management and the independent auditors regarding the results of the annual audit and our quarterly financial statements, reviewing with management our system of internal controls and financial reporting process and monitoring our compliance program and system.

The Audit Committee operates pursuant to a written charter, which sets forth the functions and responsibilities of this committee. A copy of the charter can be viewed on our website. All members of this committee are independent directors under the SEC rules. The Board of Directors has determined that Lawrence K. Reisman, the committee's chairman meet the SEC criteria of an "audit committee financial expert", as defined in Item 407(d)(5) of Regulation S-K.

## Audit Committee Report

The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the Company's consolidated financial statements, the Company's compliance with legal and regulatory requirements, the Company's system of internal control over financial reporting and the qualifications, independence and performance of its independent auditors. The Audit Committee has the sole authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent auditors.

Management is responsible for the Company's financial reporting process, including the Company's internal control over financial reporting, and for the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles. Friedman LLP ("Friedman"), as the Company's independent auditors, is responsible for auditing those financial statements and expressing its opinion as to the fairness of the financial statement presentation in accordance with generally accepted accounting principles. Our responsibility is to oversee and review these processes. We are not, however, professionally engaged in the practice of accounting or auditing and do not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to auditor independence. We rely, without independent verification, on the information provided to us and on the representations made by management and the independent auditors.

In this context, we have met and held discussions with management for the fiscal year ended December 31, 2009. Management represented to us that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and we have reviewed and discussed with management and the Company's external auditors, Friedman LLP, the Company's consolidated financial statements for the fiscal year ended December 31, 2009 and the Company's internal control over financial reporting. We also discussed with Friedman the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). Friedman provided to us the written disclosures required by Independence Standards Board Standard No. 1, as amended (Independence Discussions with Audit Committees), and we discussed their independence with them. In determining Friedman's independence, we considered whether their provision of non-audit services to the Company was compatible with maintaining independence. We received regular updates on Friedman's fees and the scope of audit and non-audit services they provided. All such services were provided consistent with applicable rules and our pre-approval policies and procedures.

Based on our discussions with management and our external auditors, our review of the representations of management, and subject in all cases to the limitations on our role and responsibilities referred to above and set forth in the Audit Committee Charter, we recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2009 be included in the Company's Annual Report on Form 10-K. We also approved, subject to stockholder ratification, the selection of Friedman as the Company's independent auditors for the fiscal year ending December 31, 2010.

Members of the Audit Committee:

Lawrence K. Reisman (Chair)  
Thomas Pear

The Board, (1) has no policy with regard to the nomination of candidates recommended by security holders; (2) has developed no specific minimum qualifications that it believes must be met by a Board-recommended nominee for a position on the Board; (3) has developed no specific qualities or skills that it believes are necessary for a member of the Board to possess; (4) has no specific process for identifying and evaluating nominees for director and (5) does not have a policy with regard to the consideration of diversity in identifying director nominees.

The Board of Directors believe the attributes, leadership skills and other experiences of its board members described in the table below, provide the Company with a diverse range of perspectives and judgment necessary to guide the Company's strategies and monitor their execution.

Compensation and Stock Option Committee

The Compensation Committee and Stock Option Committee met 3 times in 2009 and acted 1 time by written consent in 2009. The Compensation and Stock Option Committee is responsible for matters relating to the development, attraction and retention of the Company's management and for matters relating to the Company's compensation and benefit programs. As part of its responsibilities, this committee evaluates the performance and determines the compensation of the Company's Chief Executive Officer and approves the compensation of our senior officers, as well as to fix and determine awards to employees of stock options, restricted stock and other types of stock-based awards.

The Compensation and Stock Option Committee operates under a written charter that sets forth the functions and responsibilities of this committee. A copy of the charter can be viewed on our website. Pursuant to its charter, the Compensation and Stock Option Committee must be comprised of at least two (2) Directors who, in the opinion of the Board of Directors, must meet the definition of "independent director" within the rules and regulations of the SEC. The Board of Directors has determined that all members of this committee are independent directors under the SEC rules and AMEX listing standards.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for providing oversight on a broad range of issues regarding our corporate governance practices and policies and the composition and operation of the Board of Directors. These responsibilities include reviewing potential candidates for membership on the Board and recommending to the Board nominees for election as directors of the Company.

The Nominating and Corporate Governance Committee was formed in May 2005. During 2009, the Nominating and Corporate Governance Committee met 1 time to review a new candidate for the Board. A complete description of the Nominating and Corporate Governance Committee's responsibilities is set forth in the Nominating and Corporate Governance written charter. A copy of the charter is available to stockholders on the Company's website.

The Nominating Committee, (1) has developed no specific minimum qualifications that it believes must be met by a Board-recommended nominee for a position on the Board; (2) has developed no specific qualities or skills that it believes are necessary for a member of the Board to possess; (3) has no specific process for identifying and evaluating nominees for director and (4) does not have a policy with regard to the consideration of diversity in identifying director nominees.

## GENERAL

The Management of the Company does not know of any matters, other than those stated in this Proxy Statement, that are to be presented for action at the Annual Meeting. If any other matters should properly come before the Annual Meeting, proxies will be voted on those other matters in accordance with the judgment of the persons voting the proxies. Discretionary authority to vote on such matters is conferred by such proxies upon the persons voting them.

The Company will bear the cost of preparing, printing, assembling and mailing all proxy materials that may be sent to stockholders in connection with this solicitation. Arrangements will also be made with brokerage houses, other custodians, nominees and fiduciaries, to forward soliciting material to the beneficial owners of the Common Stock of the Company held by such persons. The Company will reimburse such persons for reasonable out-of-pocket expenses incurred by them. In addition to the solicitation of proxies by use of the mails, officers and regular employees of the Company may solicit proxies without additional compensation, by telephone or facsimile transmission. The Company does not expect to pay any compensation for the solicitation of proxies.

A copy of the Company's Form 10-K for the fiscal year ended December 31, 2009, as filed with the SEC, accompanies this Proxy Statement. Upon written request, the Company will provide each stockholder being solicited by this Proxy Statement with a free copy of any exhibits and schedules thereto. All such requests should be directed to Conversion Services International, Inc., 100 Eagle Rock Avenue, East Hanover, New Jersey 07936, Attn: William Hendry, Chief Financial Officer.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. In voting by proxy in regard to Proposal 1, stockholders may (i) vote in favor of, or FOR, or (ii) WITHHOLD. In voting by proxy in regard to Proposal 2, stockholders may (i) vote in favor of, or FOR, (ii) vote AGAINST or (iii) ABSTAIN. Stockholders should specify their choices on the enclosed proxy. Proxies may be revoked by stockholders at any time prior to the voting thereof by giving notice of revocation in writing to the Secretary of the Company or by voting in person at the Annual Meeting. If the enclosed proxy is properly signed, dated and returned, the Common Stock represented thereby will be voted in accordance with the instructions thereon. If no specific instructions are given with respect to the matters to be acted upon, the shares represented by the proxy will be voted FOR the election of all Directors and FOR the ratification of the appointment of Friedman LLP as the Company's independent auditors for the fiscal year ending December 31, 2010.

### Stockholder Proposals For the 2011 Annual Meeting and General Communications

Any stockholder proposals intended to be presented at the Company's 2011 Annual Meeting of Stockholders must be received by the Company at its office in East Hanover, New Jersey on or before January 3, 2011 in order to be considered for inclusion in the Company's proxy statement and proxy relating to such meeting. The Company has received no stockholder nominations or proposals for the 2010 Annual Meeting.

Stockholders may communicate their comments or concerns about any other matter to the Board of Directors by mailing a letter to the attention of the Board of Directors c/o William B. Hendry, Corporate Secretary, at the Company's headquarters at 100 Eagle Rock Avenue, East Hanover, New Jersey 07936.

### Revocability of Proxy

Shares represented by valid proxies will be voted in accordance with instructions contained therein, or, in the absence of such instructions, in accordance with the Board of Directors' recommendations. Any person signing and mailing the enclosed proxy may, nevertheless, revoke the proxy at any time prior to the actual voting thereof by attending the Annual Meeting and voting in person, by providing written notice of revocation of the proxy or by submitting a signed proxy bearing a later date. Any written notice of revocation should be sent to the attention of the Secretary of the

Company at the address above. Any stockholder of the Company has the unconditional right to revoke his or her proxy at any time prior to the voting thereof by any action inconsistent with the proxy, including notifying the Secretary of the Company in writing, executing a subsequent proxy, or personally appearing at the Annual Meeting and casting a contrary vote. However, no such revocation will be effective unless and until such notice of revocation has been received by the Company at or prior to the Annual Meeting.

Method of Counting Votes

Unless a contrary choice is indicated, all duly executed proxies will be voted in accordance with the instructions set forth on the proxy card. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote (the "non-vote") on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, the election of directors is a non-routine matter which requires the broker's client to provide the broker with voting instructions and the ratification of the appointment of auditors is a routine matter on which a broker has the discretion to vote if instructions are not received from the client in a timely manner. Abstentions will be counted as present for purposes of determining a quorum but will not be counted for or against the election of directors or the ratification of independent auditors. As to Item 1, the Proxy confers authority to vote for all of the five persons listed as candidates for a position on the Board of Directors even though the block in Item 1 is not marked unless the names of one or more candidates are lined out. The Proxy will be voted FOR Item 2 unless AGAINST or ABSTAIN is indicated. If any other business is presented at the meeting, the Proxy shall be voted in accordance with the recommendations of the Board of Directors.
