Item 5.03                      Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On June 17, 2010 Pro-Dex, Inc. (the “Company”) filed Articles of Amendment to its Articles of Incorporation (“Amendment”) in order to effect a 1-for-3 reverse stock split of the Company’s common stock effective on June 17, 2010.

As a result of the reverse stock split, every 3 shares of the Company’s common stock issued and outstanding on June 17, 2010 will be combined into 1 share of common stock. The reverse stock split will not change the authorized number of shares or the par value of the Company’s common stock.

No fractional shares will be issued in connection with the reverse stock split. If, as a result of the reverse stock split, a stockholder would otherwise hold a fractional share, the number of shares received by such stockholder will be rounded up to the next whole number.

Following the reverse stock split, the Company expects to have approximately 3.3 million shares of common stock outstanding. The reverse stock split will affect all shares of the Company’s common stock, including common stock underlying stock options that are outstanding immediately prior to the effective time of the reverse stock split.

Additional information about the reverse stock split is available in the Company’s definitive proxy statement filed with the Securities and Exchange Commission on October 19, 2009.

The Amendment is attached hereto as Exhibit 3.1 and is incorporated by reference herein. The press release announcing the reverse stock split is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
