Item 1.01. Entry into a Material Definitive Agreement.

On July 19, 2010, Advaxis, Inc. (the “Company”) entered into a Preferred Stock Purchase Agreement (the “Purchase Agreement”) with Optimus Capital Partners, LLC, a Delaware limited liability company, d/b/a Optimus Life Sciences Capital Partners, LLC (the “Investor”), pursuant to which the Investor agreed to purchase, upon the terms and subject to the conditions set forth therein, up to \$7,500,000 of the Company’s newly authorized, non-convertible, redeemable Series B Preferred Stock, \$0.001 par value per share (the “Series B Preferred Stock”), at a price of \$10,000 per share of Series B Preferred Stock. The conditions necessary to effect the commitment closing under the Purchase Agreement (the “Commitment Closing”) were also satisfied on July 19, 2010.

Under the terms of the Purchase Agreement, and after the SEC has declared effective a registration statement with respect to the shares of common stock issuable upon exercise of the Warrant (as defined below), the Company may from time to time until July 19, 2013, present the Investor Optimus with a notice to purchase a specified amount of Series B Preferred Stock (the “Notice”). Subject to satisfaction of certain closing conditions, the Investor is obligated to purchase such shares of Series B Preferred Stock on the 10th trading day after the date of the Notice. The Company will determine, in its sole discretion, the timing and amount of Series B Preferred Stock to be purchased by the Investor, and may sell such shares in multiple tranches (each, a “Tranche”). The Investor will not be obligated to purchase the Series B Preferred Stock upon the Company’s Notice (i) in the event the average closing sale price of the Company’s common stock during the nine trading days following delivery of a Notice falls below 75% of the closing sale price of the Company’s common stock on the trading day prior to the date such Notice is delivered to the Investor, or (ii) to the extent such purchase would result in the Investor and its affiliates beneficially owning more than 9.99% of the Company’s outstanding common stock.

Holders of Series B Preferred Stock will be entitled to receive dividends, which will accrue in shares of Series B Preferred Stock on an annual basis at a rate equal to 10% per annum from the issuance date. Accrued dividends will be payable upon redemption of the Series B Preferred Stock or upon the liquidation, dissolution or winding up of the Company. The Series B Preferred Stock ranks, with respect to dividend rights and rights upon liquidation:

- senior to the Company’s common stock and any other class or series of preferred stock of the Company (other than Series A preferred stock or any class or series of preferred stock that the Company intends to cause to be listed for trading or quoted on Nasdaq, NYSE Amex or the New York Stock Exchange);
- pari passu with the Company’s Series A preferred stock (if any such shares are outstanding); and
- junior to all existing and future indebtedness of the Company and any class or series of preferred stock that the Company intends to cause to be listed for trading or quoted on Nasdaq, NYSE Amex or the New York Stock Exchange.

The Series B Preferred Stock has a liquidation preference per share equal to the original price per share thereof plus all accrued dividends thereon (the “Liquidation Value”), and is subject to repurchase by the Company following the consummation of certain fundamental transactions by the Company. Upon or after the fourth anniversary of the applicable issuance date, the Company has the right, at its option, to redeem all or a portion of the shares of Series B Preferred Stock at the Liquidation Value. The Company also has the right, at its option, to redeem all or a portion of the shares of Series B Preferred Stock, at a price per share equal to: (i) 136% of the Liquidation Value if redeemed on or after the applicable issuance date but prior to the first anniversary of the applicable issuance date, (ii) 127% of the Liquidation Value if redeemed on or after the first anniversary but prior to the second anniversary of the applicable issuance date, (iii) 118% of the Liquidation Value if redeemed on or after the second anniversary but prior to the third anniversary of the applicable issuance date, and (iv) 109% of the Liquidation Value if redeemed on or after the third anniversary but prior to the fourth anniversary of the applicable issuance date.

The Purchase Agreement provides that the Company will pay to the Investor a non-refundable fee of \$195,000 on the earlier of (x) the closing date of the first Tranche (by offset from the gross proceeds from such Tranche) or (y) the six-month anniversary of the date of the Commitment Closing.

In addition, on July 19, 2010, the Company issued to the Investor a three-year warrant to purchase up to 40,500,000 shares of the Company's common stock (the "Warrant"), at an initial exercise price of \$0.25 per share, subject to adjustment as provided in the Warrant. The Warrant will become exercisable on the earlier of (i) the date on which a registration statement registering for resale the shares of the Company's common stock issuable upon exercise of the Warrant (the "Warrant Shares") becomes effective and (ii) the first date on which such Warrant Shares are eligible for resale without limitation under Rule 144 (assuming a cashless exercise of the Warrant).

The Warrant consists of and is exercisable in tranches, with a separate tranche being created upon each delivery of a tranche notice under the Purchase Agreement. On each tranche notice date, that portion of the Warrant equal to 135% of the tranche amount will vest and become exercisable, and such vested portion may be exercised at any time during the exercise period on or after such tranche notice date. On and after the first tranche notice date and each subsequent tranche notice date, the exercise price of the Warrant will be adjusted to the closing sale price of a share of the Company's common stock on the applicable tranche notice date. The exercise price of the Warrant may be paid (at the option of the Investor) in cash or by the Investor's issuance of a four-year, full-recourse promissory note, bearing interest at 2% per annum, and secured by specified portfolio of assets. However, such promissory note is not due or payable at any time that (a) the Company is in default of any preferred stock purchase agreement for Series B Preferred Stock or any warrant issued pursuant thereto, any loan agreement or other material agreement or (b) there are any shares of the Company's Series B Preferred Stock issued or outstanding. The Warrant also provides for cashless exercise in certain circumstances. If a "Funding Default" (as such term is defined in the Warrant) occurs and the Warrant has not previously been exercised in full, the Company has the right to demand surrender of the Warrant (or any remaining portion thereof) without compensation, and the Warrant will automatically be cancelled.

The Company's right to deliver a Notice to the Investor and the obligation of the Investor to accept a Notice and to acquire and pay for the Series B Preferred Stock subject to such Notice at a Tranche closing are subject to the satisfaction (or waiver) of certain conditions, which include, among others:

- the Company's common stock must be listed for trading or quoted on the OTC Bulletin Board (or another eligible trading market), and the Company must be in compliance with all requirements under the Securities Exchange Act of 1934, as amended, in order to maintain such listing;
- either (i) the Company has a current, valid and effective registration statement covering the resale of all Warrant Shares or (ii) all Warrant Shares are eligible for resale without limitation under Rule 144 (assuming cashless exercise of the Warrant);
- there must not be any material adverse effect with respect to the Company since the date of the Purchase Agreement, other than losses incurred in the ordinary course of business;
  - the Company must not be in default under any material agreement;
- certain lock-up agreements with senior officers and directors of the Company and certain beneficial owners of 10% or more of the Company's outstanding common stock must be effective;
- there must not be any legal restraint prohibiting the transactions contemplated by the Purchase Agreement; and
-

the aggregate of all shares of the Company's common stock beneficially owned by the Investor and its affiliates must not exceed 9.99% of the Company's outstanding common stock.

---

Pursuant to the Purchase Agreement, on July 19, 2010, the Company issued 500 shares of Series B Preferred Stock to the Investor in exchange for the 500 shares of Series A preferred stock (previously issued to the Investor under the Company's Series A purchase agreement with the Investor dated September 24, 2009) so that all shares of the Company's preferred stock held or subsequently purchased by the Investor under the Purchase Agreement would be redeemable upon substantially identical terms. Any accrued and unpaid dividends on the Series A preferred stock were deemed cancelled and such amount of accrued and unpaid dividends were reflected as accrued and unpaid dividends of the Series B Preferred Stock issued to the Investor. In addition, on July 19, 2010, the security and collateral provisions of each of the outstanding promissory notes given to the Company by an affiliate of the Investor ("Holder") in lieu of the payment of the exercise price of certain warrants previously issued by the Company to Holder and exercised by Holder were amended and restated and Holder entered into a Security Agreement with the Company in connection with such amendments.

b. So long as any shares of Series B Preferred Stock are outstanding, no dividends or other distributions will be paid, declared or set apart with respect to any Junior Shares. The Common Stock shall not be redeemed while the Series B Preferred Stock is outstanding.

4. Protective Provision. So long as any shares of Series B Preferred Stock are outstanding, the Corporation shall not, without the affirmative approval of the Holders of a majority of the shares of the Series B Preferred Stock then outstanding, (a) alter or change adversely the powers, preferences or rights given to the Series B Preferred Stock or alter or amend this Certificate of Designations, (b) authorize or create any class of stock ranking as to distribution of assets upon a liquidation senior to or otherwise pari passu with the Series B Preferred Stock (other than Senior Shares), (c) amend its certificate or articles of incorporation or other charter documents in breach of any of the provisions hereof, (d) increase the authorized number of shares of Series B Preferred Stock, (e) liquidate, dissolve or wind-up the business and affairs of the Corporation, or effect any Deemed Liquidation Event (as defined below), or (f) enter into any agreement with respect to the foregoing.

5. Liquidation.

a. Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of debts and other liabilities of the Corporation, before any distribution or payment shall be made to the holders of any Junior Shares by reason of their ownership thereof, but after any distribution or payment to be made to the holders of any Senior Shares and simultaneous with any distribution or payment to be made to the holders of any pari passu shares, the Holders of Series B Preferred Stock shall be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders an amount with respect to each share of Series B Preferred Stock equal to \$10,000.00 (the “Original Series B Issue Price”), plus any accrued but unpaid Dividends thereon (collectively, the “Series B Liquidation Value”). b. After payment has been made to the Holders of the Series B Preferred Stock of the full amount of the Series B Liquidation Value, any remaining assets of the Corporation shall be distributed among the holders of the Corporation’s Junior Shares in accordance with the Corporation’s Certificates of Designation and Certificate of Incorporation.

c. If, upon any liquidation, dissolution or winding up of the Corporation, the assets of the Corporation shall be insufficient to make payment in full to all Holders, then such assets shall be distributed among the Holders at the time outstanding, ratably in proportion to the full amounts to which they would otherwise be respectively entitled.

c. Mechanics of Redemption. d. Payment of Redemption Price. Upon receipt by any Holder of a Notice of Redemption at Option of Corporation, such Holder shall promptly submit to the Corporation such Holder's Series B Preferred Stock certificates. c. The Corporation shall keep at its principal office, or at the offices of the Transfer Agent, a register of the Series B Preferred Stock. Upon the surrender of any certificate representing Series B Preferred Stock at such place, the Corporation, at the request of the record Holder of such certificate, shall execute and deliver (at the Corporation’s expense) a new certificate or certificates in exchange therefor representing in the aggregate the number of shares represented by the surrendered certificate. - (d) upon the occurrence of a Fundamental Transaction;
- (e) so long as any Preferred Shares are outstanding, the Company (i) creates or publicly announces its intention to create a class of Common Stock or series of preferred stock senior to the Series B Preferred Stock with respect to liquidation rights (other than a series of preferred stock that the Company intends to cause to be listed for trading or quoted on any Trading Market other than the OTC Bulletin Board) or (ii) substantially alters or publicly announces its intention to substantially alter the capital structure of the Company in a manner that materially adversely effects the rights or preferences of the Series B Preferred Stock (other than in connection with the creation of a series of preferred stock that the Company intends to cause to be listed for trading or quoted on any Trading Market other than the OTC Bulletin Board), in each case without the prior approval of the holders or a majority of the Preferred Shares then outstanding; and

(f) on the Termination Date.

3.2 **Company Termination.** The Company may at any time in its sole discretion terminate (a “Company Termination”) this Agreement by providing 30 days’ advanced written notice (“Termination Notice”) to Investor.

3.3 **Other Termination.** The Investor may terminate this Agreement by providing three days’ advanced written notice to the Company, if the Company is in breach or default of any Material Agreement which would reasonably be expected to have a Material Adverse Effect, and such breach or default is not cured within 20 Trading Days after notice of such breach or default is delivered to the Company. The Company or the Investor may terminate this Agreement by providing three days’ advanced written notice to the other, if the other party is in material breach or default of this Agreement or any Transaction Document, and such material breach or default is not cured within 10 Trading Days after notice of such material breach or default is delivered to the breaching party. This Agreement may be terminated at any time by the mutual written consent of both the Company and the Investor, effective as of the date of such mutual written consent unless otherwise provided in such written consent.

3.4 **Effect of Termination.** In the event of termination by the Company or the Investor pursuant to Section 3.2 or 3.3, as applicable, written notice thereof shall forthwith be given to the other party as provided in Section 6.2 and the transactions contemplated by this Agreement shall be terminated without further action by either party. If this Agreement is terminated as provided in Section 3.1, 3.2 or 3.3 herein, this Agreement shall become void and of no further force and effect, except as provided in Section 6.8 hereof. Nothing in this Section 3.4 shall be deemed to release the Company or the Investor from any liability for any breach or default under this Agreement or any of the other Transaction Documents occurring prior to such termination, or to impair the rights of the Company and the Investor to compel specific performance by the other party of its obligations under this Agreement arising prior to such termination, or to impair rights of indemnification under this Agreement or any other Transaction Document. The termination of this Agreement will have no effect on any Preferred Shares, Warrant (except as provided therein in the event of a Funding Default) or Warrant Shares previously issued or delivered, or on any rights of any holder thereof; provided, however, that in the event that the sum of the aggregate Tranche Purchase Price for all Tranche Shares reaches the Maximum Placement hereunder, any portion of the Warrant that remains unvested on such Termination Date shall automatically be cancelled with no further action of the Company, Investor or the holder of the Warrant effective as of such Termination Date. Notwithstanding any other provision, all fees paid to Investor or its counsel are non-refundable.

ARTICLE 4  
REPRESENTATIONS AND WARRANTIES

4.1 Representations and Warranties of the Company. Except as set forth under the corresponding section of the Disclosure Schedules (as the same may be updated pursuant to Section 2.3(c)(ii)), which shall be deemed a part hereof, or as set forth in the SEC Reports, the Company hereby represents and warrants to, and as applicable covenants with, Investor as follows:

- (a) No Subsidiaries. The Company does not own, directly or indirectly, any capital stock or other equity interests in any Subsidiary.
- (b) Organization and Qualification. The Company is an entity duly incorporated, validly existing and in good standing under the laws of the State of Delaware, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted. The Company is not in violation or default of any of the provisions of its certificate of incorporation or bylaws as currently in effect, except where such violation or default would not, individually or in the aggregate, constitute a Material Adverse Effect. The Company is duly qualified to conduct business and is in good standing as a foreign corporation in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not have or reasonably be expected to result in a Material Adverse Effect, and no proceeding has been instituted in any such jurisdiction revoking, limiting or curtailing or seeking to revoke, limit or curtail such power and authority or qualification, except as would not have or reasonably be expected to result in a Material Adverse Effect.
- (c) Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by each of the Transaction Documents and otherwise to carry out its obligations hereunder or thereunder. The execution and delivery of each of the Transaction Documents by the Company and the consummation by it of the transactions contemplated hereby or thereby have been duly authorized by all necessary corporate action on the part of the Company and no further consent or authorization of the Company or its board of directors or stockholders is required. Each of the Transaction Documents has been, or upon delivery will be, duly executed by the Company and, when delivered in accordance with the terms hereof, will constitute the valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights and remedies.

(d) No Conflicts. Assuming each of the filings, consents and approvals referred to in Section 4.1(e) are obtained, given or made on a timely basis, as applicable, the execution, delivery and performance of the Transaction Documents by the Company, the issuance and sale of the Securities and the consummation by the Company of the other transactions contemplated thereby do not and will not (i) conflict with or violate any provision of the Company's certificate of incorporation or bylaws as currently in effect, or (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any Lien upon any of the properties or assets of the Company, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any agreement, credit facility, debt or other instrument (evidencing a Company debt or otherwise) or other understanding to which the Company is a party or by which any property or asset of the Company is bound or affected, or (iii) conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company is subject (including U.S. federal and state securities laws and regulations), or by which any property or asset of the Company is bound or affected; except in the case of each of clauses (ii) and (iii), such as would not have or reasonably be expected to result in a Material Adverse Effect.

(e) Filings, Consents and Approvals. The Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by the Company of the Transaction Documents, other than (i) the filing of the Certificate of Designations, (ii) such as may be required under the Act (including, without limitation, the filing of a Form D with the SEC and any Registration Statement required to be filed pursuant to this Agreement) or the Exchange Act (including, without limitation, the filing of a Current Report on Form 8-K of the Company describing the transactions contemplated by, and attaching a complete copy of, the Transaction Documents), (iii) such as may be required under applicable state securities or "blue sky" laws, (iv) such as may be required under the rules and regulations of the Trading Market or the Financial Industry Regulatory Authority (the "FINRA") and (v) such consents, waivers, authorizations, order, notices, filings or registrations, the failure of which to obtain, give or make would not, individually or in the aggregate, result in a Material Adverse Effect; provided, that, for purposes of the representation made in this Section 4.1(e), the Company is assuming and relying upon the accuracy of the representations and warranties of the Investor contained in Sections 4.2(d) through and including 4.2(m), and the full performance of and compliance with the covenants and agreements of the Investor contained in Section 5.1 of this Agreement.

(f) Issuance of the Securities. Subject to Section 5.13, the Securities are duly authorized and, when issued and paid for in accordance with the applicable Transaction Documents, and subject to, and in reliance on, the representations, warranties, covenants and agreements made herein by the Investor, will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens. The Company has reserved from its duly authorized capital stock a number of shares of Common Stock and Preferred Stock for issuance of the Securities at least equal to the number of Securities which could be issued pursuant to the terms of this Agreement based on the then-current anticipated exercise price(s) of the Warrant.

(g) Capitalization. The authorized capital stock of the Company as of April 30, 2010 and the number of shares of Common Stock issued and outstanding as of May 20, 2010 is as described in the Company's Quarterly Report on Form 10-Q for its fiscal quarter ended July April 30, 2010. No Person has any right of first refusal, preemptive right, right of participation, or any similar right to participate in the transactions contemplated by the Transaction Documents. As of the Effective Date, except as a result of the purchase and sale of the Securities and for stock options issued by the Company to its employees, directors and consultants, there are no outstanding options, warrants, script rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities, rights or obligations convertible into or exchangeable for, or giving any Person any right to subscribe for or acquire, any shares of Common Stock, or contracts, commitments, understandings or arrangements by which the Company or any Subsidiary is or may become bound to issue additional shares of Common Stock or securities convertible into or exercisable for shares of Common Stock. All of the outstanding shares of capital stock of the Company are validly issued, fully paid and nonassessable, have been issued in compliance with all U.S. federal and state securities laws, and none of such outstanding shares was issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. As of the Effective Date, there are no stockholders agreements, voting agreements or other similar agreements with respect to the Company's capital stock to which the Company is a party or, to the knowledge of the Company, between or among any of the Company's stockholders.

(h) SEC Reports; Financial Statements. Except as set forth in Schedule 4.1(h) of the Disclosure Schedules, the Company has filed all required SEC Reports for the two years preceding the Effective Date (or such shorter period as the Company was required by law to file such material) on a timely basis or has received a valid extension of such time of filing and has filed any such SEC Reports prior to the expiration of any such extension. As of their respective dates, the SEC Reports complied in all material respects with the requirements of the Act and the Exchange Act and the rules and regulations of the SEC promulgated thereunder, as applicable, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with GAAP, except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and fairly present in all material respects the financial position of the Company and its consolidated subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments.

(i) Material Changes. Since the date of the latest audited financial statements included within the SEC Reports, except as disclosed in the SEC Reports, (i) there has been no event, occurrence or development that has had or that would reasonably be expected to result in a Material Adverse Effect, (ii) the Company has not incurred any liabilities (contingent or otherwise) other than (A) trade payables and accrued expenses incurred in the ordinary course of business consistent with past practice and (B) liabilities not required to be reflected in the Company's financial statements pursuant to GAAP or required to be disclosed in filings made with the SEC, (iii) the Company has not altered its method of accounting, (iv) the Company has not declared or made any dividend or distribution of cash or other property to its stockholders or purchased, redeemed or made any agreements to purchase or redeem any shares of its capital stock and (v) the Company has not issued any equity securities to any officer, director or Affiliate, except pursuant to existing Company equity incentive plans. The Company does not have pending before the SEC any request for confidential treatment of information.

(j) **Litigation.** There is no action, suit, inquiry, notice of violation, proceeding or investigation pending or, to the knowledge of the Company, threatened against or affecting the Company or any of its properties before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) (collectively, an “Action”), which (i) adversely affects or challenges the legality, validity or enforceability of any of the Transaction Documents or the Securities, or (ii) would, if there were an unfavorable decision, have or reasonably be expected to result in a Material Adverse Effect. Neither the Company, nor to the knowledge of the Company any director or officer of the Company, is or has been during the past five years the subject of any Action involving a claim of violation of or liability under U.S. federal or state securities laws or a claim of breach of fiduciary duty. During the past five years, there has not been, and to the knowledge of the Company, there is not pending or contemplated, any investigation by the SEC involving the Company or any current or former director or officer of the Company in their capacity as a director or officer of the Company. During the past five years, the SEC has not issued any stop order or other order suspending the effectiveness of any registration statement filed by the Company under the Exchange Act or the Act.

(k) **Labor Relations.** No material labor dispute exists or, to the knowledge of the Company, is imminent with respect to any of the employees of the Company, which would reasonably be expected to result in a Material Adverse Effect.

(l) **Compliance.** The Company (i) is not in default under or in violation of (and, to the Company’s knowledge, no event has occurred that has not been waived that, with notice or lapse of time or both, would result in a default by the Company under), nor has the Company received written notice of a claim that it is in default under or that it is in violation of, any indenture, loan or credit agreement or any other similar agreement or instrument to which it is a party or by which it or any of its properties is bound (whether or not such default or violation has been waived), (ii) is in violation of any order of any court, arbitrator or governmental body applicable to the Company, or (iii) is or has been in violation of any statute, rule or regulation of any governmental authority applicable to the Company, including without limitation all foreign, federal, state and local laws applicable to its business, except in each of the cases referenced in clauses (i), (ii) and (iii) above as would not have a Material Adverse Effect.

(m) **Regulatory Permits.** The Company and the Subsidiaries possess all certificates, authorizations and permits issued by the appropriate federal, state, local or foreign regulatory authorities necessary to conduct their respective businesses as described in the SEC Reports, except where the failure to possess such permits would not, individually or in the aggregate, have or reasonably be expected to result in a Material Adverse Effect (“Material Permits”), and neither the Company nor any Subsidiary has received any written notice of proceedings relating to the revocation or modification of any Material Permit.

(n) **Title to Assets.** The Company and the Subsidiaries have good and marketable title in fee simple to all real property owned by them that is material to the business of the Company and the Subsidiaries and good and marketable title in all personal property owned by them that is material to the business of the Company and the Subsidiaries, in each case free and clear of all Liens, except for Liens as do not materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property by the Company and the Subsidiaries and Liens for the payment of federal, state or other taxes, the payment of which is neither delinquent nor subject to penalties. Any real property and facilities held under lease by the Company and the Subsidiaries are held by them under valid, subsisting and enforceable leases of which the Company and the Subsidiaries are in compliance.

(o) Patents and Trademarks. The Company has, or has rights to use, all patents, patent applications, trademarks, trademark applications, service marks, trade names, copyrights, licenses and other similar rights that are necessary or material for use in connection with their respective businesses as described in the SEC Reports and which the failure to so have would have a Material Adverse Effect (collectively, the “Intellectual Property Rights”). The Company has not received a written notice that the Intellectual Property Rights used by the Company violates or infringes upon the rights of any Person. To the knowledge of the Company, all such Intellectual Property Rights are enforceable and there is no existing infringement by another Person of any of the Intellectual Property Rights of the Company.

(p) Insurance. The Company is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which the Company is engaged. The Company has no reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business without a significant increase in cost.

(q) Transactions With Affiliates and Employees. Except as set forth in the SEC Reports, none of the officers or directors of the Company and, to the knowledge of the Company, none of the employees of the Company is presently a party to any transaction with the Company or any Subsidiary (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner, in each case in excess of \$120,000 other than (i) for payment of salary or consulting fees for services rendered, (ii) reimbursement for expenses incurred on behalf of the Company and (iii) for other employee benefits, including stock option agreements under any equity incentive plan of the Company.

(r) Sarbanes-Oxley; Internal Accounting Controls. The Company is in material compliance with all provisions of the Sarbanes-Oxley Act of 2002, which are applicable to it as of the date of the Commitment Closing. The Company and the Subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management’s general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management’s general or specific authorization, and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. The Company has established disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the Company and designed such disclosure controls and procedures to ensure that material information relating to the Company, including its Subsidiaries, is made known to the certifying officers by others within those entities, particularly during the period in which the Company’s most recently filed periodic report under the Exchange Act, as the case may be, is being prepared. The Company’s certifying officers have evaluated the effectiveness of the Company’s controls and procedures as of the date prior to the filing date of the most recently filed periodic report under the Exchange Act (such date, the “Evaluation Date”). The Company presented in its most recently filed periodic report under the Exchange Act the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date. Since the Evaluation Date, there have been no significant changes in the Company’s internal controls (as such term is defined in Item 307(b) of Regulation S-K under the Exchange Act) or, to the Company’s knowledge, in other factors that could materially affect the Company’s internal controls.

- (s) **Certain Fees.** Except for the payment of the Commitment Fee, the issuance of the Warrant and the other payments to be made pursuant to the Transaction Documents, no brokerage or finder's fees or commissions are or will be payable by the Company to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by this Agreement. Except as a result of any agreements or arrangements made by the Investor or its representatives or Affiliates, to the Company's knowledge, Investor shall have no obligation with respect to any such fees or commissions of a type contemplated in this Section 4.1(s) that may be due in connection with the transactions contemplated by this Agreement.
- (t) **Private Placement.** Assuming the accuracy of Investor representations and warranties set forth in Section 4.2, no registration under the Act is required for the offer and sale of the Securities by the Company to Investor as contemplated hereby. The issuance and sale of the Securities hereunder does not contravene the rules and regulations of the OTC Bulletin Board.
- (u) **Investment Company.** The Company is not, and is not an Affiliate of, and immediately after receipt of payment for the Securities, will not be or be an Affiliate of, an "investment company" within the meaning of the Investment Company Act of 1940, as amended. The Company shall conduct its business in a manner so that it will not become subject to the Investment Company Act.
- (v) **Registration Rights.** No Person has any right to cause the Company to effect the registration under the Act of any securities of the Company.
- (w) **Listing and Maintenance Requirements.** The Common Stock is registered pursuant to Section 12 of the Exchange Act, and the Company has taken no action designed to, or which to its knowledge is likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act nor, to the Company's knowledge, is the SEC contemplating terminating such registration. The Company has not, in the 12 months preceding the Effective Date, received notice from any Trading Market on which the Common Stock is or has been listed or quoted to the effect that the Company is not in compliance with the listing or maintenance requirements of such Trading Market. The Company is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with all such listing and maintenance requirements.

(x) Application of Takeover Protections. The Company and its Board of Directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti takeover provision under the Company's Certificate of Incorporation or the laws of its state of incorporation that is or could become applicable to Investor as a result of Investor and the Company fulfilling their obligations or exercising their rights under the Transaction Documents, including without limitation the Company's issuance of the Securities and Investor's ownership of the Securities.

(y) Disclosure. Except with respect to (i) the transactions contemplated by the Transaction Documents, (ii) the information contained in the Disclosure Schedules and (iii) the information that will be publicly disclosed by the Company pursuant to Section 2.2(b)(i)E and Section 5.4, the Company confirms that neither the Company nor any other Person acting on its behalf has provided Investor or its agents or counsel with any information that constitutes material, non-public information that, according to applicable law, rule or regulation, should have been disclosed publicly by the Company prior to the Effective Date but which has not been so publicly disclosed. The Company understands and confirms that Investor will rely on the foregoing representations and covenants in effecting transactions in securities of the Company. All disclosure provided to Investor regarding the Company, its business and the transactions contemplated hereby, furnished by or on behalf of the Company with respect to the representations and warranties made herein are true and correct in all material respects and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(z) No Integrated Offering. Neither the Company, nor any of its Affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause this offering of the Securities to be integrated with prior offerings by the Company for purposes of the Act.

(aa) Financial Condition. Based on the financial condition of the Company as of the date of the Commitment Closing: (i) the fair saleable market value of the Company's assets exceeds the amount that will be required to be paid on or in respect of the Company's existing debts and other liabilities (including known contingent liabilities) as they mature; (ii) the Company's assets do not constitute unreasonably small capital to carry on its business for the current fiscal year as now conducted and as proposed to be conducted including its capital needs taking into account the particular capital requirements of the business conducted by the Company, and projected capital requirements and capital availability thereof; and (iii) the current cash flow of the Company, together with the proceeds the Company would receive, were it to liquidate all of its assets, after taking into account all anticipated uses of the cash, would be sufficient to pay all amounts on or in respect of its debt when such amounts are required to be paid. The Company does not intend to incur debts beyond its ability to pay such debts as they mature (taking into account the timing and amounts of cash to be payable on or in respect of its debt). The Company has no knowledge of any facts or circumstances, which lead it to believe that it will file for reorganization or liquidation under the bankruptcy or reorganization laws of any jurisdiction within one year from the date of the Commitment Closing. The Company's Quarterly Report on Form 10-Q for its fiscal quarter ended April 30, 2010 sets forth as of April 30, 2010 all outstanding secured and unsecured Indebtedness of the Company, or for which the Company has commitments. The Company is not in default with respect to any Indebtedness.

(bb) Tax Status. The Company and each of its Subsidiaries has made or filed all federal, state and foreign income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject (unless and only to the extent that the Company and each of its Subsidiaries has set aside on its books provisions reasonably adequate for the payment of all unpaid and unreported taxes) and has paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and has set aside on its books provisions reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company know of no basis for any such claim. The Company has not executed a waiver with respect to the statute of limitations relating to the assessment or collection of any foreign, federal, state or local tax. None of the Company's tax returns is presently being audited by any taxing authority.

(cc) No General Solicitation or Advertising. Except for the Registration Statement to be filed as contemplated by this Agreement, neither the Company nor, to the knowledge of the Company, any of its directors or officers (i) has conducted or will conduct any general solicitation (as that term is used in Rule 502(c) of Regulation D) or general advertising with respect to the sale of the Securities, or (ii) made any offers or sales of any security or solicited any offers to buy any security under any circumstances that would require registration of the Securities under the Act or made any "directed selling efforts" as defined in rule 902 of Regulation S.

(dd) Foreign Corrupt Practices. Neither the Company, nor to the knowledge of the Company, any agent or other person acting on behalf of the Company, has (i) directly or indirectly, used any corrupt funds for unlawful contributions, gifts, entertainment or other unlawful expenses related to foreign or domestic political activity, (ii) made any unlawful payment to foreign or domestic government officials or employees or to any foreign or domestic political parties or campaigns from corporate funds, (iii) failed to disclose fully any contribution made by the Company (or made by any person acting on its behalf of which the Company is aware) which is in violation of law, or (iv) violated in any material respect any provision of the Foreign Corrupt Practices Act of 1977, as amended.

(ee) Acknowledgment Regarding Investor's Purchase of Securities. The Company acknowledges and agrees that Investor is acting solely in the capacity of arm's length purchaser with respect to this Agreement and the transactions contemplated hereby. The Company further acknowledges that Investor is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereby and any statement made by Investor or any of its representatives or agents in connection with this Agreement and the transactions contemplated hereby is not advice or a recommendation and is merely incidental to Investor's purchase of the Securities. The Company further represents to Investor that the Company's decision to enter into this Agreement has been based solely on the independent evaluation of the Company and its representatives.

(ff) Accountants. The Company's accountants are set forth in the SEC Reports. To the Company's knowledge, such accountants are an independent registered public accounting firm as required by the Act.

(gg) No Disagreements with Accountants and Lawyers. There are no disagreements of any kind presently existing, or reasonably anticipated by the Company to arise, between the accountants and lawyers formerly or presently employed by the Company, and the Company is current with respect to any fees owed to its accountants.

(hh) Registration Statements and Prospectuses.

(i) Company will use its commercially reasonable efforts to file within 30 calendar days after the Effective Date (or as soon as possible thereafter), cause to become effective as soon as possible thereafter, and remain effective until the earlier of (A) the first date on which all Warrant Shares covered thereby have been sold or are Rule 144 Eligible (assuming cashless exercise of the Warrant by the holder thereof at all times after such first date) or (B) in the event that no Tranche Closing ever occurs, the Termination Date, a Registration Statement covering the public resale by the Investor of all Common Shares issued in payment of the Commitment Fee and all Warrant Shares. Such Registration Statement, on the date it is filed with the SEC and on the date it becomes effective, and, as amended or supplemented, at the time of any Tranche Notice Date, Tranche Closing Date, or issuance of any Warrant Shares, will comply as to form, in all material respects, with the requirements of the Act.

(ii) Such Registration Statement, as of its effective date, will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided that this representation and warranty does not apply to statements in or omissions from the Registration Statement made in reliance upon and in conformity with information relating to the Investor furnished to the Company in writing by or on behalf of the Investor expressly for use therein, which to the Company's knowledge are not false or misleading.

(iii) The Prospectus, on the date it is filed with the SEC and as of its date, and, at the time of any Tranche Notice Date, Tranche Closing Date, or issuance of any Warrant Shares, and at all times during which a prospectus is required by the Act to be delivered in connection with any sale of Warrant Shares covered thereby, will comply as to form, in all material respects, with the requirements of the Act.

(iv) The Prospectus and any amendment or supplement thereto, as of its date, will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that this representation and warranty does not apply to statements in or omissions from the Prospectus or any amendment or supplement thereto made in reliance upon and in conformity with information relating to the Investor furnished to the Company in writing by or on behalf of the Investor expressly for use therein, which to the Company's knowledge are not false or misleading.

(v) The Registration Statement, as of its effective date, will meet the requirements of subsections (a)(1)(i) and/or (a)(1)(iii) of Rule 415 under the Act or any other applicable subsections thereof.

4.2 Representations and Warranties of Investor. Investor hereby represents and warrants to, and as applicable covenants with, the Company as follows:

(a) Organization; Authority. Investor is an entity duly formed, validly existing and in good standing under the laws of the State of Delaware, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted. Investor has the requisite company power and authority to enter into and to consummate the transactions contemplated by this Agreement and otherwise to carry out its obligations hereunder. The execution and delivery of the Transaction Documents to which Investor is a party and the consummation by it of the transactions contemplated hereby and thereby have been duly authorized by all necessary company action on the part of Investor and no further consent or authorization of Investor or its members is required. Each Transaction Document to which Investor is a party has been (or will be) duly executed by Investor, and when delivered by Investor in accordance with the terms hereof or thereof, will constitute the valid and legally binding obligation of Investor, enforceable against Investor in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights and remedies.

(b) No Conflicts. The execution, delivery and performance of the Transaction Documents to which Investor is a party do not and will not conflict with or violate any provision of Investor's certificate of formation or operating agreement (or similar organizational documents) as currently in effect.

(c) Investor Status. At the time Investor was offered the Securities, it was, and it is: (i) an "accredited investor" as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7) or (a)(8) under the Act or (ii) a "qualified institutional buyer" as defined in Rule 144A(a) under the Act.

(d) Experience of Investor. Investor, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Securities, and has so evaluated the merits and risks of such investment. Investor is able to bear the economic risk of an investment in the Securities and, at the present time, is able to afford a complete loss of such investment.

- (e) Information. The Investor and its advisors, if any, have been furnished with all materials relating to the business, finances and operations of the Company and materials relating to the offer and sale of the Securities which have been requested by the Investor. The Investor and its advisors, if any, have been afforded the opportunity to ask questions of the Company; provided, however, that neither such inquiries nor any other due diligence investigations conducted by Investor or its representatives shall modify, amend or affect Investor's right to rely on the Company's representations and warranties contained in Section 4.1. The Investor has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Securities. The Investor understands that it (and not the Company) shall be responsible for its own tax liabilities that may arise as a result of this investment or the transactions contemplated by this Agreement.
- (f) General Solicitation. Investor is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.
- (g) No Public Sale or Distribution. Investor is acquiring the Securities for its own account, and not as a nominee or agent. Investor is acquiring the Preferred Shares and the Warrant for investment purposes, and not with a view towards, or for resale in connection with, the public sale or distribution of any part thereof, except pursuant to transactions registered under the Act or exempt from such registration; provided, however, that the disposition of its property shall at all times be within its control. Investor does not presently have any contract, agreement, undertaking, arrangement or understanding, directly or indirectly, with any non-Affiliate of Investor to sell, transfer, pledge, assign or otherwise distribute any of the Securities.
- (h) Acknowledgement of Private Placement. Investor understands that the offer and sale of the Securities provided for herein is being made without registration under the Act, in reliance upon the provisions of Section 4(2) of the Act, Regulation D promulgated under the Act, and such other exemptions from the registration requirements of the Act as may be available with respect to any or all of the purchases of Securities to be made hereunder, and that the Company is relying in part upon the truth and accuracy of, and such Investor's compliance with, the representations, warranties, agreements, covenants, acknowledgments and understandings of such Investor set forth herein in order to determine the availability of such exemptions and the eligibility of such Investor to acquire the Securities.
- (i) Transfer or Resale. Investor understands that: (i) the Preferred Shares and the Warrants have not been and are not being registered under the Act or any state securities or "blue sky" laws, (ii) as of the Effective Date the Warrant Shares have not been registered under the Act or any state securities or "blue sky" laws and (iii) except as expressly provided in the Transaction Documents with respect to the Warrant Shares, neither the Company nor any other Person is under any obligation to register the Securities under the Act or any state securities or "blue sky" laws or to comply with the terms and conditions of any exemption thereunder.
- (j) Trading Restrictions; Compliance with Securities Laws. The Investor covenants and agrees that during the period beginning on the Trading Day immediately preceding the Effective Date and ending on the Trading Day next following the termination of this Agreement, neither the Investor nor any of its Affiliates nor any entity managed or controlled by the Investor will, directly or indirectly, enter into or execute or cause or assist any Person to enter into or execute any "short sale" (as such term is defined in Rule 200 of Regulation SHO, or any successor regulation, promulgated by the SEC under the Exchange Act) of the Common Stock.

- (k) Not an Affiliate. The Investor is not an officer, director or Affiliate of the Company.
- (l) No Governmental Review. Investor understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Securities or the fairness or suitability of the investment in the Securities nor have such authorities passed upon or endorsed the merits of the offering of the Securities.
- (m) Public Resale of Warrant Shares. The Investor agrees that unless the Warrant Shares covered by any Registration Statement are Rule 144 Eligible, it will publicly resell such Warrant Shares only pursuant to such Registration Statement, in a manner described under the caption “Plan of Distribution” in the Registration Statement, and in a manner in compliance with any applicable prospectus delivery requirements of the Securities Act.

The Company acknowledges and agrees that Investor does not make or has not made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in this Section 4.2.

## ARTICLE 5 OTHER AGREEMENTS OF THE PARTIES

### 5.1 Transfer Restrictions.

- (a) The Securities constitute “restricted securities” as such term is defined in Rule 144(a)(3) under the Act and may only be disposed of in compliance with U.S. federal securities laws and applicable state securities or “blue sky” laws. Without limiting the generality of the foregoing, except for a transfer to an Affiliate of Investor or a bona fide pledge of the Securities, the Securities may not be offered for sale, sold, transferred, assigned, pledged or otherwise distributed unless (i) subsequently registered thereunder, (ii) Investor shall have delivered to the Company an opinion of counsel reasonably acceptable to the Company (which may be Luce, Forward, Hamilton & Scripps LLP (“Luce Forward”)), in a form generally acceptable to the Company, to the effect that such Securities to be offered for sale, sold, transferred, assigned, pledged or otherwise distributed may be offered for sale, sold, transferred, assigned, pledged or otherwise distributed pursuant to an exemption from such registration, or (iii) such Securities can be offered for sale, sold, transferred, assigned, pledged or otherwise distributed pursuant to Rule 144 or Rule 144A promulgated under the Act, as applicable.
- (b) The parties acknowledge and agree that the Warrant Shares will be issued without any restrictive legends. Investor agrees to the imprinting, for so long as is required by this Section 5.1, upon the certificates or other instruments representing the Preferred Shares and Warrants of any legends required by applicable state securities or “blue sky” laws, in addition to the following restrictive legend (and that a stop transfer order shall be placed against transfer of such certificates):

NEITHER THESE SECURITIES NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE EXERCISABLE HAVE BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS AS EVIDENCED BY A LEGAL OPINION OF COUNSEL TO SUCH EFFECT, THE SUBSTANCE OF WHICH SHALL BE REASONABLY ACCEPTABLE TO THE COMPANY. THESE SECURITIES AND THE SECURITIES ISSUABLE UPON EXERCISE OF THESE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN SECURED BY SUCH SECURITIES.

5.2 **Furnishing of Information.** As long as Investor owns Securities, the Company covenants to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the Effective Date pursuant to the Exchange Act. Upon the request of Investor, the Company shall deliver to Investor a written certification of a duly authorized officer as to whether it has complied with the preceding sentence. As long as Investor owns Securities, if the Company is not required to file reports pursuant to such laws, it will prepare and furnish to Investor and make publicly available in accordance with Rule 144(c) such information as is required for Investor to sell the Securities under Rule 144 until such time as Investor may sell all such Securities without restriction under Rule 144. The Company further covenants that it will take such further action as any holder of Securities may reasonably request, all to the extent required from time to time to enable such Person to sell Securities without registration under the Act within the limitation of the exemptions provided by Rule 144.

5.3 **Integration.** The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Act) that would be integrated with the offer or sale of the Securities in a manner that would require the registration under the Act of the sale of the Securities to Investor.

5.4 **Securities Laws Disclosure; Publicity.** The Company shall, by 8:30 a.m., New York City time, on the Trading Day immediately following the Effective Date, issue a press release and shall, by 5:30 p.m., New York City time, on the Trading Day immediately following the Effective Date, file a Current Report on Form 8-K describing the transactions contemplated by, and attaching a complete copy of, the Transaction Documents. Such press release and Current Report on Form 8-K shall be reasonably acceptable to Investor. The Company and Investor shall consult with each other in issuing any additional press releases with respect to the transactions contemplated hereby, and neither the Company nor Investor shall issue any such press release or otherwise make any such public statement without the prior consent of the Company, with respect to any such press release of Investor, or without the prior consent of Investor, with respect to any such press release of the Company, which consent shall not unreasonably be withheld or delayed, except if such disclosure is required by law, Trading Market regulations or judicial process, in which case the disclosing party shall promptly provide the other party with prior notice of such public statement or communication. The Company shall provide Investor with prior notice of any public disclosure of the name of Investor in any filing with the SEC or any regulatory agency or Trading Market (it being hereby acknowledged and agreed by Investor that Investor's name shall be disclosed in any Current Report on Form 8-K of the Company describing the transactions contemplated by the Transaction Documents, in any Registration Statement and Prospectus covering any Warrant Shares, and in other reports of the Company required to be filed by the Company under the Act and the Exchange Act, including pursuant to Section 13(a) or 15(d) thereof).

5.5 Shareholders Rights Plan. No claim will be made or enforced by the Company or, to the knowledge of the Company, any other Person that Investor is an “Acquiring Person” under any shareholders rights plan or similar plan or arrangement in effect or hereafter adopted by the Company, or that Investor could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Securities under the Transaction Documents or under any other agreement between the Company and Investor. The Company shall conduct its business in a manner so that it will not become subject to the Investment Company Act of 1940, as amended.

5.6 Non-Public Information. The Company covenants and agrees that neither it nor any Person acting on its behalf will provide, Investor or its agents or counsel with any information that the Company believes constitutes material non-public information, unless prior thereto Investor shall have executed a written agreement regarding the confidentiality and use of such information. The Company understands and confirms that Investor shall be relying on the foregoing covenant in effecting transactions in securities of the Company.

5.7 Reimbursement. If Investor becomes involved in any capacity in any proceeding by or against any Person who is a stockholder of the Company (except as a result of sales, pledges, margin sales and similar transactions by Investor to or with any current stockholder), solely as a result of Investor’s acquisition of the Securities under this Agreement, the Company will reimburse Investor for its reasonable legal and other expenses (including the cost of any investigation preparation and travel in connection therewith) incurred in connection therewith, as such expenses are incurred, or will assume the defense of Investor in such matter. The reimbursement obligations of the Company under this paragraph shall be in addition to any liability which the Company may otherwise have, shall extend upon the same terms and conditions to any Affiliates of Investor who are actually named in such action, proceeding or investigation, and partners, directors, agents, employees and controlling persons (if any), as the case may be, of Investor and any such Affiliate, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Company, Investor and any such Affiliate and any such Person.

## 5.8 Indemnification.

(a) Indemnification by Company. Subject to the provisions of this Section 5.8(a), the Company will indemnify and hold Investor and any Warrant holder, their Affiliates and attorneys, and each of their directors, officers, shareholders, partners, employees, agents, and any Person who controls Investor within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (collectively, the “Investor Parties” and each an “Investor Party”), harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys’ fees and costs of investigation (collectively, “Losses”) that any Investor Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents, (b) any action instituted against any Investor Party, or any of them or their respective Affiliates, by any stockholder of the Company who is not an Affiliate of an Investor Party, with respect to any of the transactions contemplated by the Transaction Documents (unless such action is based upon a breach of Investor’s representation, warranties or covenants or agreements under the Transaction Documents or any agreements or understandings Investor may have with any such stockholder or any violations by Investor of state or federal securities laws or any conduct by Investor which constitutes fraud, gross negligence, willful misconduct or malfeasance), (c) any untrue statement or alleged untrue statement of a material fact contained in a Registration Statement (or in a Registration Statement as amended by any post-effective amendment thereof by the Company) or arising out of or based upon any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and/or (d) any untrue statement or alleged untrue statement of a material fact included in any Prospectus ( or any amendments or supplements to any Prospectus ), or arising out of or based upon any omission or alleged omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that (i) the Company shall not be obligated to indemnify any Investor Party for any Losses finally adjudicated to have been caused solely by an untrue statement of a material fact or an omission to state a material fact made in reliance upon and conformity with information furnished to the Company in writing by or on behalf of such Person expressly for use in the Registration Statement or the Prospectus (or any amendment or supplement thereto) and (ii) the foregoing indemnity shall not inure to the benefit of any Investor Party from whom the Person asserting any Losses purchased Securities, if a copy of the Prospectus (as then supplemented) was not sent or given by or on behalf of such Investor Party to such Person, if required by law to have been delivered, at or prior to the written confirmation of the sale of such Securities to such person, and if delivery of the Prospectus (as then supplemented) would have cured the defect giving rise to such Losses. The parties intend that any Losses subject to indemnification under this Section 5.8(a) will be net of insurance proceeds (which Investor agrees to use commercially reasonable efforts to recover or cause any Investor Party to recover). Accordingly, the amount which the Company is required to pay any Investor Party under this Section 5.8(a) will be reduced by any insurance proceeds actually recovered by or on behalf of any Investor Party in reduction of the related Losses. In addition, if an Investor Party receives indemnification from the Company under this Section 5.8(a) in respect of any Losses and subsequently receives any such insurance proceeds, then Investor will pay, or will cause such other Investor Party to pay, to the Company an amount equal to the indemnification payment received under this Section 5.8(a) less the amount of the indemnification payment that would have been due if the insurance proceeds had been received, realized or recovered before such indemnification payment was made. However, no provision herein regarding insurance proceeds shall delay payment by the Company to any Investor Party for any indemnified Losses.

(b) Indemnification by Investor. Subject to the provisions of this Section 5.8(b), Investor will indemnify and hold the Company, its Affiliates and attorneys, and each of the Company's directors, officers, shareholders, employees, agents, and any Person who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (collectively, the "Company Parties" and each an "Company Party"), harmless from any and all Losses that any Company Party has been finally adjudicated to have suffered or incurred solely as a result of (a) any unexcused material breach of any material representations, warranties, covenants or agreements made by Investor in this Agreement or in the other Transaction Documents, (b) any conduct by Investor which constitutes fraud, willful misconduct or malfeasance, (c) any untrue statement of a material fact contained in a Registration Statement (or in a Registration Statement as amended by any post-effective amendment thereof by the Company) based upon any omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case, to the extent the untrue statement or omission was made in reliance upon, and in conformity with, information furnished to the Company in writing by or on behalf of any Investor Party expressly for use in the Registration Statement (or any amendment thereto) and/or (d) any untrue statement of a material fact included in any Prospectus (or any amendments or supplements to any Prospectus), or based upon any omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case, to the extent the untrue statement or omission was made in reliance upon, and in conformity with, information furnished to the Company in writing by or on behalf of any Investor Party expressly for use in the Prospectus (or any supplement thereto). The parties intend that any Losses subject to indemnification under this Section 5.8(b) will be net of insurance proceeds (which the Company agrees to use commercially reasonable efforts to recover or cause any Company Party to recover). Accordingly, the amount which Investor is required to pay any Company Party under this Section 5.8(b) will be reduced by any insurance proceeds actually recovered by or on behalf of any Company Party in reduction of the related Losses. In addition, if a Company Party receives indemnification from Investor under this Section 5.8(b) in respect of any Losses and subsequently receives any such insurance proceeds, then the Company will pay, or will cause such other Company Party to pay, to Investor an amount equal to the indemnification payment received under this Section 5.8(b) less the amount of the indemnification payment that would have been due if the insurance proceeds had been received, realized or recovered before such indemnification payment was made. However, no provision herein regarding insurance proceeds shall delay payment by Investor to any Company Party for any indemnified Losses.

(c) Procedure for Indemnification Claims. Promptly after a Person receives notice of a claim or the commencement of an action for which the Person intends to seek indemnification under this Section 5.8, the Person will notify the indemnifying party in writing of the claim or commencement of the action, suit or proceeding; provided, however, that failure to notify the indemnifying party will not relieve the indemnifying party from liability under this Section 5.8, except to the extent it has been materially prejudiced by the failure to give notice. The indemnifying party will be entitled to participate in the defense of any claim, action, suit or proceeding as to which indemnification is being sought, and if the indemnifying party is the Company, the indemnifying party may (but will not be required to) assume the defense against the claim, action, suit or proceeding with counsel satisfactory to it. Subject to the immediately following sentence, if the Company notifies an indemnified party that it wishes to assume the defense of a claim, action, suit or proceeding, the Company will not be liable for any legal or other expenses incurred by the indemnified party in connection with the defense against the claim, action, suit or proceeding. The indemnified party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such indemnified party, except to the extent that (i) the employment thereof has been specifically authorized by the Company in writing, (ii) the Company has failed after a reasonable period of time to assume such defense and to employ counsel, or (iii) in such action there is, in the reasonable opinion of such separate counsel, a material conflict with respect to the dispute in question on any material issue between the position of the Company and the position of the indemnified party such that it would be inappropriate for one counsel to represent both parties. No indemnifying party will be liable to any indemnified party under this Agreement for any settlement by such indemnified party of any action effected by such indemnified party without the indemnifying party's prior written consent, which shall not be unreasonably withheld or

delayed.

5.9 Reservation of Securities. The Company shall maintain a reserve from its duly authorized shares of Common Stock for issuance pursuant to the Transaction Documents in such amount as may be required to fulfill its obligations in full under the Transaction Documents.

5.10 Limited Standstill. The Company will use reasonable efforts to deliver to Investor on or before the first Tranche Closing Date, and will thereafter honor and enforce the provisions of, the Lock-Up Agreements with the Company's executive officers, directors and beneficial owners of 10% or more of the Common Stock.

5.11 Issuance of Additional Securities. The Company shall not issue additional Common Stock or securities convertible into Common Stock to any Person (other than Investor, an Affiliate of Investor, or in connection with an incentive compensation plan), if such issuance would reduce the number of remaining authorized shares of Common Stock that could be issued by the Company below the number of remaining authorized shares issuable upon exercise of the Warrant, without previously amending its Certificate of Incorporation to increase the number of duly authorized shares of Common Stock by at least the amount necessary to assume a sufficient number of shares to permit the exercise in full of the Warrant. However, nothing in this Section 5.11 shall diminish the obligation of the Company to issue the Securities to the Investor in accordance with this Agreement and the Warrant.

5.12 Prospectus Availability and Changes. The Company will make available to Investor upon request, and thereafter from time to time will furnish Investor, as many copies of any Prospectus (or of the Prospectus as amended or supplemented if the Company shall have made any amendments or supplements thereto after the effective date of the applicable Registration Statement) as Investor may request for the purposes contemplated by the Act; and in case Investor is required to deliver a prospectus after the nine-month period referred to in Section 10(a)(3) of the Act in connection with the sale of the Warrant Shares, or after the time a post-effective amendment to the applicable Registration Statement is required pursuant to Item 512(a) of Regulation S-K under the Act, the Company will prepare, at its expense, promptly upon request such amendment or amendments to the Registration Statement and the Prospectus as may be necessary to permit compliance with the requirements of Section 10(a)(3) of the Act or Item 512(a) of Regulation S-K under the Act, as the case may be.

The Company will advise Investor promptly of the happening of any event within the time during which a Prospectus is required to be delivered by Investor under the Act which, in the good faith judgment of the Company, following consultation with its independent legal counsel, would require the making of any change in the Prospectus then being used so that the Prospectus would not include an untrue statement of material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading, and to advise Investor promptly if, during such period, in the good faith judgment of the Company, following consultation with its independent legal counsel, it shall become necessary to amend or supplement any Prospectus to cause such Prospectus to comply with the requirements of the Act, and in each case, during such time, to prepare and furnish, at the Company's expense, to Investor promptly such amendments or supplements to such Prospectus as may be necessary to reflect any such change or to effect such compliance. The Company shall not be required to disclose to the Investor the substance or specific reasons of any of the events referred to in the immediately preceding sentence, but rather, shall only be required to disclose that the event has occurred. Notwithstanding anything herein to the contrary, the Company need not advise the Investor regarding any supplement to the Prospectus the purpose of which is to update the Prospectus and the Registration Statement to include information the Company has previously filed with the SEC pursuant to Section 13 or 15(d) or 14(a) of the Exchange Act and the rules and regulations promulgated thereunder.

5.13 Activity Restrictions. For so long as Investor or any of its Affiliates holds any Securities, neither Investor nor any Affiliate will: (i) vote any shares of Common Stock owned or controlled by it, solicit any proxies, or seek to advise or influence any Person with respect to any voting securities of the Company; (ii) engage or participate in any actions, plans or proposals which relate to or would result in (a) acquiring additional securities of the Company, alone or together with any other Person, which would result in beneficially owning or controlling, or being deemed to beneficially own or control, more than 9.99% of the total outstanding Common Stock or other voting securities of the Company, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Company or any of its subsidiaries, (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries, (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of the Company, (f) any other material change in the Company's business or corporate structure, including but not limited to, if the Company is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by Section 13 of the Investment Company Act of 1940, (g) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any Person, (h) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act, or (j) any action, intention, plan or arrangement similar to any of those enumerated above; or (iii) request the Company or its directors, officers, employees, agents or representatives to amend or waive any provision of this Section 5.13.

5.14 The Exchange; Amended Notes.

(a) On the date of the Commitment Closing, the Company shall issue to the Investor one (1) Preferred Share in consideration of and in exchange for each one (1) Original Preferred Share held by the Investor immediately prior to the date of the Commitment Closing, which Preferred Shares shall be validly issued and delivered on behalf of the Company to the Investor on the date of the Commitment Closing and registered in the name of the Investor or its designee. The Company and the Investor hereby acknowledge and agree, to the fullest extent permitted by law, that as of the date of the Commitment Closing, any accrued and unpaid dividends on such Original Preferred Shares shall, to the fullest extent permitted by law, be deemed cancelled and such amount of accrued and unpaid dividends shall be reflected as accrued and unpaid dividends of the Preferred Shares issued to the Investor as set forth in the Certificate of Designations. The Investor hereby covenants and agrees to surrender the Original Preferred Shares to the Company promptly following the date of the Commitment Closing, but in no event later than the fifth business day after the date of the Commitment Closing. Notwithstanding the foregoing, as of the date of the Commitment Closing, the Original Preferred Shares shall be deemed cancelled and null and void. For the avoidance of doubt, the Investor hereby represents that Investor has not sold or otherwise transferred any of the shares of the Company's issued and outstanding shares of Series A Preferred Stock issued to Investor under the Company's Series A Certificate of Designations, and that its execution of this Agreement shall constitute Investor's affirmative approval under such Series A Certificate of Designations for the Company to authorize and create a class of stock ranking *pari passu* with the Series A Preferred Stock.

(b) On the date of the Commitment Closing, (i) each of the Company and Investor hereby agree that the Original Notes shall be amended and restated as Amended Notes with an aggregate outstanding principal amount and accrued and unpaid interest of each Original Note equal to an aggregate outstanding principal amount and accrued and unpaid interest of each respective Amended Note, as evidenced by Amended Notes duly executed and delivered on behalf of Holder to the Company on or prior to the date of the Commitment Closing and registered in the name of the Company and (ii) Investor shall cause to be executed and delivered to the Company a Security Agreement in the form attached hereto as Exhibit H with respect to the collateral securing such Amended Notes and any Recourse Notes (as defined in the Warrants) issued from time to time. The Company hereby covenants and agrees to surrender the Original Notes to Holder promptly following the date of the Commitment Closing, but in no event later than the fifth business day after the date of the Commitment Closing. Notwithstanding the foregoing, as of the date of the Commitment Closing, the Original Notes shall be deemed cancelled and null and void.

No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

6.4 Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

6.5 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. 6.7 **Governing Law.** All questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. The parties hereby waive all rights to a trial by jury. If either party shall commence an action or proceeding to enforce any provisions of the Transaction Documents, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses reasonably incurred in connection with the investigation, preparation and prosecution of such action or proceeding.

6.8 **Survival.** The representations and warranties and covenants contained herein shall survive the Closing and the delivery, exercise and/or conversion of the Securities, as applicable.

6.9 **Execution.** This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof.

6.10 **Severability.** If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

6.11 **Replacement of Securities.** If any certificate or instrument evidencing any Securities is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction and customary and reasonable indemnity, if requested. The applicants for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs associated with the issuance of such replacement Securities.

6.12 Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of Investor and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations under the Transaction Documents and hereby agrees to waive in any action for specific performance of any such obligation the defense that a remedy at law would be adequate.

6.13 Payment Set Aside. To the extent that the Company makes a payment or payments to Investor pursuant to any Transaction Document or Investor enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

6.14 Liquidated Damages. The Company's obligations to pay any partial liquidated damages or other amounts owing under the Transaction Documents is a continuing obligation of the Company and shall not terminate until all unpaid partial liquidated damages and other amounts have been paid notwithstanding the fact that the instrument or security pursuant to which such partial liquidated damages or other amounts are due and payable shall have been canceled.

6.15 Time of the Essence. Time is of the essence with respect to all provisions of this Agreement that specify a time for performance.

6.16 Construction. The parties agree that each of them and/or their respective counsel has reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents or any amendments hereto.

6.17 Entire Agreement. The Transaction Documents contain the entire agreement and understanding of the parties, and supersede all prior and contemporaneous agreements, term sheets, letters, discussions, communications and understandings, both oral and written, which the parties acknowledge have been merged into the Transaction Documents. Neither party has relied upon any agreement, assurance, promise, understanding or representation not expressly set forth in the Transaction Documents and each party agrees that it may only rely on the agreements, assurances, promises, understandings and representations set forth therein.

6.18 Further Assurances. From and after the Effective Date, upon the request of Investor or the Company, each of the Company and Investor shall execute and deliver such instruments, documents and other writings as may be reasonably necessary or desirable to confirm and carry out and to effectuate fully the intent and purposes of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized signatories as of the date first indicated above.

Warrant To Purchase Common Stock

Warrant No.: 2010-2

Issuance Date: [      ]

Number of Warrant Shares: 40,500,000

Initial Exercise Price: \$0.25

Advaxis, Inc., a Delaware corporation (“Company”), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Optimus CG II, Ltd., a Cayman Islands exempted company, the holder hereof, or its designees or assigns (“Holder”), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, upon surrender of this Warrant to Purchase Common Stock (including any Warrants to Purchase Common Stock issued in exchange, transfer or replacement hereof, the “Warrant”), at any time or times during the Exercise Period (as defined below), that number of duly authorized, validly issued, fully paid and non-assessable shares of Common Stock set forth above (the “Warrant Shares”); provided, however, that this Warrant may only be exercised, from time to time, for that number of shares of Common Stock that may be purchased by payment of an Aggregate Exercise Price (as defined below) equal to up to 135% of the cumulative amount of Tranche Purchase Prices under Tranche Notices delivered prior to or on the date of exercise.

This Warrant is issued pursuant to the Preferred Stock Purchase Agreement dated July 19, 2010, by and among the Company and the investor referred to therein (the “Purchase Agreement”). Except as otherwise defined herein, capitalized terms in this Warrant shall have the meanings set forth in ARTICLE 13 hereof or, if not defined in such ARTICLE 13, in the Purchase Agreement.

This Warrant shall consist of and be exercisable in tranches (each, a “Warrant Tranche”), with a separate tranche being created upon each delivery of a Tranche Notice under the Purchase Agreement. Each Warrant Tranche will grant to the Holder the right, during the Exercise Period, to exercise the Warrant and purchase up to a number of shares of Common Stock that may be purchased by payment of an Aggregate Exercise Price equal to 135% of the Tranche Purchase Price for the applicable Tranche Notice. Attached to this Warrant is a schedule (the “Warrant Tranche Schedule”) that sets forth the issuance date, the number of Warrant Shares, and the Exercise Price for each Warrant Tranche. The Warrant Tranche Schedule shall be updated by the Company, with an updated copy provided to the Holder, promptly following each exercise of this Warrant. No portion of this Warrant shall vest or be exercisable except under the Warrant Tranches.

In no event shall the Company be permitted to deliver a Tranche Notice if the number of registered shares underlying this Warrant is insufficient to cover the portion of the Warrant that will vest and become exercisable in connection with such Tranche Notice.

ARTICLE 1  
EXERCISE OF WARRANT.

1.1 Mechanics of Exercise.

(a) On each Tranche Notice Date, that portion of the Warrant equal to 135% of the Tranche Amount shall vest and become exercisable, and such vested portion may be exercised at any time during the Exercise Period on or after such Tranche Notice Date. Any portion of the Warrant that becomes exercisable in connection with the delivery of the Tranche Notice and is exercised by Holder in accordance with this Section 1.1 shall be deemed exercised (i) on the applicable Tranche Notice Date, if the Company receives the Exercise Delivery Documents from the Holder by 6:30 p.m. Eastern time on the Tranche Notice Date, or (ii) on the next Trading Day, if the Company receives the Exercise Delivery Documents from the Holder after 6:30 p.m. Eastern Time on the applicable Tranche Notice Date or on any subsequent date.

(b) Subject to the terms and conditions hereof including without limitation clause (a) above, this Warrant may be exercised by the Holder on any day during the Exercise Period, in whole or in part, by (i) delivery of a written notice to the Company, in the form attached hereto as Appendix 1 (the "Exercise Notice"), of the Holder's election to exercise this Warrant and (ii) payment to the Company of an amount equal to the applicable Exercise Price multiplied by the number of Warrant Shares as to which this Warrant is being exercised (the "Aggregate Exercise Price") in cash or by wire transfer of immediately available funds, by the issuance and delivery of a recourse promissory note substantially in the form attached hereto as Appendix 2 (each, a "Recourse Note"), or, if applicable, by cashless exercise pursuant to Section 1.4. The Holder shall not be required to deliver the original Warrant in order to effect an exercise hereunder. Execution and delivery of the Exercise Notice with respect to less than all of the Warrant Shares shall have the same effect as cancellation of the original Warrant and issuance of a new Warrant evidencing the right to purchase the remaining number of Warrant Shares.

(c) On the same Trading Day on which the Company has received each of the Exercise Notice and the Aggregate Exercise Price (the “Exercise Delivery Documents”) by 10:30 a.m. Eastern time, or the following Trading Day if received after such time or on a non-Trading Day, the Company shall transmit by facsimile an acknowledgment of confirmation of receipt of the Exercise Delivery Documents to the Holder and the Company’s transfer agent (the “Transfer Agent”) and (i) provided that the Transfer Agent is participating in The Depository Trust Company (DTC) Fast Automated Securities Transfer (FAST) Program, upon the request of the Holder, credit such aggregate number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the Holder’s or its designee’s balance account with DTC through its Deposit/Withdrawal at Custodian (DWAC) system, or (ii) if the Transfer Agent is not participating in the DTC FAST Program, issue and deliver to the Holder or, at the Holder’s instruction pursuant to the Exercise Notice, the Holder’s agent or designee, in each case, sent by reputable overnight courier to the address as specified in the applicable Exercise Notice, a certificate, registered in the Company’s share register in the name of the Holder or its designee (as indicated in the applicable Exercise Notice), for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise, which certificate shall not be imprinted with any restrictive legends and no stop transfer order shall be placed against the transfer thereof. Upon delivery of the Exercise Delivery Documents, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder’s DTC account or the date of delivery of the certificate(s) evidencing the Warrant Shares (as the case may be).

(d) If this Warrant is submitted in connection with any exercise pursuant to this Section 1.1 and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then the Company, upon the request of the Holder, shall as soon as practicable and in no event later than three Trading Days after any exercise and return of the previously issued Warrant, at its own expense issue a new Warrant representing the right to purchase the number of Warrant Shares purchasable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised. No fractional shares of Common Stock are to be issued upon the exercise of this Warrant, but rather the number of shares of Common Stock to be issued shall be rounded up to the nearest whole number. The Company shall pay any and all taxes which may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant.

1.2 Exercise Price. For purposes of this Warrant, “Exercise Price” means, subject to adjustment as provided herein: (i) until the first Tranche Notice Date, \$0.25 per Warrant Share as set forth on the face of this Warrant, and (ii) on and after the first Tranche Notice Date and each subsequent Tranche Notice Date, an amount per Warrant Share equal to the Closing Sale Price of a share of Common Stock on the applicable Tranche Notice Date.

1.3 Number of Shares. The number of Warrant Shares underlying this Warrant and each Warrant Tranche, subject to further adjustment as provided under Article 2 herein, shall be, with respect to the portion of this Warrant that becomes exercisable on any Tranche Notice Date including the first Tranche Notice Date, a number of shares equal to the Tranche Purchase Price set forth in the applicable Tranche Notice multiplied by 135%, with the resulting sum divided by the Closing Bid Price of a share of Common Stock on the Tranche Notice Date. For example, if the Tranche Purchase Price is \$1,000,000 and the Closing Bid Price is \$0.20, then the number of Warrant Shares underlying that Warrant Tranche shall be  $\$1,000,000 \times 135\% = \$1,350,000$  divided by  $\$0.20 = 6,750,000$  shares of Common Stock. (In the foregoing example, following issuance of 6,750,000 Warrant Shares, the number of shares underlying this Warrant would be decreased by such 6,750,000 shares.) On each Tranche Notice Date, the number of Warrant Shares underlying the related Warrant Tranche shall vest and become exercisable, and the aggregate number of Warrant Shares underlying this Warrant that are currently exercisable shall automatically adjust up or down to account for the change in the number of Warrant Shares covered by the new Warrant Tranche and for any Warrant Shares issued upon any prior or simultaneous exercise of this Warrant.

1.4 Cashless Exercise. Notwithstanding anything contained herein to the contrary (other than Sections 1.1(a) and 1.1(c) above and 1.6 below), if at any time a registration statement is not effective (or the prospectus contained therein is not available for use) for the resale by the Holder of the Warrant Shares that are the subject of the Exercise Notice (the “Unavailable Warrant Shares”), the Holder may, in its sole discretion, exercise this Warrant in whole or in part and, in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Aggregate Exercise Price, elect instead to receive upon such exercise the “Net Number” of shares of Common Stock determined according to the following formula (a “Cashless Exercise”):

$$\text{Net Number} = \frac{(B-C) \times A}{B}$$

For purposes of the foregoing formula:

A = the total number of shares with respect to which this Warrant is then being exercised.

B = the average of the Closing Sale Prices of the shares of Common Stock (as reported by Bloomberg) for the five (5) consecutive Trading Days ending on the date immediately preceding the date of the Exercise Notice.

C = the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.

1.5 Company’s Failure to Timely Deliver Securities. If the Company shall fail for any reason or for no reason to timely issue to the Holder or its designee a certificate for the number of Warrant Shares to which the Holder is entitled and register such Warrant Shares on the Company’s share register or to credit the Holder’s balance account with DTC for such number of Warrant Shares to which the Holder is entitled upon the Holder’s exercise of this Warrant (as the case may be), then, in addition to all other remedies available to the Holder, the Company shall pay in cash to the Holder on each day that the issuance of such Warrant Shares is not timely effected an amount equal to 1.5% of the product of (A) the sum of the number of Warrant Shares not issued to the Holder on a timely basis and to which the Holder is entitled and (B) the Closing Sale Price of the shares of Common Stock on the Trading Day immediately preceding the last possible date which the Company could have issued such Warrant Shares to the Holder without violating Section 1.1. In addition to the foregoing, if after the Company’s receipt of the applicable Exercise Delivery Documents the Company shall fail to timely issue to the Holder or its designee a certificate for the number of Warrant Shares to which the Holder is entitled and register such Warrant Shares on the Company’s share register or to credit the Holder’s balance account with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder’s exercise hereunder (as the case may be), and the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of Warrant Shares issuable upon such exercise that the Holder anticipated receiving from the Company (a “Buy-In”), then the Company shall, within three Trading Days after the Holder’s request and in the Holder’s discretion, either (i) pay cash to the Holder in an amount equal to the Holder’s total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased (the “Buy-In Price”), at which point the Company’s obligation to deliver such certificate or credit such Holder’s balance account with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder’s exercise hereunder (as the case may be) and to issue such Warrant Shares shall terminate, or (ii) promptly honor its obligation to deliver to the Holder or its designee a certificate or certificates representing such Warrant Shares or credit such Holder’s balance account with DTC for the number of Warrant Shares to which the Holder is entitled upon the Holder’s exercise hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of shares of Common Stock sold by Holder in satisfaction of its obligations, times (B) the Closing Bid Price on the date of exercise.

1.6 Exercise Limitation. Notwithstanding any other provision, at no time may the Holder exercise this Warrant such that the number of Warrant Shares to be received pursuant to such exercise aggregated with all other shares of Common Stock then owned by the Holder beneficially or deemed beneficially owned by the Holder would result in the Holder owning more than 9.99% of all of such Common Stock as would be outstanding on such Exercise Date, as determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. In addition, as of any date, the aggregate number of shares of Common Stock into which this Warrant is exercisable within 61 days, together with all other shares of Common Stock then beneficially owned (as such term is defined in Rule 13(d) under the Exchange Act) by Holder and its affiliates, shall not exceed 9.99% of the total outstanding shares of Common Stock as of such date. At no time when the number of Warrant Shares then owned by the Holder, when aggregated with all other shares of Common Stock then owned by the Holder beneficially or deemed beneficially owned by the Holder, would result in the Holder owning more than 1.0% of all outstanding Common Stock will Holder vote or cause to be voted any such shares.

1.7 Restrictions. For so long as Holder holds this Warrant or any Warrant Shares, Holder will not: (i) vote any shares of Common Stock owned or controlled by it, solicit any proxies, or seek to advise or influence any Person with respect to any voting securities of the Company; (ii) engage or participate in any actions, plans or proposals which relate to or would result in (a) acquiring additional securities of the Company, alone or together with any other Person, which would result in beneficially owning or controlling, or being deemed to beneficially own or control, more than 9.99% of the total outstanding Common Stock or other voting securities of the Company, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Company or any of its subsidiaries, (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries, (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of the Company, (f) any other material change in the Company's business or corporate structure, including but not limited to, if the Company is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by Section 13 of the Investment Company Act of 1940, (g) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any Person, (h) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act, or (j) any action, intention, plan or arrangement similar to any of those enumerated above; or (iii) request the Company or its directors, officers, employees, agents or representatives to amend or waive any provision of this Section 1.7.

1.8 Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed and resolve such dispute in accordance with Section 12.

1.9 Insufficient Authorized Shares. If at any time while this Warrant (or any portion thereof) remains outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon exercise of this Warrant at least a number of shares of Common Stock equal to 110% of the number of shares of Common Stock as shall from time to time be necessary to effect the exercise in full of any unexercised portion of this Warrant (the “Required Reserve Amount”) (an “Authorized Share Failure”), then the Company shall immediately take all action necessary to increase the Company’s authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for the unexercised portion of the Warrant then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than 90 days after the occurrence of such Authorized Share Failure, the Company shall use commercially reasonable efforts to hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use its commercially reasonable efforts to solicit its stockholders’ approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal.

1.10 Termination of Warrant. In the event that the sum of the aggregate Tranche Purchase Price for all Tranche Shares reaches the Maximum Placement under the Stock Purchase Agreement, any portion of this Warrant that remains unvested on such Termination Date shall automatically be cancelled with no further action of the Company or the Holder effective as of such Termination Date.

ARTICLE 2  
ADJUSTMENT UPON SUBDIVISION OR COMBINATION OF COMMON STOCK

If the Company at any time on or after the Issuance Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced and the number of Warrant Shares will be proportionately increased. If the Company at any time on or after the Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior to such combination will be proportionately increased and the number of Warrant Shares will be proportionately decreased. Any adjustment under this ARTICLE 2 shall become effective at the close of business on the date the subdivision or combination becomes effective.

ARTICLE 3  
PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS

3.1 Purchase Rights. In addition to any adjustments pursuant to ARTICLE 2 above, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

3.2 Fundamental Transactions. The Company shall not enter into or be party to a Fundamental Transaction unless the Successor Entity assumes in writing all of the obligations of the Company under this Warrant in accordance with the provisions of this Section 3.2 pursuant to written agreements in form and substance satisfactory to the Required Holders and approved by the Required Holders prior to such Fundamental Transaction, including agreements to deliver to each holder of Warrants in exchange for such Warrants a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, an adjusted exercise price equal to the value for the shares of Common Stock reflected by the terms of such Fundamental Transaction, and exercisable for a corresponding number of shares of capital stock equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and satisfactory to the Required Holders. Upon the occurrence of any Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant with the same effect as if such Successor Entity had been named as the Company herein. Upon consummation of the Fundamental Transaction, the Successor Entity shall deliver to the Required Holders confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the Fundamental Transaction, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property) purchasable upon the exercise of this Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Required Holders would have been entitled to receive upon the happening of such Fundamental Transaction had this Warrant been converted immediately prior to such Fundamental Transaction, as adjusted in accordance with the provisions of this Warrant. In addition to and not in substitution for any other rights hereunder, prior to the consummation of any Fundamental Transaction pursuant to

which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a “Corporate Event”), the Company shall make appropriate provision to insure that the Required Holders will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the Fundamental Transaction, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property) purchasable upon the exercise of this Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Required Holders would have been entitled to receive upon the happening of such Fundamental Transaction had this Warrant been exercised immediately prior to such Fundamental Transaction. Provision made pursuant to the preceding sentence shall be in a form and substance reasonably satisfactory to the Required Holders. The provisions of this Section 3.2 shall apply similarly and equally to successive Fundamental Transactions and Corporate Events and shall be applied without regard to any limitations on the exercise of this Warrant.

3.3 Notwithstanding the foregoing, in the event of a Fundamental Transaction other than one in which the Successor Entity is a Public Successor Entity that assumes this Warrant such that this Warrant shall be exercisable for the publicly traded common stock of such Public Successor Entity, at the request of the Holder delivered before the 90th day after such Fundamental Transaction, the Company (or the Successor Entity) shall purchase this Warrant from the Holder by paying to the Holder, within five (5) Trading Days after such request (or, if later, on the effective date of the Fundamental Transaction), cash in an amount equal to the value of the remaining unexercised portion of this Warrant on the date of such consummation, which value shall be determined by use of the Black Scholes Option Pricing Model using a volatility equal to the 100 day average historical price volatility prior to the date of the public announcement of such Fundamental Transaction.

#### ARTICLE 4 NONCIRCUMVENTION

The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation, Bylaws or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the exercise of this Warrant, and (iii) shall, so long as the Warrant is outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of the Warrant, 110% of the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of the unexercised portion of the Warrant then outstanding (without regard to any limitations on exercise).

ARTICLE 5  
WARRANT HOLDER NOT DEEMED A STOCKHOLDER

Except as otherwise specifically provided herein, the Holder, solely in such Person's capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in such Person's capacity as the Holder of this Warrant, any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which such Person is then entitled to receive upon the due exercise of this Warrant. In addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this ARTICLE 5, the Company shall provide the Holder with copies of the same notices and other information given to the stockholders of the Company generally, contemporaneously with the giving thereof to the stockholders.

ARTICLE 6  
REISSUANCE OF WARRANTS; COMPANY CALL RIGHT

6.1 Transfer of Warrant.

(a) This Warrant and the Warrant Shares constitute "restricted securities" as such term is defined in Rule 144(a)(3) under the Securities Act of 1933, as amended (the "Act") and may only be disposed of in compliance with U.S. federal securities laws and applicable state securities or "blue sky" laws. Without limiting the generality of the foregoing, except in connection with a bona fide pledge or transfer to an affiliate of Holder, (i) the Warrant and the Warrant Shares may not be offered for sale, sold, transferred, assigned, pledged or otherwise distributed unless (A) subsequently registered thereunder, (B) Investor shall have delivered to the Company an opinion of counsel reasonably acceptable to the Company (which may be Luce Forward Hamilton & Scripps LLP ("Luce Forward")), in a form generally acceptable to the Company, to the effect that the Warrant or the Warrant Shares, as applicable, to be offered for sale, sold, transferred, assigned, pledged or otherwise distributed may be offered for sale, sold, transferred, assigned, pledged or otherwise distributed pursuant to an exemption from such registration, or (C) the Warrant or the Warrant Shares, as applicable, can be offered for sale, sold, transferred, assigned, pledged or otherwise distributed pursuant to Rule 144 or Rule 144A promulgated under the Act, as applicable.

(b) So long as is required by this Section 6.1, the certificates or other instruments representing the Warrant shall bear any legends as required by applicable state securities or “blue sky” laws, in addition to the restrictive legend set forth on the front page of this Warrant. The parties acknowledge and agree that the Warrant Shares will be issued without any restrictive legends.

(c) If this Warrant is to be transferred, in accordance with this Section 6.1, the Holder shall surrender this Warrant to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Warrant, registered as the Holder may request, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant to the Holder representing the right to purchase the number of Warrant Shares not being transferred.

6.4 **Issuance of New Warrants.** Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 6.1 or Section 6.3, the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

Following such demand for surrender, this Warrant shall automatically be canceled and shall have no further force or effect.

ARTICLE 7

No such amendment shall be effective to the extent that it applies to less than all of the holders of the Warrants then outstanding

ARTICLE 9  
GOVERNING LAW

This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York.

This Warrant shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant.

Upon your receipt of a notice of exercise of the Warrant, provided that (i) you receive written confirmation from the Company’s legal counsel that either (a) a registration statement covering the resale of the Warrant Shares has been declared effective by the Securities and Exchange Commission (“SEC”) under the Securities Act of 1933, as amended (the “Act”), and that to such counsel’s knowledge, no stop transfer order suspending its effectiveness has been issued or that any proceedings therefor are pending before or threatened by the SEC or (b) the Warrant Shares may be resold without restriction under Rule 144 under the Act and (ii) you are participating in The Depository Trust Company (DTC) Fast Automated Securities Transfer (FAST) Program, then, you shall use your commercially reasonable efforts to, on the same trading day of receipt thereof, credit the number of shares of Common Stock for which the Warrant has been exercised to the balance account with DTC’s FAST Program through its Deposit/Withdrawal at Custodian (DWAC) system specified by the holder of the Warrant. The Company hereby confirms that, provided a registration statement covering the resale of the Warrant Shares has been declared effective by the SEC under the Act and remains effective, the Warrant Shares should not be subject to any stop-transfer restrictions and shall otherwise be freely transferable on the books and records of the Company.

If, upon your receipt of a notice of exercise of the Warrant, either (i) you do not receive written confirmation from the Company's legal counsel referred to in the immediately preceding sentence (or we otherwise notify you in writing that the prospectus contained therein is not current or is otherwise not available for use for the resale by the holder of the Warrant Shares) or (ii) you are not participating in the DTC FAST Program, then, you shall use your commercially reasonable efforts to issue on the same trading day of receipt thereof and deliver to the holder of the Warrant or, at the instruction of the holder of the Warrant, the Warrant holder's agent or designee, in each case, by reputable overnight courier to the address as specified in the applicable notice of exercise, a certificate, registered in the Company's share register in the name of the Warrant holder or its designee (as indicated in the applicable notice of exercise), for the number of shares of Common Stock for which the Warrant has been exercised, which certificate (A) in the case of clause (ii) of this paragraph, shall not be imprinted with any restrictive legends and no stop transfer order shall be placed against the transfer thereof and (B) in the case of clause (i) of this paragraph, shall be imprinted with the following restrictive legend (in addition to any restrictive legend(s) required by applicable state securities or "blue sky" laws), and a stop transfer order shall be placed against transfer thereof:

THESE SECURITIES AND THE SECURITIES ISSUABLE UPON EXERCISE OF THESE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN SECURED BY SUCH SECURITIES.

The Company hereby confirms that no instructions other than as contemplated herein will be given to you by the Company with respect to the Warrant Shares. The Company hereby agrees that it shall not replace you as the Company's transfer agent, until such time as the Company provides written notice to you and Buyer that a suitable replacement has agreed to serve as transfer agent and to be bound by the terms and conditions of these Irrevocable Transfer Agent Instructions.

The Company and you hereby acknowledge and confirm that complying with the terms of this agreement does not and shall not prohibit you from satisfying any and all fiduciary responsibilities and duties you may owe to the Company.

The Company and you acknowledge that the Buyer is relying on the representations and covenants made by the Company and you hereunder and are a material inducement to the Buyer to enter into the Purchase Agreement. The Company and you further acknowledge that without such representations and covenants made hereunder, the Buyer would not enter into the Purchase Agreement and purchase Securities pursuant thereto.

Each party hereto specifically acknowledges and agrees that a breach or threatened breach of any provision hereof will cause irreparable damage and that damages at law would be an inadequate remedy if these Irrevocable Transfer Agent Instructions were not specifically enforced. ---

8. Additional Terms.

a. No Waiver. The acceptance by Lender of payment of a portion of any installment when due or an entire installment but after it is due shall neither cure nor excuse the Default caused by the failure of Borrower timely to pay the whole of such installment and shall not constitute a waiver of Lender's right to require full payment when due of any future or succeeding installments.

b. No Oral Waivers or Modifications. No provision of this Note may be waived or modified orally, but only in a writing signed by Lender and Borrower.

f. Currency. Principal and interest due hereunder shall be payable in lawful money of the United States of America and shall be payable to Lender at the address of Borrower, or at such other address as may be specified in a written notice to Borrower given by Lender.

SECURITY AGREEMENT

SECURITY AGREEMENT, dated as of [ ] (“Agreement”), by and between Optimus CG II, Ltd. (“Borrower”), and Advaxis, Inc., a Delaware corporation (“Lender”).

WHEREAS, Lender and an affiliate of Borrower have entered into that certain Preferred Stock Purchase Agreement dated as of September 24, 2009 (the “Initial Purchase Agreement”) pursuant to which Lender issued to Borrower a warrant (the “Initial Warrants”) to purchase up to 33,750,000 shares of common stock, \$0.001 par value, of Lender (the “Common Stock”);

WHEREAS, on January 5, 2010, March 15, 2010 and May 4, 2010, Borrower issued certain secured promissory notes in favor of Lender (as amended from time to time, the “Initial Notes”) in lieu of the cash payment of the exercise price of the Initial Warrants beneficially owned by Borrower;

WHEREAS, Lender has issued to Borrower a warrant (the “Tranche Closing Warrants”) to purchase up to 2,818,000 shares of Common Stock which provide that Borrower may issue a secured promissory note (the “Tranche Closing Note”) in lieu of the cash payment of the exercise price of the Tranche Closing Warrants;

WHEREAS, Lender and an affiliate of Borrower have entered into that certain Preferred Stock Purchase Agreement dated as of July 19, 2010 (the “Additional Purchase Agreement”, and together with the Initial Purchase Agreement, the “Purchase Agreements”) pursuant to which Lender agreed to issue to Borrower a warrant to purchase up to 40,500,000 shares of Common Stock (the “Additional Warrants”, and together with the Initial Warrants and the Tranche Closing Warrants, the “Warrants”);

WHEREAS, to the extent elected by Borrower, in its sole discretion, Lender has agreed to accept one or more secured promissory notes, in the form attached as Appendix 2 to the Additional Warrants (collectively, the “Additional Notes”, and together with the Initial Notes and the Tranche Closing Note, the “Notes”) in lieu of the cash payment of the exercise price of any of the Additional Warrants;

WHEREAS, in connection with the amendment and restatement of the Initial Notes in accordance with the terms and conditions of the Additional Purchase Agreement, Borrower must concurrently execute and deliver to Lender a security agreement in substantially the form hereof; and

WHEREAS, this Agreement amends and restates the grant of security interests in favor of Lender by Borrower provided in the Initial Notes and, upon issuance of any Additional Notes or the Tranche Closing Note, further grants security interests with respect to such Additional Notes and Tranche Closing Note in favor of Lender, in each case as herein provided.

NOW, THEREFORE, in consideration of the promises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Grant of Security Interest. Borrower hereby amends and restates the grant of security interests provided in the Initial Notes as provided herein. Borrower hereby grants to Lender, to secure the payment and performance in full of any indebtedness arising pursuant to the Notes outstanding from time to time (the "Obligations"), a security interest in and so pledges all of Borrower's right, title, and interest in and to all of the following (subject to Sections 2 and 3 below), now owned or hereafter acquired or arising (together the "Collateral" and, with respect to the portion of the Collateral that secures any given Note, the "Note Collateral"):

(a) Publicly traded or otherwise free-trading shares of common stock, preferred stock, bonds, notes and/or debentures (collectively, "Pledged Securities") with a fair market value both on the date hereof and on the date of issuance of each Note at least equal to the principal amount of the Notes then outstanding, based upon the trading price of such securities on (i) the Pink Sheets or the OTC Bulletin Board, if applicable or (ii) otherwise, the fair market value of such Pledged Securities as reasonably set forth on the books and records of Borrower;

(b) all rights of Borrower with respect to or arising out of the Pledged Securities, including voting rights, and all equity and debt securities and other property distributed or distributable with respect thereto as a result of merger, consolidation, dissolution, reorganization, recapitalization, stock split, stock dividend, reclassification, exchange, redemption, or other change in capital structure; and

(c) all proceeds, replacements, substitutions, accessions and increases in any of the Collateral.

2. Margin Regulations. Notwithstanding the foregoing, no Pledged Securities or other Collateral shall consist of "Margin Stock" (as defined in Regulation U of the Board of Governors of the Federal Reserve System of the United States).

3. Replacement Securities. So long as any Obligations remain outstanding, in the event that Borrower sells or disposes of any Pledged Securities or to the extent any securities or other assets that were Collateral hereunder cease to be Collateral pursuant to Section 2 above, Borrower shall promptly provide replacement securities of equal or greater fair market value.

4. Rights With Respect to Distributions. So long as no Default (as defined in Section 9 below) shall have occurred and be continuing under any given Note, Borrower shall be entitled to receive any and all dividends and distributions made with respect to the Pledged Securities and any other Note Collateral. However, upon the occurrence and during the continuance of any such Default, Lender shall have the sole right (unless otherwise agreed by Lender) to receive and retain dividends and distributions and apply them to the outstanding balance of the Note under which the Default has occurred or hold them as Note Collateral, at Lender's election.

5. Voting Rights. So long as no Default shall have occurred and be continuing under any given Note, Borrower shall be entitled to exercise all voting rights pertaining to the Pledged Securities and any other Note Collateral. However, upon the occurrence and during the continuance of any Default, all rights of Borrower to exercise the voting rights that Borrower would otherwise be entitled to exercise with respect to the Note Collateral shall cease and (unless otherwise agreed by Lender) all such rights shall thereupon become vested in Lender, which shall thereupon have the sole right to exercise such rights.

6. Financing Statement; Further Assurances. Borrower agrees, concurrently with executing this Agreement, that Lender may file a UCC-1 financing statement relating to the Note Collateral in favor of Lender, and any similar financing statements in any jurisdiction in which Lender reasonably determines such filing to be necessary. Borrower further agrees that after any Default, provided that such Default remains uncured for at least a period of twenty calendar days after Borrower's receipt of written notice of such Default from Lender, and at any time and from time to time thereafter until such Default has been cured, Borrower shall promptly execute and deliver all further instruments and documents that Lender may request in order to perfect and protect the security interest granted hereby, or to enable Lender to exercise and enforce its rights and remedies with respect to any Note Collateral, including, without limitation, requiring delivery of the Note Collateral to Lender to hold as secured party.

7. Powers of Lender. Borrower hereby appoints Lender as Borrower's true and lawful attorney-in-fact to perform any and all of the following acts, which power is coupled with an interest, is irrevocable until the Obligations are paid and performed in full, and may be exercised from time to time by Lender in its discretion: To take any action and to execute any instrument which Lender may deem reasonably necessary or desirable to accomplish the purposes of this Section 7 and, more broadly, this Agreement including, without limitation: (i) to exercise voting and consent rights with respect to Note Collateral in accordance with this Agreement, (ii) during the continuance of any Default, to receive, endorse and collect all instruments or other forms of payment made payable to Borrower in respect of the Note Collateral or any part thereof and to give full discharge for the same, (iii) to perform or cause the performance of any obligation of Borrower hereunder in Borrower's name or otherwise, (iv) during the continuance of any Default, to liquidate any Note Collateral pledged to Lender hereunder and to apply proceeds thereof to the payment of the Obligations or to place such proceeds into a cash collateral account or to transfer the Note Collateral into the name of Lender, all at Lender's sole discretion, (v) to enter into any extension, reorganization or other agreement relating to or affecting the Note Collateral, and, in connection therewith, to deposit or surrender control of the Note Collateral, (vi) to accept other property in exchange for the Note Collateral, (vii) to make any compromise or settlement Lender deems desirable or proper, and (viii) to execute on Borrower's behalf and in Borrower's name any documents required in order to give Lender a continuing first lien upon the Note Collateral or any part thereof.

8. No Waiver. The acceptance by Lender of payment of a portion of any installment when due or an entire installment but after it is due shall neither cure nor excuse the Default caused by the failure of Borrower timely to pay the whole of such installment and shall not constitute a waiver of Lender's right to require full payment when due of any future or succeeding installments.

9. Default. Any one or more of the following shall constitute a default under any Note (each, a "Default"): (i) a default in the payment when due of any amount under such Note, (ii) Borrower's refusal to perform any material term, provision or covenant under such Note, (iii) the commencement of any liquidation, receivership, bankruptcy, assignment for the benefit of creditors or other debtor-relief proceeding by or against Borrower, or subject to Sections 2 and 3 of this Agreement, the Note Collateral is transferred by Borrower without being replaced by Pledged Securities of equal or greater fair market value on the date of transfer, and (iv) the levying of any attachment, execution or other process against Borrower, or, subject to Sections 2 and 3 of this Agreement, the Note Collateral or any material portion thereof.

10. Default Rights.

(a) Upon the occurrence of any material non-monetary Default, following 30 days notice from Lender to Borrower specifying the Default and demanded manner of cure for such non-monetary Default, Lender shall thereupon and thereafter have any and all of the rights and remedies to which a secured party is entitled after a Default under the applicable Uniform Commercial Code, as then in effect.

(b) In addition to its other rights and remedies, Borrower agrees that, upon the occurrence of any Default under any given Note, Lender may in its sole discretion do or cause to be done any one or more of the following:

(i) Proceed to realize upon the Note Collateral or any portion thereof as provided by law, and without liability for any diminution in price which may have occurred, sell the Note Collateral or any part thereof, in such manner, whether at any public or private sale, and whether in one lot as an entirety, or in separate portions, and for such price and other terms and conditions as is commercially reasonable given the nature of the Note Collateral.

(ii) If notice to Borrower is required, give written notice to Borrower at least ten days before the date of sale of the Note Collateral or any portion thereof.

(iii) Transfer all or any part of the Note Collateral into Lender's name or in the name of its nominee or nominees.

(iv) Vote all or any part of the Note Collateral (whether or not transferred into the name of Lender) and give all consents, waivers and ratifications in respect of the Note Collateral and otherwise act with respect thereto, as though Lender were the outright owner thereof.

(c) Borrower acknowledges that all or part of foreclosure of the Note Collateral may be restricted by state or federal securities laws, Lender may be unable to effect a public sale of all or part of the Note Collateral, that a public sale is or may be impractical and inappropriate and that, in the event of such restrictions, Lender thus may be compelled to resort to one or more private sales to a restricted group of purchasers who will be obliged to agree, among other things, to acquire the Note Collateral for their own account, for investment and not with a view to its distribution or resale. Borrower agrees that if reasonably necessary Lender may resort to one or more sales to a single purchaser or a restricted or limited group of purchasers. Lender shall not be obligated to make any sale or other disposition, unless the terms thereof shall be satisfactory to it.

(d) If, in the opinion of Lender based upon written advice of counsel, any consent, approval or authorization of any federal, state or other governmental agency or authority should be necessary to effectuate any sale or other disposition of any Note Collateral, Borrower shall execute all such applications and other instruments as may reasonably be required in connection with securing any such consent, approval or authorization, and will otherwise use its commercially reasonable efforts to secure the same.

(e) The rights, privileges, powers and remedies of Lender shall be cumulative, and no single or partial exercise of any of them shall preclude the further or other exercise of any of them. Any waiver, permit, consent or approval of any kind by Lender of any Default hereunder, or any such waiver of any provisions or conditions hereof, must be in writing and shall be effective only to the extent set forth in writing. Any proceeds of any disposition of the Note Collateral, or any part thereof, may be applied by Lender to the payment of expenses incurred by Lender in connection with the foregoing, and the balance of such proceeds shall be applied by Lender toward the payment of the Obligations.

11. Attorney Fees. The prevailing party in any action by Lender to collect any amounts due under this Agreement and/or the Notes shall be entitled to recover its reasonable attorneys fees and costs.

12. Entire Agreement, Amendments; Etc. THIS AGREEMENT, TOGETHER WITH THE NOTES, THE WARRANTS AND THE PURCHASE AGREEMENTS AND THE OTHER TRANSACTION DOCUMENTS (AS DEFINED IN THE PURCHASE AGREEMENTS), REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES SOLELY WITH RESPECT TO THE SUBJECT MATTER HEREOF AND THEREOF AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES. No waiver of any provision of this Agreement, and no consent to any departure by Borrower herefrom, shall in any event be effective unless the same shall be in writing and signed by Lender, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, provided that any party may give a waiver in writing as to itself. No amendment of any provision of this Agreement shall be effective unless the same shall be in writing and signed by both Borrower and Lender.

13. Governing Law; Jurisdiction; Service of Process; Jury Trial. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.

14. Addresses for Notices. All notices and other communications provided for hereunder (a) shall be given in the form and manner set forth in the Additional Purchase Agreement and (b) shall be delivered, (i) in the case of notice to Borrower, by delivery of such notice to Borrower at the address specified on the page following the signature page hereto or at such other address as shall be designated by Borrower in a written notice to Lender in accordance with the provisions thereof, and (ii) in the case of notice to Lender, by delivery of such notice to Lender at the address specified on the page following the signature page hereto or at such other address as shall be designated by Lender in a written notice to Borrower in accordance with the provisions thereof.

15. Termination Date. Except as provided in Sections 12 through 16, which shall survive the Termination Date, from and after the Termination Date, this Agreement shall be null and void and of no further force and effect.

16. Miscellaneous.

(a) This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party. In the event that any signature is delivered by facsimile transmission or by an e-mail which contains a portable document format (.pdf) file of an executed signature page, such signature page shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof. Any party delivering an executed counterpart of this Agreement by facsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.

- (b) Any provision of this Agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

FOR IMMEDIATE RELEASE

ADVAXIS SECURES \$7.5 MILLION FINANCING COMMITMENT

North Brunswick, NJ – July 20, 2010 – (BUSINESS WIRE) - Advaxis, Inc., (OTCBB: ADXS), the live, attenuated *Listeria monocytogenes* (*Listeria*) immunotherapy company, announced today that it has entered into a definitive purchase agreement (the “Agreement”) with Optimus Capital Partners, LLC d/b/a Optimus Life Sciences Capital Partners, LLC (“Optimus”). Subject to the terms and conditions of the Agreement:

- Optimus has committed to purchase up to \$7.5 million of non-convertible, Series B Preferred Stock from the Company (the “Financing Commitment”) at \$10,000 per share, from time to time.
- Advaxis may sell preferred stock to Optimus during a three-year period. The preferred stock will accrue dividends at an annual rate of ten percent (10%), payable in additional shares of preferred stock upon liquidation of the preferred stock. The preferred stock is redeemable by the Company at any time.

Further, the Company has agreed to issue to an affiliate of Optimus a warrant to purchase up to 40,500,000 shares of the Advaxis common stock, a portion of which will vest and become exercisable at the prevailing market price of the Company’s common stock at the time the Company presents Optimus with a notice to purchase a specified amount of preferred stock. The Company expects the total exercise value of the warrant issued to equal 135% of the amount of preferred stock sold at each tranche closing under the Agreement.

The Company expects to use the proceeds to provide working capital and fund further clinical activity, including planned future clinical trials for the Company’s cancer vaccine candidates.

“This is our second financing agreement with Optimus,” said Advaxis Chairman and CEO Thomas A. Moore. “We believe that the first agreement for \$5.0 million worked well for Advaxis and its shareholders. This one could be similarly successful.”

Additional details on the Financing Commitment, the terms of the preferred stock and the terms of the warrant will be available in the Company’s 8-K filing relating to the Financing Commitment with the U. S. Securities and Exchange Commission (the “SEC”). Except as provided in the definitive transaction documents, the securities described above have not been and will not be registered under the Securities Act of 1933, as amended, or any state securities or “blue sky” laws, and may not be offered or sold in the United States absent such registration or an applicable exemption therefrom. This press release shall not constitute an offer to sell or a solicitation of an offer to purchase the securities and shall not constitute an offer, solicitation or sale in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.
