Unless expressly incorporated into this Registration Statement, a report furnished on Form 8-K shall not be incorporated by reference into this Registration Statement. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any subsequently filed document which also is deemed to be incorporated by reference herein modifies or supersedes such statement. Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel

Not Applicable.

Item 6. Indemnification of Directors and Officers

Section 204(10) of the California General Corporation Law (“GCL”) permits the inclusion in the articles of incorporation of a California corporation of a provision eliminating or limiting the personal liability of a director for monetary damages in an action brought by or in the right of the corporation for breach of a director’s duties to the

corporation and its shareholders. The foregoing provision is subject to certain qualifications set forth in the GCL including, without limitation, that such provision may not limit or eliminate liability of directors for (i) intentional misconduct, (ii) transactions from which a director derived an improper personal benefit, (iii) reckless disregard of the director's duties, and (iv) an unexcused pattern of inattention that amounts to an abdication of the director's duties. Article Fifth of the Registrant's Articles of Incorporation, as amended, contains a provision eliminating the liability of the directors for monetary damages to the fullest extent permissible under California law.

II-1

---

Section 317 of the GCL permits the indemnification of officers, directors, employees and agents of California corporations. Article Fifth, Section 2, of the Registrant's Articles of Incorporation, as amended, provides that the Registrant is authorized to provide indemnification to its agents in excess of the indemnification otherwise permitted by Section 317 of the GCL.

Article IX, Sections 7 and 8, of the Bylaws of the Registrant contains the following indemnification provisions:

“Section 7. MANDATORY INDEMNIFICATION OF DIRECTORS. The corporation shall, to the maximum extent and in the manner permitted by the California Corporations Code (“Code”), indemnify each of its directors against expenses (as defined in Section 317(a) of the Code), judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with any proceeding (as defined in Section 317(a) of the Code), arising by reason of the fact that such person is or was an agent of the corporation. For purposes of this Article IX, a “director” of the corporation includes any person (i) who is or was a director of the corporation, (ii) who is or was serving at the request of the corporation as a director of another corporation, partnership, joint venture, trust or other enterprise, or (iii) who was a director of a corporation which was a predecessor corporation of the corporation or of another enterprise at the request of such predecessor corporation.

Section 8. PERMISSIVE INDEMNIFICATION. The corporation shall have the power, to the extent and in the manner permitted by the Code, to indemnify each of its officers, employees and agents against expenses (as defined in Section 317(a) of the Code), judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with any proceeding (as defined in Section 317(a) of the Code), arising by reason of the fact that such person is or was an agent of the corporation. For purposes of this Article IX, an “employee” or “agent” of the corporation (other than a director, includes any person (i) who is or was an employee or agent of the corporation, (ii) who is or was serving at the request of the corporation as an employee or agent of another corporation, partnership, joint venture, trust or other enterprise, or (iii) who was an employee or agent of the corporation which was a predecessor corporation of the corporation or of another enterprise at the request of such predecessor corporation.”

Each of the Registrant's directors has entered into an Indemnification Agreement with the Registrant pursuant to which the Registrant is, subject to the limitations in the following sentence, obligated to indemnify the directors to the fullest extent provided by law, notwithstanding such indemnification is not specifically being provided in the Registrant's Articles, Bylaws or by statute. The Registrant is not obligated under the Indemnification Agreement to indemnify directors for the following: acts or omission or transactions from which a director may not be relieved from liability under Section 204 of the GCL, a proceeding or action instituted by an appropriate bank regulatory agency, claims initiated by such director except with respect to proceedings to enforce a right of indemnification unless the Board has approved the initiation or bringing of such suit, a proceeding instituted by a director to enforce the Indemnification Agreement which is found by a court of competent jurisdiction to be not in good faith or frivolous, insured claims or claims under Section 16(b) of the 1934 Act.

The foregoing indemnification provisions are broad enough to encompass certain liabilities of directors under the Securities Act of 1933, as amended (the “1933 Act”).

The Bylaws authorize the Registrant to purchase and maintain insurance on behalf of any person who is or was an agent of the Registrant against any liability asserted against or incurred by such person in such capacity or arising out of such person's status as such, whether or not the Registrant would have the power to indemnify him against such liability under the provisions of the Bylaws. The Registrant maintains an insurance policy for its officers and directors that provides coverage for certain liabilities such individuals may incur with respect to the Registrant and its shareholders.

Item 9. Undertakings

A. The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the 1933 Act, (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference into this Registration Statement; (2) that for the purpose of determining any liability under the 1933 Act each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the Registrant's 2006 Stock Incentive Plan.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in

the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
