Explanatory Note

The original Schedule 13D together with this Amendment is referred to herein as the "Schedule 13D." Capitalized terms used herein and not otherwise defined shall have the same meanings ascribed to them in the Original Schedule 13D.

Item 1. Security and Issuer.

This Schedule 13D relates to the common stock, par value \$.0001 per share (the "Common Stock"), of Committed Capital Acquisition Corporation, whose principal executive offices are located at 712 Fifth Avenue, 22nd Floor, New York, New York 10019 (the "Issuer").

Item 4. Purpose of Transaction.

The information provided or incorporated by reference in Item 5 is hereby incorporated by reference in this Item 4.

Item 5. Interest in Securities of the Issuer.

This Amendment No. 1 amends and restates Item 5 of the Schedule 13D as set

Edgar Filing: RAPP MICHAEL - Form SC 13D/A

forth below:

(a) The Reporting Person beneficially owns an aggregate of 1,914,948 shares of Common Stock, representing approximately 15.3% of the outstanding shares of Common Stock (based upon 12,500,000 shares of Common Stock currently outstanding).

(b) The Reporting Person has the sole right to vote or dispose, or direct the voting or disposition of, all of the 1,914,948 shares of Common Stock beneficially owned by the Reporting Person.

(c) On May 20, 2011, the Issuer effected a 4.21875-for-1 forward stock split, upon the completion of which the Reporting Person beneficially owned 4,218,750 shares of Common Stock, representing 62.5% of the outstanding shares of Common Stock. On May 27, 2011, the Reporting Person entered into a Stock Purchase Agreement with P&P 2, LLC and Michael Serruya (the "Purchasers"), pursuant to which the Reporting Person sold an aggregate of 2,067,189 shares to the Purchasers. Also, on May 27, 2011, the Reporting Person entered into a Contribution Agreement with Committed Capital Holdings LLC (the "Assignee") pursuant to which the Reporting Person contributed an aggregate of 236,614 shares of Common Stock to the Assignee. The Reporting Person owns a 6.0% interest in the Assignee. However, such shares owned by the Assignee are not considered to be beneficially owned by the Reporting Person because the Reporting Person does not have voting or investment control over the shares of Common Stock owned by the Assignee.

On October 28, 2011, the Issuer completed its initial public offering (the "Offering") of 5,750,000 units (the "Units") at \$5.00 per Unit for gross proceeds of \$28,750,000, which included the full exercise of the underwriters' over-allotment option. The Reporting Person is the President of the Issuer and is the Chairman of its board of directors.

Each Unit consists of one share of Common Stock and one warrant ("Warrant") to purchase one share of Common Stock at an exercise price of \$5.00 per share. Under the terms of the warrant agreement pursuant to which the Warrants were issued, the Issuer has agreed to use its best efforts to file a post-effective amendment or new registration statement under the Securities Act of 1933, as amended, to cover the shares of Common Stock underlying the Warrants after the completion of the Issuer's initial business transaction. Each Warrant will become exercisable upon effectiveness of such post-effective amendment or new registration statement and will expire 45 days from that effectiveness date. However, if the Issuer does not complete its initial business transaction on or prior to the 21-month or 24-month period allotted to complete its initial business transaction (as described below), the Warrants will expire at the end of such period.

The Issuer will have only 21 months from the date of effectiveness of the registration statement for the Offering (or 24 months from the date of effectiveness of such registration statement if a letter of intent or a definitive agreement has been executed within 21 months from the date of effectiveness and the Issuer's business transaction relating thereto has not yet been completed within such 21-month period) to consummate the initial business transaction.

The Issuer's initial stockholders (including the Reporting Person), together with certain persons that may be designated by such initial stockholders (the "private placement investors"), have committed to purchase 2,000,000 shares of Common Stock (the "placement shares") at \$5.00 per share in a private placement to occur concurrently with the closing of the Issuer's initial business transaction for gross proceeds of \$10,000,000. The Issuer's

Edgar Filing: RAPP MICHAEL - Form SC 13D/A

board of directors will have the ability to increase the size of the private placement at its discretion.

The Issuer's initial stockholders, private placement investors and their permitted transferees will be entitled to registration rights. Such holders will be entitled to demand registration rights and certain "piggy-back" registration rights with respect to the shares of Common Stock that they owned prior to the Offering ("initial shares") and the placement shares, commencing, in the case of the initial shares, one year after the consummation of the Issuer's initial business transaction and, in the case of the placement shares, 30 days after the consummation of the Issuer's initial business transaction.

Broadband Capital Management LLC ("BCM") and the Reporting Person have agreed that each will be liable to the Issuer, jointly and severally, if and to the extent that any claims by a vendor for services rendered or products sold to the Issuer, or a prospective target business with which the Issuer has discussed entering into a transaction agreement, reduce the amounts in the trust account to below \$5.00 per share, except as to any claims by a third party who executed a waiver of any and all rights to seek access to the trust account and except as to any claims under the indemnification provided to the underwriters for the Offering against certain liabilities, including liabilities under the Securities Act. In the event that an executed waiver is deemed to be unenforceable against a third party, BCM and the Reporting Person will not be responsible to the extent of any liability for such third party claims.

All of the gross proceeds of the Offering equal to \$28,750,000 were placed in a trust account at JP Morgan Chase, N.A., with Continental Stock Transfer & Trust Company acting as trustee. Except for a portion of the interest income that may be released to the Issuer to pay income or other tax obligations and to fund its working capital requirements, none of the funds held in the trust account will be released until the earlier of (i) the consummation of a business transaction, (ii) the Issuer's redemption of the public shares sold in the Offering if the Issuer is unable to consummate its initial business transaction within the 21-month or 24-month period set forth above, or (iii) the Issuer's liquidation (if no redemption occurs).

As a result of the transactions described above, as of the date of this Amendment No. 1, the Reporting Person beneficially owns 1,914,948 shares of Common Stock, representing approximately 15.3% of the outstanding shares of Common Stock (based upon 12,500,000 shares of Common Stock currently outstanding).

(d) Other than the Reporting Person, no other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares of Common Stock owned by the Reporting Person.

(e) N/A.
