The number of shares of common stock of Net Element International, Inc. being registered represents the estimated (1) maximum number of shares of Net Element International's common stock to be issued in connection with the proposed business combination described herein.

Calculated as the product obtained by multiplying (a) the shares of common stock, par value \$0.001 per share, of Net Element, Inc. estimated to be issued and outstanding (on a fully diluted basis) immediately prior to the consummation of the merger by (b) the Exchange Ratio of 0.025 set forth in the merger

(2) agreement (as hereinafter defined). This amount also includes shares of common stock of Net Element International that may, under certain circumstances, be issued to the extent a holder of common stock of Net Element, Inc. would receive fewer than 100 shares of common stock of Net Element International as a result of the Exchange Ratio.

Estimated solely for the purpose of calculating the registration fee, based on the average of the high and low prices (3) of the ordinary shares of Cazador Acquisition Corporation Ltd. on The NASDAQ Capital Market on June 5, 2012 (\$9.875 per share), in accordance with Rule 457(f)(1).

The number of shares of common stock of Net Element International being registered includes all ordinary shares (4) of Cazador Acquisition Corporation Ltd. that are issued and outstanding upon Cazador domestication (as hereinafter defined), which shares will automatically be converted by operation of law into shares of common stock of Net Element International in the Cazador domestication.

Upon effectiveness of the Cazador domestication, all outstanding warrants to acquire ordinary shares of Cazador (5) Acquisition Corporation Ltd. will become warrants to acquire the same number of shares of Net Element International at the same price and for on same terms. No registration fee is required pursuant to Rule 457(g) under the Securities Act.

Pursuant to Rule 416, there is also being registered such indeterminable number of additional shares of common (6) stock of Net Element International as may be issued to prevent dilution resulting from share dividends, split-up, reverse split-up or similar event.

(7) Previously paid by Cazador Acquisition Corporation Ltd.

Prior the effectiveness of the business combination described herein, the Registrant intends to effect a domestication under Section 388 of the General Corporation Law of the State of Delaware and a migration under Cayman Islands \*law, pursuant to which the Registrant's jurisdiction of incorporation will be changed from the Cayman Islands to the State of Delaware. In connection with the domestication and the merger, the Registrant intends to change its legal corporate name to Net Element International, Inc.

**The Registrant hereby amends this Registration Statement on such date or dates as may be necessary to delay its effective date until the Registrant shall file a further amendment which specifically states that this Registration Statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until this Registration Statement shall become effective on such date as the Securities and Exchange Commission, acting pursuant to said Section 8(a), may determine.**

EXPLANATORY NOTE

The sole purpose of this Amendment No. 4 to the Registration Statement on Form S-4 (No. 333-182076) is to amend and restate Exhibits 5.1, 8.1, 8.2, 8.3 and 99.1. No other changes have been made to the Registration Statement on Form S-4.

## PART II

# INFORMATION NOT REQUIRED IN THE PROSPECTUS

### Item 20. Indemnification of Officers and Directors.

The Companies Law of the Cayman Islands does not limit the extent to which a company's memorandum and articles of association may provide for indemnification of officers and directors. However, such provision may be held by the Cayman Islands courts to be unenforceable, to the extent it seeks to indemnify or exculpate a fiduciary in respect of their actual fraud or willful default, or for the consequences of committing a crime. The Registrant's Second Amended and Restated Memorandum and Articles of Association provides for indemnification of officers and directors for losses, damages, costs and expenses incurred in their capacities as such, except through their own actual fraud or willful default.

Such limitation of liability and indemnification does not affect the availability of equitable remedies. In addition, the Registrant has been advised that, in the opinion of the Securities and Exchange Commission, or the SEC, indemnification for liabilities arising under the Securities Act of 1933, as amended, or the Securities Act, is against public policy as expressed in the Securities Act and is therefore unenforceable.

## Item 22. Undertakings.

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended, or the Securities Act;  
to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
  - (ii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.  
That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment
- (2) shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.  
That, for the purpose of determining liability under the Securities Act to any purchaser, if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part
- (4) of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.  
That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrants undertake that in a primary offering of securities of
- (5) the undersigned registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

II-5

---

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
  - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
  - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
  - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.  
Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
- The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11 or 13 of Form S-4 within one business day of receipt of
- (c) such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.
- The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information
- (d) concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
