**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On August 17, 2012, the Company filed a Certificate of Amendment to its Certificate of Incorporation with the Delaware Secretary of State to effect: (i) a reverse stock split of the outstanding common stock at a ratio of 1:50 (the “**Reverse Stock Split**”); (ii) an increase in authorized common stock to 500,000,000 (“**Increase**”); and (iii) a change of the Company’s name to Propell Technologies Group, Inc. (“**Name Change**”) that became effective on August 31, 2012 (the “**Effective Date**”).

As of the Effective Date, every fifty (50) shares of the Company’s pre-split common stock, par value \$0.001 per share (the “**Common Stock**”), was consolidated into one (1) post-split share of Common Stock. The Reverse Stock Split automatically converted the number of the Company’s Common Stock issued and outstanding. As a result of the Reverse Stock Split, the number of issued and outstanding shares of Common Stock is approximately 757,808, subject to adjustment for fractional shares. The Reverse Stock Split does not affect any shareholder’s ownership percentage of the Company’s common stock, except to the limited extent that the Reverse Stock Split resulted in any adjustment for fractional shares. In addition, the Common Stock now trades under a new CUSIP number beginning on the Effective Date.

Our Name Change and Increase, also became effective with the Delaware Secretary of State on the Effective Date, however, further action is needed before the Reverse Split, Name Change and Increase will be implemented through the DTC System. As such, we have engaged special outside legal counsel to provide DTC with an opinion regarding these corporate actions.
