Financial results for the fiscal year ended January 31, 2013 are affected by a \$10 million goodwill impairment charge taken against the Company's Brazil operations as a result of poor sales in Brazil during the fourth fiscal quarter ended January 31, 2013, which impairment charge was disclosed in the Company's Form 8-K for an event dated March 7, 2013. The Company expects to take an additional \$800,000 markdown on its Indian assets held for sale due to the difficulty in disposing of this property and the likely realizable value.
