The financial statements included in the Form 10-Q are presented in accordance with the requirements of the Form and do not include all of the disclosures required by accounting principles generally accepted in the United States of America. For additional information, reference is made to the Company's annual report on Form 10-K for the fiscal year ended October 31, 2012. The results of operations for the three and six month periods ended April 30, 2013 and 2012 are not necessarily indicative of operating results for the full year.

NOTE 3. INVENTORY

Inventory consists principally of purchased finished goods. Inventory is stated at the lower of cost or market on a first-in, first-out basis. The Company has decided to discontinue the manufacturing of its hunting and swimming line of apparel. The Company has booked a reserve against this inventory at October 31, 2012 of \$65,000. Based upon management's review, the Company decreased the reserve to \$58,000, during the quarter ended April 30, 2013, due to the continued sale of hunting apparel. Management will continue to evaluate its obsolete inventory reserve throughout the year and make adjustments as needed.

NOTE 4. EARNINGS PER SHARE

Innovative Designs, Inc. (the "Company") calculates net income (loss) per share in accordance with FASB Accounting Standard Codification ("ASC") Topic 260 "*Earnings per Share*". NOTE 6. INCOME TAXES

The Company accounts for income taxes in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 740 “*Income Taxes*”, which requires an asset and liability approach for financial reporting purposes.

Deferred income taxes are provided for differences between the tax bases of assets and liabilities and the financial reporting amounts at the end of the period, and for net operating loss and tax credit carryforwards available to offset future taxable income. Changes in enacted tax rates or laws result in adjustments to recorded deferred tax assets and liabilities in the periods in which the tax laws are enacted or tax rates are changed. The Company will continue to evaluate its income tax obligation throughout the year and will record a tax provision when it is necessary.

NOTE 7. SHIPPING AND HANDLING COSTS

The Company pays shipping and handling costs on behalf of customers for purchased merchandise. These costs are billed back to the customer through the billing invoice. The shipping and handling costs associated with merchandise ordered by the Company are included as part of cost of goods sold. The shipping and handling costs were approximately \$24,000 and \$69,000 for the six month periods ending April 30, 2013 and 2012, respectively. These costs are included in selling, general and administrative expenses.

NOTE 8. COMMON STOCK

On February 4, 2013, the Company issued an aggregate of 30,000 shares of our common stock to three individuals for professional services. These shares issued were valued at \$.30 a share or an aggregate price of \$9,000. We believe that Section 4(2) was available because the sale did not involve a public offering and there was no general solicitation or general advertising involved in the sale. We placed legends on the stock certificates stating that the securities were not registered under the Securities Act and set forth the restrictions on their transferability and sale.

NOTE 9.

DEBT

The Company entered into three Note Payable Agreements, with private lenders, during the three month period ended April 30, 2013, totaling \$39,396. These borrowings were used to fund operations during the quarter.

- Obtaining retail stores or sales agents to offer and sell our products,
- Developing our website to sell more of our products, and
- Establishing distribution channels for our House Wrap product.

Net loss	\$ (117,160 )	-212.98 %	\$ (183,929 )	-404.50 %	\$ 66,769	-36.30	%

Revenues for the quarter ended April 30, 2013 were \$55,010 compared to revenues of \$45,471 for the quarter ended April 30, 2012. As a result of the warmer winter that was experienced, our customers are ordering later in the year. Nearly all of our revenue was from the sales of our Arctic Armor cold weather product line.

Our selling, general and administrative expenses were \$137,043 for the three months ended April 30, 2013 compared to \$194,288 for the three months ended April 30, 2012.

**INNOVATIVE DESIGNS, INC.****Results of Operations**Comparison of the Six Month Period Ended April 30, 2013 with the Six Month Period Ended April 30, 2012.

The following table shows a comparison of the results of operations between the six month periods ended April 30, 2013 and April 30, 2012:

	Six Month Period Ended April 30, 2013	% of Sales	Six Month Period Ended April 30, 2012	% of Sales	Increase (Decrease)	% Change

Net loss	\$ (124,132 )	-35.46 %	\$ (75,910 )	-12.71 %	\$(48,222 )	63.53 %

Revenues for the six months ended April 30, 2013 were \$350,056 compared to revenues of \$597,242 for the six months ended April 30, 2012. The decrease is attributable, in large part, to the warm winter. However, management is also of the opinion that the actions alleged in its complaint against the defendants in the action currently before the court in the Western District of Pennsylvania have also resulted in lost sales of our Arctic Armor products. Also, due to the warmer winter that was experienced, our customers are ordering later in the year. Nearly all of our revenue was from the sales of our Arctic Armor cold weather product line.

Our selling, general and administrative expenses were \$278,107 for the six months ended April 30, 2013 compared to \$409,972 for the six months ended April 30, 2012.

**INNOVATIVE DESIGNS, INC.**

**Liquidity and Capital Recourses**

During the quarter ended April 30, 2013, we funded our operations from revenues from sales and short-term advances. During the quarter, we received three short-term advances totaling \$39,396 from private lenders. Subsequent to the quarter ended April 30, 2013, we received a short-term advance totaling \$90,000 from a shareholder.

**Short Term:** We will continue to fund our operations from sales and short term borrowings from shareholders and others and the possible sale of our securities. We currently have no commercial credit facilities available to us. We continue to pay our creditors when payments are due.

**Long Term:** The Company will continue to fund its operations from revenues, borrowings from private parties and the possible sale of our securities. We have ceased trying to obtain commercial lending. Should we not be able to rely on the private sources for borrowing, our operations would be severely effected as we would not be able to fund our purchase orders to our suppliers for finished goods.

**INNOVATIVE DESIGNS, INC.**

**PART II – OTHER INFORMATION**

**ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK**

As a smaller reporting company, we are not required to provide the information otherwise required by this Item.

**ITEM 4T. CONTROLS AND PROCEDURES**

Management has developed and implemented a policy and procedures for reviewing, on a quarterly basis, our disclosure controls and procedures. During the quarter ended April 30, 2013, our principle executive/financial officer concluded that these controls and procedures were ineffective. At this time we do not have the financial resources to employ a financial staff with accounting and financial expertise, once we have the necessary financial resources, we plan to hire and designate an individual responsible for identifying reportable developments and to implement procedures designed to remediate the material weakness by focusing additional attention and resources in our internal accounting functions. During the first quarter ended January 31, 2013, the Company was not able to close the books and records in a timely fashion. Consequently, the Company was unable to file its Form 10-Q within the timeline established by the SEC. There were no reclassifications made during the second quarter of 2013.

**Changes in Internal Control Over Financial Reporting**

During the most recent fiscal quarter, there were no changes in the Company's internal control over financial reporting identified in connection with the evaluation required by paragraph (d) of Exchange Act Rules 13(a)-15 or 15d-15 that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.
