Item 1.01 Entry Into a Material Definitive Agreement.

On February 3, 2015, Silver Eagle Acquisition Corp. (the “Company”) entered into Amendment No. 1 to the Contribution Agreement (the “Amendment”) which amends the Contribution Agreement, dated December 31, 2014, between the Company and Videocon d2h Limited (“Videocon d2h” and the agreement, as amended, the “Contribution Agreement”). The Amendment was intended to provide additional details regarding the previously agreed to earn-out provisions in the Contribution Agreement and to set the ratio of equity shares to ADSs.

The Amendment amends the Contribution Agreement to provide that the actual number of American Depositary Shares (“ADSs”) to be received by the Company’s stockholders of record as of the close of business on a date to be determined by the board of directors of the Company (such stockholders, the “Distribution Record Holders”), which will substantially depend on the amount of shares of the Company’s common stock that the public holders of the Company’s common stock elect to redeem in connection with the vote to approve the Contribution Agreement and the transactions contemplated thereby (the “Transaction”), will result in the non-redeeming stockholders of the Company, including Global Eagle Acquisition LLC, the Company’s sponsor (the “Sponsor”), owning between 33.42% and 38.42% (as opposed to between 33.5% and 38.55% as initially provided for in the Contribution Agreement) of Videocon d2h’s equity shares (excluding any applicable adjustments due to currency exchange rate fluctuation described below) upon the closing of the Transaction (the “Closing”), without taking into account the issuance of the earn-out shares to the current principal shareholders of Videocon d2h described below or the issuances to the Sponsor and Mr. Saurabh Dhoot described below.

The Amendment further provides that the current principal shareholders of Videocon d2h will be entitled to receive by way of a bonus issue of shares (or such other form of share issue as determined by the independent members of the Board of Directors of Videocon d2h) 46,720,000 equity shares, which is equivalent to 11,680,000 ADSs upon satisfaction of certain share price performance hurdles of the ADSs on the NASDAQ Stock Market being satisfied within three years of the initial listing of the ADSs. In addition, if following the Closing, a draft “red herring” prospectus is filed with the Securities and Exchange Board of India for an initial public offering of Videocon d2h’s shares in India, then any earn-out shares not previously issued will become immediately issuable to the current principal shareholders of Videocon d2h prior thereto, so long as such earn-out shares may not be directly or indirectly sold, transferred, pledged or hedged and so long as in the event that the performance hurdles are not subsequently satisfied, Videocon d2h and the principal shareholders agree to undertake necessary actions to cause the effect of such issuance to be nullified.

The Amendment also provides that the Sponsor will be entitled to receive by way of a bonus issue of shares 5,200,000 equity shares to be represented by 1,300,000 ADSs increasing ratably to a maximum of 8,000,000 equity shares to be represented by 2,000,000 ADSs based on the applicable actual contribution amount contributed by the Company to Videocon d2h in the Transaction, subject to the satisfaction of certain share price performance hurdles of the ADSs on the NASDAQ Stock Market being satisfied within three years of the initial listing of the ADSs. In addition, if following the Closing, a draft “red herring” prospectus is filed with the Securities and Exchange Board of India for an initial public offering of Videocon d2h’s shares in India, then any earn-out shares not previously issued will become immediately issuable to the Sponsor prior thereto, so long as such earn-out shares may not be directly or indirectly

sold, transferred, pledged or hedged and so long as in the event that the performance hurdles are not subsequently satisfied, Videocon d2h and the Sponsor agree to undertake necessary actions to cause the effect of such issuance to be nullified. In the event that Videocon d2h is not permitted to make such an issuance, Videocon d2h shall make such other issuances that would result in the Sponsor receiving the same economic rights, benefits and privileges.

The Amendment provides for the following changes to the closing conditions contemplated by the Contribution Agreement: (i) the removal of the condition that the issuances to the Sponsor and Mr. Saurabh Dhoot of an additional \$13 million of equity shares increasing ratably to a maximum of an additional \$20 million of equity shares based on the applicable actual contribution amount contributed by the Company to Videocon d2h and the equivalent of \$7 million of equity shares, as applicable, occur at the closing and (ii) the addition of a condition that Videocon d2h shall have adopted a stock option plan and shall have granted to Mr. Saurabh Dhoot stock options exercisable to receive 2,800,000 equity shares, which is equivalent to 700,000 ADSs, with such options vesting and becoming exercisable upon satisfaction of certain share price performance hurdles of the ADSs on the NASDAQ Stock Market being satisfied within three years of the initial listing of the ADSs.

A copy of the Amendment is filed with this Current Report on Form 8-K as Exhibit 2.1 and is incorporated herein by reference, and the foregoing description of the Amendment is qualified in its entirety by reference thereto. The Contribution Agreement contains representations, warranties and covenants that the respective parties made to each other as of the date of such agreement or other specific dates. The assertions embodied in those representations, warranties and covenants were made for purposes of the contract among the respective parties and are subject to important qualifications and limitations agreed to by the parties in connection with negotiating such contract. The representations, warranties and covenants in the Contribution Agreement are also modified in important part by the underlying disclosure schedules which are not filed publicly and which are subject to a contractual standard of materiality different from that generally applicable to stockholders and are used for the purpose of allocating risk among the parties rather than establishing matters as facts. We do not believe that these schedules contain information that is material to an investment decision.
