On July 29, 2016, our subsidiary, H.D.D. LLC (the “LLC”, and together with Truett-Hurst, Inc., the “Company,” “we,” “our,” or “us”), entered into the Modification Agreement (the “Modification”) to the Loan and Security Agreement (the “Credit Agreement”) with Bank of the West (the “Lender”) which the Company had entered into July 15, 2015. In connection with, and pursuant to the terms and conditions of the Modification Agreement, the LLC received the following notes from the Lender (the Credit Agreement as modified, the notes, and any and all other agreements, instruments and documents executed by the Company and/or the Lender related to the Credit Agreement or the notes, collectively, the “Loan Documents,” and the transactions reflected by the Loan Documents, the “Bank of the West Loan”):

\$10,000,000 Revolving Asset-Based Line of Credit Note. The LLC received an asset-based revolving line of credit note from the Lender in the principal amount of up to \$10,000,000 which expires on July 31, 2017 and is to be used for general working capital purposes. All outstanding principal and interest under such line of credit is due on or before July 31, 2017. Amounts repaid by us to the Lender thereunder prior to July 31, 2017 may be reborrowed. The aggregate principal balance outstanding pursuant to such line of credit bears interest at 2.25% above the one-month LIBOR. The LLC has the option to fix portions of the aggregate principal balance outstanding, in minimum increments of \$100,000, at 2.25% above the corresponding month’s LIBOR for periods of one to six months.

\$500,000 Non-Revolver Equipment Purchase Line of Credit Note. The LLC received a line of credit note in the principal amount of \$500,000 from the Lender, which expires on July 31, 2017 and is to be used to finance our equipment purchases. All outstanding principal and interest under this line of credit is due on or before July 31, 2017. Amounts repaid by us to the Lender thereunder may not be reborrowed. \$100,000 Foreign Exchange Note. The LLC received a foreign exchange note from the Lender in the principal amount of up to \$100,000 which expires on July 31, 2017 and is to be used to hedge our foreign currency exchange exposure. The foreign exchange note permits us to enter into any spot or forward transaction to purchase from or sell to the Lender a foreign currency of an agreed amount, up to 15% of the aggregate of the net notional values of all the Company’s outstanding foreign transactions.

The Loan Documents contain usual and customary covenants, including, without limitation:

- A limitation on liens, mergers and sales of assets.

In addition, the Loan Documents maintain a minimum current assets to current liabilities ratio covenant (measured quarterly) and a maximum debt to effective tangible net worth ratio (measured quarterly).
