Supplemental Indenture

On February 14, 2017, Scientific Games International, Inc. (“**SGI**”), a wholly owned subsidiary of Scientific Games Corporation (the “**Company**”), issued \$1.15 billion in aggregate principal amount of its 7.000% Senior Secured Notes due 2022 (the “**New Notes**”) in a private offering to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the “**Securities Act**”), and to non-U.S. persons under Regulation S under the Securities Act. The New Notes were issued pursuant to a Supplemental Indenture, dated as of February 14, 2017 (the “**Supplemental Indenture**”), to the Indenture, dated as of November 14, 2014 (the “**Base Indenture**” and, together with the Supplemental Indenture, the “**Indenture**”), among SGI, as issuer, the Company and the guarantors party thereto and Deutsche Bank Trust Company Americas, as collateral agent and trustee.

The New Notes are treated as a single series of debt securities with SGI’s previously issued \$950 million in aggregate principal amount of 7.000% Senior Secured Notes due 2022 (the “**Existing Notes**”) for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. The New Notes have terms identical to the Existing Notes, other than issue date and offering price and have the same CUSIP and ISIN numbers as, and trade together with, the Existing Notes, except that the New Notes (both 144A and Regulation S) have been issued and maintained under a temporary CUSIP number during a 40-day distribution period commencing on February 14, 2017.

In connection with the Supplemental Indenture, SGI, the Company and the guarantors party thereto and Deutsche Bank Trust Company Americas, as collateral agent, entered into Amendment No. 1 to the Collateral Agreement (the “**Collateral Agreement Amendment**”), dated as of November 21, 2014, among SGI, the Company and the guarantors party thereto and Deutsche Bank Trust Company Americas, as collateral agent, relating to the issuance of the New Notes.

Amended and Restated Credit Agreement

On February 14, 2017, the Company entered into Amendment No. 2 to the Credit Agreement, dated as of October 18, 2013 (as amended, supplemented, amended and restated or otherwise modified from time to time, including without limitation, by that certain Amendment No. 1, dated as of October 1, 2014, the “**Credit Agreement**”), by and among the Company, SGI, the several banks and other financial institutions or entities from time to time party thereto and Bank of America, N.A., as administrative agent and collateral agent (such amendment, “**Amendment No. 2**”).

Amendment No. 2 (i) creates a new tranche of \$3,291 million term loans under the Credit Agreement (the “**New Term Loans**”) due October 1, 2021 (subject to an accelerated maturity under certain circumstances), (ii) reduces the applicable margin for the term loans to 4.00% per annum for eurodollar (LIBOR) loans and 3.00% per annum for base rate loans, (iii) reduces the availability under the revolving credit facility under the Credit Agreement to \$556.2 million through October 18, 2018 and \$381.7 million thereafter, (iv) extends the termination date of the revolving credit facility under the Credit Agreement to October 18, 2020 (subject to an accelerated maturity under certain circumstances) and (v) modifies certain other covenants as set forth in Amendment 2.

A portion of the proceeds of the New Term Loans, together with a portion of the proceeds of the New Notes, was used to prepay some of the existing term loans, and the remaining term loans were converted into New Term Loans.

The foregoing descriptions of the Supplemental Indenture, Amendment No. 2 and the Collateral Agreement Amendment do not purport to be complete and are qualified in their entirety by the full text of these agreements, copies of which are attached hereto as Exhibits 4.1, 10.1 and 10.2, respectively, all of which are incorporated herein by reference.
