Dear Fellow Stockholders:

You are cordially invited to attend the Annual Meeting of Stockholders (the “Annual Meeting”) of Truett-Hurst, Inc., a Delaware corporation (the “Company”) to be held at the Company’s Truett-Hurst Winery located at 5610 Dry Creek Road, Healdsburg, CA, 95448 on May 19, 2017 at 10:00 a.m., Pacific Standard Time.

The matters expected to be acted upon at the meeting are described in detail in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement.

In accordance with U.S. Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Because we are using the Internet, most stockholders will not receive paper copies of our proxy materials. We will instead send stockholders a notice with instructions for accessing the proxy materials and voting via the Internet. This notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. We believe the use of the Internet makes the proxy distribution process more efficient and less costly, and helps in conserving natural resources.

The proxy statement, proxy card and the 2016 annual report to stockholders are available at www.astproxyportal.com/ast/18382 and may also be accessed through our website at www.truettthurstinc.com under the “Investors” section. If you would like to receive a paper or e-mail copy of these documents, you must request one. There is no charge to you for requesting a copy.

Your vote is important. Please cast your vote as soon as possible over the Internet, by telephone, or by completing and returning the enclosed proxy card in the postage-prepaid envelope to ensure that your shares are represented. Your vote by written proxy will ensure your representation at the Annual Meeting regardless of whether or not you attend in

person. Returning the proxy does not deprive you of your right to attend the meeting and to vote your shares in person.

We hope you'll join us at the Annual Meeting.

Sincerely,

[e-signature for Mr. Hurst]

About the Annual Meeting and Voting

Purposes - At the Annual Meeting, you will be asked:

1. To re-elect Class I director, Mr. Barrie Graham, and to elect new nominee, Mr. Spencer Grimes, as a Class I director of Truett-Hurst, Inc. to serve for three years and until their successors have been duly elected and qualified.
2. To ratify the appointment of BPM LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2017.
3. To transact any other business that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

The Board knows of no other matters to be presented for action at the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the proxy will vote on such other matters in accordance with their best judgment.

Record Date; Stockholders Entitled to Vote - Only holders of record of our Class A common stock, Class B common stock or Class A restricted common stock at the close of business on March 20, 2017, the record date, will be entitled to vote at the Annual Meeting or any adjournment thereof. Each share of common stock will be entitled to one vote. As of the record date, 4,351,029 shares of our Class A common stock and seven (7) shares of our Class B common stock were outstanding and entitled to vote. Holders of our Class A common stock and Class B common stock will vote as a single class on all matters discussed in this proxy statement.

Quorum - A majority of the voting power of the outstanding shares of Class A common stock, Class B common stock and Class A restricted common stock are entitled to vote, represented in person or by proxy, will be required to constitute a quorum for the Annual Meeting. Shares of common stock held by persons attending the annual meeting but not voting, shares represented by proxies that reflect abstentions as to a particular proposal and broker “non-votes,” if any, will be counted as present for purposes of determining a quorum.

Vote Required – The following proposals require your vote:

For Proposal No. 1, the affirmative vote of a majority of the shares represented in person or by proxy at the Annual Meeting and entitled to vote is required to approve each named director standing for election or re-election at the Annual Meeting. If stockholders withhold their votes, including brokers holding their clients’ shares of record who cause withheld votes to be recorded, these shares will be considered present and entitled to vote at the Annual Meeting and will be counted towards determining whether a quorum is present. Withheld votes and broker non-votes (as defined below) will not be treated as votes cast with regard to Proposal No. 1.

For Proposal No. 2, the affirmative vote of a majority of the shares represented in person or by proxy at the Annual Meeting and entitled to vote is required for the ratification of the selection of BPM LLP, as our independent registered public accounting firm for the year ending June 30, 2017. Abstentions will have the same effect as voting against this proposal. Brokers generally have discretionary authority to vote on the ratification of our independent auditors, and thus broker non-votes are generally not expected to result from the vote on Proposal 2. Accordingly, any broker non-votes would not have any effect on the outcome of this proposal.

A representative of American Stock Transfer & Trust Company, LLC, our transfer agent, will tabulate the votes.

Dissenters’ Rights - No dissenters’ rights are provided under the Delaware General Corporation Law, our Amended and Restated Certificate of Incorporation or our bylaws with respect to any of the proposals described in this Proxy Statement.

Board Recommendation - Our Board has unanimously approved and recommends that an affirmative vote be cast “FOR” each director standing for election or re-election, and “FOR” the ratification of the selection of BPM LLP, as our independent registered public accounting firm.

Voting Your Shares - If you are a registered stockholder, you may submit your proxy by U.S. Mail, internet or telephone and following the instructions in the Notice. If you requested a paper copy of the proxy materials, you also may submit your proxy by mail by following the instructions included with your proxy card. The deadline for submitting your proxy by internet or telephone is 11:59 a.m. Pacific Time the day before the Annual Meeting date. The designated proxy will vote according to your instructions. You may also attend the annual meeting and vote in person.

If you are a street name or beneficial stockholder because your shares are held in a brokerage account or by a bank or other nominee, your broker or nominee firm will provide you with a Notice. Follow the instructions on the Notice to access our proxy materials and vote by internet or to request a paper or email copy of our proxy materials. If you receive these materials in paper form, the materials include a voting instruction card so that you can instruct your broker or nominee how to vote your shares.

If you sign and submit your proxy without specifying how you would like your shares voted, your shares will be voted in accordance with the Board of Director’s recommendations specified below and in accordance with the discretion of the proxy holders with respect to any other matters that may be voted upon at the annual meeting.

Changing Your Vote by Revoking Your Proxy - If you are a registered stockholder, you may revoke or change your vote at any time before the proxy is voted by filing with our Secretary either a written notice of revocation or a duly executed proxy bearing a later date. If you attend the annual meeting in person, you may ask the judge of elections to suspend your proxy holder's power to vote and you may submit another proxy or vote by ballot. Your attendance at the annual meeting will not by itself revoke a previously granted proxy.

If your shares are held in street name or you hold shares through a retirement or savings plan or other similar plan, please check your voting instruction card or contact your broker, nominee, trustee or administrator to determine whether you will be able to revoke or change your vote.

Written notices of revocation and other communications with respect to the revocation of proxies should be addressed to:

Truett-Hurst, Inc.

P.O. Box 1532

Healdsburg, CA, 95448

Attention: Corporate Secretary

Voting in Person

Broker Non-Votes - Under the rules that govern brokers who have record ownership of shares that they hold in "street name" for their clients who are the beneficial owners of the shares, brokers normally have discretion to vote such shares on routine matters, such as ratifications of independent registered public accounting firms, but not on non-routine matters. Broker non-votes generally occur when shares held by a broker nominee for a beneficial owner are not voted on a proposal because the broker nominee has not received voting instructions from the beneficial owner and lacks discretionary authority to vote the shares. We urge you to provide instructions to your broker so that your votes may be counted on this important matter.

Adjournment of Annual Meeting

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more

adjournments of the Annual Meeting to permit solicitation of additional proxies. The chairperson of the Annual Meeting shall have the power to adjourn the Annual Meeting.

Assistance

If you need assistance in voting over the Internet or completing your proxy card or have questions regarding the annual meeting, please contact Investor Relations at 707.431.4423 or ir@truettthurstinc.com or write to: Truett-Hurst, Inc., P.O. Implications of being an “emerging growth company”

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act, enacted on April 5, 2012 (the “JOBS Act”). For as long as we are an “emerging growth company,” we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not “emerging growth companies,” including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes Oxley Act of 2002, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding stockholder advisory “say-on-pay” votes on executive compensation and stockholder advisory votes on golden parachute compensation.

Under the JOBS Act, we will remain an “emerging growth company” until the earliest of:

- the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more;

the last day of the fiscal year following the fifth anniversary of our initial public offering;

the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt; and

the date on which we are deemed to be a “large accelerated filer” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (we will qualify as a large accelerated filer as of the first day of the first fiscal year after we have (i) more than \$700 million in outstanding common equity held by our non-affiliates and (ii) been public for at least 12 months; the value of our outstanding common equity will be measured each year on the last day of our second fiscal quarter).

You should rely only on the information provided in this Proxy Statement. We have not authorized anyone to provide you with different or additional information. You should not assume that the information in this Proxy Statement is accurate as of any date other than the date of this Proxy Statement or, where information relates to another date set forth in this Proxy Statement, then as of that date.

PROPOSAL NO. 1—RE-ELECTION AND ELECTION OF DIRECTORS

Proposal No. 1 is the proposed election of one new nominee and the re-election of one incumbent director nominee to serve for a three year term as Class I directors with terms expiring at the 2019 annual meeting or until his or her earlier death, resignation or removal.

Pursuant to our Amended and Restated Certificate of Incorporation, the Board is divided into three classes, designated as Class I, Class II and Class III, the terms of which expire alternately over a three-year period. At each annual meeting of stockholders, successors to directors whose terms expire at that meeting will be elected for three-year terms. Our Board is currently divided into the following classes: Class I directors consist of Mr. Heath Dolan and Mr. Graham; Class II directors consist of Mr. Hurst, Mr. Paul Dolan, III, Mr. Carroll, and Mr. Benedetti; and Class III directors consist of Mr. Fruth and Mr. Weber.

Our bylaws provide that our Board shall be comprised of not less than five nor more than nine directors, with the exact number to be fixed by resolution of the Board. The Board is currently comprised of eight directors. As discussed in this Proposal No. 1, Re-election and Election of Directors, Mr. Fruth has determined not to serve out his term and will resign from the Board at the commencement of the Annual Meeting. Mr. Fruth's decision not to serve out his term is not related to any disagreement with management or the Board. The Company's bylaws establish that the Board shall fix the number of directors from time to time so long as the number so determined shall not be less than five nor more than nine. The Board periodically reviews the appropriate size of the Board. The Board sets its size so that the Board will possess, in the aggregate, the strategic, managerial and financial skills and experience necessary to fulfill its duties and to achieve its objectives and to maintain a sufficient number of independent directors. Upon the commencement of the Annual Meeting, the size of our Board will decrease from eight to seven members. Upon Mr. Fruth's resignation, the Board has determined it to be in the best interest of the Company to not fill the vacancy and to reduce the size of the Board from eight to seven directors. The Company's Board has previously and unanimously adopted a resolution approving the decrease in the size of the Board upon Mr. Fruth's resignation at the commencement of the Annual Meeting.

Based on the recommendation of the Nominating and Governance Committee, the Board has nominated Mr. Graham, currently a Class I director, for re-election to the Board. The Board believes that the re-election of Mr. Graham is important to the future success of our company and is in the best interests of all of our stockholders. Information regarding the business experience of each nominee and the particular experience, qualifications, attributes, or skills that qualify that person to serve as a director of the Company is provided below.

Mr. Heath Dolan, currently a Class I director, informed the Board that he will serve out his current term but will not stand for re-election at the Annual Meeting. Mr. Heath Dolan's decision not to serve out his term is not related to any disagreement with management or the Board. Based on a recommendation from the Nominating and Governance

Committee, the Board has resolved and nominated Mr. Spencer Grimes to replace Mr. Heath Dolan and stand for election at the Annual Meeting. Mr. Grimes has been nominated based on his wealth of knowledge. Information regarding the particular experience, qualifications, attributes, or skills that qualify that person to serve as a director of the Company is provided below.

Class II and Class III directors will stand for re-election or election at the 2017 and 2018 annual meetings of stockholders, respectively. Unless otherwise provided by law, any vacancy on the Board, including a vacancy created by an increase in the authorized number of directors, may only be filled by the affirmative vote of a majority of the remaining directors then in office, although less than a quorum. Any director elected in accordance with the preceding sentence shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall be elected and qualified, or his or her earlier death, resignation or removal.

If elected or re-elected at the Annual Meeting, each nominee will serve for three years and until his successor is duly elected and qualified, or until such director's earlier death, resignation or removal. If either nominee is unable or unwilling to be a candidate for election by the time of the Annual Meeting (a contingency which the Board does not expect to occur), the stockholders may vote for a substitute nominee chosen by the present Board to fill the vacancy. In the alternative, the stockholders may vote for just the remaining nominee, leaving a vacancy that may be filled at a later date by the Board. Alternatively, the Board may reduce the size of the Board.

Criteria for Nomination to the Board

Director Qualifications

There are no specific, minimum qualifications that the Board shall require to be met by a director nominee recommended for membership on the Board, nor are there any specific qualities or skills that are necessary for one or more of the Company's directors to possess, other than as are necessary to meet any requirements under rules and regulations (including any stock exchange rules) applicable to the Company. Notwithstanding the foregoing, the Nominating and Governance Committee assessment of the nominees included consideration of the following minimum qualifications:

nominees must have experience at a strategic or policy making level in a business, government, non-profit or academic organization of high standing;

- nominees must be highly accomplished in their respective field, with superior credentials and recognition;

nominees must be well regarded in the community and shall have a long-term reputation for the highest ethical and moral standards;

- nominees must have sufficient time and availability to devote to the affairs of the Company;

nominees must be free of conflicts of interest and potential conflicts of interest, in particular with relationships with other Boards; and

nominees must, to the extent such nominee serves or has previously served on other Boards, demonstrate a history of actively contributing at Board meetings.

The Board seeks members from diverse professional backgrounds who combine a broad spectrum of relevant industry and strategic experience and expertise that, in concert, offer us and our stockholders diversity of opinion and insight in the areas most important to us and our corporate mission. Candidates for director nominee who do not meet all of these criteria may still be considered for nomination to the Board, if the Nominating and Governance Committee believes that the candidate will make an exceptional contribution to us and our stockholders. The Nominating and Governance Committee considers diversity in evaluating candidates for director with respect to the contribution that individual diversity of professional skills and experiences makes to overall Board effectiveness. Certain information is given below for the nominees for directors, directors standing for re-election and for each director whose term of

office will continue after the Annual Meeting.

Process for Identifying and Evaluating Director Nominees

The Board delegates the selection and nomination process to the Nominating and Governance Committee, with the expectation that other members of the Board, and of management, will be requested to take part in the process as appropriate.

Generally, the Nominating and Governance Committee identifies candidates for director nominee in consultation with management, through the use of search firms or other advisors, through the recommendations submitted by stockholders or through such other methods as the Nominating and Governance Committee deems to be helpful to identify candidates. The Nominating and Governance Committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the Nominating and Governance Committee deems to be helpful in the evaluation process. The Nominating and Governance Committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board. Based on the results of the evaluation process, the Nominating and Governance Committee recommends candidates for the Board' approval as director nominees for election to the Board. The Nominating and Governance Committee also recommends candidates to the Board for appointment to the committees of the Board.

Mr. Hurst sold his stake in the company to partner with his longtime friend and mentor, Paul Dolan, to follow

their dream of buying and building super-premium wineries and vineyards in California's premier appellations. Mr. Hurst has a winemaking degree from University of California-Davis. Mr. Hurst has served as President, Chief Executive Officer and a managing member of the LLC since 2007 and as President, Chief Executive Officer and Director of Truett-Hurst, Inc. since 2012. The Nominating and Governance Committee and the Board selected Mr. Hurst to serve on our Board due to his extensive knowledge of our operations, competitive challenges and opportunities gained through his position as our President and Chief Executive Officer as well as his extensive experience and education in winemaking.

In addition, the Nominating and Governance Committee is responsible for overseeing our corporate governance principles and making recommendations concerning governance matters. The Nominating and Governance Committee operates under a written charter adopted by the Board that satisfies the applicable standards of NASDAQ.

The Nominating and Governance Committee's purpose is to monitor and oversee matters of corporate governance, including the evaluation of the Board's performance and processes and the "independence" of directors, and select, evaluate and recommend to the Board qualified candidates for election or appointment to the Board. The Nominating and Governance Committee identifies director candidates through recommendations made by members of the Board, management, stockholders and others, including the possibility of a search firm. The Nominating and Governance Committee does consider nominations from its stockholders made pursuant to Section 2.10 of our bylaws. The applicable procedures from Section 2.10 of our bylaws include, but are not limited to, the following. Stockholders wishing to submit nomination recommendations to the Nominating and Governance Committee should review Section 2.10 of our bylaws in their entirety as the below summary is incomplete.

Timeliness. To be timely, notice by the stockholder must be delivered to the Secretary at the Corporation's principal executive offices not later than 90 days prior to the date of the annual meeting.

Substance of Notice. The stockholder's notice relating to director nomination(s) must set forth, among other things more fully discussed in Section 2.10 of our bylaws, the following:

as to *the stockholder giving the notice*, (i) the name and record address of the stockholder, and (ii) the class and number of shares of the Corporation which are beneficially owned by the stockholder.

At a minimum, a Board nominee should have significant management or leadership experience which is relevant to the Company's business, as well as personal and professional integrity. The Board believes it is in the best interest of the Company and its stockholders to identify and select highly-qualified candidates to serve as directors and for the Board to be comprised of a diverse group of individuals with different backgrounds and perspectives. Recommendations are developed based on the nominee's own knowledge and experience in a variety of fields, and research conducted by the Company's staff at the Nominating and Governance Committee's direction.

Director Compensation

Board Role in Risk Oversight

Our Board as a whole has responsibility for overseeing our risk management. The Board exercises this oversight responsibility directly and through its committees. The oversight responsibility of the Board and its committees is informed by reports from our management team that are designed to provide visibility to the Board about the identification and assessment of key risks and our risk mitigation strategies. The full Board has primary responsibility for evaluating strategic and operational risk management, and succession planning. Our Audit Committee has the responsibility for overseeing our major financial and accounting risk exposures and the steps our management has taken to monitor and control these exposures, including policies and procedures for assessing and managing risk. Our Audit Committee also reviews programs for promoting and monitoring compliance with legal and regulatory requirements. Our Compensation Committee evaluates risks arising from our compensation policies and practices. The Audit Committee and the Compensation Committee provide reports to the full Board regarding these and other matters.

Directors are expected to have a financial stake in the Company to help align the director's interests with those of the Company's stockholders. To meet this objective, it is the policy of the Board to have a meaningful portion of the total compensation of non-management directors provided and held in common stock, stock options, restricted stock units or other types of equity-based compensation.

Administration

Our Board or a committee of our Board will administer the 2012 Plan. In the case of awards intended to qualify as “performance based compensation” within the meaning of Section 162(m) of the Internal Revenue Code (the “Code”), the committee will consist of two (2) or more “outside directors” within the meaning of Section 162(m) of the Code. The administrator will have the power to determine and interpret the terms and conditions of the awards, including the employees, directors and consultants who will receive awards, the exercise price, the number of shares subject to each such award, the vesting schedule and exercisability of the awards, the restrictions on transferability of awards and the form of consideration payable upon exercise. The administrator also will have the authority to institute an exchange program whereby the exercise prices of outstanding awards may be reduced or outstanding awards may be surrendered or cancelled in exchange for other awards of the same type (which may have higher or lower exercise prices) or awards of a different type.

Stock Options

The 2012 Plan allows for the grant of incentive stock options that qualify under Section 422 of the Code only to our employees and employees of any parent or subsidiary of ours. Non-qualified stock options may be granted to our employees, directors, and consultants and those of any parent or subsidiary of ours. The exercise price of all options granted under the 2012 Plan must at least be equal to the fair market value of our Class A common stock on the date of grant. The term of an incentive stock option may not exceed ten (10) years, except that with respect to any employee who owns more than ten percent (10%) of the voting power of all classes of our outstanding stock or any parent or subsidiary corporation as of the grant date, the term must not exceed five (5) years, and the exercise price must equal at least one hundred ten percent (110%) of the fair market value on the grant date.

After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her option, to the extent vested, for the period of time specified in the option agreement. However, an option may not be exercised later than the expiration of its term.

On June 25, 2014, December 15, 2015 and March 15, 2016, we granted stock options to Mr. Forgue, our former Chief Financial Officer and Chief Operations Officer, which were to vest annually over four years, each having a fair value at date of grant of \$0.4 million, \$0.07 million and \$0.03 million, respectively. Equity compensation is expensed in our consolidated financial results of operations over the vesting period.

Stock Appreciation Rights

The 2012 Plan allows for the grant of stock appreciation rights. Stock appreciation rights allow the recipient to receive the appreciation in the fair market value of our Class A common stock between the date of grant and the exercise date. The administrator will determine the terms of stock appreciation rights, including when such rights become exercisable and whether to pay the increased appreciation in cash or with shares of our Class A common stock, or a combination thereof, except that the base appreciation amount for the cash or shares to be issued pursuant to the exercise of a stock appreciation right will be no less than one hundred percent (100%) of the fair market value per share on the date of grant. After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her stock appreciation right, to the extent vested, only to the extent provided in the stock appreciation right agreement.

Restricted Stock Awards

The 2012 Plan allows for the grant of restricted stock. Restricted stock awards are shares of our Class A common stock that vest in accordance with terms and conditions established by the administrator. The administrator will determine the number of shares of restricted stock granted to any employee, director or consultant. The administrator may impose whatever conditions on vesting it determines to be appropriate. For example, the administrator may set restrictions based on the achievement of specific performance goals. Shares of restricted stock that do not vest are subject to our right of repurchase or forfeiture.

Restricted Stock Units

The 2012 Plan allows for the grant of restricted stock units. Restricted stock units are awards that will result in payment to a recipient at the end of a specified period only if the vesting criteria established by the administrator are achieved or the award otherwise vests. The administrator may impose whatever conditions to vesting, restrictions and conditions to payment it determines to be appropriate. The administrator may set restrictions based on the achievement of specific performance goals or on the continuation of service or employment. Payments of earned restricted stock units may be made, in the administrator's discretion, in cash, with shares of our Class A common stock or other securities, or a combination thereof.

On December 15, 2015, we granted 45,180 restricted stock units to certain directors on our Board. They vest over a one year period.

Dividend Equivalent Rights

The 2012 Plan allows for the grant of dividend equivalent rights. Dividend equivalent rights are awards that entitle the recipients to compensation measured by the dividends we pay with respect to our Class A common stock.

Transferability of Awards

The 2012 Plan allows for the transfer of awards under the 2012 Plan only (i) by will, (ii) by the laws of descent and distribution and (iii) for awards other than incentive stock options, to the extent authorized by the administrator. Only the recipient of an incentive stock option may exercise such award during his or her lifetime.

Certain Adjustments

In the event of certain changes in our capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under the 2012 Plan, the administrator will make adjustments to one or more of the number or class of shares that are covered by outstanding awards, the exercise or purchase price of outstanding awards, the numerical share limits contained in the 2012 Plan, and any other terms that the administrator determines require adjustment. In the event of our complete liquidation or dissolution, all outstanding awards will terminate immediately upon the consummation of such transaction.

Corporate Transactions and Changes in Control

The 2012 Plan provides that in the event of a corporate transaction, as defined in the 2012 Plan, each outstanding award will terminate upon the consummation of the corporate transaction to the extent that such awards are not assumed by the acquiring or succeeding corporation. Prior to or upon the consummation of a corporate transaction or a change in control, as defined in the 2012 Plan, an outstanding award may vest, in whole or in part, to the extent provided in the award agreement or as determined by the administrator in its discretion. The administrator may condition the vesting of an award upon the subsequent termination of the recipient's service or employment within a

specified period of time following the consummation of a corporate transaction or change in control. The administrator will not be required to treat all awards similarly in the event of a corporate transaction or change in control.

Plan Amendments and Termination

The 2012 Plan will automatically terminate ten (10) years following the date it becomes effective, unless we terminate it sooner. In addition, our Board has the authority to amend, suspend or terminate the 2012 Plan provided such action does not impair the rights under any outstanding award unless mutually agreed to in writing by the recipient and us.

Employment, Severance and Change-in-Control Arrangements

As of the fiscal year ended 2016, none of our NEOs serve pursuant to a written or oral employment agreement. Mr. Forgue's compensation package was as follows:

· an annual base salary of \$275,000

If Mr. Forgue's employment was terminated by us without "good cause" or by Mr. Forgue for "good reason," Mr. Forgue would have been entitled to all compensation earned and all benefits and reimbursements due through the effective date of termination. If upon such a termination, Mr. Forgue executed a general release of claims, he would also have been entitled to the following:

· a lump sum severance payment equal to six months of the month salary rate in effect;

- payment of six months of COBRA continuation coverage; and
- acceleration of all of Mr. Forgue's outstanding equity awards that are not otherwise exercisable.

On October 3, 2016, Mr. Forgue resigned from the Company with an effective date of October 23, 2016 and was replaced by Mr. Meyer. Mr. Meyer receives an annual salary of \$275,000 and the opportunity, on an annual basis, to receive a 20% share of the bonus pool under the Company's executive bonus plan. The bonus pool is funded by 50% of all GAAP net income of the Company, with a maximum bonus pool of \$500,000. The bonus is only paid to executives in good standing and on the Company payroll at the time of the bonus payment. In the event a majority interest in the Company is sold and Mr. Meyer's employment is terminated due to the sale within the first 18 months of his employment, Mr. Meyer will be entitled to twelve months of severance (\$275,000).

Mr. Meyer received options to purchase 70,000 shares of common stock under the Company's stock option plan at the closing price on the Start Date. The options vest over a four-year term with 25% having vested on Mr. Meyer's start date of October 26, 2016. An additional 50,000 options will be issued on July 1, 2017, provided Mr. Meyer remains a full-time employee of the Company.

Advisory Vote on Executive Compensation

As an "emerging growth company," we are not required to hold a non-binding advisory vote ("say-on-pay vote") on the compensation of our named executive officers.

Limitations of Liability and Indemnification Matters

Our certificate of incorporation and our bylaws also provide that we shall indemnify our directors and executive officers and shall indemnify our other officers and employees and other agents to the fullest extent permitted by law. We believe that indemnification under our bylaws covers at least negligence and gross negligence on the part of indemnified parties. Our bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in this capacity, regardless of whether our bylaws would permit indemnification.

We believe that these provisions are necessary to attract and retain qualified persons as directors and executive officers. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors,

officers or persons controlling our company pursuant to the foregoing provisions, the opinion of the SEC is that such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

In addition, we maintain standard policies of insurance under which coverage is provided to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, and to us with respect to payments which may be made by us to such directors and officers pursuant to the above indemnification provisions or otherwise as a matter of law. We also make available standard life insurance and accidental death and disability insurance policies to our employees.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information regarding beneficial ownership of the Class A and Class B common stock as of March 20, 2017 (i) by each person who is known by us to beneficially own more than 5% of the outstanding shares of our Class A common stock, (ii) by each of our directors, (iii) by each of our Executive Officers, and (iv) by all directors and executive officers as a group.

Applicable percentage ownership for each stockholder is based on 4,351,029 shares of Class A common stock and seven (7) shares of Class B Common Stock, outstanding as of March 20, 2017, together with applicable vested restricted stock units for such stockholders. Beneficial ownership is determined in accordance with the SEC rules and generally includes voting or investment power with respect to securities, subject to community property laws where applicable. Shares of common stock subject to restricted stock awards are deemed outstanding for the purpose of computing the percentage ownership of the person holding such options, but are not treated as outstanding for computing the percentage ownership of any other person.

The Audit Committee has reviewed and discussed the audited consolidated financial statements with management of the Company and with the Company's independent registered public accounting firm, BPM LLP.

The Audit Committee has discussed with BPM LLP those matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1., AU section 380), as adopted by the Public Company Accounting Oversight Board (the "PCAOB") in Rule 3200T.

The Audit Committee has received the written disclosures and the letter from BPM LLP, required by the applicable requirements of the PCAOB regarding the communications of BPM LLP with the Audit Committee concerning the accountant's independence, and has discussed with BPM LLP its independence from the Company and its management.

Based on the review and discussions referred to above, the Audit Committee recommended to our Board that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the year ended June 30, 2016.

PROPOSAL NO. 2 - RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Background

The Audit Committee of our Board has selected BPM LLP, as our independent registered public accountants for the year ending June 30, 2017, and has further directed that management submit the selection of independent registered public accountants for ratification by the stockholders at the annual meeting. A representative of BPM LLP is expected to be present at the annual meeting and will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

If the stockholders fail to ratify the selection of BPM LLP as our independent registered public accountants for the year ending June 30, 2017, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of us and our stockholders.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE RATIFICATION OF BPM LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JUNE 30, 2017.

POLICIES AND PROCEDURES REGARDING RELATED PARTY TRANSACTIONS AND DIRECTOR INDEPENDENCE

Our Board reviews related party transactions for potential conflict of interest issues. Our Board has adopted a written related party transaction policy to set forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness or employment by us or a related person.

Grape and Bulk Wine Agreements

We enter into grape and bulk wine purchase agreements from time to time with entities in which our executives and/or founders have financial interests. We have entered into such arrangements with:

- Ghianda Rose Vineyard, which is owned by Diana Fetzer, wife of Paul E. Dolan, III, a member of our Board.

- Gobbi Street Vineyards, which is partly owned by Diana Fetzer and Paul E. Dolan, III's daughter, Nya Kusakabe.
 - Dark Horse Farming Company, which is owned by Paul E. Dolan, III (75%), and Heath E. Dolan (25%).

 - Premium Wine Storage, which is owned by Paul E. Dolan, III (33%) and Heath E. Dolan (33%).

We believe these arrangements reflect substantially the same market terms we would receive in transactions with unaffiliated third parties. However, if we fail to receive market terms for these transactions or other similar transactions in the future, our profits could be reduced.

During the fiscal year 2016, payments of \$46K, \$216K and \$205K to Dark Horse Farming Company, Gobbi Street Vineyards, and Ghianda Rose Vineyard, respectively were made.

Security Agreements and Limited Guaranties

The bank borrowings are collateralized by substantially all of the Company's assets. Additionally, certain LLC members who are also executive officers and/or directors of the Company, as well as certain trusts and other entities under their control (together, the "Guarantors"), have entered into limited guarantee agreements which guarantee the payment to the bank of all sums presently due and owing and all sums which shall in the future become due and owing. The liability of the individual Guarantors ranges from 23% to 61% of the sum of all obligations due plus the costs, expenses and interest associated with the collection of amounts recoverable under the guaranties.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers, and persons who beneficially own more than ten percent (10%) of our common stock, who are hereinafter collectively referred to as the Reporting Persons, to file with the SEC reports of beneficial ownership and reports of changes in beneficial ownership of our common stock on Forms 3, 4 and 5. Reporting Persons are required by applicable SEC rules to furnish us with copies of all such forms filed with the SEC pursuant to Section 16(a) of the Exchange Act. To our knowledge, based solely on our review of the copies of the Forms 3, 4 and 5 received by us during the fiscal year ended June 30, 2016 and written representations that no other reports were required, we believe that all reports required to be filed by such persons with respect to the Company's fiscal year ended June 30, 2016, were timely filed.

Director Independence

Our common stock is listed on The NASDAQ Capital Market. As required under the listing standards of NASDAQ, a majority of the members of the Board must qualify as “independent” as affirmatively determined by the Board. Our Board has affirmatively determined that the following five directors are independent within the meaning of the applicable NASDAQ listing standards: Messrs. Benedetti, Carroll, Graham, Fruth and Weber.

Proxy Solicitation Costs

The enclosed proxy is being solicited by the Board of the Company. We will bear the entire cost of solicitation of proxies on behalf of the Company, including preparation, assembly, printing and mailing of this Proxy Statement (if requested), the enclosed proxy card, the enclosed annual report for fiscal year ended 2016 (if requested), coordination of the Internet and telephone voting process, and any additional information furnished to you by the Company. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by internet and mail may be supplemented by telephone, facsimile, or personal solicitation by our directors, officers or other regular employees.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for notices of annual meetings, proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies. This year, a single notice of the annual meeting of stockholders, or copy of the proxy statement and annual report, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, and direct your written request to Truett-Hurst, Inc., P.O. Box 1532, Healdsburg, California 95448, Attention: Investor Relations, or contact Investor Relations by telephone at 707.431.4436. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their bank or broker.

Annual Report on Form 10-K

We will provide to any stockholder without charge a copy of our 2016 annual report on Form 10-K upon written request to our Corporate Secretary at Truett-Hurst, Inc., P.O. Box 1532, Healdsburg, California, 95448. Our annual report booklet and this proxy statement are also available online at www.truettthurstinc.com.
