\* It is expected that delivery of the Junior Subordinated Debentures will be made against payment therefor on or about April 4, 2019, which will be the third business day following the date of pricing of the Junior Subordinated Debentures. Under Rule 15c6-1 of the Securities Exchange Act of 1934, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, by virtue of the fact that the Junior Subordinated Debentures initially will settle in T+3, purchasers who wish to trade the Junior Subordinated Debentures on the date of pricing of the Junior Subordinated Debentures should specify an extended settlement cycle at the time they enter into any such trade to prevent failed settlement and should consult their own advisors.

\*\* A security rating is not a recommendation to buy, sell or hold securities and should be evaluated independently of any other rating. The rating is subject to revision or withdrawal at any time by the assigning rating organization.

The terms “Rating Agency Event,” “Tax Event” and “Three-Month LIBOR Rate” have the meanings ascribed to those terms in the Issuer’s Preliminary Prospectus Supplement, dated April 1, 2019.
