QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS
AND THE 2008 ANNUAL MEETING OF
FLIGHT SAFETY TECHNOLOGIES, INC.

Q. Why am I receiving these materials?

A. Flight Safety Technologies' Board of Directors (the "Board") is providing these proxy materials for you in connection with Flight Safety Technologies' annual meeting of stockholders, which will take place on November 13, 2008. Stockholders are invited to attend the annual meeting and are requested to vote on the proposals described in this proxy statement.

Q. What information is contained in these materials?

A. The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of directors and our most highly paid officers, and certain other required information. Flight Safety Technologies' 2008 Annual Report for its fiscal year ended May 31, 2008 and audited financials statements, proxy card and return envelope are also enclosed.

Q. What proposals will be voted on at the annual meeting?

A. There are two proposals scheduled to be voted on at the annual meeting:
the election of directors for a 1-year term;
the ratification of the Audit and Finance Committee's appointment of Wolf & Company, P.C. as Flight Safety Technologies' independent auditors.

Q. What is Flight Safety Technologies' voting recommendation?

A. The Board recommends that you vote your shares "FOR" each of the nominees to the Board and "FOR" all other proposals.

Q. What shares owned by me can be voted?

A.

All shares owned by you as of the close of business on September 25, 2008 (the "Record Date") may be voted by you. You may cast one vote per share of common stock that you held on the Record Date. These shares include shares that are: (1) held directly in your name as the stockholder of record, and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

Q. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A. Most of our stockholders are classified as beneficial owners because they hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

ii

Stockholder of Record

. If your shares are registered directly in your name with our transfer agent, Pacific Stock Transfer Company, these proxy materials are being sent directly to you and you have the right to grant your voting proxy directly to Flight Safety Technologies, Inc. or to vote in person at the annual meeting. We have enclosed a proxy card for you to use. You may also vote by Internet or by telephone as described on the proxy card.

Beneficial Owner

. If you are considered the beneficial owner of shares, these proxy materials are being forwarded to you by your broker or nominee and you have the right to direct your broker on how to vote. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee regarding how to vote your shares. You may also vote by Internet or by telephone as described on the proxy card.

Q. How can I vote my shares in person at the annual meeting?

A.

Shares held directly in your name as the stockholder of record may be voted in person at the annual meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. **Even if you plan to attend the annual meeting, We recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the annual meeting.**

If you are a beneficial owner, you only may vote in person if you obtain a signed proxy from the record holder giving you the right to vote the shares and submit it to us at the annual meeting.

Q. Can I change my vote?

A.

You may change your vote at any time prior to the vote at the annual meeting. You may accomplish this by entering a new vote by Internet or telephone or by granting a new proxy card or new voting instruction card bearing a later date (which automatically revokes the earlier proxy instructions) or, if you are a record stockholder, by attending the annual meeting and voting in person. Attendance at the annual meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

How are votes counted?

Q.

A. In the election of directors, you may vote "FOR" all or any of the nominees, your vote may be "WITHHELD" with respect to one or more of the nominees or you may ABSTAIN. For the remaining proposals, you may vote "FOR", "AGAINST" or "ABSTAIN". Abstaining votes will be counted as present for purposes of determining the presence of a quorum but will have no effect on the vote. If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board.

Q. What is the voting requirement to approve each of the proposals?

A.

In the election for directors, the four persons receiving the highest number of "FOR" votes will be elected. The other proposals require the affirmative "FOR" vote of a majority of those shares present and entitled to vote. If you are a beneficial owner and do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes, as described below in "What is the quorum requirement for the annual meeting?". In tabulating the voting result for any particular

proposal, shares which constitute broker non-votes are not considered entitled to vote.

Q. What does it mean if I receive more than one proxy or voting instruction card?

A. It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q. How can I obtain an admission ticket for the annual meeting?

A. We are not requiring admission tickets this year.

Q. Where can I find the voting results of the annual meeting?

A. We will announce preliminary voting results at the annual meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal year 2009.

Q. What happens if additional proposals are presented at the annual meeting?

A. Other than the two proposals described in this proxy statement, we do not expect any matters to be presented for a vote at the annual meeting. If you grant a proxy, the person named as proxy holder, Joseph J. Luca, a Director and Chairman of the Audit and Finance Committee, will have the discretion to vote your shares on any additional matters properly presented for a vote at the annual meeting.

Q. What shares are entitled to be voted?

A. Each share of our common stock outstanding as of the close of business on September 25, 2008, the Record Date, is entitled to one vote at the annual meeting. On the Record Date, we had 8,395,210 shares of common stock issued and outstanding.

Q. What is the quorum requirement for the annual meeting?

A. The quorum requirement for holding the annual meeting and transacting business is a majority of the outstanding shares entitled to be voted. The shares may be present in person or represented by proxy at the annual meeting. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matter on which the broker has not voted. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the annual meeting. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker has not received voting instructions from the beneficial owner and (2) the broker lacks discretionary voting power to vote such shares.

Q. Who will count the vote?

A. A representative of Broadridge Financial Solutions ("Broadridge") will tabulate the votes.

Q. Is my vote confidential?

A. Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Flight Safety Technologies, Inc. or to third parties except (1) as necessary to meet *applicable* legal requirements, (2) to allow for the tabulation of votes and certification of the vote, or (3) to facilitate a successful proxy solicitation by the Board. Occasionally, stockholders provide written comments on their proxy card, which are then forwarded to our management.

Q. Who will bear the cost of soliciting votes for the annual meeting?

A. We will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers, and employees, who will not receive any additional compensation for such solicitation activities. We have retained the services of Broadridge to aid in the solicitation of proxies. We estimate that we will pay a fee of approximately \$22,000 for its services. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners.

Q. How may I propose actions for next year's annual meeting of stockholders?

A.

You may submit proposals for consideration at future annual stockholder meetings. To be timely for next year's annual meeting, the recommendation must be delivered to the Corporate Secretary no sooner than 120 days and no later than 90 days prior to the first anniversary of this Annual Meeting. Such proposals will need to comply with the SEC's regulations regarding the inclusion of stockholder proposals in Flight Safety Technologies, Inc.-sponsored proxy materials. The Nominating and Governance Committee will consider properly submitted stockholder proposals, including recommendations of candidates to our Board. Any such stockholder recommendation must include the candidate's name and qualifications for Board membership, the candidate's age, business address, residence address, principal occupation or employment, the number of shares beneficially owned by the candidate and information that would be required to solicit a proxy under federal securities law. In addition, the recommendation must include the stockholder's name, address and the number of shares beneficially owned and the period they have been held. Such stockholder recommendations must be submitted in the same time and manner as any stockholder proposal as described above.

PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Flight Safety Technologies, Inc. (hereinafter referred to as "we", "us", "our" or "Company"), a Nevada corporation, to the holders of our issued and outstanding common stock for use at our annual meeting of stockholders to be held on November 13, 2008. These proxy solicitation materials and our Annual Report to Stockholders for our fiscal year ended May 31, 2008, including financial statements (on Form 10-KSB) are being mailed to our stockholders on or about September 30, 2008. Our principal office is located at 28 Cottrell Street, Mystic, Connecticut, 06355.

SOLICITATION AND VOTING

Stockholders Entitled to Vote

. Holders of our common stock as of the close of business on September 25, 2008 will be entitled to vote at the meeting and any adjournment thereof. As of that time, we had 8,395,210 shares of common stock outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the annual meeting. Each stockholder of record as of that date is entitled to one vote for each share of common stock held by him or her. Our bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against, abstentions and "broker non-votes" will each be counted as present for purposes of determining the presence of a quorum.

Broker Non-Votes

. A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (typically referred to as being held in "street name") but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes and ratification of auditors.

Solicitation of Proxies

. We will bear the cost of soliciting proxies. In addition to soliciting stockholders by mail, we will request banks, brokers and other custodians, nominees and fiduciaries to solicit customers for whom they hold our stock and will reimburse them for their reasonable, out-of-pocket costs. We may use the services of our officers, directors and others to solicit proxies, personally or by telephone, without additional compensation.

Voting of Proxies

. All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a proxy specifies a stockholder's choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted in favor of all of the following Proposals.

Vote by Internet

. All stockholders may use the Internet to transmit their voting instructions and for electronic delivery of information up until 11:59 p.m. Eastern time the day before the meeting date. The website for Internet voting is www.proxyvote.com.

Vote by Phone

. All stockholders may also use any touch-tone telephone to transmit their voting instructions up until 11:59 p.m. Eastern time the day before the meeting date. The toll-free number is located on your proxy card.

Vote by Mail

. All stockholders may vote by mail. Simply mark, sign, and date your proxy card and return it in the postage-prepaid envelope we have provided or return it to Flight Safety Technologies, Inc., c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

Revocability of Proxies

. A stockholder giving a proxy has the power to revoke his or her proxy at any time before it is exercised by delivering to the Secretary of Flight Safety Technologies, Inc., a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person. If you are a beneficial owner, you only may vote in person if you obtain a signed proxy from the record holder giving you the right to vote the shares and submit it to us at the annual meeting.

List of Stockholders

. The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior for any purpose germane to the meeting between the hours of 8:45 a.m. and 4:30 p.m., at our principal office at 28 Cottrell Street, Mystic, CT 06355.

. Independent Board members meet without management and non-independent directors present as often as necessary to fulfill their responsibilities, including at least annually in executive sessions. The Chairman of the Nominating and Governance Committee presides over meetings of the independent directors.

Nomination of Director Candidates

. We believe that it is in the best interests of our stockholders to identify and select highly-qualified candidates to serve as directors. The Nominating and Governance Committee seeks candidates for election and appointment who possess high standards of personal and professional ethics and integrity, practical wisdom and mature judgment and who are committed to staunchly representing the interests of the stockholders. The Nominating and Governance Committee also believes that the Board should be comprised of a diverse group of individuals with significant leadership accomplishments in business; who have been associated with institutions noted for excellence; and who have broad experience and the ability to exercise sound business judgment.

There are no specific minimum qualifications that an individual must meet in order to be nominated; each is considered on a case-by-case basis. Candidates may come to the attention of the Committee from current Board members, stockholders, professional search firms, officers or other persons. The Committee will review all candidates in the same manner regardless of the source of the recommendation.

The Nominating and Governance Committee will consider properly submitted stockholder recommendations of candidates. Any stockholder recommendation must include the candidate's name and qualifications for Board membership, the candidate's age, business address, residence address, principal occupation or employment, the number of shares beneficially owned by the candidate and information that would be required to solicit a proxy under federal securities law. In addition, the recommendation must include the stockholder's name, address and the number of shares beneficially owned and the period they have been held. The recommendation should be sent to Corporate Secretary, Flight Safety Technologies, Inc., 28 Cottrell Street, Mystic, Connecticut 06355.
