Item 2.01 Completion of Acquisition or Disposition of Assets

As reported on Form 8-K dated March 4, 2005, Cytec Industries Inc. (the "Company") completed its acquisition of the surface specialties business ("Surface Specialties") of UCB SA on February 28, 2005. On May 16, 2005, the Company filed a Form 8-K/A (the "Prior 8-K/A") in order to present, among other

things, certain pro forma financial information including the Company's unaudited pro forma condensed combined historical statement of income for the year ended December 31, 2004 (the "Prior Unaudited Pro Forma Condensed Combined Financial Information"). The Company has revised its previous assumptions regarding depreciation expense and amortization expense which were based on preliminary valuations of assets and asset lives for those assets which were acquired on February 28, 2005. The Company has also revised certain aspects of the purchase price allocation and has revised its assumption regarding interest expense resulting from its revised estimate of its pro forma debt position at January 1, 2004. The revision of the pro forma debt position results from the Company having reached a definitive agreement to divest, pursuant to regulatory approvals, certain product lines which were acquired on February 28, 2005.

Accordingly, the Company hereby amends Item 2.01 of the Prior 8-K/A in order to update and supercede the Prior Unaudited Pro Forma Condensed Combined Financial Information with the revised pro forma condensed combined statement of income for the year ended December 31, 2004, as filed on Exhibit 99.1, which reflects the aforementioned revised assumptions.

Item 7.01 Regulation FD Disclosure

The Prior 8-K/A furnished the unaudited pro forma condensed combined historical statements of income of the Company for each of the quarters ended March 31, 2004, June 30, 2004, September 30, 2004, December 31, 2004 and March 31, 2005 (collectively referred to herein as the "Prior Pro Forma Financials"). As set forth in Item 2.01 above, the Company has revised its previous assumptions which were utilized in assembling the Prior Pro Forma Financials.

Accordingly, the Company hereby amends and restates Item 7.01 of the Prior 8-K/A in its entirety in order to replace the Prior Pro Forma Financials with the following pro forma condensed combined historical statements of income of the Company for each of the quarters ended March 31, 2004, June 30, 2004, September 30, 2004, December 31, 2004 and for the six-month period ended June 30, 2005. This information included in Exhibit 99.3, other than the pro forma condensed combined historical statements of income of the Company for the six-month period ended June 30, 2005, is considered to be "furnished" and not "filed" under the Securities Exchange Act of 1934.
