**Item 2.05 Costs Associated with Exit or Disposal Activities.**

On January 30, 2009, Rogers Corporation (the “Company”) committed to a cost reduction initiative that includes a workforce reduction that combines both voluntary and involuntary terminations and will affect about 10% of its salaried staffing worldwide. In addition to the workforce reduction, the Company is freezing salaries, and significantly reducing other operating and overhead expenses. Together these planned actions will reduce Rogers’ total expenses on an annualized basis by approximately \$27 million.

The total cash severance charge of this cost reduction initiative is expected to be approximately \$2.5 million.
