2014 ANNUAL MEETING OF STOCKHOLDERS

PROXY STATEMENT

Chimera Investment Corporation (“Chimera”, “we”, “our” or “us”) is furnishing this proxy statement in connection with our solicitation of proxies to be voted at our 2014 annual meeting of stockholders. We will hold the annual meeting at the Warwick Hotel, 65 West 54th Street, New York, New York 10019, on October 23, 2014 at 3:00 p.m. New York time, and any postponements or adjournments thereof. We are sending this proxy statement and the enclosed proxy to our stockholders commencing on or about September 10, 2014.

QUESTIONS AND ANSWERS ABOUT THE MEETING

Q: What am I voting on?

A: (1) Election of directors as follows

Election of three Class I directors, Paul Donlin, Mark Abrams and Gerard Creagh, to serve until our annual meeting of stockholders in 2017 and until his or her successor is duly elected and qualified;

Election of two Class II directors, Dennis M. Mahoney and Paul A. Keenan, to serve until our annual meeting of stockholders in 2015 and until his or her successor is duly elected and qualified;

Election of two Class III directors, John P. Reilly and Matthew Lambiase, to serve until our annual meeting of stockholders in 2016 and until his or her successor is duly elected and qualified;

(2) Approval of a non-binding advisory resolution on our executive compensation; and

(3) Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2014.

Q: How does the board of directors recommend that I vote on these proposals?

A: Our board of directors recommends that you vote:

(1) “FOR” the election of each of the nominees as directors;

(2) “FOR” approval of the non-binding advisory resolution on executive compensation; and

(3) “FOR” the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2014.

Q: Who is entitled to vote at the meeting?

A: Only common stockholders of record as of the close of business on August 28, 2014, the record date, are entitled to vote at the meeting.

Q: What quorum is required for the meeting?

A: A quorum will be present at the annual meeting if a majority of the votes entitled to be cast are present, in person or by proxy. Since there were 1,027,559,175 outstanding shares of common stock, each entitled to one vote per share, as of the record date, we will need at least 513,779,588 votes present in person or by proxy at the annual meeting for a quorum to exist. If a quorum is not present at the annual meeting, we expect that the annual meeting will be adjourned to solicit additional proxies.

Q: What are the voting requirements that apply to the proposals discussed in this proxy statement?

A: The voting requirements are as follows:

Proposal	Vote Required	Discretionary Voting Allowed?
(1) Election of directors	Majority on a per director basis	No
(2) Advisory vote on our executive compensation	Majority of votes cast	No
(3) Ratification of the appointment of Ernst & Young LLP	Majority of votes cast	Yes

“Majority of votes cast” means a majority of the votes cast at the annual meeting on the proposal.

“Majority on a per director basis” means the affirmative vote of a majority of all the votes cast on the election of a director on a per director basis at a meeting of stockholders duly called and which a quorum is present shall be sufficient to elect such director.

Q: What is the effect of abstentions and broker “non-votes”?

A: An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Discretionary voting occurs when a bank, broker, or other holder of record does not receive voting instructions from the beneficial owner and votes those shares in its discretion on any proposal as to which the rules of the New York Stock Exchange permit such bank, broker, or other holder of record to vote. When banks, brokers, and other holders of record are not permitted under the New York Stock Exchange rules to vote the beneficial owner’s shares on a proposal, and there is at least one other proposal on which discretionary voting is allowed, the affected shares are referred to as broker “non-votes.” Broker “non-votes” will be treated as present and entitled to vote for purposes of determining the presence of a quorum at the annual meeting.

Abstentions and broker non-votes, if any, will have no effect on the election of the directors (Proposal No. 1), the advisory vote on our executive compensation (Proposal No. 2) or the ratification of the appointment of Ernst & Young LLP (Proposal No. 3).

Q: How will my shares be voted if I do not specify how they should be voted?

A: Properly executed proxies that do not contain voting instructions will be voted as follows:

(1) Proposal No. 1: FOR the election of directors;

(2) Proposal No. 2: FOR the advisory vote on our executive compensation; and

(3) Proposal No. 3: FOR the ratification of Ernst & Young LLP as our independent registered public accounting firm.

The individuals named as proxies by a stockholder may vote for one or more adjournments of the annual meeting, including adjournments to permit further solicitations of proxies.

We do not expect that any matter other than the proposals described above will be brought before the annual meeting. If, however, other matters are properly presented at the annual meeting, the individuals named as proxies will vote in their discretion.

Q: What do I do if I want to change my vote?

A: You may revoke a proxy at any time before it is voted by filing with us a duly executed revocation of proxy, by submitting a duly executed proxy to us with a later date or by appearing at the annual meeting and voting in person. You may revoke a proxy by any of these methods, regardless of the method used to deliver your previous proxy. Attendance at the annual meeting without voting will not itself revoke a proxy.

Q: How will voting on any other business be conducted?

A: Other than the three proposals described in this proxy statement, we know of no other business to be considered at the annual meeting. If any other matters are properly presented at the meeting, your signed proxy card authorizes Matthew Lambiase, our Chief Executive Officer and President, and Rob Colligan, our Chief Financial Officer and Secretary, to vote on those matters in their discretion.

Q: Who will count the vote?

A: Representatives of Broadridge Financial Solutions, Inc., the independent Inspector of Elections, will count the votes.

Q: Who can attend the annual meeting?

A: All stockholders of record as of the close of business on August 28, 2014 can attend the annual meeting, although seating is limited. If your shares are held through a broker and you would like to attend, please either (1) write us at Investor Relations, Chimera Investment Corporation, 1211 Avenue of the Americas, Suite 2902, New York, New York 10036 or email us at investor@chimerareit.com, or (2) bring to the meeting a copy of your brokerage account statement or an omnibus proxy (which you can get from your broker).

In addition, you must bring valid, government issued photo identification, such as a driver's license or a passport. If you plan to attend, please check the box on your proxy card and return it as directed on the proxy card. In addition, if you are a record holder of common stock, your name is subject to verification against the list of our record holders on the record date prior to being admitted to the annual meeting. If you are not a record holder but hold shares in street name, that is, with a broker, dealer, bank or other financial institution that serves as your nominee, you should be

prepared to provide proof of beneficial ownership on the record date, or similar evidence of ownership. If you do not provide valid government issued photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the annual meeting.

Security measures will be in place at the meeting to help ensure the safety of attendees. Metal detectors similar to those used in airports may be located at the entrance to the auditorium and briefcases, handbags and packages may be inspected. No cameras or recording devices of any kind, or signs, placards, banners or similar materials, may be brought into the meeting. Anyone who refuses to comply with these requirements will not be admitted.

Q: How will we solicit proxies for the annual meeting?

A: We are soliciting proxies by mailing this proxy statement and proxy card to our stockholders. We will pay the expenses incurred in connection with the printing and mailing of this proxy statement. In addition to solicitation by mail, our directors and officers and employees of our subsidiaries and Fixed Income Discount Advisory Company (our “Manager”), who will not be specially compensated, may solicit proxies from our stockholders by telephone, facsimile or other electronic means or in person. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of shares held of record by these persons, and we will reimburse them for their reasonable out-of-pocket expenses. We will bear the total cost of soliciting proxies.

We have retained Innisfree M&A Incorporated, a proxy solicitation firm, to assist us in the solicitation of proxies in connection with the annual meeting. We will pay Innisfree a fee of \$12,500 for its services. In addition, we may pay Innisfree additional fees depending on the extent of additional services requested by us and will reimburse Innisfree for expenses Innisfree incurs in connection with its engagement by us. In addition to the fees paid to Innisfree, we will pay all other costs of soliciting proxies.

Stockholders have the option to vote over the internet or by telephone. Please be aware that if you vote over the internet, you may incur costs such as telephone and access charges for which you will be responsible.

Q: What is “Householding” and does Chimera do this?

A: Householding is a procedure approved by the Securities and Exchange Commission (the “SEC”) under which stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials receive only one copy of a company’s proxy statement and annual report from a company, bank, broker or other intermediary, unless one or more of these stockholders notifies the company, bank, broker or other intermediary that they wish to continue to receive individual copies. We engage in this practice, which is known as “householding,” as it reduces our printing and postage costs. However, if a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement, he or she may request it orally or in writing by contacting us at Chimera Investment Corporation, 1211 Avenue of the Americas, Suite 2902, New York, New York 10036, Attention: Investor Relations, by emailing us at investor@chimerareit.com, or by calling us at (646) 454-3759, and we will promptly deliver to the stockholder the requested annual report or proxy statement. If a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement in the future, he or she may contact us in the same manner. If you are an eligible stockholder of record receiving multiple copies of our annual report and proxy statement, you can request householding by contacting us in the same manner. If you own your shares through a bank, broker or other nominee, you can request householding by contacting the nominee.

Q: Could the Annual Meeting be postponed or adjourned?

A: Our bylaws permit the chairman of the meeting to postpone or adjourn the meeting, without notice other than an announcement.

Q: Who can help answer my questions?

A: If you have any questions or need assistance voting your shares or if you need additional copies of this proxy statement or the enclosed proxy card, you should contact:

PROPOSAL 1
ELECTION OF DIRECTORS

At the annual meeting, the stockholders will vote to elect three class I directors, two class II directors and two class III directors.

We have three classes of directors. The term of the current class I directors (comprised of Messrs. Donlin, Abrams and Creagh) will expire at our annual meeting of stockholders; the term of the class II directors (comprised of Messrs. Mahoney and Keenan) was to expire at our 2012 annual meeting of stockholders; and the term of the class III directors (comprised of Messrs. Lambiase and Reilly) was to expire at our 2013 annual meeting of stockholders. Because we did not hold a 2012 or 2013 annual meeting of stockholders, class II and class III directors were not elected in 2012 and 2013, respectively, and accordingly, class II and class III directors will be elected at this annual meeting of stockholders.

Our board of directors currently consists of seven directors. Mathew Lambiase was previously classified as a class II director; however, our Board has reclassified Mr. Lambiase as a class III director.

Our class I directors to be elected at the annual meeting will serve until our annual meeting of stockholders in 2017, and until their successors are duly elected and qualify. Our class II directors to be elected at the annual meeting will serve until our annual meeting of stockholders in 2015, and until their successors are duly elected and qualify. Our class III directors to be elected at the annual meeting will serve until our annual meeting of stockholders in 2016, and until their successors are duly elected and qualify.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PAUL DONLIN, MARK ABRAMS AND GERARD CREAGH AS DIRECTORS TO HOLD OFFICE UNTIL OUR ANNUAL MEETING OF STOCKHOLDERS IN 2017 AND UNTIL THEIR RESPECTIVE SUCCESSORS ARE DULY ELECTED AND QUALIFY. OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR DENNIS M. MAHONEY AND PAUL A. KEENAN AS DIRECTORS TO HOLD OFFICE UNTIL OUR ANNUAL MEETING OF STOCKHOLDERS IN 2015 AND UNTIL THEIR RESPECTIVE SUCCESSORS ARE DULY ELECTED AND QUALIFY. REILLY AS DIRECTORS TO HOLD OFFICE UNTIL OUR ANNUAL MEETING OF STOCKHOLDERS IN 2016 AND UNTIL THEIR RESPECTIVE SUCCESSORS ARE DULY ELECTED AND QUALIFY. CORPORATE GOVERNANCE, DIRECTOR INDEPENDENCE,
BOARD MEETINGS AND COMMITTEES

Corporate Governance

We believe that we have implemented applicable corporate governance policies and observe good corporate governance procedures and practices. We have adopted a number of written policies, including corporate governance guidelines, code of business conduct and ethics, and charters for our audit committee, compensation committee and nominating and corporate governance committee.

Board Oversight of Risk

The board of directors is responsible for overseeing our risk management practices and committees of the board of directors assist it in fulfilling this responsibility.

As required by its charter, the audit committee routinely discusses with management our significant risk exposures and the actions management has taken to limit, monitor or control such exposures, including guidelines and policies with respect to our assessment of risk and risk management. At least annually, the audit committee reviews with management our risk management program which identifies and quantifies a broad spectrum of enterprise-wide risks, and related action plans. In 2013, our full board of directors participated in this review and discussion and expects to continue this practice as part of its role in the oversight of our risk management practices. In addition, our Manager's employees report to the audit committee on various matters related to our risk exposures on a regular basis or more frequently if appropriate. At their discretion, members of the board of directors may also directly contact management to review and discuss any risk-related or other concerns that may arise between regular meetings.

Our board of directors reviewed with the compensation committee its compensation policies and practices applicable to our Manager that could affect our assessment of risk and risk management. Following such review, our board of directors determined that our compensation policies and practices, pursuant to which we pay no cash compensation to our Manager's employees since they are compensated by our Manager, do not create risks that are reasonably likely to have a material adverse effect on us. Our board of directors also considered that while we may grant our Manager's employees equity awards, such grants align their interests with our interests and do not create risks that are reasonably likely to have a material adverse effect on us. As part of its risk assessment and management activities going forward, our compensation committee also determined that our compensation committee would undertake an annual review of our compensation policies and practices as they relate to risk, the results of which will be shared with our full board of directors.

Board Leadership Structure

We have separated the roles of principal executive officer and chairman of the board. Our principal executive officer is Matthew Lambiase, who is our Chief Executive Officer, President and a Director. Our chairman of the board of directors is Paul Donlin, who is an independent director. The board of directors believes this allocation of responsibilities between these two positions provides for dynamic board leadership while maintaining strong independence and is therefore an effective and appropriate leadership structure.

Independence of Our Directors

New York Stock Exchange rules require that at least a majority of our directors be independent of our company and management. The rules also require that our board of directors affirmatively determine that there are no material relationships between a director and us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us) before such director can be deemed independent. We have adopted independence standards consistent with New York Stock Exchange rules. Our board of directors has reviewed both direct and indirect transactions and relationships that each of our directors had or maintained with us and our management. Our board of directors, based upon the fact that none of our independent directors have any material relationships with us other than as directors and holders of our common stock, affirmatively determined that six of our directors are independent directors under New York Stock Exchange rules. Our independent directors are Mark Abrams, Gerard Creagh, Paul Donlin, Paul A. Keenan, Dennis M. Mahoney and John P. Reilly. Matthew Lambiase is not considered independent because he is an employee of our Manager.

Board Committees and Charters

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, which sets forth the basic principles and guidelines for resolving various legal and ethical questions that may arise in the workplace and in the conduct of our business. This code is applicable to all our named executive officers and directors, as well as to our Manager's officers, directors and employees when such individuals are acting for or on our behalf.

We have adopted a Code of Business Conduct and Ethics within the meaning of Item 406(b) of Regulation S-K. This Code of Business Conduct and Ethics applies to our principal executive officer, principal financial officer and principal accounting officer. This Code of Business Conduct and Ethics is publicly available on our website at www.chimerareit.com. If we make substantive amendments to this Code of Business Conduct and Ethics or grant any waiver, including any implicit waiver, we intend to disclose these events on our website.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines which, in conjunction with the charters and key practices of our board committees, provide the framework for the governance of our company.

Other Charters

Our compensation committee, audit committee and nominating and corporate governance committee have also adopted written charters which govern their conduct.

Where You Can Find These Documents

Our Code of Business Conduct and Ethics, Corporate Governance Guidelines, Compensation Committee Charter, Audit Committee Charter and Nominating and Corporate Governance Committee Charter are available on our website (www.chimerareit.com). We will provide copies of these documents free of charge to any stockholder who sends a written request to Investor Relations, Chimera Investment Corporation, 1211 Avenue of the Americas, Suite 2902, New York, New York 10036.

Hedging Policy

We have a policy prohibiting all directors, officers and all employees of our subsidiaries as well as our Manager from engaging in any hedging transactions with respect to our equity securities held by them, which includes the purchase of any financial instrument (including forward contracts and zero cost collars) designed to hedge or offset any decrease in the market value of such equity securities.

Compensation Committee

Our board of directors has established a compensation committee, which is composed of each of our independent directors, Messrs. Abrams, Creagh, Donlin, Keenan, Mahoney and Reilly. Mr. Keenan chairs the compensation committee, whose principal functions are to:

evaluate the performance of our officers;
evaluate the performance of our Manager;
review the compensation and fees payable to our Manager under our management agreement;
recommend to the board of directors the compensation for our independent directors; and
administer the issuance of any securities under our equity incentive plan to our executives or the employees of our Manager.

Our board of directors has determined that all of the directors serving on the compensation committee are independent members of the compensation committee under the current NYSE independence requirements and SEC rules.

For additional information on the compensation committee, please see “Compensation Committee Report” below.

Audit Committee

Our board of directors has established an audit committee, which is composed of each of our independent directors, Messrs. Abrams, Creagh, Donlin, Keenan, Mahoney and Reilly. Mr. Mahoney chairs the audit committee as our board of directors has determined that Mr. Mahoney is an audit committee financial expert, as that term is defined by the SEC. Each of the members of the audit committee is “financially literate” under the rules of the NYSE. The committee assists the board in overseeing:

our accounting and financial reporting processes;
the integrity and audits of our consolidated financial statements;
our compliance with legal and regulatory requirements;
the qualifications and independence of our independent registered public accounting firm; and
the performance of our independent registered public accounting firm.

The audit committee is also responsible for engaging our independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls.

Our board of directors has determined that all of the directors serving on the audit committee are independent members of the audit committee under the current NYSE independence requirements and SEC rules. The activities of the audit committee are described in greater detail below under the caption “Report of the Audit Committee.”

Nominating and Corporate Governance Committee

Our board of directors has established a nominating and corporate governance committee, which is composed of each of our independent directors, Messrs. Abrams, Creagh, Donlin, Keenan, Mahoney and Reilly. Mr. Donlin chairs the nominating and corporate governance committee, which is responsible for seeking, considering and recommending to the full board of directors qualified candidates for election as directors and recommending a slate of nominees for election as directors at the annual meeting of stockholders. It also periodically prepares and submits to the board for adoption the nominating and corporate governance committee’s selection criteria for director nominees. It reviews and makes recommendations on matters involving general operation of the board and our corporate governance, and annually recommends to the board nominees for each committee of the board. In addition, the nominating and corporate governance committee annually facilitates the assessment of the board of directors’ performance as a whole and of the individual directors and reports thereon to the board.

Our board of directors has determined that all of the directors serving on the nominating and corporate governance committee are independent members of the nominating and corporate governance committee under the current NYSE independence requirements and SEC rules.

Our nominating and corporate governance committee currently considers the following factors in making its recommendations to the board of directors: background, skills, expertise, accessibility and availability to serve effectively on the board of directors. Our nominating and corporate governance committee also conducts inquiries into the background and qualifications of potential candidates. Although the nominating and corporate governance committee does not have a formal diversity policy, it believes that diversity is an important factor in determining the composition of the board of directors. Additionally, the committee believes that it is critical to have a board of directors with diverse backgrounds in various areas as this contributes to our success and is in the best interests of our stockholders. The nominating and corporate governance committee will consider nominees recommended by our stockholders. These recommendations should be submitted in writing to our Secretary.

Our nominating and corporate governance committee uses a variety of methods for identifying and evaluating nominees for director. Our nominating and corporate governance committee regularly assesses the appropriate size of the board of directors, and whether any vacancies on the board of directors are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, our nominating and corporate governance committee considers various potential candidates for director. Candidates may come to the attention of our nominating and corporate governance committee through current members of our board of directors, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of our nominating and corporate governance committee, and may be considered at any point during the year. As described above, our nominating and corporate governance committee considers properly submitted stockholder nominations for candidates for the board of directors. Following verification of the stockholder status of persons proposing candidates, recommendations are aggregated and considered by our nominating and corporate governance committee at a regularly scheduled or special meeting. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to our nominating and corporate governance committee. Our nominating and corporate governance committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder. In evaluating such nominations, our nominating and corporate governance committee seeks to achieve a balance of knowledge, experience and capability on the board of directors.

Board and Committee Meetings

Our board of directors held twenty eight meetings in 2013. During 2013, the compensation committee held two meetings, the audit committee held seventeen meetings, and the nominating and corporate governance committee held three meetings. Each director attended at least 75% of the aggregate number of meetings held by our board of directors during the portion of the last fiscal year for which he was a director. Each director attended at least 75% of the aggregate number of meetings of all committees of the board of directors on which the director served during the portion of the last fiscal year for which he was a committee member.

Meetings of Non-Management Directors

Our corporate governance guidelines require that the board have at least two regularly scheduled meetings each year for our non-management directors. These meetings, which are designed to promote unfettered discussions among our non-management directors, are presided over by Paul Donlin or Mark Abrams. During 2013, our non-management directors had five meetings.

Compensation Discussion and Analysis

Overview of Compensation Program and Philosophy

We have no employees. We are externally managed by our Manager pursuant to a management agreement between our Manager and us. All of our named executive officers are employees of our Manager. We have not paid, and do not intend to pay, any cash compensation to our named executive officers. We do not provide our named executive officers with pension benefits, perquisites or other personal benefits to them. We have no arrangements to make cash payments to our named executive officers upon their termination from service as our officers. While we do not pay our named executive officers any cash compensation, our compensation committee may grant our named executive officers equity awards intended to align their interests with our interests.

Cash and Other Compensation

Our named executive officers and other personnel who conduct our regular business are employees of our Manager. Accordingly, we do not pay or accrue any salaries or bonuses to our officers.

Equity-Based Compensation

Our compensation committee may, from time to time, grant equity awards in the form of restricted stock, stock options or other types of awards to our named executive officers pursuant to our equity incentive plan. These awards are designed to align the interests of our named executive officers with those of our stockholders, by allowing our named executive officers to share in the creation of value for our stockholders through stock appreciation and dividends. These equity awards are generally subject to vesting requirements over a number of years, and are designed to promote the retention of management and to achieve strong performance for our company. These awards further provide flexibility to us in our ability to enable our Manager to attract, motivate and retain talented individuals. We have not granted any equity awards to employees of our Manager since January 2, 2008.

We believe our compensation policies are particularly appropriate since we are an externally managed REIT. REIT regulations require us to pay at least 90% of our earnings to stockholders as dividends. As a result, we believe that our stockholders are principally interested in receiving attractive risk-adjusted dividends and growth in dividends and book value. Accordingly, we want to provide an incentive to our directors and management that rewards success in achieving these goals. Since we do not have the ability to retain earnings, we believe that equity-based awards serve to align the interests of our Manager's employees with the interests of our stockholders in receiving attractive risk-adjusted dividends and growth. Additionally, we believe that equity-based awards are consistent with our stockholders' interest in dividend and book value growth as these individuals will be incentivized to grow book value and the dividend for stockholders over time. We believe that this alignment of interests provides an incentive to our Manager's employees to implement strategies that will enhance our long-term performance and promote growth in dividends and growth in book value.

Our equity incentive plan permits the granting of options to purchase shares of common stock intended to qualify as incentive stock options under the Internal Revenue Code, and stock options that do not qualify as incentive stock options. The exercise price of each stock option may not be less than 100% of the fair market value of our shares of common stock on the date of grant. Our compensation committee will determine the terms of each option, including when each option may be exercised and the period of time, if any, after retirement, death, disability or termination of employment during which options may be exercised. Options become vested and exercisable in installments and the exercisability of options may be accelerated by the compensation committee.

Our equity incentive plan also permits the granting of shares of our common stock in the form of restricted common stock. A restricted common stock award is an award of shares of common stock that may be subject to forfeiture (vesting), restrictions on transferability and such other restrictions, if any, as the compensation committee may impose at the date of grant. The shares may vest and the restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as our compensation committee may determine.

We may also grant unrestricted shares of common stock, which are shares of common stock awarded at no cost to the participant or for a purchase price determined by the compensation committee, under our equity incentive plan. The compensation committee may also grant shares of our common stock, stock appreciation rights, dividend equivalent rights, and other stock and non-stock-based awards under the equity incentive plan. These awards may be subject to such conditions and restrictions as the compensation committee may determine, including, but not limited to, the achievement of certain goals or continued employment with us through a specific period. Each award under the plan may not be exercisable more than 10 years after the date of grant.

Our equity incentive plan provides that the compensation committee has the discretion to provide that all or any outstanding options and stock appreciation rights will become fully exercisable, all or any outstanding stock awards will become vested and transferable and all or any outstanding options and awards will be earned, all or any outstanding awards may be cancelled in exchange for a payment of cash or all or any outstanding awards may be substituted for awards that will substantially preserve the otherwise applicable terms of any affected awards previously granted under the equity incentive plan if there is a change in control of us.

Our compensation committee does not use a specific formula to calculate the number of equity awards and other rights awarded to executives under our equity incentive plan. Our compensation committee does not explicitly set future award levels/opportunities on the basis of what the executives earned from prior awards. While the compensation committee will take past awards into account, it will not solely base future awards in view of those past awards. Generally, in determining the specific amounts to be granted to an individual, the compensation committee will take into account factors such as the individual's position, his or her contribution to our company, market practices as well as the recommendations of our Manager.

We have not and do not intend to either backdate stock options or grant stock options retroactively. Presently, we do not have designated dates on which we grant stock option awards. We do not intend to time stock options grants with our release of material nonpublic information for the purpose of affecting the value of executive compensation.

We have designed our compensation policy in an effort to provide the proper incentives to our Manager's employees to maximize our performance in order to serve the best interests of our stockholders. We seek to achieve this objective through the granting of restricted stock under our equity incentive plan. Consistent with our view that this component of compensation is designed to provide long term incentives, we expect the restricted stock to vest in equal installments over four, five or ten year periods from the date of grant. Consistent with the foregoing, all grants of restricted stock we made in 2008 have a vesting period of ten years.

Consideration of "Say-on-Pay"

The Compensation Committee considered the results of the advisory stockholder "say on pay vote" at our 2011 annual meeting of stockholders in making equity-based compensation decisions for 2011. Because our stockholders approved our equity-based compensation program as described in our 2011 proxy statement, the compensation committee believes that stockholders support our compensation policies. Therefore, the compensation committee continued to apply the same principles with regard to executive compensation in 2013. We will conduct a "say on pay vote" at our next annual meeting of stockholders.

Compensation Policies and Practices as They Relate to Risk Management

We did not pay any compensation of any sort to our named executive officers and did not have any employees during the year ended December 31, 2013 and, therefore, our compensation policies and practices are not reasonably likely to have a material adverse effect on us. We pay our Manager a management fee that is a percentage of our stockholders' equity. This management fee is not tied to our performance and, as a result, we believe this management fee is not reasonably likely to have a material adverse effect on us. We have designed our compensation policies and practices and the incentives established by the policies and practices, as such policies and practices relate to or affect risk taking by our Manager on our behalf, in a manner that we believe will not cause our Manager to seek to make higher risk investments as the compensation payable to our Manager avoids placing undue emphasis on the maximization of net income at the expense of other criteria, such as preservation of capital, to achieve higher management fees. We have designed our compensation policy in an effort to provide the proper incentives to our Manager's employees to maximize our performance in order to serve the best interests of our stockholders. Our board of directors monitors our compensation policies and practices to determine whether its risk management objectives are being met with respect to incentivizing our Manager's employees.

Compensation Committee Report

Our Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the board of directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our compensation committee is comprised solely of the following independent directors: Messrs. Keenan (Chair), Abrams, Creagh, Donlin, Mahoney and Reilly. None of them is serving or has served as an officer or employee of us or any affiliate or has any other business relationship or affiliation with us, except his service as a director.

COMPENSATION OF DIRECTORS

We compensate only those directors who are independent under the NYSE listing standards. Any member of our board of directors who is also an employee of our Manager is not considered independent under the NYSE listing standards and does not receive additional compensation for serving on our board of directors.

During 2013, our Compensation Committee, together with FPL Associates L.P., a nationally-recognized compensation consulting firm (“FPL”), reviewed the components of the compensation arrangements offered to our independent directors. As part of this process, our Compensation Committee considered, among other things, the duties and responsibilities associated with their positions and emerging trends and best practices in director compensation.

Based upon the recommendations of FPL and our Compensation Committees review of FPL’s analysis, our Compensation Committee determined to leave unchanged the compensation arrangements offered to our independent directors, which are: (i) a cash retainer of \$50,000 (which the independent directors may elect to receive shares of our common stock in lieu of cash), (ii) an annual equity grant of \$50,000, (iii) an Audit Committee Chairperson retainer of \$12,500 (iv) a retainer of \$5,000 for each Chairperson of additional committee, and (v) to the extent the combined number of Board/committee meetings exceed 25 in a calendar year, an additional meeting fee of \$750 for each meeting (with the same fee to apply for both in-person and telephonic meetings).

We also reimburse our directors for their travel expenses incurred in connection with their attendance at full board and committee meetings. Our independent directors are eligible to receive restricted common stock, option and other stock-based awards under our equity incentive plan.

The Compensation Committee will, on an ongoing basis, continue to examine and assess our director compensation practices relative to our compensation philosophy and objectives, as well as competitive market practices and total stockholder returns, and will make modifications to the compensation programs, as deemed appropriate.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

This section discusses certain direct and indirect relationships and transactions involving us and certain persons related to us.

The Management Agreement

We entered into a management agreement with our Manager, which provided for an initial term through December 31, 2010 with an automatic one-year extension option and subject to certain termination rights. Effective November 28, 2012, the management fee was reduced from 1.50% to 0.75% per annum of gross stockholders' equity, which remained in effect until we were current on all of our filings required under applicable securities laws due to the restatement of our financial statements for the period covering 2008 through 2011. As a result, for the year ended December 31, 2013 our Manager earned a management fee of \$26.0 million.

We also paid our Manager \$447 thousand, which was our pro rata portion of rent, telephone, utilities, office furniture, equipment, machinery and other office, internal and overhead expenses of our Manager and its affiliates required for our operations. The amount also included expenses incurred in connection with the restatement of our financial statements for the period covering 2008 through 2011.

On August 8, 2014, the management agreement was amended and restated. Effective August 8, 2014, the management fee was increased to 1.20% of gross stockholders' equity. In addition, our Manager agreed to pay us a one-time fee reduction of approximately \$24 million, which equals a base management fee equal to 0.75% per annum of gross stockholders' equity as if it were in effect from January 1, 2012 through November 27, 2012.

The agreement provides for a two year term ending August 7, 2016 and may be automatically renewed for two year terms at each anniversary date unless at least two-thirds of the independent directors or the holders of a majority of the outstanding shares of common stock (other than those held by Annaly Capital Management, Inc. (the parent of our Manager or "Annaly")) elects not to renew the agreement in their sole discretion and for any or no reason. Unless the management agreement is terminated for "cause" or our Manager terminates the management agreement, in the event that the management agreement is terminated or not renewed, we must pay our Manager a termination fee equal to two times the average annual management fee, calculated as of the end of the most recently completed fiscal quarter prior to the date of termination. Our Manager will continue to provide services under the management agreement for a period not less than 180 days from the date we deliver the notice not to renew the management agreement.

We may also terminate the management agreement with 30 days' prior notice from our board of directors, without payment of a termination fee, for cause or upon a change of control of our Manager or Annaly, each as defined in the management agreement. Our Manager may terminate the management agreement if we become required to register as an investment company under the Investment Company Act of 1940, as amended, with such termination deemed to occur immediately before such event, in which case we would not be required to pay a termination fee. Our Manager may also decline to renew the management agreement by providing us with 180-days' written notice, in which case we would not be required to pay a termination fee.

The management agreement provides that our Manager will pay all past and future expenses that we and/or our audit committee incur to: (1) evaluate our accounting policy related to the application of GAAP to our Non-Agency RMBS portfolio (the "Evaluation"); (2) restate our financial statements for the period covering 2008 through 2011 as a result of the Evaluation (the "Restatement Filing"); and (3) investigate and evaluate any shareholder derivative demands arising from the Evaluation and/or the Restatement Filing (the "Investigation"); provided, however, that our Manager's obligation to pay expenses applies only to expenses not paid by our insurers under our insurance policies. Expenses shall include, without limitation, fees and costs incurred with respect to auditors, outside counsel, and consultants engaged by us and/or our audit committee for the Evaluation, Restatement Filing and the Investigation.

We are obligated to reimburse our Manager for costs incurred on our behalf under the management agreement. In addition, the management agreement permits our Manager to require us to pay for our pro rata portion of rent, telephone, utilities, office furniture, equipment, machinery and other office, internal and overhead expenses that our Manager incurred in connection with our operations. These expenses are allocated between our Manager and us based on the ratio of our proportion of gross assets compared to the gross assets managed by our Manager as calculated at each quarter end. We and our Manager will modify this allocation methodology, subject to the approval of our board of directors if the allocation becomes inequitable (i.e., if we become very highly leveraged compared to our Manager's other funds and accounts).

Restricted Stock Grants

We granted 98,688 shares of stock to our independent directors during the year ended December 31, 2013 which vested immediately. During the year ended December 31, 2013, approximately 140,000 shares of restricted stock we had awarded to our Manager's employees during 2008 vested and 70,000 shares were forfeited. At December 31, 2013 there are approximately 384,000 unvested shares of restricted stock issued to our Manager's employees.

Clearing Fees

On March 1, 2011, we entered into an administrative services agreement with RCap Securities, Inc., or RCap. We use RCap, a SEC registered broker-dealer and a wholly-owned subsidiary of Annaly, to clear trades for us and RCap is paid customary fees in return for such services. RCap may also provide brokerage services to us from time to time. For the year ended December 31, 2013, we paid RCap \$145 thousand in clearing fees.

Other Relationships

Matthew Lambiase, our President and Chief Executive Officer, one of our directors and the Managing Director of our Manager, is the son of one of Annaly's former directors, John A. Lambiase. Annaly announced on January 30, 2014 that John A. Lambiase would not stand for re-election at Annaly's annual meeting of shareholders on May 22, 2014 and his departure date was effective that day. James Zurovchak, a Vice President of Annaly, is the son-in-law of Dennis Mahoney, one of our Directors.

Approval of Related Person Transactions

Our code of business conduct and ethics requires all of our personnel to be scrupulous in avoiding a conflict of interest with regard to our interests. The code prohibits us from entering into a business relationship with an immediate family member or with a company that the employee or immediate family member has a substantial financial interest unless such relationship is disclosed to and approved in advance by our board of directors.

Each of our directors and executive officers is required to complete an annual disclosure questionnaire and report all transactions with us in which they and their immediate family members had or will have a direct or indirect material interest with respect to us. We review these questionnaires and, if we determine it is necessary, discuss any reported transactions with the entire board of directors. We do not, however, have a formal written policy for approval or ratification of such transactions, and all such transactions are evaluated on a case-by-case basis. If we believe a transaction is significant to us and raises particular conflict of interest issues, we will discuss it with our legal counsel, and if necessary, we will form an independent board committee which has the right to engage its own legal and financial counsel to evaluate and approve the transaction.

In addition, we will not invest in any collateralized debt obligation or security structured or managed by our Manager or any of its affiliates unless the investment is approved in advance by a majority of our independent directors.

REPORT OF THE AUDIT COMMITTEE

Since our inception, we have had an audit committee composed entirely of non-employee directors. The members of the audit committee meet the independence and experience requirements of the New York Stock Exchange. The board of directors has determined that Mr. Mahoney is the audit committee financial expert and is an independent director within the meaning of the applicable rules of the Securities and Exchange Commission and the New York Stock Exchange. In 2013, the Committee met seventeen times. The audit committee has adopted a written charter outlining the practices it follows. A full text of our audit committee charter is available for viewing on our website at www.chimerareit.com. Any changes in the charter or key practices will be reflected on our website.

In performing all of its functions, the audit committee acts only in an oversight capacity and, necessarily, in its oversight role, the audit committee relies on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm, who, in their report, express an opinion on the conformity of our annual financial statements to generally accepted accounting principles and on the effectiveness of our internal control over financial reporting as of year-end.

The audit committee has reviewed and discussed our audited financial statements with management and with Ernst & Young LLP, or Ernst and Young, our independent auditors for 2013.

The audit committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61.

The audit committee has received from Ernst & Young LLP the written statements required by PCAOB Rule No. 3526, "Communications with Audit Committees Concerning Independence," and has discussed Ernst & Young LLP's independence with Ernst & Young LLP, and has considered the compatibility of non-audit services with the auditor's independence.

In reliance on these reviews and discussions, and the report of the independent registered public accounting firm, the audit committee has recommended to our board of directors, and our board of directors has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the Securities and Exchange Commission. The audit committee also recommends the selection of Ernst & Young LLP to serve as independent public accountants for the year ending December 31, 2014.

The foregoing report has been furnished by the current members of the audit committee:

Dennis M. Mahoney, Chair

PROPOSAL 2
APPROVAL OF A NON-BINDING ADVISORY VOTE
APPROVING EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Securities Exchange Act, we are seeking an advisory vote on executive compensation matters. The stockholder vote will not be binding on us or the board of directors, and it will not be construed as overruling any decision by us or the board of directors or creating or implying any change to, or additional, duties for us or the board of directors.

As described in detail under the heading “Executive Officers and Compensation” above, we are externally managed by our Manager pursuant to the management agreement between our manager and us. Our named executive officers’ compensation was derived from the management fees we pay to our Manager.

While this vote is advisory and not binding on us, it will provide information to us and the compensation and nominating/corporate governance committees regarding stockholder sentiment about our executive compensation philosophy, policies and practices, which the compensation and governance committee will be able to consider when determining whether the management fee payable pursuant to the management agreement is appropriate. Our Manager is responsible for paying all compensation expense associated with managing us and our subsidiaries. We pay our Manager a management fee and our Manager uses the proceeds from the management fee to pay compensation to its officers and personnel, including our executive officers. Our Manager will make all decisions relating to the compensation of our officers and personnel, including our executive officers, based on such factors as our Manager may determine are appropriate.

For these reasons, the board of directors recommends that stockholders vote in favor of the following resolution:

“RESOLVED, that the compensation paid to the company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THIS RESOLUTION.

PROPOSAL 3
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our audit committee has appointed Ernst & Young to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2014, and stockholders are asked to ratify the selection at the Annual Meeting. We expect that representatives of Ernst & Young will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. If the appointment of Ernst & Young is not ratified, our audit committee will reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR 2014.

Relationship with Independent Registered Public Accounting Firm

Expenses are generally accrued when services are provided. The aggregate fees billed for 2013 and 2012 for each of the following categories of services are set forth below:

Audit Fees: The aggregate fees incurred by Ernst & Young and Deloitte & Touche, LLP (who was our auditor from our inception until the year ended December 31, 2011) for audits and reviews of our 2013 financial statements were approximately \$2.9 million and \$25 thousand respectively. We estimate that our Manager will reimburse the Company for approximately \$1.4 million of the fees billed by Ernst & Young for 2013. The aggregate fees incurred by Ernst & Young for the audit of the Company's internal control over financial reporting were approximately \$600 thousand for 2013. The aggregate fees incurred by Ernst & Young for audits and reviews of our 2012 financial statements were approximately \$3.5 million. We estimate that our Manager will reimburse the Company for approximately \$2.8 million of the fees billed by Ernst & Young for 2012. The aggregate fees incurred by Ernst & Young for the audit of the Company's internal control over financial reporting were approximately \$570 thousand for 2012.

Audit-Related Fees: No fees were billed by Ernst & Young for audit-related services during 2013 or 2012.

Tax Fees: The aggregate fees billed by Ernst & Young for tax services for 2013 were \$66 thousand. The aggregate fees billed by Ernst & Young for tax services for 2012 were \$66 thousand.

All Other Fees: Ernst & Young did not perform any other kinds of services for us during 2013. The aggregate fees billed by Ernst & Young for other services for 2012 were \$99 thousand. The other services billed in 2012 were related to advisory services provided by Ernst & Young in 2011 prior to Ernst & Young being appointed as our Independent Registered Public Accounting Firm.

The audit committee has also adopted policies and procedures for pre-approving all non-audit work performed by our independent registered public accounting firm. Specifically, the audit committee pre-approved the use of Ernst & Young for the following categories of non-audit services: merger and acquisition due diligence and audit services; tax services; internal control reviews; employee benefit plan audits; and reviews and procedures that we request Ernst & Young to undertake to provide assurance on matters not required by laws or regulations. In each case, the audit committee also set a specific annual limit on the amount of such services which we would obtain from Ernst & Young, and required management to report the specific engagements to the audit committee on a quarterly basis, and also obtain specific pre-approval from the audit committee for any engagement over five percent of the total amount of revenues estimated to be paid by us to Ernst & Young during the then current fiscal year. Our audit committee

approved the hiring of Ernst & Young to provide all of the services detailed above prior to Ernst & Young's engagement. None of the services related to the Audit-Related Fees described above was approved by the audit committee pursuant to a waiver of pre-approval provisions set forth in the applicable rules of the Securities and Exchange Commission.
