### Item 1.01 Entry into a Material Definitive Agreement

On April 25, 2007, Castelle, a California corporation, ( **Castelle** ), Captaris, Inc. ( **Captaris** ), a Washington corporation, and Merlot Acquisition Corporation, a California corporation and wholly owned subsidiary of Captaris ( **Merger Sub** ), entered into an Agreement and Plan of Merger ( **Merger Agreement** ), under which Merger Sub will be merged with and into Castelle, with Castelle continuing after the merger as the surviving corporation and a wholly owned subsidiary of Captaris ( **Merger** ). Under the terms of the Merger Agreement, at the effective time of the Merger, (i) each issued and outstanding share of Castelle common stock will be converted into the right to receive \$3.95 in cash, subject to adjustment to the extent Castelle's cash balance at the effective time of the Merger is above or below the agreed upon balance of \$7.4 million, and subject to additional downward adjustment to the extent Castelle's working capital (excluding cash) at the effective time of the Merger is less than the agreed upon target of negative \$75,000 (provided that the shortfall is at least \$100,000) and (ii) each outstanding option to purchase shares of Castelle common stock will be converted into the right to receive an amount of cash equal to the product of (a) the number of shares as to which such option was vested and exercisable, multiplied by (b) the excess, if any, of the merger consideration to be received for each share of common stock of Castelle, as described above, over the per share exercise price of such option.

The Merger Agreement was unanimously approved by the Castelle board of directors. The members of the Castelle board of directors and the executive officers of Castelle have entered into voting agreements with Captaris, pursuant to which they agree to vote, and grant proxies to Captaris on their behalf to vote, all the shares of Castelle capital stock held by them for the approval of the Merger. Castelle has agreed not to, directly or indirectly, (i) solicit, initiate, encourage, facilitate or induce any inquiry with respect to, or the making, submission or announcement of, any proposal relating to any alternative business combination transaction, (ii) participate in discussions or negotiation of, or furnish any nonpublic information with respect to, or take any other action to facilitate any inquiries or the making of, any proposal that constitutes or could reasonably be expected to lead to any alternative business combination transaction, (iii) subject to certain exceptions, engage in discussions with respect to any alternative business combination transaction, (iv) subject to certain exceptions, approve, endorse or recommend any alternative business combination transaction, or (v) enter into any letter of intent or similar document or any contract, agreement or commitment contemplating or otherwise relating to any alternative business combination transaction.

The closing of the Merger is subject to the approval of the shareholders of Castelle as well as customary closing conditions, including absence of governmental restraints and accuracy of representations. In addition, the Merger Agreement contains certain termination rights for both Castelle and Captaris, and further provides that, upon termination of the Merger Agreement under specified circumstances, Castelle must reimburse Captaris for all fees and expenses actually incurred by Captaris in connection with the Merger, up to a maximum of \$250,000, and pay Captaris a fee equal to \$700,000.

The description of the proposed Merger in this report does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 to this report and is incorporated herein by reference. The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about Castelle. The Merger Agreement contains representations and warranties of Castelle made to and solely for the benefit of Captaris and Merger Sub. The assertions embodied in those representations and warranties are qualified by information in a confidential disclosure letter that Castelle has delivered to Captaris in connection with signing the Merger Agreement. Accordingly,

Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Castelle's public disclosures.

A copy of the press release issued by Castelle and Captaris announcing the Merger, dated April 26, 2007, is attached hereto as Exhibit 99.1 to this report and is incorporated herein by reference.
