## Edgar Filing: KRONOS INTERNATIONAL INC - Form 8-K

Item 1.01 Entry into a Material Definitive Agreement.

Item 1.02 Termination of a Material Definitive Agreement

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Effective April 5, 2006, the registrant entered into a Purchase Agreement (the "Purchase Agreement") with Deutsche Bank AG London ("Deutsche Bank") pursuant to which the registrant agreed to issue and sell to Deutsche Bank euro 400 million of 6.5% Senior Secured Notes due 2013 (the "Notes") at the issue price of 99.306%. The closing of the issuance and sale of the Notes occurred on April 11, 2006. Also pursuant to the Purchase Agreement, the registrant entered into a Registration Rights Agreement, dated as of April 11, 2006 (the "Registration Rights Agreement"), with Deutsche Bank for the benefit of the holders of the Notes.

The Notes were issued pursuant to an Indenture (the "Indenture"), dated as of April 11, 2006, between the registrant and The Bank of New York, as trustee.

It is expected that the registrant will use all of the net proceeds of the offering of the Notes, together with approximately \$2.1 million of cash on hand, to repay euro 375 million principal amount of its 8.875% senior secured notes due 2009 (the "Existing Notes") at the stated redemption price of 104.437%, plus accrued and unpaid interest. The registrant has satisfied its obligations under the Indenture, dated as of June 22, 2004 (the "Existing Indenture"), between the registrant and The Bank of New York, as trustee, and the trustee has discharged the Existing Indenture and released the liens on collateral thereunder.

Pursuant to the Purchase Agreement, Deutsche Bank has agreed to resell the Notes under the Securities Act of 1933, as amended (the "Securities Act"), to qualified institutional buyers in the United States of America in reliance on Rule 144A and to persons outside of the United States in reliance on Regulation S. The Notes will not be registered under the Securities Act and, unless so

registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable securities laws.

Pursuant to the Registration Rights Agreement, the registrant agreed to use its best efforts, and at its cost, to (i) file within 120 days of the issue date of the Notes a registration statement to register under the Securities Act notes of the registrant with terms substantially identical in all material respects to the Notes (the "Exchange Notes"), (ii) cause such registration statement to be declared effective within 270 days of the issue date of the Notes and (iii) complete an offer to exchange the Notes for the Exchange Notes within 300 days of the issue date of the Notes.

The descriptions herein of the Purchase Agreement and the Registration Rights Agreement are qualified in their entirety, and the terms thereof are incorporated herein, by reference to the Purchase Agreement and the Registration Rights Agreement filed as Exhibits 4.4 and 4.5, respectively, to this current report.

For a description of the terms of, and collateral related to, the Notes,

The Purchase Agreement, the Registration Rights Agreement, and each of the six agreements and instruments noted directly above are included to provide information regarding their respective terms. They are not intended to provide any other factual information about the matters covered therein. Such agreements and instruments contain representations and warranties the parties thereto made to, and solely for, the benefit of each other and not for the benefit of any other party. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules or other information that the parties exchanged prior to and/or in connection with the execution of such agreements and instruments. Accordingly, investors and stockholders should not rely on those representations and warranties as characterizations of the actual state of facts, since they were only made as of the date of such agreements and the closing, as applicable, and may be materially modified or qualified by the disclosure schedules or other information or may merely reflect agreed-upon allocations of risk among the parties to such agreements. Moreover, information concerning the subject matter of those representations and warranties may change subsequent to the date of such agreements or documents or the closing.
