ITEM 1

APPROVAL OF THE GRANT OF OPTIONS TO PURCHASE ORDINARY SHARES OF THE COMPANY TO CERTAIN EMPLOYEES AND DIRECTORS OF THE COMPANY AND/OR SUBSIDIARY COMPANIES

The Company's Audit Committee and the Board of Directors have resolved, in separate resolutions each dated July 23, 2003, subject to the approval of the Shareholders, to the grant to certain employees and directors of the Company and its subsidiary companies both in Israel and abroad as specified in such resolution, 410,200 (four hundred ten thousand, two hundred) Options, effective as of July 23, 2003 (the "**Grant Date**"), under the existing Share Option Plan of the Company, with: (i) an exercise price of zero (\$0.00) (thus achieving an effect similar to the grant of restricted stock); and (ii) a vesting period of four years, 30% to vest at the end of each of the first three years, and the remaining 10% to vest at the end of the fourth year following the Grant Date.

Messrs. Haim Horowitz, Meir Ben-Shoshan and Eran Bendoly, members of the Board of Directors, shall each receive Options, under the existing Share Option Plan of the Company, for the purchase of up to 2,400 Ordinary Shares of the Company, out of the total number and under the same terms mentioned above.

Approval by the Shareholders of the grant of Options to directors is required under the Companies Law 5759 - 1999 (the "**Companies Law**") of the State of Israel; and because these Options are to be granted under the existing Share Option Plan of the Company, their grant also requires shareholder approval under NASD Rule 4350(i).

It is proposed that at the Meeting, the following resolution be adopted:

"RESOLVED, that in compliance with the requirements of NASD Rule 4350(i) and of the Companies Law 5759 - 1999 (the "**Companies Law**"), the grant to employees and to the directors Messrs. Haim Horowitz, Meir Ben-Shoshan and Eran Bendoly of options to purchase up to an aggregate of 410,200 Ordinary Shares ("**Options**"), pursuant to the Board of Directors and Audit Committee resolutions dated July 23, 2003, be, and the same hereby are, approved."

The affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy is necessary for the approval of the resolution authorizing the grant of Options.

The Board of Directors recommends a vote FOR approval of this proposed resolution.

ITEM 2

BENEFICIAL OWNERSHIP OF SECURITIES BY CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

APPROVAL OF THE GRANT OF OPTIONS TO PURCHASE ORDINARY SHARES OF THE COMPANY TO THE COMPANY'S CHAIRMAN AND CHIEF EXECUTIVE OFFICER AND TO THE COMPANY'S DIRECTOR AND EXECUTIVE VICE PRESIDENT - BUSINESS & STRATEGY, WHO HOLD A CONTROLLING INTEREST IN THE COMPANY

The Company's Audit Committee and the Board of Directors have approved, in separate resolutions each dated July 23, 2003, subject to the approval of the Shareholders, the grant of 55,000 Options to the Company's Chairman and Chief Executive Officer, Mr. Rafi Amit, and of 36,000 Options to its director and Executive Vice President - Business & Strategy, Mr. Yotam Stern, who hold, together with a third party, a controlling interest in the Company.

These Options are granted under the same terms as those Options granted under Item 1 of this proxy statement. These Options are to be granted, effective as of the Grant Date, under the existing Share Option Plan of the Company, with (i) an exercise price of zero (\$0.00) (thus achieving an effect similar to the grant of restricted stock); and (ii) a vesting period of four years, 30% to vest at the end of each of the first three years, and the remaining 10% to vest at the end of the fourth year, following the Grant Date.

Approval by the shareholders of the Company of the grant of Options to directors or holders of a controlling interest is required under the Companies Law; and because these Options are to be granted under the existing Share Option Plan of the Company, their grant also requires shareholder approval under NASD Rule 4350(i).

It is proposed that at the Meeting, the following resolution be adopted:

"RESOLVED, that in compliance with the requirements of NASD Rule 4350(i) and of the Companies Law, the grant of Options to purchase up to an aggregate of 91,000 Ordinary Shares to the Chairman and Chief Executive Officer and to the director and Executive Vice President - Business & Strategy, as approved by the Audit Committee and the Board of Directors in their respective resolutions of July 23, 2003 be, and the same hereby are, approved."

The affirmative vote of the holders of the majority of voting power represented at the Meeting in person or by proxy, where either: (i) such majority includes at least one third of all of the votes cast by Shareholders who are not controlling shareholders of the Company; or (ii) the total of all opposing votes cast by the Shareholders who are not controlling shareholders of the Company does not exceed 1% of all the voting rights in the Company, is necessary under the Companies Law for approval of the resolution approving the grant of Options to the Chairman and Chief Executive Officer and to the director and Executive Vice President - Business & Strategy.

The Board of Directors recommends a vote FOR approval of this proposed resolution.

ITEM 3

ADOPTION OF THE COMPANY'S 2003 SHARE OPTION PLAN AND ITS US SUB-PLAN FOR GRANTEES SUBJECT TO UNITED STATES TAXATION

The Board of Directors has determined, in a resolution dated July 23, 2003, that it is in the best interests of the Company and its shareholders to adopt the 2003 Share Option Plan (the "**2003 Plan**") with a limited pool of Options to purchase up to an aggregate of 998,800 Ordinary Shares. The 2003 Plan is intended to replace all previous employee share option plans of the Company for all future grants. A copy of the 2003 Plan is attached to this Proxy Statement as **Appendix A**, and a copy of its Sub-Plan for Grantees Subject to United States Taxation (the "**US Sub-Plan**") is attached as **Appendix B**.

The purpose of the 2003 Plan is to advance the interests of the Company and its shareholders by attracting and retaining key personnel and consultants. Specifically, the 2003 Plan is designed to provide incentives to certain employees, officers, directors and consultants of the Company or of its affiliates ("**Grantee(s)**"), by providing Grantees with opportunities to purchase Ordinary Shares in the Company pursuant to Options granted thereunder which may or may not qualify as "incentive stock options" under Section 422(b) of the Internal Revenue Code of 1986, as amended.

The 2003 Plan will be administered by the Board of Directors, which has the authority, inter alia, to adopt any supplement or sub-plans to the 2003 Plan applicable to Grantees employed in certain countries or regions or subject to the laws of a certain country or region, to accommodate the tax policy or custom thereof, which shall constitute an integral part of the 2003 Plan, and to determine when and to whom Options are to be granted, and the terms, conditions and restrictions applicable to each Option, including without limitation the authority: (i) to

Edgar Filing: CAMTEK LTD - Form 6-K

interpret the 2003 Plan and to make all determinations necessary or advisable for the administration of the 2003 Plan; (ii) to determine the terms, conditions and restrictions of all Option Agreements (which need not be identical) and, with the consent of the Grantee, to amend any such Option Agreement at any time; (iii) to fix, at its discretion and without the need for shareholder approval, the exercise price of any Options granted under the 2003 Plan, including the re-pricing of any exercise price Options already granted and outstanding; and (iv) fixing the vesting periods.

The purpose of the US Sub-Plan is to establish certain rules and limitations applicable to Options granted under the 2003 Plan to grantees subject to taxation in the United States ("**US Grantees**"), in order, inter alia, that all or part of such Options granted to US Grantees may be Incentive Stock Options under Section 422(b) of the United States Internal Revenue Code of 1986, as amended.

It is proposed that at the Meeting, the following resolution be adopted:

"**RESOLVED**, that the Company's 2003 Share Option Plan and its Sub-Plan for Grantees subject to United States Taxation be, and hereby are, adopted."

The affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy is necessary for the adoption of the 2003 Plan and the US Sub-Plan.

The Board of Directors recommends a vote FOR approval of this proposed resolution.

- 3.1 This Plan and any Sub-Plans shall be administered by the Board. The Board may appoint a committee which, subject to any applicable limitations imposed by the Companies Law, and/or by any other applicable Law, shall have all of the powers of the Board granted herein. 9

- 3.3 The Board may, without shareholder approval, amend, modify (including by adding new terms and rules), and/or cancel or terminate this Plan, any Sub-Plans, and any Options granted under this Plan or any Sub-Plans, any of their terms, and/or any rules, guidelines or policies relating thereto. Notwithstanding the foregoing, (i) material amendments to the Plan or any Sub-Plans (but not the exercise of discretion under the Plan or any Sub-Plans) shall be subject to shareholder approval to the extent so required by applicable law, stock exchange rules or to enable Options to qualify as incentive stock options under the US Internal Revenue Code, provided, however, that pursuant to Nasdaq Rule IM 4350-5, the Board is specifically authorized to amend the Plan or any Sub-Plans by extending the period of duration of this Plan or such Sub-Plans; and (ii) no termination or amendment of the Plan or any Sub-Plan shall affect any then outstanding Options unless expressly provided by the Board.

- 3.5 Termination of the Plan or any Sub-Plan shall not affect the Board's ability to exercise its powers with respect to Options granted prior to the date of such termination.

4. Eligibility

Edgar Filing: CAMTEK LTD - Form 6-K

The persons eligible for participation in the Plan as Grantees include employees, officers, directors, consultants of the Company or any Affiliated Company (including persons who are responsible for or contribute to the management, growth or profitability of, or who provide substantial services to, the Company and/or any Affiliated Company), and any person who has been offered employment by the Company or any Affiliated Company, provided that such prospective employee may not receive any payment or exercise any right to an Option until such person has commenced employment with the Company or any Affiliated Company and further provided that any recipient of an Option has provided services (or in the case of a prospective employee is expected to provide services) to the Company or a parent or subsidiary of the Company. The Board, in its sole discretion shall select from time to time the individuals, from among the persons eligible to participate in the Plan, who shall receive Options. In determining the persons in favor of whom Options are to be granted, the number of Options to be granted thereto and the terms of such grants, the Board may take into account the nature of the services rendered by such person, his/her present and future potential contribution to the Company and/or to the Affiliated Company by which he/she is employed or engaged, and such other factors as the Board in its discretion shall deem relevant.

5. Option Pool

The total number of Options to be granted pursuant to this Plan shall be 998,800 (nine hundred ninety-eight thousand eight hundred), and the Company has reserved 998,800 (nine hundred ninety-eight thousand eight hundred) authorized but unissued Shares for the purposes of this Plan.

The Company shall at all times until the expiration or termination of this Plan keep reserved a sufficient number of Shares to meet the requirements of this Plan. Any of such Shares which, as of the expiration or termination of this Plan, remain unissued and not subject to outstanding Options, shall at such time cease to be reserved for the purposes of this Plan.

Should any Option for any reason expire or be canceled prior to its exercise or relinquishment in full, such Option may be returned to said pool of Options and may again be granted under this Plan.

6. Grant of Options

6.1 The Options shall be granted for no consideration.

6.2 Each Option granted pursuant to this Plan shall be evidenced by an Option Agreement.

6.3 Each Grantee shall be required to execute, in addition to the Option Agreement, any and all other documents required by the Company and/or any Affiliated Company, whether before or after the grant of the Options (including without limitation any customary documents and undertakings towards a trustee, if applicable, and/or the tax authorities). Notwithstanding anything to the contrary in this Plan or in any Sub-Plan, no Option shall be deemed granted unless all documents required by the Company and/or any Affiliated Company to be signed by the Grantee prior to or upon the grant of such Option, shall have been duly signed and delivered to the Company or such Affiliated Company.

10

7. Terms of Options

Unless otherwise determined by the Board (which determination shall not require shareholder approval unless so required in order to comply with the provisions of the Companies Law) and provided accordingly in the applicable Option Agreement, such Option Agreement shall set forth, by appropriate language, the number of Options granted thereunder and the substance of all of the following provisions:

7.1 *Exercise Price* The Exercise Price for each Grantee shall be as determined by the Board and specified in the applicable Option Agreement; provided, however, that unless otherwise determined by the Board (which determination shall not require shareholder approval unless so required in order to comply with the provisions of the Companies Law), the Exercise Price shall be the fair market value of the Shares on the Date of Grant. Unless otherwise determined by the Board (which determination shall not require shareholder approval unless required in order to comply with the provisions of the Companies Law) and provided accordingly in the applicable Option Agreement, for as long as the Company's shares are traded on Nasdaq, said fair market value shall be as determined by the closing value of the Shares listed on Nasdaq at the closing of the last day of trading prior to the Date of Grant.

Edgar Filing: CAMTEK LTD - Form 6-K

For the removal of any doubt, the Board is authorized (without the need for shareholder approval unless so required in order to comply with the provisions of the Companies Law) to determine that the Exercise Price of an Option is to be \$0.00 (zero).

7.2 *Vesting* Unless otherwise determined by the Board with respect to any specific Grantee or to any specific grant, (which determination shall not require shareholder approval unless so required in order to comply with the provisions of the Companies Law) and provided accordingly in the applicable Option Agreement, the Options shall vest (become exercisable) according to the following 4-year vesting schedule:

| Period of Grantee's Continuous Service from the Start Date: | Portion of Total Option that becomes Vested and Exercisable |
|--|--|
| Upon the completion of a full 24 (twenty-four) months of continuous Service | 50% |
| Upon the lapse of each full additional month of the Grantee's continuous Service thereafter, until all the Options are vested, i.e. 100% of the grant will be vested after 4 years | 1/48 |

For the purposes hereof, the **Start Date** shall mean the Date of Grant, unless otherwise determined by the Board (which determination shall not require shareholder approval unless so required in order to comply with the provisions of the Companies Law) and provided accordingly in the applicable Option Agreement.

For the purposes of this Section 7.2, the term **Service** means a Grantee's employment or engagement by the Company or an Affiliated Company. A Grantee's Service shall not be deemed terminated or interrupted solely as a result of a change in the capacity in which the Grantee renders Service to the Company or an Affiliated Company (i.e., as an employee, officer, director, consultant, etc.); nor shall it be deemed terminated or interrupted due solely to a change in the identity of the specific entity (out of the Company and its Affiliated Companies) to which the Grantee renders such Service, provided that there is no actual interruption or termination continuous provision by the Grantee of such Service to any of the Company and its Affiliated Companies. Furthermore, a Grantee's Service with the Company or Affiliated Company shall not be deemed terminated or interrupted as a result of any military leave, sick leave, or other bona fide leave of absence taken by the Grantee and approved by the Company or such Affiliated Company by which the Grantee is employed or engaged, as applicable; provided, however, that if any such leave exceeds ninety (90) days, then on the ninety-first (91st) day of such leave the Grantee's Service shall be deemed to have terminated unless the Grantee's right to return to Service with the Company or such Affiliated Company is secured by statute or contract. Notwithstanding the foregoing, unless otherwise designated by the Company or Affiliated Company, as the case may be, or required by law, time spent in a leave of absence shall not be treated as time spent providing Service for the purposes of calculating accrued vesting rights under the vesting schedule of the Options. Without derogating from the aforesaid, the Service of a Grantee to an Affiliated Company shall also be deemed terminated in the event that such Affiliated Company for which the Grantee performs Service ceases to fall within the definition of an Affiliated Company under this Plan, effective as of the date said Affiliated Company ceases to be such.

In all other cases in which any doubt may otherwise arise regarding the termination of a Grantee's Service or the effective date of such termination, the Company, in its discretion, shall determine whether the Grantee's Service has terminated and the effective date of such termination.

7.3 *Expiration Date* Unless expired earlier pursuant to either Section 7.4 or Section 9 below, unexercised Options shall expire and become null and void upon the lapse of 10 (ten) years from the Date of Grant (the **Expiration Date**).

7.4 *Exercise Period*

7.4.1 Each Option shall be exercisable from the date upon which it becomes vested until the Expiration Date of such Option (the **Exercise Period**).

7.4.2 Notwithstanding anything to the contrary contained in this Plan, in the event of a merger of the Company with or into another corporation, or the sale of all or substantially all the assets or shares of the Company (such merger or sale: a **Merger Transaction**), the surviving or acquiring entity, as the case may be, or its respective parent company or subsidiary (the **Successor Entity**) may either assume the Company's rights and obligations under outstanding Options or substitute the outstanding Options, as follows:

- (a) For purposes of this Section 7.4.2, the outstanding Options shall be deemed assumed or substituted by the Successor Entity if, following the consummation of the Merger Transaction, the outstanding Options confer the right to receive, for each share underlying any outstanding Option immediately prior to the consummation of the Merger Transaction, the same consideration (whether shares, cash or other securities or property) to which an existing holder of a Share on the effective date of consummation of the Merger Transaction was entitled; provided, however, that if the consideration to which such existing holder is entitled comprises consideration other than or in addition to securities of the Successor Entity, then the Board may determine, with the consent of the Successor Entity, that the consideration to be received by the Grantees for their outstanding Options will comprise solely securities of the Successor Entity equal in their market value to the per share consideration received by the holders of shares in the Merger Transaction.
- (b) In the event that the Successor Entity neither assumes nor substitutes all of the outstanding Options of a Grantee, then such Grantee shall have a period of 15 days (or if so decided by the Board, such longer period as the Board may determine in its sole discretion) from the date designated by the Company in a written notice given to the Grantee (such date to be no earlier than the date upon which said notice is delivered to the Grantee) to exercise his or her Vested Options.
- (c) All Options, whether vested or not, which are neither assumed or substituted by the Successor Entity, nor exercised by the end of said 15-day period, shall expire effective as of the date of the consummation of the Merger Transaction, whereupon they shall become null and void and shall no longer entitle the Grantee to any right in or towards the Company or the Successor Entity.

7.5 *Exercise Notice and Payment* Vested Options may be exercised at one time or from time to time during the Exercise Period, by giving a written notice of exercise (an **Exercise Notice**) to the Company, at its principal offices, in accordance with such procedures as shall be determined from time to time by the Board and notified in writing to the Grantees.

7.6 *Conditions of Issuance* Notwithstanding any other provision of this Plan, the Company shall have no obligation to issue or deliver Shares under the Plan unless the exercise of the Option and the issuance and delivery of the underlying Shares comply with, and do not result in a breach of, all applicable laws, to the satisfaction of the Company in its sole discretion, and have received, if deemed desirable by the Company, the approval of legal counsel for the Company with respect to such compliance. The Company may further require the Grantee to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with applicable laws.

8. **Transferability**

8.1 The Options are not publicly traded.

8.2 Other than by will or laws of descent, neither the Options nor any of the rights in connection therewith shall be assignable, transferable, made subject to attachment, lien or encumbrance of any kind, and the Grantee shall not grant with respect thereto any power of attorney or transfer deed, whether valid immediately or in the future.

8.3 Following the exercise of the Vested Options, the Exercised Shares shall be transferable; provided, however, that Exercised Shares may be subject to applicable securities regulations, lock-up periods, market stand-off provisions, and such other conditions and restrictions as may be included in the Company's Articles, the Plan, any applicable Sub-Plan, the applicable Option Agreement, and/or any conditions and restrictions included in the Company's Securities Law Compliance Manual, all as determined by the Board in its discretion. Upon request by the Company, a Grantee shall execute any agreement or document evidencing such transfer restrictions prior to the receipt of Exercised Shares hereunder.

8.4 In the event that holders holding, in the aggregate, a controlling interest in the Company (**Selling Shareholders**) elect to sell all or substantially all of their shares in the Company either to a third party or to one shareholder of the Company, then, if so requested by the purchaser, the Grantee shall be obligated to join the sale and sell all of his/her Shares (and if so requested, also his/her unexpired Vested Options), all under the same terms under which the Selling Shareholders have agreed to sell their shares (provided that with respect to Vested Options, the Exercise Price shall be deducted from the purchase price paid for the shares in such transaction) and in accordance with the provisions of the Articles of the Company.

8.5 No transfer of a Vested Option by the Grantee by will or by the laws of descent shall be effective against the Company, unless and until: (a) the Company shall have been furnished with written notice thereof, accompanied by an authenticated copy of probate of a will together with the will or inheritance order and/or such other evidence as the Board may deem necessary to establish the validity of the

transfer; and (b) the contemplated transferee shall have confirmed to the Company in writing its acceptance of the terms and conditions of the Plan and of any applicable Sub-Plan and Option Agreement with respect to the Vested Options being transferred, to the satisfaction of the Board.

9. Termination of Options

9.1 Upon the termination of a Grantee's Service for any reason whatsoever, any Options granted in favor of such Grantee which are not Vested Options, shall immediately expire and terminate and become null and void.

9.2 Additionally, in the event of the termination of a Grantee's Service for Cause (as defined below), all of such Grantee's Vested Options shall also, upon such termination for Cause, immediately expire and terminate and become null and void.

For the purposes of this Section 9, **Cause** shall mean (a) the conviction of the Grantee for any felony involving moral turpitude or affecting the Company or any Affiliated Company; (b) the embezzlement of funds of the Company or any Affiliated Company; (c) any breach of the Grantee's fiduciary duties or duties of care towards the Company or any Affiliated Company (including without limitation any disclosure of confidential information of the Company or any Affiliated Company or any breach of a non-competition undertaking); (d) any conduct in bad faith reasonably determined by the Board to be materially detrimental to the Company or, with respect to any Affiliated Company, reasonably determined by the Board of Directors of such Affiliated Company to be materially detrimental to either the Company or such Affiliated Company; or (e) any other event classified under any applicable agreement between the Grantee and the Company or the Affiliated Company, as applicable, as a cause for termination or by other language of similar substance.

9.3 Unless otherwise determined by the Board, following termination of Grantee's Service other than for Cause, the Expiration Date of such Grantee's Vested Options shall be deemed the earlier of: (a) the Expiration Date of such Vested Options as was in effect immediately prior to such termination; or (b) 3 (three) calendar months following the date of such termination or, if such termination is the result of death or disability of the Grantee, 12 (twelve) calendar months from the date of such termination.

9.4 Notwithstanding anything to the contrary herein, upon the issuance of a court order declaring the bankruptcy of a Grantee, or the appointment of a receiver or a provisional receiver for a Grantee, or over the Grantee's assets, or any material part thereof, or upon making a general assignment for the benefit of his creditors, any outstanding Options issued in favor of such Grantee (whether vested or not) shall immediately expire and terminate and become null and void, and shall entitle neither the Grantee nor the Grantee's receiver, successors, creditors or assignees to any right in or towards the Company in connection with the same, and all interests and rights of the Grantee or the Grantee's receiver, successors, creditors or assignees in and to the same, if any, shall expire.

10. Rights as Shareholder

It is hereby clarified that a Grantee shall not, by virtue of this Plan, any applicable Sub-Plan, the applicable Option Agreement or any Option granted to the Grantee, have any of the rights of a shareholder with respect to Shares underlying the Options, until the Options have been exercised and the Exercised Shares registered in the Grantee's name.

11. Liquidation

In the event that the Company is liquidated or dissolved while unexercised Options remain outstanding under the Plan, then all or part of such outstanding Options may be exercised in full by the Grantees as of immediately prior to the effective date of such liquidation or dissolution of the Company, without regard to the vesting terms thereof.

12. Adjustments

The number of Shares underlying each outstanding Option, together with those Shares otherwise reserved for the purposes of this Plan as provided in Section 5 above, shall be proportionately adjusted for any increase or decrease in the number of Shares resulting from a reorganization of the share capital of the Company by a stock split, reverse stock split, combination or reclassification of the shares, as well as for a distribution of bonus shares. Such adjustment shall be made by the Board, whose determination in this matter shall be final, binding and

conclusive.

All provisions applying to the Exercised Shares shall apply to all Shares received as a result of an adjustment as described above.

13. No Interference

Neither the Plan nor any applicable Sub-Plan or Option Agreement shall affect, in any way, the rights or powers of the Company or its shareholders to make or to authorize any sale, transfer or change whatsoever in all or any part of the Company's assets, obligations or business, or any other business, commercial or corporate act or proceeding, whether of a similar character or otherwise; any adjustments, recapitalizations, reorganizations or other changes in the Company's capital structure or business; any merger or consolidation of the Company; any issue of bonds, debentures, or shares; or the dissolution or liquidation of the Company; and none of the above acts or authorizations shall entitle the Grantee to any right or remedy, including without limitation any right of compensation for dilution resulting from any issuance of shares or of any other securities in the Company to any person or entity whatsoever.

14. No Employment/Engagement/Continuance of Service Obligations

Nothing in the Plan, in any applicable Sub-Plan or Option Agreements, or in any Option granted hereunder shall be construed as guaranteeing the Grantee's continuous employment, engagement or service with the Company or any Affiliated Company, and no obligation of the Company or any Affiliated Company as to the length of the Grantee's employment, engagement or service or as to any other term of employment, engagement or service shall be implied by the same. The Company and its Affiliated Companies reserve the right to terminate the employment, engagement or service of any Grantee pursuant to such Grantee's terms of employment, engagement or service and any law.

15. No Representation

The Company does not and shall not, through this Plan or any applicable Sub-Plan or Option Agreement, make any representation towards any Grantee with respect to the Company, its business, its value or either its shares in general or the Exercised Shares in particular.

Each Grantee, upon entering into the applicable Option Agreement, shall represent and warrant toward the Company that his consent to the grant of the Options issued in his/her favor and the exercise (if so exercised) thereof, neither is nor shall be made, in any respect, upon the basis of any representation or warranty made by the Company or by any of its directors, officers, shareholders or employees, and is and shall be made based only upon his/her examination and expectations of the Company, on an "as is" basis. Each Grantee shall waive any claim whatsoever of non-conformity of any kind, and any other cause of action or claim of any kind with respect to the Options and/or their underlying Shares.

14

16. Tax Consequences

All tax consequences arising from the grant or exercise of any Option, the payment for or the transfer of the Exercised Shares to the Grantee, or from any other event or act (of the Company, any Affiliated Company, the trustee, if applicable, or the Grantee) hereunder, shall be borne solely by the Grantee, and the Grantee shall indemnify the Company and the trustee, if applicable, and hold them harmless from and against any and all liability for any such tax or interest or penalty thereon, including without limitation liabilities relating to the necessity to withhold, or to have withheld, any such tax from any payment made to the Grantee, unless said liability is a result of default by the Company. The Company, any Affiliated Company and the trustee, if applicable, may withhold from any payment to be made to the Grantee the amount of the tax and/or other mandatory payment the withholding of which is required with respect to the Options and/or the Exercised Shares under any applicable law. The Company or an Affiliated Company may require the Grantee, through payroll withholding, cash payment or otherwise, to make adequate provision for any such tax withholding obligations of the Company, Affiliated Company or trustee, if applicable, arising in connection with the Options or the Exercised Shares.

17. Non-Exclusivity of the Plan

The adoption by the Board of this Plan and any Sub-Plans shall not be construed as amending, modifying or rescinding any previously approved incentive arrangements, or as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including without limitation the grant of options for shares in the Company otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

2. General

- 2.1 The purpose of this Sub-Plan is to establish certain rules and limitations applicable to Options granted under the Plan to Grantees, the grant of Options to whom (or the exercise of Options by whom) is subject to taxation in the United States ("**US Grantees**"), in order, inter alia, that all or part of such Options granted to US Grantees may be Incentive Stock Options.
- 2.2 The Plan and this Sub-Plan are complementary to each other and shall, with respect to Options granted to US Grantees, be read and deemed as one. In the event of any contradiction, whether explicit or implied, between the provisions of this Sub-Plan and the Plan, the provisions of this Sub-Plan shall prevail with respect to Options granted to US Grantees.
- 2.3 Options may be granted pursuant to this Sub-Plan to any US Grantee. The provisions specified in this Sub-Plan shall apply solely to Options granted to US Grantees and shall form an integral part of the Plan with respect to such Options. Options may be granted under this Sub-Plan either as Incentive Stock Options or as Non-Statutory Stock Options, subject to any applicable restrictions or limitations as provided in applicable law. Pursuant to Section 422(a)(2) of the Code, Incentive Stock Options only may be granted to US Grantees who are employees of the Company or of a parent or subsidiary of the Company.
- 2.4 No US Grantee may receive more than 50,000 Options in any one calendar year.

3. Administration

Without derogating from the powers and authorities of the Board detailed in the Plan, unless specifically required under applicable law, the Board shall also have the sole and full discretion and authority, without the need to submit its determinations or actions for approval by the shareholders of the Company, to administer this Sub-Plan and all actions related thereto, including, in addition to any powers and authorities specified in the Plan, the performance, from time to time and at any time, of either or both of the following:

16

-
- (a) deciding whether to issue Options as Incentive Stock Options or as Non-Statutory Stock Options; and
 - (b) adopting standard forms of Option Agreements (the **US Option Agreement**) to be applied with respect to US Grantees, incorporating and reflecting, *inter alia*, relevant provisions regarding the grant of Options in accordance with this Sub-Plan, and amending or modifying the terms of such standard forms from time to time.

To the extent that the Board determines that an Option should qualify as performance-based compensation within the meaning of section 162(m) of the Code, such Option shall be approved by a committee comprised solely of two or more outside directors.

Notwithstanding anything to the contrary contained in the Plan and/or herein, it is hereby clarified that a resolution of the Board with any of the following effects shall require shareholder approval: (i) increasing the maximum number of Shares that may be issued as Incentive Stock Options under this Sub-Plan; (ii) extending the period during which an Incentive Stock Option may be granted; (iii) extending the term of this Sub-Plan; or (iv) changing the class of employees who are eligible to participate in this Sub-Plan; or (v) any other material amendment to this Sub-Plan.

4. Custodian and Restricted Period.

- 4.1 *Grant in the name of Custodian* Notwithstanding anything to the contrary in the Plan, the Board may, from time to time, with respect to all US Grantees or with respect to any particular US Grantee, determine that Options granted hereunder shall be granted to a Custodian (**Custodian Options**), that Exercised Shares issued pursuant to the exercise of the Custodian Options (**Custodian Exercised Shares**) shall also be issued to the Custodian, and that both shall be registered in the name of the Custodian, who shall hold such Options and Exercised Shares in trust until such time when they are released as provided in Section 4.3 hereunder, and shall be subject to the provisions below.
- 4.2 *Method of Exercise* Notwithstanding anything to the contrary in the Plan, a copy of each Exercise Notice with respect to Custodian Options shall also be sent to the Custodian at its principal offices.
- 4.3 *Restricted Period and Transferability* Custodian Options and Custodian Exercised Shares, and all rights attached thereto (including bonus shares), shall be held by the Custodian for such period of time as determined by the Board (the **Restricted Period**). The Grantee shall not be entitled to receive the Custodian Options, the Custodian Exercised Shares or any right attached thereto (including bonus shares), or to request the transfer or sale thereof to any third party, before the lapse of the Restricted Period. Subject to the above, and to all other applicable restrictions provided in the Plan, this Sub-Plan, the applicable US Option Agreement and applicable law, the Custodian may, pursuant to the written request of the US Grantee, release and transfer the Custodian Exercised Shares to such US Grantee, or to any third party to whom such US Grantee wishes to sell them, as indicated in such US Grantee's written notice; provided, however, that the Custodian shall not release, transfer, or perform any other transaction or action with respect to the Custodian Exercised Shares unless and until both of the following conditions have been fulfilled:
 - (i) payment has been remitted to the tax authorities of all taxes required to be paid upon the release and transfer of the Custodian Exercised Shares, and confirmation of such payment has been received by the Custodian, if applicable (unless the transfer is by will or laws of descent); and
 - (ii) the Custodian has received written confirmation issued by the Company to the effect that all requirements for said release and transfer have been fulfilled in accordance with the provisions of the Articles of the Company, the Plan, this Sub-Plan, and the applicable US Option Agreement.

For the removal of doubt, it is clarified that the Custodian may release only Custodian Exercised Shares (and not Custodian Options).

4.4 *Rights as Shareholder* As long as Custodian Exercised Shares are registered in the name of the Custodian, the Company shall deem the Custodian to be the sole owner of such shares for all purposes whatsoever (including without limitation for the purpose of delivering notices); and the US Grantee shall have no rights by virtue of the Custodian Exercised Shares until such Custodian Exercised Shares have been transferred to the US Grantee by registering them in the US Grantee's name. Notwithstanding, the Custodian shall not exercise the voting rights conferred by such Custodian Exercised Shares in any way whatsoever, and shall not issue a proxy to any person or entity to vote such shares.

4.5 *Bonus Shares* All bonus shares issued by the Company, if any, by virtue of the Custodian Exercised Shares, while the latter are held by the Custodian, shall be registered in the name of the Custodian, and all provisions applying to such Custodian Exercised Shares shall apply to the bonus shares issued by virtue thereof, *mutatis mutandis*. Said bonus shares shall be subject to the Restricted Period of the Custodian Exercised Shares by virtue of which they were issued.

5. **Incentive Stock Options**

5.1 The maximum number of Incentive Stock Options that may be granted under this Sub-Plan is 150,000.

5.2 The date of grant of an Incentive Stock Option shall be as determined by the Board in its decision to grant same to a US Grantee pursuant to the Plan and this Sub-Plan.

5.3 Notwithstanding anything to the contrary, Incentive Stock Options shall not be granted to any owner of 10% or more of the total combined voting power of the Company and/or any parent or subsidiary of the Company

5.4 Subject to Section 5.3, above, the Exercise Price of an Incentive Stock Option shall be 100% of the fair market value of its underlying Share on the date of grant of such Incentive Stock Option. Unless otherwise determined by the Board, which determination shall not require shareholder approval unless specifically required in order to comply with applicable laws, and so provided in the applicable US Option Agreement, for as long as the Company's shares are traded on Nasdaq, said fair market value shall be the closing value of the Shares listed on Nasdaq at the closing of the last day of trading prior to the date of the grant of such Option.

5.5 The aggregate value of Shares vesting in any calendar year to the benefit of any one US Grantee pursuant to Incentive Stock Options shall not exceed US \$100,000, such value measured by the fair market value of such shares on the date of grant of the Option, determined pursuant to Section 5.4 above.

6. **Tax Consequences**

Any and all tax consequences arising from the grant or exercise of Options, the payment for or the transfer of Exercised Shares, or from any other event or act hereunder (of the Company, an Affiliated Company, the Custodian or the US Grantee), including any non-compliance of the US Grantee with the provisions hereof, shall be borne solely by the US Grantee. Without derogating from the provisions of the Plan, this Sub-Plan and the applicable US Option Agreement, the Company, any Affiliated Company and the Custodian, if applicable, or any one thereof, shall withhold taxes according to the requirements of applicable laws, rules and regulations, including the withholding of taxes at source. Furthermore, each US Option Agreement shall provide that the US Grantee agrees, by executing such US Option Agreement, to indemnify the Company, the applicable Affiliated Company and the Custodian, if applicable, or any one thereof, and to hold them harmless from any and all liability for any such tax or interest or penalty thereupon, including without limitation liabilities relating to the necessity to withhold, or to have withheld, any such tax from any payment made to the US Grantee.

Additionally, any reference in the Plan, in this Sub-Plan or in the applicable US Option Agreement to the payment of applicable taxes and withholding requirements with respect thereto shall apply to any Options issued hereunder, and shall be deemed to include any applicable federal, state or other United States taxes.

Without derogating from the aforesaid, the US Grantee shall provide the Company and any applicable Affiliated Company with any executed documents, certificates and/or forms that may be required from time to time by the Company or such Affiliated Company in order to determine and/or establish the tax liability of such US Grantee.

Without derogating from the foregoing, it is hereby clarified that the US Grantee shall bear and be liable for all tax and other consequences in the event that his/her Incentive Stock Option and/or Exercised Shares are not deemed and/or treated as Incentive Stock Options.

7. Changes in Capital Structure

Without derogating from the provisions of the Plan, if, from time to time, the Company shall effect any stock dividend, stock split or any other change to its capitalization, or a merger or consolidation, all as described in the Plan, then in such event any and all new, substituted or additional securities or other property to which the US Grantee shall be entitled by virtue of his/her Options shall be subject upon its issuance to this Sub-Plan and to any trust established with respect to such Option, with the same force and effect as applicable to the Options subject to this Sub-Plan and to any such trust immediately prior to such event.

8. Amendment or Termination of this Sub-Plan

Amendment or termination of this Sub-Plan or of any Option granted pursuant hereto shall be subject to the provisions of Section 3 of the Plan. Notwithstanding the aforesaid, no consent by any holder of an Option shall be required to effect any amendment or termination of the Plan and/or this Sub-Plan where such amendment or termination is necessary, in the sole judgment of the Company and/or the applicable Affiliated Company, to comply with any applicable law, regulation or rule.
