In compliance with the Companies Law, at the Meeting, the Board of Directors will propose that the following resolution (which has been approved by the Audit Committee and the Board of Directors - excluding Adiv Baruch who has a personal interest in the decision), be adopted:

"RESOLVED, to approve the management agreement between the Company, Signum Ltd. and Adiv Baruch."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

4. APPROVAL OF SERVICE AGREEMENT BETWEEN BOSCOM LTD. AND ZVI GREENGOLD

The Audit Committee and the Board of Directors have approved (subject to

Shareholder approval) a consulting service agreement, effective September 1, 2003, between BOScom Ltd, the Company's wholly-owned subsidiary, and Mr. Zvi Greengold, a director of the Company (who will cease serving as a director on August 5, 2004), and also a director of BOScom Ltd., and that the consulting fee of 4,500 NIS per month (approximately \$1,000) plus applicable VAT and reimbursement of expenses, shall be in addition to the remuneration and options Mr. Greengold receives as a director of the Company (as do all directors who are not employees or consultants of the Company). The services include assisting management in the formalization of managerial processes and providing consulting services to the CEO. The agreement may be terminated by either party for any reason by 30 day advance written notice.

For the avoidance of doubt, as BOScom Ltd. is a wholly-owned subsidiary of the Company, and since, according to the Israeli Companies Law 1999, the remuneration of directors (including remuneration for other positions they hold in the Company), must be approved by the shareholders of the company, the Company is seeking shareholder approval of the service agreement, for the period of September 1, 2003 to August 5, 2004. Therefore, at the meeting, the Board of Directors will propose that the following resolution (which has been approved by the Audit Committee and the Board of Directors - excluding Zvi Greengold who has a personal interest in the decision) be adopted:

"RESOLVED, to approve the service agreement between BOScom Ltd. and Zvi Greengold, and that the consulting fee provided thereunder be in addition to the remuneration and options Mr. Greengold receives as a director of the Company."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

5. GRANT OF OPTIONS TO ISRAEL GAL

The Audit Committee and the Board of Directors approved (subject to Shareholder approval) in August 2003, the grant of 12,805 options to purchase Ordinary Shares of the Company, under the Company's 2003 Stock Option Plan, to Mr. Israel Gal. Mr. Gal is a Company director, who served as the Company's Chief Executive Officer and President from its inception in 1990 until January 2002, and then again from September 2002 until December 2003. He also served as the CEO of one of the Company's subsidiaries, BOScom Ltd., until June 2004, and is currently the CTO of VOIP products in BOScom. The options were approved in conjunction with an 18% salary cut, that was part of the Company's cost-reduction plan. The terms of the grant are as follows: Date of grant - August 31, 2003; Vesting terms - 50% vesting on August 31 2004, and 50% on August 31 2005; Exercise price - \$2; Maximum exercise period - August 31, 2013.

As Mr. Gal is a director of the Company, and since, under the Israeli Companies Law, 1999, his conditions of service with the company, including the issuance of share options, must be approved by the shareholders of the Company, at the Meeting, the Board of Directors will propose that the following resolution (which has been approved by the Audit Committee and the Board of Directors - excluding Israel Gal who has a personal interest in the decision), be adopted:

"RESOLVED, to approve the grant of options to Israel Gal, under the above-mentioned terms and conditions."

Upon the receipt of a properly signed and dated proxy and unless otherwise

instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

6. REMUNERATION AND GRANT OF OPTIONS TO COMPANY DIRECTORS

On February 18, 2003, the Company's shareholders approved remuneration to all directors of the Company (including directors appointed in the future) who are not employees or paid consultants of the Company in accordance with the rates paid to the Company's external directors¹. Additionally, the Company's shareholders approved the issuance of 7,500 options to purchase Ordinary Shares of the Company (the "Options") to each director of the Company (including the external directors) and any future first-time director, who is not an employee or paid consultant of the Company, subject to the following terms and conditions:

EXERCISE PRICE - \$1.84 (the closing price of the Company's Shares on the Nasdaq National Market on the date of the adoption of the resolution by shareholders).

OPTION TERMS- The Options will vest and become exercisable over a period of three years, in three equal parts as follows: 33.33% after one year from the date of grant, with an additional 33.33% becoming exercisable upon the expiration of each of the two years thereafter.

MAXIMUM OPTION TERM - Five years from grant.

PAYMENT - Payment for Ordinary Shares purchased upon exercise of Options must be made in full upon exercise of the Option, by cash or check or cash equivalent, or by the assignment of the proceeds of a sale of some or all of the shares being acquired upon exercise of an Option, or by any combination of the foregoing.

RESTRICTIONS ON TRANSFER OF PLAN SHARES - Options are exercisable in whole or in part at such times after the date of grant as set forth above. Options are exercisable during the lifetime of the Option holder only by such Option holder, and may not be assigned or transferred except by an advance approval of the Company's Audit Committee, by will or by the laws of descent and distribution. Options shall be exercisable during the term the Option holder holds office as a director of the Company or within 60 days after leaving this position, with certain exceptions in the case of the Option holder's death or disability.

¹ At the Annual General Meeting held March 13, 2002 the shareholders resolved to remunerate the external directors according to the maximum rate permitted (now and in the future) by Israeli law and regulations. The current rates for companies the size of the Company, are an annual fee of approximately \$5,520, and a participation fee in meetings of approximately \$290 per meeting. On June 26, 2003, the Board of Directors resolved to reduce the annual fee for all directors by 18%, effective July 1, 2003, as part of a cost-reduction plan.

10

With respect to this prior resolution, the Board of Directors recommends adopting the following resolutions:

A. AMENDMENT OF EXERCISE PRICE OF THE OPTIONS

As the share price has fluctuated over the past year, the Audit Committee

Edgar Filing: BOS BETTER ONLINE SOLUTIONS LTD - Form 6-K

and the Board of Directors have approved (subject to Shareholder approval) that future issuances to new directors will have an exercise price equal to the average closing price of the shares on the Nasdaq National Market on the 20 trading days preceding their appointment.

At the Meeting, the Board of Directors will propose that the following resolution be adopted:

"RESOLVED, that the exercise price of options to be granted to any future directors, pursuant to the resolution adopted on February 18, 2003, be, from hereon, equal to the average closing price of the shares on the Nasdaq National Market on the 20 trading days preceding his or her appointment."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

B. REMUNERATION AND OPTION GRANT TO EDOUARD CUKIERMAN

Mr. Edouard Cukierman is the Chairman of the Board of Directors of the Company. The Audit Committee and the Board of Directors have approved (subject to Shareholder approval), that Mr. Cukierman will receive remuneration (retroactively from the date of his nomination in May 2003) as a Board member, and 7,500 options (with a grant date of August 31, 2003), under the same terms as all other directors, despite his being (indirectly) a controlling shareholder and senior executive of Cukierman & Co. Investment House Ltd. (a service provider to the Company), and therefore not eligible for remuneration and options according to the shareholder resolution adopted on February 18, 2003. Mr. Cukierman is an executive of the Catalyst Fund ("Catalyst"), one of the Company's shareholders, and has indicated that he intends to transfer his remuneration and options to Catalyst.

At the Meeting, the Board of Directors will propose that the following resolution (which has been approved by the Audit Committee and the Board of Directors - excluding Edouard Cukierman who has a personal interest in the decision), be adopted:

"RESOLVED, to approve the remuneration and grant of options to Edouard Cukierman, under the above-mentioned terms and conditions."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

C. TACKING OF HOLDING PERIODS OF CERTAIN DIRECTORS

The Audit Committee and the Board of Directors have approved, retroactive from August 2003 (and subject to Shareholder approval), that if executives of Catalyst on the Company's Board of Directors (currently: Edouard Cukierman and Avishai Gluck), transfer their right to be granted options to Catalyst (the Audit Committee and Board of Directors have approved such transfer), then for purposes of vesting and exercise terms of the options, the holding period of a successor Catalyst executive on the Company's Board will be tacked to that of his predecessor, provided that the service on the Board is consecutive. As of the date of this report, one Catalyst executive, Avishai Gluck, who was granted options on February 5, 2004, has transferred his options to Catalyst. In the event shareholder approval is received, the grant date of the options that were transferred to Catalyst by Avishai Gluck, will be August 31, 2003 (and not February 5, 2004), as Avishai Gluck replaced Boaz Harel, another Catalyst executive, on the Company's Board of Directors, and Boaz Harel was granted options on August 31, 2003.

At the Meeting, the Board of Directors will propose that the following resolution (which has been approved by the Audit Committee and the Board of Directors - excluding Edouard Cukierman and Avishai Gluck (Catalyst executives) and Yair Shamir (Chairman of Catalyst) who have a personal interest in the decision), be adopted:

"RESOLVED, to approve the tacking of holding periods of certain directors, as recommended by the Board of Directors."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

7. AMENDMENT TO THE COMPANY'S ARTICLES OF ASSOCIATION

Currently, article 13.1 of the Company's Articles of Association states as follows: "No discussion may be commenced at the general meeting unless a quorum is present at the time of the dicussion's commencement. A quorum is the presence of at least two shareholders holding at least 25% of the voting rights (including the presence through a proxy or voting instrument), within half an hour of the time fixed for the meeting's commencement".

The Board of Directors recommends amending article 13.1 by replacing the figure "25%" (which is the minimum requirement under the Israeli Companies Law, 1999) with "33 1/3%" (thirty three and one-third percent), in accordance with the NASDAQ rules. Therefore, at the meeting, the Board of Directors will propose that the following resolution be adopted:

"RESOLVED, to amend article 13.1 of the Company's Articles of Association, as recommended by the Board of Directors. "

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

8. RECEIPT OF AUDITOR'S REPORT AND FINANCIAL STATEMENTS

At the Meeting the shareholders shall receive and consider the Auditor's Reports and the Consolidated Financial Statements of the Company for the fiscal years ended December 31, 2002 and 2003.

9. OTHER BUSINESS

The Meeting is called for the purposes set forth in the Notice accompanying this Proxy Statement. As of the date of the Notice, the Board of Directors knows of no business which will be presented for consideration at the Meeting other than the foregoing matters. If other matters not now known properly come before the Meeting, however, it is intended that the persons named as proxies or their substitutes will vote the Ordinary Shares in accordance with their best judgment with respect to such matters.
