EXPLANATORY NOTE

Registration of additional shares

Pursuant to General Instruction E

On July 31, 2017, at a special meeting of the shareholders of magicJack VocalTec, Ltd. (the "Registrant" or "Company"), the shareholders of the Company approved amendments to the magicJack VocalTec, Ltd. 2013 Stock Incentive Plan (the "2013 Plan") and the magicJack VocalTec, Ltd. 2013 Israeli Stock Incentive Plan (the "2013 Israeli Plan" and together with the 2013 Plan, the "Plans"). The Plans were previously amended to increase the number of ordinary shares available for awards from an aggregate of 2,250,000 shares as between the Plans to an aggregate of 3,600,000 shares as between the Plans (the "First Plan Amendments"). The amendments approved by the shareholders on July 31, 2017, were previously approved by the Company's Board of Directors in May of 2017, subject to shareholder approval (as amended, the "Amended and Restated 2013 Plan" and the "Amended and Restated 2013 Israeli Plan" and together the "Amended and Restated Plans").

The Amended and Restated Plans provide, among other things, that a maximum aggregate of 5,600,000 of the Company's ordinary shares, no par value, may be issued thereunder. Originally, 2,250,000 shares were authorized under the Plan and registered under the Securities Act of 1933, as amended (the "Securities Act"), pursuant to a registration statement on Form S-8 filed on November 20, 2013 (Registration No. 333-192431) (the "Original Form S-8"). The 2013 S-8 remains in full force and effect.

The Company is filing this Registration Statement to register under the Securities Act an additional 3,350,000 shares of the Company's Common Stock to be issued pursuant to the Amended and Restated Plans. These additional shares include the 1,350,000 additional ordinary shares approved by the shareholders in the First Plan Amendments and the 2,000,000 additional ordinary shares approved by the shareholders in the Amended and Restated Plans. The additional shares to be registered by this Registration Statement are of the same class as those securities covered by the Original Form S-8. Pursuant to General Instruction E to Form S-8, the contents of the Original Form S-8 are incorporated herein by reference and this Registration Statement is only required to include those items specified by such instruction.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Consistent with the provisions of the Israeli Companies Law, 1999, or the Companies Law, the Company has included provisions in its Amended and Restated Articles of Association permitting it to procure insurance coverage for its office holders, exempt them from certain liabilities and indemnify them, to the maximum extent permitted by law. Under the Companies Law, indemnification of, and procurement of insurance coverage for the Company's office holders must be approved by its audit committee and its board of directors and, with respect to directors, by its shareholders.

---

#### Exemption

Under the Companies Law, an Israeli company may not exempt an office holder from liability with respect to a breach of his duty of loyalty, but may exempt in advance an office holder from his liability to the company, in whole or in part, with respect to a breach of his duty of care (other than with respect to a breach of duty of care with respect to the distribution of a dividend or redemption of the company's securities). Under the Companies Law, a company may not indemnify an office holder, nor enter into an insurance contract that would provide coverage for any monetary liability incurred as a result of any of the following:

- a breach by the office holder of his duty of loyalty, unless the office holder acted in good faith and had a reasonable basis to believe that the act would not prejudice the company;
- a breach by the office holder of his duty of care, if such breach was done intentionally or in disregard of the circumstances of the breach or its consequences, other than a breach committed solely by negligence;
- any act or omission done with the intent to derive an illegal personal benefit; or
- any fine levied against the office holder as a result of a criminal offense.

#### Office Holder Insurance

The Company's Amended and Restated Articles of Association provide that, subject to the provisions of the Companies Law, it may enter into a contract for the insurance of the liability of any of its office holders with respect to:

- a breach of his duty of care to the Company or to another person;
- a breach of his duty of loyalty to the Company, provided that the office holder acted in good faith and had reasonable cause to assume that his act would not prejudice the Company's interests; and
- a financial liability imposed upon him in favor of another person concerning an act performed by him in his capacity as an office holder.

#### Indemnification of Office Holders

The Company's Amended and Restated Articles of Association provide that it may indemnify an office holder against: a financial liability imposed on him in favor of another person by any judgment, including a settlement or an arbitrator's award approved by a court concerning an act performed in his capacity as an office holder; reasonable litigation expenses, including attorneys' fees, expended by the office holder or charged to him by a court, in proceedings the Company institutes against him or instituted on its behalf or by another person, or in a criminal charge from which he was acquitted, or in which he was convicted of an offense that does not require proof of criminal intent; or reasonable litigation expenses, including attorneys' fees, expended by the office holder as a result of an investigation or proceeding instituted against him by an authority authorized to conduct such investigation or proceeding, provided that (i) no indictment (as defined in the Companies Law) was filed against such office holder as a result of such investigation or proceeding, and (ii) no financial liability as a substitute for the criminal proceeding (as defined in the Companies Law) was imposed upon him as a result of such investigation or proceeding or if such financial liability was imposed, it was imposed with respect to an offense that does not require proof of criminal intent.

Under the Companies Law, the Company's Amended and Restated Articles of Association may also include a provision authorizing it to grant in advance an undertaking to indemnify an office holder, provided that the undertaking is limited to such events which the board of directors shall deem to be likely to occur in light of the Company's operations at the time that the undertaking to indemnify is made and for such amounts or criteria which the board of directors may, at the time of the giving of such undertaking to indemnify, deem to be reasonable under the circumstances. Such undertaking shall set forth such events which the board of directors shall deem to be likely to occur in light of the operations of the company at the time that the undertaking to indemnify is made, and the amounts and/or criteria which the board of directors may, at the time of the giving of such undertaking to indemnify, deem to be reasonable under the circumstances; and a provision authorizing the Company to retroactively indemnify an office holder.

As permitted under Israeli law and the Company's Amended and Restated Articles of Association, the Company has agreements whereby it indemnifies its officers and directors for certain acts or omissions that may have been made or will be made in the future by the officers and directors by virtue of their service as a director or officer of the Company and/or of any Company subsidiary and/or of a third party at the request of the Company. The maximum aggregate indemnification amount that the Company may pay to all of its directors and officers, in the aggregate, pursuant to all letters of indemnification issued by the Company and its subsidiaries is the greater of (i) \$20 million and (ii) an amount equal to 75% of the Company's assets minus its liabilities according to the most recent audited consolidated financial statements of the Company prior to the payment of the applicable indemnification amount.

Item 7. Exemption from Registration Claimed.

Not Applicable.

Item 8. Exhibits.

The exhibits to this Registration Statement are described in the Exhibit Index below, which Exhibit Index is incorporated herein by reference.

Item 9. Undertakings.

(a) The Company hereby undertakes:

To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (1)
    - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;  
To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
    - (ii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;  
provided, however, that information required to be included in a post-effective amendment by Paragraphs (a)(1)(i) and (a)(1)(ii) is not contained in reports filed with or furnished to the SEC by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement; and  
That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
  - (2) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
  - (3) That, for the purpose of determining liability under the Securities Act to any purchaser:
  - (4) That, for the purpose of determining liability under the Securities Act to any purchaser:
-

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) of the Securities Act shall be deemed to be part of the Registration Statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7), (b)(5), or (b)(7) of the Securities Act as part of this registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in this registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in this registration statement or prospectus that is part of this registration statement or made in a document incorporated or deemed incorporated by reference into this registration statement or prospectus that is part of this registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this registration statement or prospectus that was part of this registration statement or made in any such document immediately prior to such effective date;

(b) The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of its annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
