PROXY STATEMENT

The accompanying proxy, to be mailed to stockholders together with the Notice of Annual Meeting and this Proxy Statement on or about April 8, 2005, is solicited by the Board of Directors of American Campus Communities, Inc. in connection with the Annual Meeting of Stockholders to be held on May 12, 2005.

QUESTIONS AND ANSWERS

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form DEF 14A

Q: WHAT AM I VOTING ON?

A: Election of eight directors to hold office for a one-year term.

Q: WHO IS ENTITLED TO VOTE?

A: Stockholders as of the close of business on the Record Date, March 18, 2005, are entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote.

Q: HOW DO I VOTE?

A: Sign and date each Proxy Card you receive and return it in the prepaid envelope. If you are the holder of record and do not mark any selections, your Proxy Card will be voted in favor of all of the director nominees. If you are a registered stockholder, you may change your vote or revoke your proxy at any time before the Annual Meeting by submitting written notice to our Secretary, submitting another proxy that is properly signed and later dated or voting in person at the Annual Meeting. In each case, the later submitted vote will be recorded and the earlier vote revoked. If you hold your shares in street name, please follow the procedures required by your bank, broker or other nominee to revoke a proxy. You should contact that firm directly for more information on these procedures

In their discretion, the proxy holders named in the enclosed proxy are authorized to vote on any other matters that may properly come before the Annual Meeting and at any postponement or adjournment thereof. The Board knows of no other items of business that will be presented for consideration at the Annual Meeting other than the proposal described in this Proxy Statement. In addition, no stockholder proposals or nominations were received on a timely basis, so no such matters may be brought to a vote at the Annual Meeting.

Q: IS MY VOTE CONFIDENTIAL?

A: Yes. Proxy cards, ballots and voting tabulations that identify individual stockholders are confidential. Only the inspectors of election and certain employees associated with processing proxy cards and counting the vote have access to your card. Additionally, all comments directed to management (whether written on the Proxy Card or elsewhere) will remain confidential, unless you ask that your name be disclosed.

Q: WHO WILL COUNT THE VOTE?

A: All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes and withheld votes and abstentions. In order to be elected as a director, a nominee must receive a plurality of the votes cast at the Annual Meeting at which a quorum is present. For purposes of calculating votes cast in the election of directors, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote on the proposal regarding the election of the directors. "Broker non-votes" are proxies from brokers or other nominees indicating that such person has not

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form DEF 14A

received instructions from the beneficial owner or other person entitled to vote the shares that are the subject of the proxy on a particular matter with respect to which the broker or other nominee does not have discretionary voting power.

Q: WHAT CONSTITUTES A QUORUM?

A: As of the Record Date, 12,669,782 shares of Common Stock were issued and outstanding. A majority of the outstanding shares, present or represented by proxy, constitutes a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted in determining the presence of a quorum.

Q: WHO CAN ATTEND THE ANNUAL MEETING?

A: All stockholders of record as of the Record Date can attend.

Q: WHO PAYS FOR THIS PROXY SOLICITATION?

A: The Company will bear the entire cost of solicitation of proxies, including preparation, assembly and mailing of this Proxy Statement, the proxy and any additional information furnished to stockholders by the Company. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding shares of Common Stock in their names that are beneficially owned by others to forward to these beneficial owners. The Company may reimburse persons representing beneficial owners for their costs of forwarding the solicitation material to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile, electronic mail or personal solicitation by directors, officers or employees of the Company. No additional compensation will be paid to directors, officers or employees for such services.

2

PROPOSAL TO BE VOTED UPON

1. ELECTION OF DIRECTORS

Under the Company's Charter, each member of the Board is elected by the stockholders to serve until the next annual meeting and until his or her successor is duly elected and qualified. Vacancies on the Board may be filled only by individuals elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy (including a vacancy created by an increase in the size of the Board) will serve for the remainder of the term and until such director's successor is elected and qualified, or until such director's earlier death, resignation or removal.

Directors are elected by a plurality of the votes cast at the Annual Meeting, which means the eight nominees who receive the largest number of properly cast votes will be elected as directors. Each share of Common Stock is entitled to one vote for each of the eight director nominees. Cumulative voting is not permitted. It is the intention of the proxy holders named on the enclosed proxy to vote the proxies received by them

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form DEF 14A

for the election of the nominees named below unless authorization to do so is withheld. If any nominee should become unavailable for election prior to the Annual Meeting, an event which currently is not anticipated by the Board, the proxies will be voted for the election of a substitute nominee or nominees proposed by the Board.

Mr. William C. Bayless Jr., Mr. R.D. Burck, Mr. G. Steven Dawson, Ms. Cydney Donnell, Mr. Edward Lowenthal, Mr. Brian B. Nickel, Mr. Scott H. Rechler and Mr. Winston W. Walker are all of our nominees for election to the Board. Each such nominee has consented to be named in this Proxy Statement and to serve as a director if elected, and management has no reason to believe that any nominee will be unable to serve.

The employment agreements between the Company and each of Messrs. Bayless and Nickel provide that such executive will be a director. See "Compensation - Employment Contracts, Termination of Employment and Change-In-Control Arrangements." In connection with the Formation Transactions, the Company agreed to nominate Mr. Rechler to be a director at the 2005 and 2006 annual meetings, subject to his consent and eligibility to serve. See "Certain Relationships and Related Transactions."

THE BOARD RECOMMENDS A VOTE FOR ALL NOMINEES TO SERVE AS DIRECTORS.

BOARD INDEPENDENCE AND MEETINGS

BOARD GOVERNANCE DOCUMENTS. The Board maintains charters for all committees. In addition, the Board has adopted a written set of corporate governance guidelines and a code of business conduct and ethics that generally formalize practices already in place at the Company. To view the Company's committee charters, corporate governance guidelines and code of business conduct and ethics, please visit www.americancampuscommunities.com. The Board has adopted and adheres to corporate governance practices that the Board and senior management believe promote the highest standards of integrity, are sound and represent best practices. The Board of Directors periodically reviews these governance practices, the rules and listing standards of the New York Stock Exchange and SEC regulations, as well as best practices suggested by recognized governance authorities.

INDEPENDENT DIRECTORS. Currently, the Board has eight directors. The Board of Directors has determined, after considering all of the relevant facts and circumstances, that five directors (Mr. R.D. Burck, Mr. G. Steven Dawson, Ms. Cydney Donnell, Mr. Edward Lowenthal and Mr. Winston W. Walker) are independent, as "independence" is defined by the New York Stock Exchange. This means that none of the independent directors has any direct or indirect material relationship with the Company, either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company. As a result, the Board has a majority of independent directors on the Board as required by the listing requirements of the New York Stock Exchange.

Independent directors have regularly scheduled executive sessions in which they meet without the presence of management. These executive sessions typically occur after each regularly scheduled meeting of the Board of Directors. Any independent director may request that an additional executive session be scheduled. The presiding director of these executive sessions is Mr. R.D. Burck, the Lead Independent Director.

MEETINGS. The Board of Directors met either in person or by conference call five times in 2004. All directors attended at least 75% of the total number of meetings of the Board and committees, collectively, on which they served during 2004 while they were directors and a member of any such committee. All directors are encouraged to attend the Company's annual meeting of stockholders. This is the Company's first annual meeting since our IPO.

BOARD COMMITTEES

AUDIT COMMITTEE. The current members of the Audit Committee are Messrs. Dawson (Chairman), Burck and Walker. Each member of the Audit Committee satisfies the requirements for independence set forth in Rule 10A-3(b)(1) of the Securities Exchange Act of 1934 and the New York Stock Exchange's listing standards. The Board of Directors, after reviewing all of the applicable facts, circumstances and attributes, has determined that Mr. Dawson is an "audit committee financial expert," as such term is defined in Item 401(h) of Regulation S-K.

The Audit Committee operates under a written charter, which was adopted on August 17, 2004. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. A copy of the charter is included in this Proxy Statement as Appendix A and can also be viewed on the Company's website at www.americancampuscommunities.com. The Report of the Audit Committee is set forth beginning on page 18 of this Proxy Statement.

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form DEF 14A

The Audit Committee's responsibilities include assisting the Board in overseeing the integrity of the Company's financial statements, compliance with legal and regulatory requirements, the independent auditors' qualifications and independence and the performance of the Company's independent auditors. In addition, the Audit Committee reviews, as it deems appropriate, the adequacy of the Company's systems of disclosure controls and internal controls regarding financial reporting and accounting. In accordance with its charter, the Audit Committee has the sole authority to appoint and replace the independent auditors, who report directly to the Audit Committee, approve the engagement fee of the independent auditors and pre-approve the audit services and any permitted non-audit services that the independent auditors may provide to the Company. The Audit Committee met four times in 2004.

EXECUTIVE COMMITTEE. Subject to the supervision and oversight of the Board of Directors, the Executive Committee, which consists of Mr. Bayless (Chairman), Ms. Donnell, Mr. Nickel and Mr. Rechler, has the authority to approve, subject to certain limitations, acquisitions, financings and dispositions by the Company and to authorize the execution, subject to certain limitations, of certain contracts and agreements, including those relating to the borrowing of money by the Company, and to exercise generally all other powers of the Board, except for those which require action by all directors or the non-employee directors under the Articles of Incorporation or Bylaws of the Company or under applicable law. The Executive Committee met one time in 2004.

6

COMPENSATION COMMITTEE. The current members of the Compensation Committee are Messrs. Walker (Chairman), Dawson and Lowenthal. Each member of the Compensation Committee satisfies the requirements for independence set forth in the New York Stock Exchange's listing standards. The Compensation Committee operates under a written charter, which is reviewed and assessed for adequacy on an annual basis. A copy of the charter is available on the Company's website at www.americancampuscommunities.com. The Compensation Committee's responsibilities include overseeing the Company's compensation programs and practices and determining compensation for the executive officers. The Compensation Committee met one time in 2004.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE. The current members of the Nominating and Corporate Governance Committee are Mr. Lowenthal (Chairman), Mr. Burck and Ms. Donnell. Each member of the Nominating and Corporate Governance Committee satisfies the requirements for independence set forth in the New York Stock Exchange's listing standards. The Nominating and Corporate Governance Committee operates under a written charter, which is reviewed and assessed for adequacy on an annual basis. A copy of the charter is available on the Company's website at www.americancampuscommunities.com. The responsibilities of the Nominating and Corporate Governance Committee include assisting the Board in promoting the best interests of the Company and its stockholders through the implementation of sound corporate governance principals and practices. The Nominating and Corporate Governance Committee is also responsible for (i) identifying individuals qualified to become Board members, consistent with criteria approved by the Board, and recommending to the Board the director nominees for the next annual meeting of stockholders, (ii) developing and recommending to the Board a set of corporate governance principles applicable to the Company, and (iii) overseeing the evaluation of the Board and the Company's management. The Nominating and Corporate Governance Committee met one time in 2004.

The Nominating and Corporate Governance Committee will consider appropriate

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form DEF 14A

nominees for director whose names are submitted in writing by a stockholder of the Company. Nominations must be addressed to Chairman of the Nominating and Corporate Governance Committee, c/o American Campus Communities, Inc., 805 Las Cimas Parkway, Suite 400, Austin, Texas 78746, indicating the nominee's qualification and other relevant biographical information and providing confirmation of the nominee's consent to serve as director. In order to be considered for the next annual election of directors, any such written request must comply with the requirements set forth in the Bylaws of the Company.

The Nominating and Corporate Governance Committee reviews with the Board on an annual basis the appropriate skills and characteristics required of Board members in the context of the then-current composition of the Board. This assessment includes, in addition to qualities of intellect, integrity and judgment, business experience and knowledge, reputation and character, issues of diversity, relevant industry and trade association knowledge and participation, accounting and financial expertise, public company experience, willingness and ability to devote the time and effort required to effectively serve on the Board and relevant legal and regulatory qualifications. The committee makes this determination in the context of an assessment of the perceived needs of the Board at that point in time. The Committee evaluates all nominees for director based on these criteria, including nominees that may be recommended by stockholders.

The Committee considers nominees for the Board from any reasonable source, including current Board members, stockholders or other persons. While the Nominating and Corporate Governance Committee has the ability to retain a third party to assist in the nomination process, the Company has not paid a fee to any third party to identify or assist in identifying or evaluating potential nominees.

All nominees for director at the 2005 Annual Meeting currently serve as directors of the Company.

GUIDELINES ON GOVERNANCE AND CODES OF ETHICS

During 2004, the Board adopted Guidelines on Governance to address significant corporate governance issues. These guidelines provide a framework for our corporate governance initiatives and cover a variety of topics, including the role of our board, board selection and composition, board committees, board operation and structure, board orientation and evaluation, board planning and oversight functions and executive share ownership. The Nominating and Corporate Governance Committee is responsible for overseeing and reviewing the guidelines and reporting and recommending to the board any changes to the guidelines.

Also during 2004, the Board of Directors adopted a Code of Business Conduct and Ethics, which is designed to help officers, managers and employees resolve ethical issues in an increasingly complex business environment. It covers

topics such as reporting unethical or illegal behavior, compliance with law, share trading, conflicts of interest, fair dealing, protection of our assets, disclosure of proprietary information, internal controls, personal community activities, business records, communication with external audiences and obtaining assistance to help resolve ethical issues. The Board also adopted a Code of Ethical Conduct for Senior Financial Officers, which is applicable to the Company's principal executive officer, principal financial officer, principal accounting officer or controller and persons performing similar functions.

Each director who is not an employee of the Company or its subsidiaries receives an annual fee of \$25,000 for services as a director, payable quarterly. The Chairman of the Board receives an additional annual fee of \$25,000 but is not entitled to receive any other committee meeting fees. Non-employee directors who serve on the Audit Committee, Executive Committee, Nominating and Corporate Governance Committee and/or Compensation Committee receive a fee of \$2,000 for each committee meeting attended in person or \$1,000 for each committee meeting attended by conference telephone or similar communications equipment, except that in lieu of such meeting fee for Audit Committee meetings, the chairman of the Audit Committee receives a monthly fee of \$2,000.

The 2004 Plan provides for formula grants of RSUs to non-employee directors. On the closing date of the IPO, each non-employee director received \$25,000 of RSUs, or 1,429 RSUs, valued at \$17.50 per RSU, the initial public offering price of the Common Stock. Thereafter, on the date of each annual meeting of stockholders at which a non-employee director is re-elected to the Board of Directors, such non-employee director receives \$25,000 of RSUs valued at 100% of the fair market value of the Common Stock on the date of grant. Similarly, each non-employee director who is initially elected to the Board of Directors receives \$25,000 of RSUs on the date of such initial election and \$25,000 of RSUs on the date of each annual meeting of stockholders at which the non-employee director is re-elected to the Board of Directors, in each case valued at 100% of the fair market value of the Common Stock on the date of grant. Shares underlying RSUs granted to directors shall be settled, in accordance with the terms of the 2004 Plan, on the third anniversary of the date of the grant. Dividends accrue on the RSUs (without interest) equal to the cash dividends paid by the Company on the Common Stock. Mr. Rechler waived receipt of any director compensation until such time as he has been re-elected to the Board by the Company's stockholders. A total of 7,145 RSUs have been issued, all of which are currently outstanding.

Members of the Board of Directors also are reimbursed for travel expenses incurred in connection with Company business, including attendance at meetings of the Board and its committees.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities ("10% Holders"), to file reports of ownership and changes in ownership with the SEC. Officers, directors and 10% Holders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms that they file. To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company, all Section 16(a) filing requirements applicable to its executive officers, directors and 10% Holders were satisfied during 2004.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

THE ROLE OF THE COMMITTEE. Generally, the Compensation Committee of the Board of Directors (the "Compensation Committee") establishes, oversees and directs the Company's executive compensation policies and programs, administers the Company's 2004 Plan and seeks to ensure that the Company's executive compensation philosophy is consistent with the Company's best interests. The executive compensation program aims to: (i) support the Company's business objectives to produce consistent earnings growth and increase stockholder value;

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form DEF 14A

(ii) attract, reward, motivate and retain talented executives; (iii) tie executive compensation to the Company's financial performance; and (iv) link executives' goals with stockholders' interests.

TYPES OF COMPENSATION. The executive compensation system consists of three elements: (i) base salary; (ii) annual bonus, a portion of which may be received in restricted shares; and (iii) long-term compensation, which may include grants of restricted shares, PIUs or out performance awards based on past performance.

The Compensation Committee does not allocate a fixed percentage of compensation to these elements.

BASE SALARY AND BONUS COMPENSATION. The Compensation Committee believes that the Company is best served if executive base salaries and bonus compensation are kept at amounts approximating the median level within the industry. Base salaries and bonus compensation for our senior executives are set by the Compensation Committee after considering recommendations by management and factors such as the nature and responsibilities of each executive's position, the executive's experience, the achievement of corporate goals, the achievement of individual goals and competitive industry compensation. Corporate goals are based on operating performance, total stockholder return and other targets.

In conducting the review of management's proposals, the Compensation Committee considers comparable companies included in the Company's REIT peer group used in the performance graph. The Compensation Committee reviews salary information about comparable companies contained in public disclosures made by companies in the real estate industry and on published surveys with particular focus on companies of similar size within the industry. The most direct competitors for executive talent may not necessarily be identical to the REITs included in the peer group used in the performance graph. Thus, the peer group of REITs in the compensation analysis that was utilized by the Compensation Committee in analyzing management's salary and bonus proposals may include other companies not included in the peer group used in the performance graph.

Final compensation determinations for each fiscal year are generally made after the end of the fiscal year. At that time, base salaries for the following fiscal year are set, cash bonuses, if any, are determined for the past year's performance, and other long-term compensation awards, if any, are generally made. For fiscal 2004, the Compensation Committee reviewed the annual salaries of the Company's executive officers. At meetings held in January 2005 and February 2005,

11

the Compensation Committee set the base salaries for the Named Executive Officers for the fiscal year ending December 31, 2005 and approved cash bonuses and restricted stock awards for such officers in respect of the fiscal year ended December 31, 2004. See "Compensation - Executive Officer Compensation."

LONG-TERM COMPENSATION. Because today's business decisions affect the Company over a number of years, long-term incentive awards are tied to the Company's performance and the long-term value of its shares. The Compensation Committee's policy is to make all awards of restricted shares, PIUs or outperformance awards based on an officer's actual current and past performance rather than projected future performance. Grants of restricted shares, PIUs and outperformance awards are an important part of the Company's long-term compensation plan. Restricted stock awards granted in February 2005 were made based on an assessment of Company performance and the performance of the executive's department.

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form DEF 14A

CEO PERFORMANCE EVALUATION. In determining the compensation of Mr. Bayless, the Compensation Committee applies the same philosophy and procedures as it applies to other executive officers discussed above.

Changing market and economic conditions created a challenging business environment in 2004. During 2004 the Company completed its IPO, completed and successfully opened nine properties, commenced construction on five properties and placed five properties under contract to purchase. The Compensation Committee concluded that Mr. Bayless performed well in 2004 and provided leadership and vision, developed and articulated a strategic direction and fostered an environment in which his senior management team was able to support and execute these strategies. Based on these factors, the Compensation Committee granted Mr. Bayless a bonus and a long-term compensation award for 2004.

TAX DEDUCTIBILITY OF EXECUTIVE COMPENSATION. Section 162(m) of the Internal Revenue Code of 1986, as amended, disallows a tax deduction for any publicly held corporation for individual compensation of more than \$1.0 million in any taxable year to any named executive officers, other than compensation that is performance-based under a plan that is approved by the stockholders and that meets certain other technical requirements. Our Compensation Committee's policy with respect to Section 162(m) is to make every reasonable effort to ensure that compensation is deductible to the extent permitted while simultaneously providing executives with appropriate rewards for their performance.

This section of the proxy statement is not deemed "filed" with the SEC and is not incorporated by reference into our Annual Report on Form 10-K.

PROFITS INTEREST UNITS

PIUs are a special class of partnership interests in the Operating Partnership. Each PIU awarded is deemed equivalent to an award of one share of Common Stock under the 2004 Plan, reducing availability for other equity awards on a one-for-one basis. PIUs, whether vested or not, receive the same quarterly per unit distributions as holders of the Common Stock receive. This treatment with respect to quarterly distributions is similar to the treatment of restricted stock awards and RSUs. The Company issued 121,000 PIUs concurrently with the IPO to certain key employees of the Company. PIUs are automatically convertible into an equal number of common units of the Operating Partnership once the PIUs achieve full parity with common units on account of certain book-up events. The common units are redeemable for cash based upon the fair market value of an equivalent number of shares of the Common Stock, or, at the election of the Company, an equal number of shares of Common Stock.

Book-up events will occur upon a contribution of cash or property to the Operating Partnership, including contributions by the Company of the proceeds from future issuances of securities, or upon certain distributions of cash or property by the Operating Partnership to one or more partners of the Operating Partnership. Although we believe it likely that equalization will occur and the PIUs will be converted into common units of the Operating Partnership, there are circumstances under which such equalization would not be achieved and the PIUs would therefore not achieve parity with respect to liquidating distributions. Until and unless such parity is reached, the value that may be realized for a given number of vested PIUs will likely be less than the value of an equal number of shares of Common Stock. As of the date of this Proxy Statement, a book-up event has not yet occurred.

Holders of the PIUs are entitled to customary registration rights, including demand and piggyback registration rights, with respect to the shares of Common Stock that may be received by the PIU holders upon a conversion/exchange of the PIUs in accordance with the terms of the partnership agreement. The Company will bear all fees, costs and expenses of such registrations, other than underwriting discounts and commissions.

Unlike RSUs, the grant or vesting of PIUs is not expected to be a taxable

transaction to recipients. Therefore, a recipient who wishes to hold incentive equity awards for the long term may be able to do so more efficiently with PIUs and ultimately enjoy a greater after-tax return when disposing of them. Conversely, the Company will not receive any tax deduction for compensation expense from the grant of PIUs.

OUTPERFORMANCE BONUS PLAN

Upon the consummation of the IPO, the Company granted a special award of a bonus pool equal to the value on the date of vesting of 367,682 shares of Common Stock to executive officers and certain key employees, subject to continued service and attainment of certain performance measures. No dividends or dividend equivalent payments accrue with respect to the shares of Common Stock underlying this bonus pool.

Vesting of the awards will occur on the third anniversary of the IPO, provided that the employees have maintained continued service and that at least one performance measure, as outlined in the plan, has been achieved. These performance measures include: (i) a total return on the Common Stock of at least 25% per annum from the IPO date through the vesting date (the "Primary Performance Measure"), or (ii) a total return on the Common Stock of at least 12% per annum from the IPO date through the vesting date, and such return is at or above the 60th percentile of the total return achieved by "peer" companies during the same period (the "Alternate Performance Measure").

Payments of vested awards will be made within 120 days of vesting. Such payments will be paid in cash; however, the Compensation Committee may, in its sole discretion, elect to pay such an award through the issuance of shares of Common Stock, PIUs or similar securities (provided that such issuance will not result in any recognition of taxable income by the recipient), valued at the date of issuance. Because the achievement of the required performance measures is considered to be remote as of December 31, 2004, nothing has been reflected in the consolidated financial statements at such date related to these awards.

Any individual award that becomes unvested as a result of an early termination of employment will be reallocated among the remaining recipients. In the event of a change of control of the Company, or termination of employment other than for "cause" or by a designated recipient for "good reason," the special award will be fully vested at that time (with the value of the bonus pool to be determined at that time for any affected award recipient) if the Primary Performance Measure has been achieved. Otherwise, a portion (but not less than 50%) of the special award (equal to the portion of the initial 3-year vesting period that has elapsed) will be vested at that time if the Alternate Performance Measure has been achieved.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND
CHANGE-IN-CONTROL ARRANGEMENTS

As of December 31, 2004, the Company had employment agreements in effect with Messrs. Bayless, Nickel and Hager that provide that during the term of the respective agreement, the executive's base salary will not be reduced and that the executive will remain eligible for participation in the Company's executive compensation and benefit programs. The employment agreements provide for Mr. Bayless to serve as a member of the Company's Board and President and Chief Executive Officer, Mr. Nickel to serve as a member of the Company's Board and Executive Vice President, Chief Investment Officer and Secretary, and Mr. Hager to serve as Executive Vice President, Chief Financial and Accounting Officer and

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form DEF 14A

Treasurer. The term of each agreement ends upon an executive's termination of employment as discussed below.

The employment agreements provide for: (i) an annual base salary of \$300,000, \$250,000 and \$200,000 for Messrs. Bayless, Nickel and Hager, respectively, subject in each case to increases in accordance with the Company's normal executive compensation practices; (ii) eligibility for annual cash bonus awards determined by the Compensation Committee or in the event that the Company has a formal annual bonus plan for other senior executives, the bonus will be determined in accordance with the terms of the bonus plan on the same basis as other senior executives of the Company (with appropriate adjustments due to title and salary); (iii) a PIU grant as of the consummation of the Company's IPO, which was immediately vested; (iv) eligibility to receive an outperformance award subject to the terms and conditions of the Company's 2004 Outperformance Bonus Program; and (v) participation in other employee benefit plans applicable generally to the Company's senior executives.

Under the terms of the respective employment agreements, as of the consummation of the Company's IPO, Messrs. Bayless, Nickel and Hager were issued 48,400, 29,040 and 12,100 PIUs, respectively, valued at \$847,000, \$508,200 and \$211,750, respectively, based on the value of the Common Stock at the time of the IPO. These PIUs represent a 0.40%, 0.24% and 0.10% limited partnership interest in the Operating Partnership for Messrs. Bayless, Nickel and Hager, respectively. The PIUs are not subject to any vesting period or requirement.

Each employment agreement provides that the respective executive may terminate the agreement at any time by delivering written notice of termination to the Company at least 30 days prior to the effective date of such termination, in which case he will be entitled to payment of his base salary through the effective date of termination, plus all other

15

benefits to which he has a vested right at that time. Additionally, each employment agreement provides that he may terminate the agreement for "good reason," which is defined in the employment agreement, in general, as any substantial change in the nature of his employment by the Company without his express written consent; the requirement that he be based at a location at least 50 miles further than from his current principal location of employment; any failure by the Company to obtain a satisfactory agreement from any successor to assume the terms of the employment agreement; and a breach by the Company of any material provision of the employment agreement.

The employment agreements provide that, if an executive's employment is terminated by the Company without "cause" or by the executive for "good reason" (each as defined in the applicable employment agreement), the executive will be entitled to the following payments and benefits, subject to his execution and non-revocation of a general release of claims: (i) a cash payment equal to 299%, 200% and 100% times the sum of his then-current annual base salary plus the average annual bonus paid or payable in respect of the last prior three years for Messrs. Bayless, Nickel and Hager, respectively, payable over the remaining term of his non-competition agreement; (ii) his prorated annual bonus for the year in which the termination occurs; and (iii) health benefits for two years following the executive's termination of employment at the same cost to the executive as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer. Additionally, the employment agreements provide for excise tax equalization payments.

Additionally, the Company has entered into non-competition agreements with Messrs. Bayless, Nickel and Hager in which the executive agreed to comply with all obligations under the non-competition agreement and further agreed that the non-competition agreement will survive any termination of the respective employment agreement or the executive's employment, or subsequent service relationship with the Company, if any.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

There are no Compensation Committee interlocks and none of the Company's employees participates on the Compensation Committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Prior to the Formation Transactions, most of the interests in the Company's off-campus properties were owned by RAP Student Housing Properties, LLC ("RAPSH"), which was wholly-owned by RAP. RSVP owned a 67% interest in RAP and, prior to the IPO, was the sole stockholder of the Company. Mr. Scott Rechler is the Chief Executive Officer and President of Reckson, and the Chief Executive Officer and sole director of FrontLine Capital Group. FrontLine is the indirect parent of RSVP. Reckson is the indirect non-controlling minority owner of RAP and the largest creditor of FrontLine. In 2002, FrontLine filed for protection from creditors under the federal bankruptcy laws. In connection with the Formation Transactions, the former owners of our properties received material benefits, including:

- o RAP received a cash payment of approximately \$78.5 million for the redemption of its interests in RAPSH. Additionally, RAP received a final working capital distribution from cash on hand of \$1.5 million and \$0.2 million in budgeted development fees relating to the construction properties to be paid from the remaining construction budgets.
- o RAPSH and an affiliate of RSVP distributed their interests in the entities owning The Village at Riverside to an affiliate of RAP and RSVP, and RAPSH maintained its guaranty of certain contingent obligations of RAP and RSVP under the non-recourse indebtedness encumbering this property. Subsequent to the IPO, the property was foreclosed upon by the lender.
- o RAPSH distributed to entities affiliated with RSVP, RAP and other persons certain assets that the Company considered to be unrelated to its core business, including a fee title to a parcel of commercially-zoned land that is adjacent to the University Village at San Bernardino and interests in entities that previously developed a residential condominium project adjacent to University Village at Boulder Creek and that currently own one remaining condominium unit in that project.
- o RAP and RSVP were entitled to \$0.4 million (paid in February 2005) of savings in the budgeted completion cost of the Company's three owned off-campus construction properties that were completed in Fall 2004, as well as \$0.9 million (paid in November 2004) of insurance proceeds that the Company received with respect to the fire at

University Village at Fresno. Additionally, upon completion of the construction at University Village at TU, RAP was entitled to receive

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form DEF 14A

\$0.5 million relating to a construction guarantee fee, which was paid from the remaining construction budget in September 2004.

- o Reckson and RSVP, through their respective ownership interests in RAP, were entitled to participate in the benefits realized by RAP described above.
- o The Company agreed to nominate Mr. Scott Rechler to be a director of our Board of Directors at our next two annual meetings, subject to his consent and eligibility to serve. Mr. Rechler has agreed to waive receipt of any director compensation until such time as he has been reelected by our stockholders.

One of the Company's indirect wholly owned subsidiaries provides customary property management services to Dobie Center and serves as exclusive leasing agent for the commercial space at the property. An indirect subsidiary of RSVP owns a 23% interest in this property. The agreement expires on May 31, 2008, after which time the agreement renews on a month to month basis. The fee payable for managing the property is 3% of gross receipts from the operation of property, calculated on cumulative annualized basis (6% for supervision and coordination of restoration activities following a casualty and major rehabilitation/renovation of the property). In addition, the property manager earns a commission equal to 4% of base rents payable under each commercial lease (6% if a co-broker is involved) for acting as exclusive leasing agent for commercial space. From the closing of the IPO until December 31, 2004, the Company received \$146,000 under this agreement.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee, on behalf of the Board of Directors of the Company, serves as an independent and objective party to monitor the Company's financial reporting process and internal control system, and to review and appraise the audit efforts of the Company's independent auditors. The Audit Committee performs these oversight responsibilities in accordance with its Audit Committee Charter.

Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited financial statements in the Company's Annual Report, and discussed with management the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also reviewed and discussed the Company's earnings releases with management.

Ernst & Young LLP, the Company's independent auditors, are responsible for auditing the Company's financial statements and for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. The Audit Committee reviewed and discussed with the independent auditors their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under Statement on Auditing Standards No. 61, as currently in effect. The Audit Committee also received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1, as currently in effect, discussed with the independent auditors the auditors' independence from management and the Company and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets at least quarterly with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting. The Audit Committee also meets with management and the Company's independent auditors prior to the filing of the Company's quarterly reports on Form 10-Q with the SEC and release to the public of its quarterly and year-end financial results to, among other things, review and discuss such filings, review any related financial statements and related variances, review significant accounting policies and discuss any significant accounting treatments applied during the period.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the SEC.

This section of the proxy statement is not deemed "filed" with the SEC and is not incorporated by reference into the Company's Annual Report on Form 10-K.

This Audit Committee report is given by the following members of the Audit Committee:

G. Steven Dawson, Chairman
R.D. Burck
Winston W. Walker

INDEPENDENT AUDITOR FEES

The following summarizes the approximate aggregate fees billed to American Campus Communities for the fiscal years ended December 31, 2004 and 2003 by our principal accounting firm, Ernst & Young LLP:

TYPE OF SERVICES (1)	TOTAL APPROXIMATE FEES	
	2004	2003
Audit Fees (2)	\$ 1,694,000	\$ 141,000
Audit-Related Fees (3)	170,000	141,000
Tax Fees (4)	60,000	57,000
All Other Fees (5)	2,000	--
Total (6)	\$ 1,926,000	\$ 339,000

- (1) All such services subsequent to the IPO were preapproved by the Audit Committee.
- (2) Fees for audit services billed in 2004 and 2003 included the following: (i) audit of the Company's annual financial statements; (ii) reviews of quarterly financial statements; and (iii) services provided in conjunction with the Company's IPO including review of registration statements filed and related issuances of comfort letters, consents and other services related to SEC matters. During 2004, audit fees included approximately \$1,621,000 for the aforementioned services provided in conjunction with the IPO.
- (3) Fees for audit-related services billed in 2004 and 2003 included financial accounting and reporting consultations and audits of the Company's unconsolidated and consolidated subsidiaries.
- (4) Fees for tax services billed in 2004 and 2003 included tax compliance services and tax planning and advice services.
- (5) Fees for all other services billed in 2004 consisted of access to Ernst & Young LLP's accounting and auditing research database.
- (6) Excludes amounts that the Company reimbursed Ernst & Young LLP for out-of-pocket expenses, which totaled approximately \$28,000 in 2004 and \$0 in 2003.

In considering the nature of the services provided by Ernst & Young LLP, the Audit Committee determined that such services are compatible with the provision of independent audit services. The Audit Committee discussed these services with representatives of Ernst & Young LLP and management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the SEC to implement the Sarbanes-Oxley Act of 2002, as well as by the American Institute of Certified Public Accountants.

The Audit Committee has developed policies and procedures concerning its pre-approval of audit and non-audit services provided to the Company by the independent auditors. These provide that the Audit Committee must pre-approve all audit and permitted non-audit services (including the fees and terms

Edgar Filing: AMERICAN CAMPUS COMMUNITIES INC - Form DEF 14A

thereof) to be rendered to the Company by the independent auditors.

The independent auditors provide the Audit Committee with a list describing the services expected to be performed by the independent auditor. Any request for services not contemplated by this list must be submitted to the Audit Committee for specific pre-approval and the provision of such services cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings. However, the Audit Committee has authorized the committee's Chairman to approve the provision by our independent auditors of non-audit services not prohibited by law. Each decision made by the Audit Committee Chairman will be reported to the full Audit Committee at its next meeting.

In addition, although not required by the rules and regulations of the SEC, the Audit Committee generally requests a range of fees associated with each proposed service. The Audit Committee believes that providing a range of fees for a service incorporates appropriate oversight and control of the independent auditor relationship, while permitting the Company to receive immediate assistance from the independent auditor when time is of the essence.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting, and to be given an opportunity to make a statement if they desire to do so and to be available to respond to appropriate questions.
