Item 1.01 Entry into a Material Definitive Agreement

On March 14, 2011, IntercontinentalExchange, Inc., a Delaware corporation (“ICE”), entered into Amendment No. 2 to a License Agreement For Index-Related Derivative Products (the “Amendment”) between ICE and the Frank Russell Company (“Russell”) to extend the duration of the term and renegotiate the royalties due under the License Agreement between ICE and Russell for Index-Related Derivate Products, which was entered into on June 15, 2007 and amended on February 1, 2008 (the “Original Agreement”). Under the Original Agreement, Russell granted ICE the exclusive rights to list futures contracts and options on futures based on the full range of Russell’s benchmark U.S. equity indexes. ICE Futures U.S., ICE’s U.S. regulated futures exchange, currently trades futures and options on futures on the Russell 1000, Russell 2000 and Russell 3000, including certain “mini” and full-size contracts, as well as the Russell 1000 Growth and Russell 1000 Value Indexes and the Russell 2000 Growth and Russell 2000 Value Indexes.

Pursuant to the Amendment, ICE and its affiliates will continue to have the exclusive right to list one or more financial products derived from the Russell U.S. indexes. The Amendment extends the Original Agreement’s term through June 30, 2017 and the Original Agreement will automatically renew for successive one (1) year periods unless terminated by either party with at least 90 days prior written notice. ICE will pay Russell annual royalty payments based on the annual volume of contracts traded, subject to certain minimum annual royalty payments as set forth in the Amendment. Additionally, ICE and its affiliates will have the option to launch on an exclusive basis any new futures financial products derived in whole or in part from, or otherwise associated with, the Russell Global Indexes, so long as ICE satisfies a launch deadline, maintains a minimum average trading volume and pays fees as set forth in the Amendment. This Amendment supersedes the prior amendment.

The Amendment is attached to this Current Report on Form 8-K as Exhibit 10.1 and a copy of the related press release is attached to this Current Report on Form 8-K as Exhibit 99.1, both of which are incorporated herein by reference. The foregoing description of the Amendment or of the Original Agreement is not purported to be complete and is qualified in its entirety by reference to, and should be read in conjunction with, the text of the Amendment and Original Agreement.
