INTERNATIONAL HSBC BANKERS TAKE HELM  
AT HSBC NORTH AMERICA AND IN CONSUMER FINANCE DIVISION

Brendan McDonagh has been appointed Chief Executive Officer of HSBC North America Holdings Inc., leading HSBC's banking and consumer finance businesses in the USA and Canada. Niall Booker succeeds Brendan as Chief Executive Officer of HSBC Finance Corporation, and as Chief Operating Officer of HSBC North America.

Brendan, age 49, a Group General Manager with 28 years' international banking experience at HSBC, across Asia, Europe, the Middle East and North America, also becomes a Group Managing Director of HSBC Holdings plc and joins the Group Management Board.

He became Chief Executive Officer of HSBC Finance Corporation in February 2007, directing the Group's consumer finance businesses in the United States and working closely with Group Chief Executive, Michael Geoghegan, on the work out of the mortgage portfolio following the credit deterioration led by weakness in the US housing market. From 2004-2006, Brendan was Chief Operating Officer of HSBC Bank USA, NA, overseeing the significant expansion of the bank's brand, the

US retail and commercial network, and the launch of the bank's online savings product, a model now successfully used by HSBC in Taiwan, Korea and Canada.

Niall Booker becomes Chief Executive Officer of HSBC Finance Corporation. He will also succeed Brendan as Chief Operating Officer of HSBC North America. Over a 27-year international career at HSBC, Niall, a Group General Manager, has served three terms in the US. He returned there in March 2007 as Chief Operating Officer of the consumer finance business to direct key business lines, as well as corporate operational and risk management functions.

Niall, age 49, was previously Deputy Chairman and Chief Executive Officer of HSBC Middle East in 2006, and Chief Executive Officer, India in 2002. He joined HSBC in 1981, and has extensive international experience, including retail banking in Brunei and the UK, specialised finance in Hong Kong and banking operations in Abu Dhabi and Trade Finance and corporate banking in Japan.

Commenting on the appointments, Michael Geoghegan, HSBC Group Chief Executive, said: "It's testament to the bench strength at HSBC that last year we were able to send such internationally experienced bankers into our US consumer finance business. In common with most of the industry we face big challenges in North America and Brendan and Niall are leading our work out with the thoroughness and technical expertise you would expect of HSBC."

Completing the North American leadership team are current senior executives: Paul Lawrence, Chief Executive Officer of HSBC Bank USA, NA and Head of Global Banking and Markets, North America; and Lindsay Gordon, Chief Executive Officer of HSBC Bank Canada.

Brendan McDonagh, Chief Executive Officer of HSBC North America Holdings Inc., added: "It is a privilege to be asked to run HSBC's North American region. I look forward to working alongside my colleagues in the US and Canada to further progress and properly position HSBC North America as a strong contributor to the HSBC Group."
