**RISK FACTORS**

*You should carefully consider the following risk factors and other information included or incorporated by reference in this prospectus before you decide to buy our common stock.*

Before you decide whether to purchase any of our securities offered by this prospectus, in addition to the other information in this prospectus, you should carefully consider the following risk factor and the risk factors set forth under the heading "Factors that May Affect Future Operating Results" in the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our most recent Annual Report on Form 10-K, as amended, which is incorporated by reference into this prospectus, as the same may be updated from time to time by our future filings under the Securities Exchange Act. For more information, see the section entitled "Incorporation by Reference."

**Additional Risks Related to this Offering**

**Our former independent public accountant, Arthur Andersen LLP, has been found guilty of federal obstruction of justice charges and you are unlikely to be able to exercise effective remedies against them in any legal action.**

Although we have dismissed Arthur Andersen as our independent public accountants and engaged KPMG LLP, our consolidated financial statements as of and for the one-month transition period ended January 31, 2001, and the fiscal year ended December 31, 2000 have only been audited by Arthur Andersen. On March 14, 2002, Arthur Andersen was indicted on federal obstruction of justice charges arising from the government's investigation of Enron Corporation. On June 15, 2002, a jury in Houston, Texas found Arthur Andersen guilty of these federal obstruction of justice charges. On October 16, 2002, Arthur Andersen was sentenced to five years probation and fined \$500,000 as a result. In light of the jury verdict and the underlying events, Arthur Andersen informed the Securities and Exchange Commission that it would cease practicing before the Securities and Exchange Commission by August 31, 2002, unless the Securities and Exchange Commission determined another date was appropriate. A spokesperson for Arthur Andersen announced that, as of August 31, 2002, Arthur Andersen voluntarily relinquished, or consented to revocation of, its firm permits in all states where it was licensed to practice public accountancy with state regulators. A substantial number of Arthur Andersen's personnel have already left the firm, including the individuals responsible for auditing our audited financial statements incorporated by reference in this prospectus. Accordingly, you are unlikely to be able to exercise effective remedies or collect judgments against them.

In addition, Arthur Andersen has not consented to the incorporation by reference of their audit report in this prospectus, and we have dispensed with the requirement to file their consent in reliance on Rule 437a under the Securities Act. Because Arthur Andersen has not consented to the incorporation by reference of their audit report in this prospectus, you may not be able to recover against Arthur Andersen under Section 11(a) of the Securities Act for any untrue statement of a material fact contained in the financial statements audited by Arthur Andersen or any omissions to state a material fact required to be stated in those financial statements.

Moreover, as a public company, we are required to file with the Securities and Exchange Commission periodic financial statements audited or reviewed by an independent public accountant. The Securities and Exchange Commission has said that it will continue accepting financial statements audited by Arthur Andersen on an interim basis so long as a reasonable effort is made to have Arthur Andersen reissue its audit reports and to obtain a manually signed audit report from Arthur Andersen. Arthur Andersen has informed us that it is no longer able to reissue its audit reports because both the partner and the audit manager who were assigned to our account have left the firm. In addition, Arthur Andersen is unable to perform procedures to assure the continued accuracy of its audit report on our audited financial statements incorporated by reference in this prospectus. Arthur Andersen will also be unable to perform such procedures or to provide other information or documents that

Edgar Filing: TIVO INC - Form S-3/A

would customarily be received by us or underwriters in connection with financings or other transactions, including consents and comfort letters.

**Table of Contents**

As a result, we may encounter delays, additional expense and other difficulties in future financings. Any resulting delay in accessing or inability to access the public capital markets could have a material adverse effect on us.

**DISCLOSURE REGARDING FORWARD-LOOKING STATEMENTS**

This prospectus includes or incorporates by reference forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements include, without limitation, statements regarding our anticipated financial results, revenues, subscribers, use of funds and business plan. In some cases, you can identify forward-looking statements by terminology such as may, will, should, expects, plans, anticipates, believes, estimates, predicts, continue or the negative of those terms and other comparable terminology. You can also identify forward-looking statements by discussions of strategy, plans or intentions. Such forward-looking statements have known and unknown risks, uncertainties and other factors that may cause our actual results, performance or achievements to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements.

These statements reflect only management's current expectations. Important factors that could cause actual results to differ materially from the forward-looking statements we make or incorporate by reference in this prospectus are set forth under the heading Risk Factors in this prospectus, and under the heading Factors that May Affect Future Operating Results in the section entitled Management's Discussion and Analysis of Financial Condition and Results of Operations in our most recent Annual Report on Form 10-K, as amended, and Quarterly Report on Form 10-Q, as may be updated from time to time by our future filings under the Securities Exchange Act of 1934, and elsewhere in the documents incorporated by reference in this prospectus. If one or more of these risks or uncertainties materialize, or if any underlying assumptions prove incorrect, our actual results, performance or achievements may vary materially from any future results, performance or achievements expressed or implied by these forward-looking statements.

**Table of Contents****THE COMPANY**

We are a leading provider of television-based entertainment services enabled by digital video recorders, or DVRs, a rapidly emerging consumer electronics category. We offer the TiVo Service, which gives customers greater control over their television viewing, enabling them to watch what they want, when they want. The TiVo Service, through its menu-driven interface and easy-to-use navigation system, offers viewers enhanced control over live television, greater ease in locating and recording shows, and personalization through user-defined viewing preferences.

We operate in an emerging industry and face significant competition. Our success is dependent upon the market's acceptance of the TiVo Service and the DVRs which enable the TiVo Service. To date, we have recognized very limited revenue, have incurred significant losses and have had substantial negative cash flow. During the fiscal year ended January 31, 2003, we had a net loss of \$80.6 million. As of January 31, 2003, we had an accumulated deficit of \$545.2 million.

We have never declared or paid any cash dividends on our common stock and do not expect to do so in the foreseeable future. We currently intend to retain any earnings to finance the expansion and development of our business. Any future determination of the payment of dividends will be made at the discretion of the board of directors based upon various conditions, including our earnings, future prospects, financial condition and capital requirements as well as economic and business conditions and such other factors as the board of directors may deem relevant.

## Edgar Filing: TIVO INC - Form S-3/A

Under the terms of the indenture governing our outstanding 7% convertible senior notes due 2006, we are restricted from declaring or paying any dividends on, or making any distribution with respect to, our common stock, other than dividends or distributions we make in common stock or of rights pursuant to any stockholders' rights plan adopted by us.

**Table of Contents****SELLING STOCKHOLDERS**

On August 28, 2001, we issued \$51,750,000 aggregate principal amount of our 7% Convertible Senior Notes due 2006 in a transaction exempt from the registration requirements of the Securities Act to persons we reasonably believed to be accredited investors as defined in Regulation D under the Securities Act. During the period beginning on December 30, 2002 and ending on January 28, 2003, the conversion price of the notes was temporarily reduced from \$3.99 per share to \$3.70 per share pursuant to the terms of the indenture governing the notes. During this period, \$19,101,000 principal amount of the notes which were restricted securities as defined by Rule 144 under the Securities Act were converted into 5,162,428 shares of our common stock. Due to the temporary conversion price reduction, the resale of only 4,787,212 of these shares is covered by our existing resale registration statements on Form S-3 (Nos. 333-69530 and 333-100894). The resale of 375,216 restricted shares is covered by this prospectus.

The following table sets forth information with respect to the selling stockholders and the number of shares of common stock owned by each selling stockholder that may be offered pursuant to this prospectus. Unless otherwise noted, the information below is based on information which was provided to us by or on behalf of the selling stockholders as of March 17, 2003. The selling stockholders, including their transferees, pledges or donees or their successors, may from time to time, offer all, some or none of the shares of common stock listed in the following table. In addition, the selling stockholders identified below may have sold, transferred or otherwise disposed of all or a portion of their shares of common stock since the date on which they provided the information regarding their holdings. Because the selling stockholders may offer all or some portion of such common stock, we have assumed for purposes of the following table that the selling stockholders will sell all of the shares of common stock offered by this prospectus and that no other shares of common stock owned by the selling stockholders will be transferred or otherwise disposed of by the selling stockholders.

A selling stockholder may decide not to sell any of the common stock described in this prospectus. We cannot assure you that any selling stockholder will use this prospectus to sell any or all of the common stock.

With respect to a particular offering of the common stock by a transferee of the securities, such that such transferee is not listed under Selling Stockholders, to the extent required, a prospectus supplement or, if appropriate, a post-effective amendment to the registration statement of which this prospectus is a part will be prepared and will set forth the following information:

**ITEM 15. LIABILITY AND INDEMNIFICATION OF DIRECTORS AND OFFICERS.**

We are a Delaware corporation. Subsection (b)(7) of Section 102 of the Delaware General Corporation Law enables a corporation in its original certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for breach of the director's fiduciary duty, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the Delaware General Corporation Law (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which the director derived an improper personal benefit.

Subsection (a) of Section 145 of the Delaware General Corporation Law empowers a corporation to indemnify any present or former director, officer, employee or agent of the corporation, or any individual serving at the corporation's request as a director, officer, employee or agent of another organization, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding provided that such director, officer, employee or agent acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, provided further that such director, officer, employee or agent had no reasonable cause to believe his conduct was unlawful.

## Edgar Filing: TIVO INC - Form S-3/A

Subsection (b) of Section 145 empowers a corporation to indemnify any present or former director, officer, employee or agent who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses (including attorneys fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit provided that such director, officer, employee or agent acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification may be made in respect to any claim, issue or matter as to which such director, officer, employee or agent shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all of the circumstances of the case, such director or officer is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

**Table of Contents**

Section 145 further provides that to the extent a director, officer, employee or agent has been successful in the defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith; that indemnification and advancement of expenses provided for, by, or granted pursuant to, Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and empowers the corporation to purchase and maintain insurance on behalf of a present or former director, officer, employee or agent of the corporation, or any individual serving at the corporation's request as a director, officer or employee of another organization, against any liability asserted against him or incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liabilities under Section 145.

Our Amended and Restated Certificate of Incorporation provides that our directors shall not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of duty of loyalty to Registrant or to its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. Our Amended and Restated Certificate of Incorporation further states that if the Delaware General Corporation Law is later amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended.

Our Amended and Restated Bylaws provide that we shall indemnify our officers and directors to the fullest extent not prohibited by Delaware law and authorizes us to modify the extent of such indemnification by individual contracts with our officers and directors. Our Amended and Restated Bylaws further provide, however, that we shall not be required to indemnify any director or officer in connection with any proceeding (or part thereof) initiated by such person unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the corporation, (iii) such indemnification is provided by the corporation, in our sole discretion, pursuant to the powers vested in the corporation under the Delaware General Corporation Law or (iv) such indemnification is required to be made pursuant to our contractual obligations to our directors and officers. Our Amended and Restated Bylaws further provide that we have the power to indemnify our officers, employees and other agents as set forth in the Delaware General Corporation Law.

We have entered into indemnification agreements with substantially all of our executive officers and directors, which provide indemnification under certain circumstances for acts and omissions which may not be covered by any directors' and officers' liability insurance.

**ITEM 17. UNDERTAKINGS.**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price, set forth in the Calculation of Registration Fee table in the effective registration statement;

## Edgar Filing: TIVO INC - Form S-3/A

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the registration statement;

provided, however, that clauses (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Company pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

II-3

**Table of Contents**

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the provisions described above, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. If a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
