PROXY STATEMENT

FOR

2004 ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON TUESDAY, APRIL 20, 2004

SOLICITATION, REVOCABILITY AND VOTING OF PROXIES

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors of Prosperity Bancshares, Inc. (the Company) for use at the 2004 Annual Meeting of Shareholders of the Company to be held at the Company's principal executive offices at Prosperity Bank Plaza, 4295 San Felipe, Houston, Texas, on Tuesday, April 20, 2004, beginning at 10:00 a.m. (local time), and any adjournments thereof (the Meeting) for the purposes set forth in this Proxy Statement and the accompanying Notice of 2004 Annual Meeting of Shareholders (Notice of Meeting). This Proxy Statement, the Notice of Meeting and the enclosed proxy will first be sent to shareholders on or about March 19, 2004.

Voting of Proxies

Shares represented at the Meeting by an executed and unrevoked proxy in the form enclosed will be voted in accordance with the instructions contained therein. If no instructions are given on an executed and returned form of proxy, the proxies intend to vote the shares represented thereby in favor of each of the proposals to be presented to and voted upon by the shareholders as set forth herein.

The Board of Directors knows of no other matters to be presented at the Meeting. If any other matter should be presented at the Meeting upon which a vote may be properly taken, shares represented by an executed and unrevoked proxy received by the Board of Directors may be voted with respect thereto in accordance with the judgment of the proxies. The proxy also confers on the proxies the discretionary authority to vote with respect to any matter presented at the Meeting for which advance notice was not received by the Company in accordance with the Company's Amended and Restated Bylaws.

Revocability of Proxies

Any proxy given by a record shareholder may be revoked by such shareholder at any time before it is exercised by submitting to the Secretary of the Company a duly executed proxy bearing a later date, delivering to the Secretary of the Company a written notice of revocation, or attending the Meeting and voting in person. If you hold your shares in street name with a bank or broker, you must contact your bank or broker to revoke your proxy.

Solicitation

The cost of this solicitation of proxies is being borne by the Company. Solicitations will be made only by the use of the mail, except that, if deemed desirable, officers and regular employees of the Company may solicit proxies by telephone, telegraph or personal calls, without being paid additional compensation for such services. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting material to the beneficial owners of the common stock, par value \$1.00 per share, of the Company (the Common Stock) held of record by such persons, and the Company will reimburse them for their reasonable expenses incurred in connection with such forwarding.

Annual Report

The Company's Annual Report to Shareholders, including financial statements, for the fiscal year ended December 31, 2003, as filed with the Securities and Exchange Commission, accompanies but does not constitute part of this proxy statement.

VOTING SHARES AND VOTING RIGHTS

Only holders of record of Common Stock at the close of business on March 8, 2004 (the Record Date), are entitled to notice of and to vote at the Meeting and any adjournments or postponements thereof. At that time, there were 20,944,705 shares of Common Stock outstanding, which is the only outstanding class of voting securities of the Company. A majority of the outstanding shares of Common Stock must be represented at the Meeting in person or by proxy in order to constitute a quorum for the transaction of business. Abstentions and shares held of record by a broker or nominee that are voted on any matter are included in determining whether a quorum exists. Each holder of Common Stock shall have one vote for each share of Common Stock registered, on the Record Date, in such holder's name on the books of the Company.

Directors will be elected by a plurality of the votes cast in person or by proxy. Accordingly, the four Class III nominees receiving the highest number of votes cast by the holders of Common Stock will be elected. There will be no cumulative voting in the election of directors. A broker non-vote or a withholding of authority to vote with respect to one or more nominees for director will not have the effect of a vote against such nominee or nominees.

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock represented at the Meeting is required to approve the appointment of the auditors. Abstentions will have the effect of a vote against such matter. However, broker non-votes will be deemed shares not present to vote on such matter and will not count as votes for or against the proposal and will not be included in calculating the number of votes necessary for approval of such matter. A broker non-vote occurs if a broker or other nominee of shares does not have discretionary authority to vote the shares and has not received voting instructions with respect to a particular matter.

ELECTION OF DIRECTORS

Election Procedures; Term of Office

The Board of Directors currently consists of twelve directors. In accordance with the Company's Amended and Restated Bylaws, members of the Board of Directors are divided into three classes, Class I, Class II and Class III. The members of each class are elected for a term of office to expire at the third succeeding annual meeting of shareholders following their election. The term of office of the current Class III directors expires at the Meeting. The terms of the Class I and Class II directors expire at the annual meeting of shareholders in 2005 and 2006, respectively.

Charles A. Davis, Jr., Ned S. Holmes, Tracy T. Rudolph and David Zalman have been nominated to fill the four expiring Class III director positions. Messrs. Edgar Filing: PROSPERITY BANCSHARES INC - Form DEF 14A

The four Class III nominees receiving the affirmative vote of the holders of a plurality of the shares of Common Stock represented at the Meeting will be elected. Unless the authority to vote for the election of directors is withheld as to one or more of the nominees, all shares of Common Stock represented by proxy will be voted **FOR** the election of the nominees. If the authority to vote for the election of directors is withheld as to one or more but not all of the nominees, all shares of Common Stock represented by any such proxy will be voted **FOR** the election of the nominee or nominees, as the case may be, as to whom such authority is not withheld.

-2-

If a nominee becomes unavailable to serve as a director for any reason before the election, the shares represented by proxy will be voted for such other person, if any, as may be designated by the Board of Directors. All of the nominees have consented to being named herein and to serve if elected.

Any director vacancy occurring after the election may be filled only by a majority vote of the remaining directors, even if less than a quorum of the Board of Directors. A director elected to fill a vacancy will be elected for the unexpired portion of the term of his predecessor in office.

The Audit Committee reports to the Board of Directors concerning such matters, appoints the independent auditor for the Company and the Bank, reviews the scope of work of the independent auditor and their reports and reviews the activities and actions of the Bank's internal auditors. In addition, the Chairman, representing the Audit Committee, reviewed and discussed with management and the independent auditors the Company's quarterly financial results prior to the release of earnings, and the quarterly financial statements prior to the filing of the Company's Quarterly Reports on Form 10-Q.

Director Nominations Process

The Nominating Committee will consider nominees to serve as directors of the Company and recommend such persons to the Board of Directors. The Nominating Committee will also consider director candidates recommended by shareholders who appear to be qualified to serve on the Company's board of directors and meet the criteria for nominees considered by the committee. The Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the board of directors and the Nominating Committee does not perceive a need to increase the size of the board. In order to avoid the unnecessary use of the Nominating Committee's resources, the Nominating Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Criteria for Director Nominees.

The Nominating Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the board of directors. The Nominating Committee will consider the following criteria in selecting nominees: financial, regulatory and business experience; familiarity with and participation in the local community; integrity, honesty and reputation; dedication to the Company and its shareholders; independence; and any other factors the Nominating Committee deems relevant, including age, size of the board of directors and regulatory disclosure obligations.

The Nominating Committee may weight the foregoing criteria differently in different situations, depending on the composition of the board of directors at the time. The Nominating Committee will strive to maintain at least one director who meets the definition of "audit committee financial expert" under the regulations of the Securities and Exchange Commission.

In addition, prior to nominating an existing director for re-election to the board of directors, the Nominating Committee will consider and review an existing director's board and committee attendance and performance; length of board service; experience, skills and contributions that the existing director brings to the board; and independence.

Process for Identifying and Evaluating Director Nominees.

Edgar Filing: PROSPERITY BANCSHARES INC - Form DEF 14A

Pursuant to the Nominating Committee Charter as approved by the Board of Directors, the Nominating Committee is responsible for the process relating to director nominations, including identifying, interviewing and selecting individuals who may be nominated for election to the Board of Directors. The process that the Nominating Committee intends to follow when they identify and evaluate individuals to be nominated for election to the Board of Directors is set forth below.

-8-

Identification. For purposes of identifying nominees for the Board of Directors, the Nominating Committee will rely on personal contacts of the members of the Board of Directors as well as their knowledge of members of the Bank's local communities. The Nominating Committee will also consider director candidates recommended by shareholders in accordance with the policy and procedures set forth below in the paragraph titled "Procedures to be Followed by Shareholders." The Nominating Committee has not previously used an independent search firm in identifying nominees.

Evaluation. In evaluating potential nominees, the Nominating Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. In addition, for any new director nominee, the Nominating Committee will conduct a check of the individual's background and interview the candidate.

Procedures to be Followed by Shareholders.

Any shareholder of the Company may nominate one or more persons for election as a director of the Company at an annual meeting of shareholders if the shareholder complies with the prior notice and information provisions in the Company's Amended and Restated Bylaws. 3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. As to the shareholder making the recommendation, the name and address, as they appear on the Company's books, of such shareholder; provided, however, that if the shareholder is not a registered holder of the Company's Common Stock, the shareholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's Common Stock; and

Edgar Filing: PROSPERITY BANCSHARES INC - Form DEF 14A

5. A statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate proposed by a Qualifying Shareholder to be considered for nomination at the Company's annual meeting of shareholders and the recommendation disclosed in the Company's proxy statement, the recommendation must be received by the Nominating Committee at least 120 calendar days prior to the date the Company's proxy statement was released to shareholders in connection with the previous year's annual meeting, advanced by one year.

Stock Option Plans

As of the Record Date, the Company has outstanding options to purchase 151,000 shares of Common Stock issued pursuant to a stock option plan approved by the shareholders in 1995 (the 1995 Plan) for officers and directors, 29,000 of which were exercisable as of such date. Under the 1995 Plan, in most cases, the options vest ratably over a ten year period beginning on the date of the grant; however, pursuant to the Incentive Stock Option Agreement (Agreement) signed by each optionee prior to 1999, no options may be exercised until the optionee has completed five years of employment with the Company after the date of the grant. Notwithstanding the Agreement, the 1995 Plan provides that the Board of Directors may in its sole discretion accelerate the time at which any option may be exercised. In 2003, the Company did not grant any options under the 1995 Plan. As of December 31, 2003, options to purchase an additional 20,000 shares were available for issuance under the 1995 Plan.

The Company's Board of Directors and shareholders approved a second stock option plan in 1998 (the 1998 Plan) which authorizes the issuance of up to 920,000 shares of Common Stock under both non-qualified and incentive stock options to employees and non-qualified stock options to directors who are not employees. Options under the 1998 Plan generally must be exercised within 10 years following the date of grant or no later than three months after optionee's termination with the Company, if earlier. The 1998 Plan also provides for the granting of restricted stock awards, stock appreciation rights, phantom stock awards and performance awards on substantially similar terms. Compensation Committee Interlocks and Insider Participation

The Compensation Committee consists of James A. Bouligny, Charles Davis, Jr., Ned S. Holmes, Harrison Stafford II, each of whom is an independent director in accordance with the Nasdaq Stock Market listing standards. During 2003, no member of the Compensation Committee was an officer or employee of the Company or the Bank and no member has formerly served as an officer of the Company or the Bank. Ned S. Holmes serves as Chairman of the Board of the Company and receives the same fees as all of the other Company's directors as compensation for his services as such.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following is a report from the Compensation Committee of the Company describing the policies pursuant to which compensation was paid to executive officers of the Company and the Bank during 2003.

The Compensation Committee of the Board of Directors is responsible for developing and making recommendations to the Board with respect to the Company's executive compensation policies. James A. Bouligny, Charles Davis, Jr., Ned S. Holmes and Harrison Stafford II serve on the Compensation Committee. The Compensation Committee prepares a report which sets forth the components of the Company's executive officer compensation program and describes the basis on which the 2003 compensation determinations were made by the Compensation Committee with respect to the executive officers of the Company and the Bank.

Compensation Philosophy and Base Salary

The Company believes that compensation of its executive officers should enhance and reinforce the goals of the Company for profitable growth and continuation of a sound overall condition by providing key employees with additional financial rewards for the attainment of such growth and stable financial and operating conditions. The Compensation Committee believes that these goals are best supported by rewarding individuals for outstanding contributions to the Company's success and by compensating its executive officers competitively with the compensation of similarly situated executive officers.

The Compensation Committee establishes base salary levels for each executive officer by comparison to competitive salary levels for the similar executive officer job functions at banks and bank holding companies of similar size in the Company's market areas. This is not the same group used for comparison purposes in the Company's performance graph. Base salaries approximate the median level of such competitive rates and are adjusted based on factors such as individual experience, individual performance, individual potential, cost of living considerations and specific issues particular to the Company as well as the Compensation Committee's subjective judgment. Executive officer base salaries are considered by the Compensation Committee to be competitive and in the median range of comparative salaries.

Incentive Compensation

The annual compensation of the Company's Named Executive Officers consists of a base salary and an annual bonus. The annual bonus awarded to the Company's President and Chief Executive Officer and Chief Operating Officer is a percentage of their current base salary and is based on the financial performance of the Company. In determining the amount of the bonus, a target performance goal is established with respect to eight performance indicators, including total return, return on average equity, the efficiency ratio and five other performance measures. If the Company's performance reaches the target goal with respect to a performance indicator, a participant will automatically receive a percentage of base salary attributable to the amount the actual performance exceeded the target. In the event the Company's performance is less than the target for a performance indicator, no incentive compensation is payable for that particular indicator.

Contributory Profit Sharing Plan

In addition, each of the executive officers are participants in the Company's contributory profit sharing plan established pursuant to Internal Revenue Code Section 401(k) covering substantially all employees. Under the 401(k) Plan, the Company may make matching contributions in

Edgar Filing: PROSPERITY BANCSHARES INC - Form DEF 14A

its discretion. Currently, the Company matches 50% of an employee's contributions to the plan, including contributions by the Named Executive Officers, up to 15% of compensation, not to exceed the annual IRS contribution limit, excluding catch-up contributions.

Stock Options

Stock options have been the Company's primary form of long-term incentive compensation. As of February 27, 2004, there were 585,605 options outstanding under the Company's stock option plans, 114,000 of which are held by executive officers of the Company. During 2003, no stock options were granted to executive officers of the Company.

The Compensation Committee will continue to monitor the base salary levels and the various incentives of the executive offices to ensure that overall compensation is consistent with the Company's objectives and competitiveness in the marketplace.

2003 Compensation of the President and Chief Executive Officer

In reviewing the 2003 compensation of David Zalman, the Company's President and Chief Executive Officer, the Compensation Committee undertook the same evaluation set forth above with respect to executive officers. In addition, the Compensation Committee reviewed his compensation history, executive compensation survey data and comparative performance information. Upon recommendation by the Compensation Committee, the Board of Directors of the Bank set Mr. Zalman's salary for 2003 at \$325,000, effective April 2003. In addition, in recognition of both Mr. Zalman's and the Company's performance in 2003 and based on the criteria discussed above with respect to incentive compensation, the Compensation Committee recommended and the Board of Directors approved a bonus of \$167,865 for Mr. Zalman for 2003. The amount contributed by the Company to the 401(k) plan for the benefit of Mr. Zalman in fiscal year 2003 was \$6,000. The Compensation Committee believes that Mr. Zalman's total compensation is reasonable and competitive based on comparative performance information and the overall performance of the Company.

INTERESTS OF MANAGEMENT AND OTHERS IN CERTAIN TRANSACTIONS

Many of the directors, executive officers and principal shareholders of the Company and the Bank (*i.e.*, those who own 10% or more of the Common Stock) and their associates, which include corporations, partnerships and other organizations in which they are officers or partners or in which they and their immediate families have at least a 5% interest, are customers of the Bank. Loans to directors, executive officers and principal shareholders of the Company are subject to limitations contained in the Federal Reserve Act, the principal effect of which is to require that extensions of credit by the Bank to executive officers, directors and principal shareholders of the Company and the Bank satisfy the foregoing standards. As of December 31, 2003, all of such loans aggregated \$4.9 million which was approximately 3.22% of the Company's Tier 1 capital at such date. The Company expects the Bank to have such transactions or transactions on a similar basis with the directors, executive officers and principal shareholders of the Company and the Bank and their associates in the future.

I. PURPOSE

The primary purpose of the Audit Committee of Prosperity Bancshares, Inc. and Prosperity Bank (collectively referred to herein as the Company) is to provide independent and objective oversight with respect to:

the Company's financial statements and reports and any additional financial information provided to shareholders and others;

the Company's internal controls;

the independent auditor's qualifications and independence;

the Company's audit, accounting and financial reporting processes generally; and

the compliance by the Company with legal and regulatory requirements.

The Audit Committee is also responsible to prepare the report required by the rules of the Securities and Exchange Commission (SEC) to be included in the Company's annual proxy statement.

The Audit Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities, and it has direct access to the independent auditors as well as anyone in the organization. The Audit Committee has the authority to retain and consult with any special legal, accounting or other consultants or experts it deems necessary in the performance of its duties. The Company shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Audit Committee.

II. COMPOSITION AND QUALIFICATIONS

1934, as amended, and the rules and regulations of the SEC. No consulting, advisory, or other compensatory fees (other than as a member of the Company's Board of Directors and/or the Audit Committee) may be accepted from the Company or any affiliate or subsidiary thereof by an Audit Committee member. Audit Committee members shall not simultaneously serve on the audit committees of more than two other public companies unless the Board determines that such simultaneous service would not impair the ability of such director to serve effectively on the Audit Committee, and such determination is disclosed in the Company's proxy statement.

Each member of the Audit Committee shall, in the judgment of the Board, be financially literate at the time of appointment, which at a minimum means possessing a working familiarity with basic finance and accounting practices, and at least one member of the Audit Committee must be an audit committee financial expert as defined by the SEC. In addition, no Audit Committee member may have participated in the preparation of the financial statements of the Company or any of its subsidiaries at any time in the past three years.

Audit Committee members shall be appointed annually by the Board of Directors upon the recommendation of the Nominating Committee and shall serve until such member's successor is designated or until such member's earlier resignation or removal. The members of the Audit Committee shall designate a chairperson by majority vote of the members. The chairperson shall schedule and preside at all meetings of the Audit Committee and shall be responsible for preparing agendas and making regular reports to the Board of Directors.

III. MEETINGS

The Audit Committee shall meet at least four times annually, or more frequently as circumstances dictate. The Audit Committee shall meet periodically with management and the independent auditors privately in separate sessions. A majority of the members of the Audit Committee present in person or by telephone shall constitute a quorum.

The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee.

IV. RESPONSIBILITIES AND DUTIES

Appointment of Independent Auditor and Pre-Approval Policies

The Audit Committee shall have the sole authority to appoint or replace the independent auditor (subject, if applicable, to shareholder ratification). The Audit Committee shall be directly responsible for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Audit Committee.

The Audit Committee shall preapprove all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent auditor, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the full Audit Committee at its next scheduled meeting.

With respect to services, it is the policy of the Audit Committee that no independent auditor shall perform both the audit of the financial statements and the internal audit and that no independent auditor shall perform any of the following services:

bookkeeping or other services related to the accounting records;

financial information systems design and implementation;

The review shall include:

the Company's consolidated financial statements and the notes thereto;

the independent auditor's audit of the annual consolidated financial statements and report, including judgments made in connection with the preparation of such financial statements and report;

all critical accounting policies and practices used;

all alternative treatments of financial information within GAAP discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor;

Review management's responses to the annual management letter. Review and make recommendations as to the resolution of any disagreements between the Company's management and the independent auditors.
8. Review with the Company's Disclosure Committee or if there is no such committee, the persons performing such functions, (a) the Company's disclosure controls and procedures, (b) any significant deficiencies in the design or operation of internal controls of the Company which could adversely affect the Company's ability to record, process, summarize and report financial data and (c) any fraud, material or otherwise, that involves management or other employees who have a significant role in the Company's internal controls.

The Nominating Committee (appointed by the Board of Directors) is responsible for making recommendations to the Board regarding the membership of the Board, including (i) recommending to the Board the slate of director nominees for election at the annual meeting of shareholders, (ii) considering, recommending and recruiting candidates to fill any vacancies or new positions on the Board, including candidates that may be recommended by shareholders, (iii) establishing criteria for selecting new directors and (iv) reviewing the backgrounds and qualifications of possible candidates for director positions.

The Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities.

The Committee shall be composed of three or more directors, as determined by the Board, none of whom shall be executive officers or employees of the Company or its subsidiaries, and all of whom shall satisfy the independence requirements under the rules of the Securities Exchange Commission and The NASDAQ Stock Market, Inc.

The Committee's members and Chair shall be appointed by the majority vote of the Board on an annual basis, considering any recommendation of the Chairman of the Board. If a Committee Chair is not designated or present, the members of the Committee may designate a Chair by majority vote of the Committee membership in attendance. The Committee may request that any directors, officers, or employees of the Company, or other persons whose advice and counsel are sought by the Committee, attend any meeting of the Committee to provide such pertinent information as the Committee requests. The Committee shall regularly report on its meetings to the Board.

Nominating Committee Procedures

General

The Committee will consider candidates recommended by shareholders who appear to be qualified to serve on the Company's board of directors and meet the criteria for nominees considered by the committee. The Committee may choose not to consider an unsolicited recommendation if no vacancy

exists on the board of directors and the Committee does not perceive a need to increase the size of the board. In order to avoid the unnecessary use of the Committee's resources, the Committee will consider only those director candidates recommended by shareholders in accordance with the procedures set forth below.

Procedures to be Followed by Shareholders

The Committee will evaluate a candidate proposed by any single shareholder or group of shareholders that beneficially owned more than 5% of the Company's Common Stock for at least one year (and will hold the required number of shares through the meeting of shareholders at which the election will occur) and that satisfies the notice, information and consent procedures set forth below.

To submit a recommendation of a director candidate to the Committee, a shareholder should submit the following information in writing, addressed to the Chairman of the Committee, care of the Corporate Secretary, at the Company's main office :

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. As to the shareholder making the recommendation, the name and address, as they appear on the Company's books, of such shareholder; provided, however, that if the shareholder is not a registered holder of the Company's Common Stock, the shareholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's Common Stock; and
5. A statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of shareholders, the recommendation must be received by the Committee at least 120 calendar days prior to the date the Company's proxy statement was released to shareholders in connection with the previous year's annual meeting, advanced by one year.

Criteria for Director Nominees

The Committee will consider the following criteria in selecting nominees: financial, regulatory and business experience; familiarity with and participation in the local community; integrity, honesty and reputation; dedication to the Company and its shareholders; independence; and any other factors the Committee deems relevant, including age, size of the board of directors and regulatory disclosure obligations.

Edgar Filing: PROSPERITY BANCSHARES INC - Form DEF 14A

The Committee may weight the foregoing criteria differently in different situations, depending on the composition of the board of directors at the time. The Committee will strive to maintain at least one director who meets the definition of "audit committee financial expert" under the regulations of the Securities and Exchange Commission.

In addition, prior to nominating an existing director for re-election to the board of directors, the Committee will consider and review an existing director's board and committee attendance and performance; length of board service; experience, skills and contributions that the existing director brings to the board; and independence.

Process for Identifying and Evaluating Director Nominees

The process that the Committee intends to follow when they identify and evaluate individuals to be nominated for election to the Board of Directors is as follows:

Identification. For purposes of identifying nominees for the Board of Directors, the Committee will rely on personal contacts of the members of the Board of Directors as well as their knowledge of members of the Bank's local communities. The Committee will also consider director candidates recommended by shareholders in accordance with the policy and procedures set forth above in the paragraph titled "Procedures to be Followed by Shareholders."

Evaluation. In evaluating potential nominees, the Committee will determine whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. In addition, for any new director nominee, the Committee will conduct a check of the individual's background and interview the candidate.

Additional Duties

The Committee will also:

Recommend to the Board those directors to be selected for membership on the various Board committees. Recommendations should consider the qualifications for membership on each committee; the extent to which there should be a policy of periodic rotation of directors among the committees, and any limitations on the number of consecutive years a director should serve on any one Board committee.

Recommend individual directors for designation as chairs of Board committees, particularly those that perform oversight functions, such as the Audit and Compensation Committees.

Review and assess the adequacy of this Charter at least annually. Submit this Charter to the Board for approval.

Perform any other activities consistent with this Charter, the Company's bylaws and governing law, as the Committee or the Board deems necessary or appropriate.

Maintain minutes of meetings and periodically report to the Board on significant results of the foregoing activities.

Review and evaluate the performance of the Committee and the independence of its members at least annually.
