State below in re	easonable detail	the reasons why	Form 10-K,	20-F, 11-K	, 10-Q, N-SAR,	or the transition	report or portion	thereof,	could not be
filed within the	prescribed time p	period.							

On March 31, 2004, we filed with the Securities and Exchange Commission a Form 12b-25 related to our Form 10-K for the year ended December 31, 2003. In that filing, we stated that our primary independent accountants had not received the audit report and audit work papers related to the audit of the financials statements for the year ended December 31, 2003, of our wholly-owned subsidiary, Synbiotics Europe SAS, located in Lyon, France. At the time we filed that Form 12b-25, we believed that we would be able to file our completed Form 10-K by April 14, 2004. However, we have not filed our Form 10-K because, although the independent accountants responsible for the audit of the financial statements of Synbiotics Europe SAS have finalized their audit procedures, our primary independent accountants are awaiting the final audit opinion and the related audit work papers.

As a result, since our audit financial statements for the year ended December 31, 2003 have yet to be filed with the Securities and Exchange Commission, and as the financial statements to be included in our Form 10-Q for the quarter ended March 31, 2004 would have to be based upon the audited balance sheet as of December 31, 2003, we cannot file our Form 10-Q for the quarter ended March 31, 2004 with the Securities and Exchange Commission until we have filed our Form 10-K.

It is our belief that we will be able to file our the completed Form 10-Q by May 19, 2004.

The accountant s statement which was attached to our Form 12b-25 filed March 31, 2004, is incorporated herein by reference.
