Proxy Statement

This Proxy Statement is being provided to the shareholders of PIMCO Strategic Global Government Fund, Inc., a Maryland corporation (the Fund), in connection with the solicitation of proxies by the Board of Directors of the Fund (the Board of Directors or the Board). The proxies are to be used at the Annual Meeting of Shareholders (the Meeting) to be held at the offices of Pacific Investment Management Company LLC (PIMCO), the Fund's investment manager, located at 800 Newport Center Drive, 6th Floor, Newport Beach, California, 92660, on June 9, 2005 at 10:00 a.m. (Pacific time), and any adjournment(s) thereof, for action upon the matters set forth in the Notice of the Annual Meeting of Shareholders. This Proxy Statement and the enclosed form of Proxy were first mailed to shareholders on or about May 13, 2005.

All shares represented by each properly signed proxy (Proxy) received prior to the Meeting will be voted at the Meeting. If a shareholder specifies how the Proxy is to be voted on any of the business matters to come before the Meeting, it will be voted in accordance with the specification. If no specification is made, the Proxy will be voted FOR the election of the directors nominated by the Board of Directors (Proposal 1). The Proxy may be revoked by a shareholder at any time prior to its use by written notice to the Fund, by submission of a subsequent Proxy, or by voting in person at the Meeting.

The representation in person or by proxy of at least a majority of the outstanding shares of common stock of the Fund entitled to vote is necessary to constitute a quorum for transacting business at the meeting. For purposes of determining the presence of a quorum, abstentions, withheld votes or broker non-votes will be counted as present. Broker non-votes occur when the Fund receives a Proxy from a broker or nominee indicating that the broker or nominee does not have discretionary power to vote on a particular matter and that the broker or nominee has not received instructions from the beneficial owner or other person entitled to vote the shares represented by the Proxy.

Proposal 1 requires, for the re-election of the nominees to the Board of Directors, a plurality of the shares cast in the election of directors at the Meeting. See Proposal 1 Required Vote. Withheld votes and broker non-votes will not be counted in favor of Proposal 1.

The cost of solicitation, including postage, printing and handling, will be borne by the Fund. The solicitation will be made primarily by mail, but may be supplemented by telephone calls, and personal interviews by officers, employees and agents of the Fund.

At the close of business on April 22, 2005, the record date for the determination of shareholders entitled to vote at the Meeting (the Record Date), there were outstanding 36,401,997 shares of common stock. Each such share is entitled to one vote.

As of the Record Date, Cede & Co., a nominee of Depository Trust Company (DTC), owned of record 35,550,370 shares of the Fund, or approximately 98% of the number of shares entitled to vote at the meeting. DTC is a securities depository for brokers, dealers and other institutional investors. Securities are so deposited for the purpose of permitting book entry transfers of securities among such investors. The Fund does not know the names of beneficial owners of the shares that have been deposited at DTC. As of the Record Date, all directors and officers as a group owned, beneficially, less than 1% of the outstanding shares of the Fund.

ELECTION OF DIRECTORS

(PROPOSAL 1)

The Board of Directors currently consists of three classes of directors. Directors hold office for staggered terms of three years (or less if they are filling a vacancy) and until their successors are elected and qualified, or until their earlier resignation or removal. One class is elected each year to succeed the directors whose term is expiring. The current term of the Class II directors expires at this year's Annual Meeting. The current terms of the Class I and Class III directors will expire in 2007 and 2006, respectively, when their respective successors are elected and qualified.

The Board of Directors has designated James M. Whitaker and Carter W. Dunlap, Jr. for re-election as Class II directors at the meeting. If re-elected as Class II directors, Messrs. Whitaker and Dunlap's term will expire at the Annual Meeting of Shareholders in 2008.

Brent R. Harris, Class III director re-elected to the Board by shareholders on June 20, 2003, has a remaining term of approximately one year.

Each of Francis E. Lundy and Gregory S. Young, Class I directors re-elected to the Board by shareholders on June 15, 2004, has a remaining term of approximately two years.

Unless authority is withheld, it is the intention of the persons named in the enclosed Proxy to vote each Proxy for Messrs. Whitaker and Dunlap (the Nominated Directors). Each of the Nominated Directors has indicated that he will serve if elected, but if he should be unable to serve, the Proxy holders may vote in favor of such substitute nominee as the Board of Directors may designate, or the Board of Directors may leave a vacancy in the Board.

The Fund pays each of its directors who are not interested persons of the Fund (the Disinterested Directors) under the Investment Company Act of 1940, as amended (the 1940 Act), \$10,000 per year, \$2,000 per regular meeting attended in-person or telephonically, \$1,000 per Audit committee meeting attended, \$1,000 per Nominating committee meeting attended, \$1,500 per special meeting attended, and reimburses each such director for reasonable expenses incurred in connection with such meetings. The Fund's Articles of Incorporation provide that the Fund shall, to the extent permitted by law, indemnify each of its currently acting and former directors against any and all liabilities and expenses incurred in connection with their service in such capacities.

Board of Directors Committees

Audit Committee

The Board of Directors has established a standing Audit Oversight Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Oversight Committee meets with the Fund's independent auditors and management, reviews the Fund's financial statements and generally assists the Board in fulfilling its responsibilities relating to corporate accounting and reporting practices. The responsibilities of the Audit Oversight Committee include overseeing the Fund's accounting reporting policies and practices and its internal controls, selection of the Fund's independent auditors, approval of both audit and non-audit services proposed to be provided to the Fund by its independent auditors, and approval of non-audit services to be performed by the auditors for certain affiliates, including PIMCO and entities in a control relationship with PIMCO that provide services to the Fund where the engagement relates directly to the operations and financial reporting of the Fund. The Audit Oversight Committee considers the possible effect of providing such services on the independence of the Fund's auditors.

The members of the Audit Oversight Committee include only Disinterested Directors. The Audit Oversight Committee currently consists of Messrs. Dunlap, Lundy, Whitaker and Young (Chairman). Each member of the Audit Oversight Committee is independent as defined for audit committee members in applicable listing standards of the New York Stock Exchange (NYSE), on which shares of the Fund's common stock are listed.

The Board of Directors has adopted a written charter for the Audit Oversight Committee, a copy of which is attached to the Proxy Statement as Appendix A. The Charter included as Appendix A was adopted

by the Board on March 17, 2004, as amended through March 17, 2005, to conform to newly adopted listing standards of the NYSE. The report of the Audit Oversight Committee, dated March 17, 2005, is attached to this Proxy Statement as Appendix B.

Nominating Committee

The Fund has a Nominating Committee, which makes recommendations to the Board regarding nominations for membership on the Board of Directors. It evaluates candidates' qualifications for Board membership and, with respect to nominees for positions as independent directors, their independence from the Fund's investment adviser and other principal service providers. The Nominating Committee is comprised solely of the Fund's Disinterested Directors, Messrs. Dunlap (Chairman), Lundy, Whitaker and Young. The Board of Directors has adopted a written charter for the Nominating Committee, which is attached to this Proxy Statement as Appendix C.

The Nominating Committee identifies prospective director nominees from any reasonable source and has the ability to engage third-party services for the identification and evaluation of potential nominees. The Charter of the Committee provides that each prospective director candidate have a college degree or equivalent business experience. In addition, it is the Board's policy that Directors on the Board may not serve in a similar capacity on the board of a registered investment company which is not sponsored or advised by the Fund's investment adviser or its affiliates. Although there are no minimum qualifications other than as described above, the Committee may take into account a wide variety of factors in considering prospective director nominees, including (but not limited to) the overall diversity of the Board's composition and the prospective nominee's: (i) availability and commitment to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; and (v) ability, judgment and expertise.

The Nominating Committee will consider potential director nominees recommended by Fund shareholders provided that the proposed nominees satisfy the director qualification requirements provided in the Fund's Articles of Incorporation and Bylaws, are not interested persons of the Fund or the Fund's investment adviser within the meaning of the 1940 Act, and otherwise satisfy the eligibility requirements which are set forth in the Nominating Committee charter and the Procedures and Eligibility Requirements for Shareholder Submission of Nominee Candidates included as Exhibit 1 to the charter (the Shareholder Nominating Procedures); and provided, further, that the recommending shareholder follows the procedures set forth in the Shareholder Nominating Procedures for submitting the nominee recommendation to the Committee. Among other requirements, the Shareholder Nominating Procedures require that a recommending shareholder submit any recommendation in writing to the Fund at its principal executive offices, to the attention of the Fund's Secretary, and require that such a submission be received by the Fund by the deadline for submission of shareholder proposals for presentation at the next annual meeting of the Fund, as set forth in the Fund's Bylaws (i.e., normally not less than 45 nor more than 60 days prior to the date the Fund first mailed its proxy materials for the prior year's annual meeting).

Shareholders recommending potential director nominees must substantiate compliance with the Shareholder Nominating Procedures at the time of submitting their proposed director nominee to the attention of the Fund's Secretary. Notice to the Fund's Secretary should be provided in accordance with the deadline specified above and include, among other things, (i) the shareholder's contact information; (ii) the director nominee's contact information and the number of Fund shares owned by the proposed nominee; (iii) all information regarding the proposed nominee that would be required to be disclosed in solicitations

of proxies for election of directors required by Regulation 14A of the Exchange Act; and (iv) a written consent executed by the proposed nominee, stating his or her intention to serve as a nominee and be named in the Fund's proxy statement, if nominated by the Board of Directors, and to be named as a director if so elected.

Other than compliance with the requirements mentioned above and set forth in greater detail in the Shareholder Nominating Procedures for submission by shareholders of recommendations for director nominees, the Nominating Committee does not otherwise evaluate potential director nominees recommended by shareholders in a different manner and the standard of the Nominating Committee is to treat all equally qualified potential nominees in the same manner. The foregoing description of the requirements for shareholder submission of a nominee recommendation is only a summary. Please refer to the Shareholder Nominating Procedures in Exhibit 1 to Appendix C to this Proxy Statement for details.

No nominee recommendations have been received from shareholders.

Valuation Committee

The Board has a Fair Valuation Committee, whose sole member is Brent R. Harris. The Fair Valuation Committee is responsible for overseeing the implementation by the investment manager of the Fund's policies and procedures for fair valuing securities for which market quotations are not readily available.

During the fiscal year ended January 31, 2005, the Board of Directors held four regular meetings and three special meetings. The Audit Oversight Committee met four times in separate session during the fiscal year ended January 31, 2005, the Nominating Committee had one meeting, and there were no meetings of the Fair Valuation Committee. Each director serving during the fiscal year ended January 31, 2005, attended at least 75% of the regular and special meetings of the Board and meetings of the committees on which such director served. Mr. Harris attended the 2004 annual meeting of shareholders. During the fiscal year ended January 31, 2005, Mr. Lundy was a director of a company with a class of securities registered pursuant to Section 12 of the Exchange Act or subject to the requirements of Section 15(d) of the Exchange Act.

Shareholders may obtain information regarding the ability to communicate with the Board of Directors, as well as the Fund's policy concerning attendance by directors at annual meetings of shareholders, by consulting the website maintained by PIMCO for the Fund at www.rcsfund.com.

Required Vote

Re-election of the Nominated Directors to the Board of Directors (Proposal 1) will require the affirmative vote of a plurality of the votes cast in the election of directors at the Meeting, in person or by proxy.

PricewaterhouseCoopers LLP (PwC) was selected by the Audit Oversight Committee and the Board on March 17, 2005 as independent public accountant to examine the financial statements of the Fund for the fiscal year ending January 31, 2006. A representative of PwC, if requested by any shareholder, will be present (via telephone) at the Meeting to respond to appropriate questions from shareholders.

Pre-approval Policies and Procedures

The Audit Oversight Committee is required to pre-approve all audit services and permitted non-audit services provided by PwC or any other independent public accountant engaged by the Fund (the Auditor). The Audit Oversight Committee must also pre-approve any engagement of the Auditor to provide non-audit services to (i) the Fund's investment adviser, and (ii) any entity controlling, controlled by, or under common control with the Fund's investment adviser that provides ongoing services to the Fund (entities in (i) and (ii), hereinafter Service Affiliates) if the services provided to such Service Affiliates relate directly to the operations and financial reporting of the Fund (Covered Non-Audit Services). At each meeting of the Audit Oversight Committee, the Committee considers and pre-approves a list of non-audit services that may be provided by the Auditor to the Fund or its Service Affiliates prior to the Committee's next meeting and the maximum compensation therefor.

There is an exception to the foregoing pre-approval requirement for non-audit services, which would apply only if certain conditions are met, including that (i) the aggregate fees and costs of all non-audit services that, but for this limited exception, would require pre-approval by the Audit Oversight Committee constitutes no more than five percent of the total fees and costs paid by the Fund and Services Affiliates to the Auditor during the fiscal year during which such non-audit services are provided; (ii) at the time of engagement for such services, the Fund did not recognize that the services were non-audit services that required pre-approval; and (iii) each such service is promptly brought to the attention of and approved by the Audit Oversight Committee prior to the completion of the audit. The exception to the pre-approval requirement was not invoked with respect to any of the non-audit services described below.

Section 16(a) Beneficial Ownership Reporting Compliance

Edgar Filing: PIMCO STRATEGIC GLOBAL GOVERNMENT FUND INC - Form DEF 14A

Section 30(h) of the 1940 Act and Section 16(a) of the 1934 Act require the Fund's Directors and officers, investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered class of the Fund's equity securities to file forms reporting their affiliation with the Fund and reports of ownership and changes in ownership of the Fund's shares with the Securities and Exchange Commission (SEC) and the NYSE. These persons and entities are required by SEC regulation to furnish the Fund with copies of all Section 16(a) forms they file. Based on a review of these forms furnished to the Fund, the Fund believes that the Fund's Directors and officers, PIMCO and affiliated persons of PIMCO have complied with all applicable Section 16(a) filing requirements during the fiscal year ended January 31, 2005. To the knowledge of management of the Fund, no shareholder of the Fund beneficially owns more than 10% of a registered class of the Fund's equity securities.

If any other business is properly brought before the Meeting, or any adjournment thereof, the persons named as Proxies will vote in their sole discretion.

ADDITIONAL INFORMATION

Legal Proceedings

On June 1, 2004, the Attorney General of the State of New Jersey announced that it had dismissed PIMCO from a complaint filed by the New Jersey Attorney General on February 17, 2004, and that it had entered into a settlement agreement (the New Jersey Settlement) with PIMCO's parent company, Allianz Global Investors of America L.P. (AGI, formerly known as Allianz Dresdner Asset Management of America L.P.), PEA Capital LLC (an entity affiliated with PIMCO through common ownership) (PEA) and Allianz Global Investors Distributors LLC (AGI Distributors, formerly known as PA Distributors LLC), in connection with the same matter. In the New Jersey Settlement, AGI, PEA and AGI Distributors neither admitted nor denied the allegations or conclusions of law, but did agree to pay New Jersey a civil fine of \$15 million and \$3 million for investigative costs and further potential enforcement initiatives against unrelated parties. They also undertook to implement certain governance changes. The complaint relating to the New Jersey Settlement alleged, among other things, that AGI, PEA and AGI Distributors had failed to disclose that they improperly allowed certain hedge funds to engage in market timing in certain funds.

Since February 2004, PIMCO, AGI, PEA, AGI Distributors, and certain of their affiliates, PIMCO Funds and Allianz Funds (formerly PIMCO Funds: Multi-Manager Series), have been named as defendants in 14 lawsuits filed in U.S. District Court in the Southern District of New York, the Central District of California and the Districts of New Jersey and Connecticut. Ten of those lawsuits concern market timing, and they have been transferred to and consolidated for pre-trial proceedings in the U.S. District Court for the District of Maryland; four of those lawsuits concern revenue sharing and have been consolidated into a single action in the U.S. District Court for the District of Connecticut. The lawsuits have been commenced as putative class actions on behalf of investors who purchased, held or redeemed shares of the various series of the PIMCO Funds and the Allianz Funds during specified periods, or as derivative actions on behalf of the PIMCO Funds and the Allianz Funds.

The market timing actions in the District of Maryland generally allege that certain hedge funds were allowed to engage in market timing in certain of the PIMCO Funds and the Allianz Funds and this alleged activity was not disclosed. Pursuant to tolling agreements entered into with the derivative and class actions plaintiffs, PIMCO, the PIMCO Funds' trustees, and certain employees of PIMCO who were previously named as defendants have all been dropped as defendants in the market timing actions; the plaintiffs continue to assert claims on behalf of the shareholders of the PIMCO Funds or on behalf of the

PIMCO Funds themselves against other defendants. The revenue sharing action in the District of Connecticut generally alleges that fund assets were inappropriately used to pay brokers to promote the Allianz Funds and the PIMCO Funds, including directing fund brokerage transactions to such brokers, and that such alleged arrangements were not fully disclosed to shareholders. The market timing and revenue sharing lawsuits seek, among other things, unspecified compensatory damages plus interest and, in some cases, punitive damages, the rescission of investment advisory contracts, the return of fees paid under those contracts and restitution.

On April 11, 2005, the Attorney General of the State of West Virginia filed a complaint in the Circuit Court of Marshall County, West Virginia (the West Virginia Complaint) against Allianz Global Investors Fund Management LLC (formerly PA Fund Management LLC) (AGIFM), PEA and AGI Distributors alleging, among other things, that they improperly allowed broker-dealers, hedge funds and investment advisers to engage in frequent trading of various open-end funds advised or distributed by AGIFM and certain of its affiliates in violation of the funds' stated restrictions on market timing. As of the date of this prospectus, the West Virginia Complaint has not been formally served upon AGIFM, PEA and AGI Distributors. The West Virginia Complaint also names numerous other defendants unaffiliated with AGIFM in separate claims alleging improper market timing and/or late trading of open-end investment companies advised or distributed by such other defendants. The West Virginia Complaint seeks injunctive relief, civil monetary penalties, investigative costs and attorney's fees.

Under Section 9(a) of the 1940 Act, if the New Jersey Settlement or any of the lawsuits described above were to result in a court injunction against AGI, PEA, AGI Distributors and/or their affiliates, PIMCO could, in the absence of exemptive relief granted by the SEC, be barred from serving as an investment adviser. In connection with an inquiry from the SEC concerning the status of the New Jersey Settlement under Section 9(a), PEA, AGI, AGI Distributors, AGI and certain of their affiliates (including PIMCO) (together, the Applicants) have sought exemptive relief from the SEC under Section 9(c) of the 1940 Act. The SEC has granted the Applicants a temporary exemption from the provisions of Section 9(a) with respect to the New Jersey Settlement until the earlier of (i) September 13, 2006 and (ii) the date on which the SEC takes final action on their application for a permanent order. There is no assurance that the SEC will issue a permanent order. If the West Virginia Attorney General were to obtain a court injunction against AGIFM, PEA or AGI Distributors, the Applicants would, in turn, seek exemptive relief under Section 9(c) with respect to that matter, although there is no assurance that such exemptive relief would be granted.

None of the aforementioned complaints alleges that any improper activity took place in the Fund. PIMCO believes that these developments will not have a material adverse effect on the Fund or on PIMCO's ability to perform its investment advisory services on behalf of the Fund.

Adjournment

In the event that sufficient votes in favor of the proposal set forth in the Notice of the Annual Meeting of Shareholders are not received by the time scheduled for the Meeting, the persons named as Proxies may propose one or more adjournments of the Meeting after the date set for the original Meeting to permit further solicitation of Proxies with respect to the proposal. In addition, if, in the judgment of the persons

named as Proxies, it is advisable to defer action on the proposal, the persons named as Proxies may propose one or more adjournments of the Meeting for a reasonable time. Any such adjournments will require the affirmative vote of a majority of the votes cast on the question in person or by Proxy at the session of the Meeting to be adjourned, as required by the Fund's Articles of Incorporation and By-Laws. The persons named as Proxies will vote in favor of such adjournment those Proxies which they are entitled to vote in favor of the proposal. They will vote against any such adjournment those Proxies required to be voted against the proposal. The costs of any additional solicitation and of any adjourned session will be borne by the Fund. Any proposal for which sufficient favorable votes have been received by the time of the Meeting may be acted upon and such action will be final regardless of whether the Meeting is adjourned to permit additional solicitation with respect to any other proposal.

Audit Oversight Committee Charter

(Adopted as of March 17, 2004, as amended through March 17, 2005)

The Board of Directors (the **Board**) of PIMCO Strategic Global Government Fund, Inc. (the **Fund**) has adopted this Charter to govern the activities of the Audit Oversight Committee (the **Committee**) of the Board with respect to its oversight of the Fund. This Charter supersedes and replaces any audit committee charter previously adopted by the Board or a committee of the Board.

Statement of Purpose and Functions

The Committee's general purpose is to oversee the Fund's accounting and financial reporting policies and practices and its internal controls, including by assisting with the Board's oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements, the qualifications and independence of the Fund's independent auditors, and the performance of the Fund's internal control systems and independent auditors. The Committee's purpose is also to prepare reports required by Securities and Exchange Commission rules to be included in the Fund's annual proxy statement, if any.

The Committee's function is oversight. While the Committee has the responsibilities set forth in this Charter, it is not the responsibility of the Committee to plan or conduct audits, to prepare or determine that the Fund's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or to assure compliance with laws, regulations or any internal rules or policies of the Fund. Fund management is responsible for Fund accounting and the implementation and maintenance of the Fund's internal control systems, and the independent auditors are responsible for conducting a proper audit of the Fund's financial statements. Members of the Committee are not employees of the Fund and, in serving on this Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures. Each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within management and outside the Fund from which the Committee receives information and (ii) the accuracy of financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary.

Membership

The Committee shall be comprised of as many Directors as the Board shall determine, but in any event not less than three (3) Directors. Each member of the Committee must be a member of the Board. The Board may remove or replace any member of the Committee at any time in its sole discretion. One or more members of the Committee may be designated by the Board as the Committee's chairman or co-chairman, as the case may be.

Each member of the Committee may not be an interested person of the Fund, as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the Investment Company Act), and must otherwise satisfy the standards for independence of an audit committee member of an investment company issuer as set forth in Rule 10A-3(b) (taking into account any exceptions to those requirements set for in such rule) under the Securities Exchange Act of 1934, as amended, and under applicable listing standards of the New York Stock Exchange (the NYSE). Each member of the Committee must be financially literate (or must become so within a reasonable time after his or her appointment to the Committee) and at least one member of the Committee must have accounting or related financial management expertise, in each case as the Board interprets such qualification in its business judgment under NYSE listing standards.

Responsibilities and Duties

The Committee's policies and procedures shall remain flexible to facilitate the Committee's ability to react to changing conditions and to generally discharge its functions. The following describe areas of attention in broad terms. The Committee shall:

1. Determine the selection, retention or termination of the Fund's independent auditors based on an evaluation of their independence and the nature and performance of the audit and any permitted non-audit services. Decisions by the Committee concerning the selection, retention or termination of the independent auditors shall be submitted to the Board for ratification in accordance with the requirements of Section 32(a) of the Investment Company Act. The Fund's independent auditors must report directly to the Committee, which shall be responsible for resolution of disagreements between management and the independent auditors relating to financial reporting.
2. To consider the independence of the Fund's independent auditors at least annually, and in connection therewith receive on a periodic basis formal written disclosures and letters from the independent auditors as required by the Independence Standards Board Standard (ISB) No. 1.
3. To the extent required by applicable regulations, pre-approve (i) all audit and permitted non-audit services rendered by the independent auditors to the Fund and (ii) all non-audit services rendered by the independent auditors to the Fund's investment adviser and to certain of the investment adviser's affiliates. The Committee may implement policies and procedures by which such services are approved other than by the full Committee.
4. Review the fees charged by the independent auditors to the Fund, the investment adviser and certain affiliates of the investment adviser for audit, audit-related and permitted non-audit services.
5. If and to the extent that the Fund intends to have employees, set clear policies for the hiring by the Fund of employees or former employees of the Fund's independent auditors.
6. Obtain and review at least annually a report from the independent auditors describing (i) the accounting firm's internal quality-control procedures and (ii) any material issues raised (a) by the accounting firm's most recent internal quality-control review or peer review or (b) by any governmental or other professional inquiry or investigation performed within the preceding five years respecting one or more independent audits carried out by the firm, and any steps taken to address any such issues.

7. Review with the Fund's independent auditors arrangements for and the scope of the annual audit and any special audits, including the form of any opinion proposed to be rendered to the Board and shareholders of the Fund.

8. Meet with management and the independent auditors to review and discuss the Fund's annual audited financial statements and unaudited semi-annual report, including a review of any specific disclosures of management's discussion (if any) of the Fund's investment performance; and, with respect to the Fund's audited financial statements, discuss with the independent auditors matters required by Statement of Accounting Standards (SAS) No. 61 and any other matters required to be reported to the Committee under applicable law; and provide a statement whether, based on its review of the Fund's audited financial statements, the Committee recommends to the Board that the audited financial statements be included in the Fund's Annual Report.

9. Discuss with management and the independent auditors the Fund's unaudited financial statements.

10. Review with the independent auditors any audit problems or difficulties encountered in the course of their audit work and management's responses thereto.

11. Review with management and, as applicable, with the independent auditors the Fund's accounting and financial reporting policies, practices and internal controls, management's guidelines and policies with respect to risk assessment and risk management, including the effect on the Fund of any recommendation of changes in accounting principles or practices by management or the independent auditors.

12. Discuss with management any press releases discussing the Fund's investment performance and other financial information about the Fund, as well as any financial information provided by management to analysts or rating agencies. The Committee may discharge this responsibility by discussing the general types of information to be disclosed by the Fund and the form of presentation (*i.e.*, a case-by-case review is not required) and need not discuss in advance each such release of information.

13. Establish procedures for (i) the receipt, retention, and treatment of complaints received by the Fund regarding accounting, internal accounting controls, or auditing matters; and (ii) the confidential, anonymous submission by employees of the Fund, the Fund's investment adviser, administrator, principal underwriter (if any) or any other provider of accounting-related services for the investment adviser of concerns regarding accounting or auditing matters.

14. Investigate or initiate the investigation of any improprieties or suspected improprieties in the Fund's accounting operations or financial reporting.

15. Review with counsel legal and regulatory matters that have a material impact on the Fund's financial and accounting reporting policies and practices or its internal controls.

16. Report to the Board on a regular basis (at least annually) on the Committee's activities.

17. Perform such other functions consistent with this Charter, the Articles of Incorporation and Bylaws of the Fund, and applicable law or regulation, as the Committee or the Board deems necessary or appropriate.

The Committee may delegate any portion of its authority and responsibilities as set forth in this Charter to a subcommittee of one or more members of the Committee.

Meetings

At least annually, the Committee shall meet separately with the independent auditors and separately with the representatives of Fund management responsible for the financial and accounting operations of the Fund. The Committee shall hold other regular or special meetings as and when it deems necessary or appropriate.

Outside Resources and Assistance from Management

The appropriate officers of the Fund shall provide or arrange to provide such information, data and services as the Committee may request. The Committee shall have the authority to engage at the Fund's expense independent counsel and other experts and consultants whose expertise the Committee considers necessary to carry out its responsibilities. The Fund shall provide for appropriate funding, as determined by the Committee, for the payment of: (i) compensation of the Fund's independent auditors for the issuance of an audit report relating to the Fund's financial statements or the performance of other audit, review or attest services for the Fund; (ii) compensation of independent legal counsel or other advisers retained by the Committee; and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in fulfilling its purposes or carrying out its responsibilities under this Charter.

Annual Evaluations

The Committee shall review and reassess the adequacy of this Charter at least annually and recommend any changes to the Board. In addition, the performance of the Committee shall be reviewed at least annually by the Board.

Adoption and Amendments

The Board shall adopt and approve this Charter and may amend the Charter at any time on the Board's own motion.

PIMCO Strategic Global Government Fund, Inc.

Report of the Audit Oversight Committee

The Audit Oversight Committee (the Committee) oversees the Fund's financial reporting process on behalf of the Board of Directors of the Fund (the Board) and operates under a written Charter adopted by the Board. The Committee meets with the Fund's management (Management) and independent public accountants and reports the results of its activities to the Board. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In connection with the Committee's and independent accountants' responsibilities, Management has advised that the Fund's financial statements for the fiscal year ended January 31, 2005 were prepared in conformity with generally accepted accounting principles.

The Committee has reviewed and discussed with Management and PricewaterhouseCoopers LLP (PwC), the Fund's independent public accountants, the audited financial statements of the Fund for the fiscal year ended January 31, 2005. The Committee has discussed with PwC the matters required to be discussed by Statements on Auditing Standard No. 61 (SAS 61). SAS 61 requires independent auditors to communicate to the Committee matters including, if applicable: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (4) disagreements with management over the application of accounting principles and certain other matters. The Committee has received the written disclosures and the letter from PwC required by Independence Standards Board Standard No. 1 (requiring auditors to make written disclosures to and discuss with the Committee various matters relating to the auditor's independence), and has discussed with PwC their independence. The Committee has also reviewed the aggregate fees billed by PwC for professional services rendered for the Fund and for non-audit services provided to Pacific Investment Management Company LLC (PIMCO), the Fund's investment manager, during the last fiscal year, and any entity controlling, controlled by or under common control with PIMCO that provided services to the Fund. As part of this review, the Committee considered, in addition to other practices and requirements relating to selection of the Fund's independent auditors, whether the provision of such non-audit services was compatible with maintaining the independence of PwC.

Based on the foregoing review and discussions, the Committee presents this Report to the Board and recommends that (1) the audited financial statements for the fiscal year ended January 31, 2005 be included in the Fund's Annual Report to shareholders for such fiscal year, (2) such Annual Report be filed with the Securities and Exchange Commission and the New York Stock Exchange, and (3) PwC be reappointed as the Fund's independent public accountants for the fiscal year ending January 31, 2006.

Nominating Committee Charter

Committee Membership

The Nominating (the Committee) shall be composed entirely of Directors who are not interested persons of the Fund as that term is defined in the Investment Company Act of 1940, as amended (the 1940 Act). The President and Chairman of the Board of the Fund, although not members of the Committee, will cooperate with the Committee by recommending candidates and recruiting them for the Board of Directors (the Board) of the Fund, and otherwise assisting the Committee to discharge its responsibilities.

Mission

To promote the effective participation of qualified individuals on the Board and Committees of the Board of the Fund.

Nominating Function Board

1. The Committee shall make nominations for directors of the Fund and submit such nominations to the full Board. The Committee shall evaluate candidates' qualifications for such positions, and, in the case of candidates for independent director positions, their independence from the Fund's investment adviser and other principal service providers. Persons nominated as independent directors must not be interested persons of the Fund as that term is defined in the 1940 Act. In selecting nominees for independent director, the Committee shall also consider the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, *e.g.* business, financial or family relationships with the investment adviser. In determining nominees' qualifications for Board membership, the Committee shall consider factors which may be delineated in this charter, or the Fund's Articles of Incorporation or Bylaws, and may consider such other factors as it may determine to be relevant to fulfilling the role of being a member of the Board.

2. The Committee may consider potential director candidates recommended by shareholders, provided that the proposed candidates: (i) satisfy any minimum qualifications of the Fund for its directors; and (ii) are not interested persons of the Fund or the Fund's investment adviser within the meaning of the 1940 Act. In order for the Committee to evaluate any nominee recommended by a shareholder or shareholder group, potential director candidates and nominating shareholders or shareholder groups must satisfy the requirements provided in Exhibit 1 to this Charter. Other than the requirements provided in Exhibit 1, the Committee shall not otherwise evaluate shareholder director nominees in a different manner than other nominees and the standard of the Committee is to treat all equally qualified nominees in the same manner.

3. The Committee may identify prospective directors from any reasonable source, including, but not limited to, the consultation of third-party director search services.

4. The Committee requires that each prospective director candidate have a college degree or equivalent business experience. In addition, it is the Board's policy that Directors on the Board may not serve in a similar capacity on the board of a registered investment company which is not sponsored or advised by the Fund's investment adviser or its affiliates. The Committee may take into account a wide variety of factors in considering prospective director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) the candidate's ability, judgment and expertise; and (vi) overall diversity of the Board's composition.

5. The Committee shall evaluate the participation and contribution of each director coming to the end of his or her term before deciding whether to recommend re-election. The Committee may seek the views of other directors to assist them in this evaluation.

6. The Committee shall periodically review the composition of the Board to determine whether it may be appropriate to add individuals with different backgrounds or skills from those already on the Board.

7. The Committee shall periodically review director compensation and shall recommend any appropriate changes to the Board as a group.

Nominating Function Committees

1. The Committee shall make nominations for membership on all committees of the Fund and submit such nominations to the full Board, and shall review committee assignments as necessary.

2. The Committee shall review as necessary the responsibilities of any committees of the Board, whether there is a continuing need for each committee, whether there is a need for additional committees, and whether committees should be combined or reorganized. The Committee shall consult with, and receive recommendations in connection with the foregoing from the Board and Fund management, and shall make recommendations for any such action to the full Board.

Other Powers and Responsibilities

1. The Committee shall meet periodically to carry out its nominating function, and at such other time or times as the Committee or Board may determine appropriate or necessary, and is empowered to hold special meetings as circumstances require.

2. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including authority to utilize Fund counsel and to retain experts or other persons with specific competence at the expense of the Fund.

3. The Committee shall review this Charter periodically and recommend any changes to the full Board.
