Item 1.01 Entry into a Material Definitive Agreement

On September 6, 2005, Cogen Lyondell, Inc. (CLI), an indirect subsidiary of Dynegy Inc. (Dynegy) and Dynegy Holdings Inc. (DHI), and Lyondell Chemical Company (LCC) entered into the following agreements effective January 1, 2007: (1) Steam and Electric Power Sales Agreement (the SEPSA), (2) Site Services Agreement and (3) Amended and Restated Lease and Easement Agreement (collectively, the 2007 Agreements). The 2007 Agreements will replace CLI s existing Steam and Electric Power Services Agreement, which expires in accordance with its terms on December 31, 2006, and amends and restates the current Lease and Easement Agreement between CLI and LCC pertaining to the location of CLI s Channelview, Texas cogeneration facility (the Facility).

Under the terms of the 2007 Agreements, the Facility will provide steam and electricity to meet the requirements for LCC s adjacent facility (up to stated thresholds), which is expected to average 2,000,000 pounds per hour of steam and 70 MW of electricity. The initial term of the SEPSA is fifteen (15) years, subject to automatic rollover terms of two years each thereafter, through January 1, 2047, unless either party exercises its right to terminate upon three years notice. The initial terms of both the Amended and Restated Lease and Easement Agreement and the Site Services Agreement are twenty-five (25) years, subject to automatic two-year rollover periods thereafter, through January 1, 2047, unless CLI exercises its right to terminate upon three years notice to LCC. If the SEPSA were to be terminated, the Amended and Restated Lease Agreement and the Site Services Agreement would also be subject to termination upon ten years after the later of (i) the expiration of the initial term of the SEPSA, or (ii) the termination of the SEPSA.

In connection with the execution of the 2007 Agreements, DHI has agreed to guarantee payment and performance of CLI s obligations (the Guaranty) under the 2007 Agreements for the benefit of LCC. DHI s exposure under the Guaranty is limited to \$50,000,000.

The foregoing description of the 2007 Agreements and the Guaranty and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the 2007 Agreements and the Guaranty.

Item 7.01 Regulation FD Disclosure.

A copy of the press release announcing the above transaction is being furnished pursuant to Regulation FD as Exhibit 99.1 to this Current Report on Form 8-K. The information in the press release shall not be deemed to be incorporated by reference into the filings of Dynegy or DHI under the Securities Act of 1933, as amended, except as set forth with respect thereto in any such filing. In addition, this Current Report on Form 8-K and the press release contain statements intended as forward-looking statements which are subject to the cautionary statements about forward-looking statements set forth in the press release.

Item 9.01 Financial Statements and Exhibits.
