**Item 1.01. Entry into a Material Definitive Agreement.**

On October 31, 2005, Cell Therapeutics, Inc. (the Corporation) entered into a Conversion and Placement Agreement (the CAP Agreement) with Linden Capital L.P. and Sunrise Partners Limited Partnership (the Existing Holders) with respect to the issuance of the Corporation's common stock, no par value (Common Stock) to the Existing Holders. Together, the Existing Holders own \$18.53 million of the Corporation's 5.75% Senior Subordinated Convertible Notes due June 15, 2008 and \$19.85 million of the Corporation's 4% Senior Subordinated Convertible Notes due 2010 (collectively, the Existing Holder Converts). Under the CAP Agreement, the Existing Holders will exercise their conversion rights under all of the Existing Holder Converts in return for the receipt of 3,323,371 shares of Common Stock. The Existing Holders will also receive an additional 9,877,932 shares of Common Stock in consideration therefor, which shares will not be freely tradable but be subject to our obligation to register them for resale under a Form S-3 registration statement or other applicable form (the Restricted Shares).

The Existing Holders will receive in the aggregate 13,201,303 shares of Common Stock under the CAP Agreement, provided, however, that that in no event shall the Corporation issue to the Existing Holders shares of Common Stock in excess of such number as would result in any Existing Holders becoming the beneficial owner of 9.5% or more of the Corporation's Common Stock on a fully diluted basis. In such event, the Corporation shall issue to the Existing Holder a number of zero strike price warrants (the Warrants) equal to the number of shares of Common Stock that the Corporation is precluded by this provision from issuing to such Existing Holder, with such warrants containing similar blocker provisions.

The Corporation knows of no material relationship between the Corporation or its affiliates and the Existing Holders other than in respect of the CAP Agreement and the Existing Holders' intention to participate in the Corporation's offering of its 6.75% Convertible Senior Notes due 2010.

The description of the terms and conditions of the CAP Agreement and the Warrants set forth herein does not purport to be complete and is qualified in its entirety by reference to the full text of the CAP Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by this reference.

On November 1, 2005, the Corporation issued a press release related to the matters described herein (the Press Release). The Press Release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The Restricted Shares and Warrants were offered and sold to the Existing Holders in a private placement transaction made in reliance upon exemptions from registration pursuant to Section 4(2) under the Securities Act of 1933 and Rule 506 promulgated thereunder. Each of the Existing Holders is an accredited investor as defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933, as amended.
