A description of Amendment No. 8 is included in Item 5.03 of this report and is incorporated herein by reference.

Item 3.02. Unregistered Sales of Equity Securities.

Pursuant to a Units Purchase Agreement dated February 6, 2006, the Partnership sold and issued on February 8, 2006, 1,069,850 Common Units and 2,570,150 Class F Units, representing limited partnership interests in the Partnership, to Energy Transfer Equity, L.P. (ETE). The price per unit paid for each of the Common Units and Class F Units was equal to \$36.37 per unit, the New York Stock Exchange closing price of the Partnership's Common Units on February 8, 2006. The aggregate proceeds of \$132,386,800 was received in cash on February 8, 2006, and no underwriting discounts or commissions were paid. The Common Units and Class F Units were issued to ETE in a private placement that is exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended. The terms and provisions of the Class F Units provide that they may be converted to Common Units upon the approval of a majority of the holders of the Partnership's Common Units. The description of the Class F Units included in Item 5.03 is incorporated by reference into this Item 3.02.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Pursuant to its general partner powers, the Partnership's General Partner amended the Amended and Restated Agreement of Limited Partnership of Energy Transfer Partners, L.P. (the Partnership Agreement) on February 6, 2006, to create a new class of limited partner interests titled Class F Units. The Class F Units provide that prior to conversion the Class F Units will share in Partnership distributions and will be entitled to all items of Partnership income, gain, loss, deduction and credit as if the Class F Units were Subordinated Units. The Class F Units are entitled to vote upon any proposal submitted to the Partnership's common unitholders, however, they are not entitled to vote on the proposal for their conversion. Upon receiving the requisite approval by the Partnership's common unitholders under a proposal to convert the Class F Units to Common Units, all Class F Units shall convert to Common Units on a one-for-one basis. In the event the Class F Units are not converted to Common Units within six months of their issuance, the Class F Units will be entitled to share in Partnership distributions based on 115% of the amount of any Partnership distribution to each Common Unit, and the right to receive distributions shall have the same order of priority relative to distributions on the Common Units.

The description of the characteristics, terms and provisions of the Class F Units in this Item 5.03 is qualified in its entirety by Amendment No. 8 to the Partnership Agreement, a copy of which is being filed with this report as Exhibit No. 3.1.8 and incorporated herein by reference.
