Your Board of Directors unanimously believes that the two (2) items proposed by the Board are in the best interests of McClatchy and its shareholders and recommends that you vote in favor of the proposals.

In addition to these items of business, at the meeting I will report to you on McClatchy's financial position and results of operations and respond to comments and answer questions of general interest to shareholders.

PROXY STATEMENT

GENERAL INFORMATION

The enclosed proxy is solicited on behalf of the Board of Directors of The McClatchy Company, a Delaware corporation, with its principal executive offices at 2100 Q Street, Sacramento, California 95816. This proxy is for use at McClatchy's 2006 Annual Meeting of Shareholders to be held on Wednesday, May 17, 2006, at 9:00 a.m. local time, in the Vizcaya Pavilion, 2019 21st Street, Sacramento, California 95818.

This proxy statement contains important information regarding McClatchy's 2006 Annual Meeting of Shareholders, the proposals on which you are being asked to vote, information you may find useful in determining how to vote and voting procedures.

As of the close of business on March 20, 2006, the record date, there were outstanding 20,608,579 shares of McClatchy's Class A Common Stock and 26,207,397 shares of McClatchy's Class B Common Stock. The Board of Directors is first sending this proxy statement and form of proxy to shareholders on or about March 31, 2006.

Classes of Stock and Voting Rights

In accordance with McClatchy's Amended and Restated Certificate of Incorporation, the company is authorized to issue shares of two classes of Common Stock: Class A Common Stock, par value \$0.01 per share, and Class B Common Stock, par value \$0.01 per share. Class A shareholders have the right, voting as a separate class, to elect that number of directors constituting 25% (or the nearest larger whole number) of the total number of members of the board of directors and to remove any director elected by the Class A shareholders. On all matters other than the election and removal of directors, each share of Class A Common Stock entitles the holder to one-tenth (1/10) of a vote.

Class B shareholders have the right, voting as a separate class, to elect that number of directors not elected by the Class A shareholders and to remove any director elected by the Class B shareholders. On all matters other than the election and removal of directors, each share of Class B Common Stock entitles the holder to one vote.

Form of Ownership

For each share that you own, regardless of the class from which it issues, your name or the name of someone appointed by you (for example, a broker or other nominee) appears in the company's records as the owner of that share. If your name appears in the company's records, you are considered the record owner of that share. If the name of someone appointed by you appears in the company's records, you are considered the beneficial owner of that share. Because ownership status is determined by reference to a particular share, a shareholder who owns more than one share may be both a shareholder of record and a beneficial owner.

Methods of Voting

You may vote in person at the meeting or by proxy through the mail, by telephone or over the Internet.

Voting in Person at the Meeting

If you were the record owner of at least one share of McClatchy's Class A or B Common Stock as of the close of business on March 20, 2006, the record date, or if you hold a valid proxy from the record owner of at

least one share of McClatchy's Class A or B Common Stock as of the close of business on the record date, you are entitled to attend the meeting and vote in person. Shareholders who attend the meeting and wish to vote in person will be provided with a ballot at the meeting.

If you plan to attend the meeting and vote in person, please be prepared to present photo identification for admittance. If you are the record owner of your shares, prior to granting you admission to the meeting, the company will verify your name against a list of record owners as of the close of business on the record date. If you are the beneficial owner of shares held through a broker or other nominee and wish to attend the meeting and vote in person, you will need to obtain a properly executed, valid proxy from your broker or nominee (the record owner), authorizing you to vote such shares. Please be prepared to present such a proxy for admittance. Similarly, if you are a proxy holder, please be prepared to present the properly executed, valid proxy that you hold.

Even if you plan to attend the meeting, the Board of Directors encourages you to complete, sign, date and submit a proxy card. You may revoke your proxy at any time prior to the close of voting at the meeting (see the section entitled "Revoking Your Proxy" below). If you attend the meeting and vote in person, your completed ballot will revoke any proxies previously submitted.

Voting by Proxy

If you do not plan or are unable to attend the meeting and vote in person, you may still vote by authorizing another to vote on your behalf in accordance with your directions. If you are a record owner, you may vote by proxy in any or all of the methods described below. The proxy last executed by you and submitted prior to the close of voting at the meeting will revoke all previously submitted proxies.

If you authorize the McClatchy proxy holders to vote on your behalf, your shares will be voted in accordance with your directions. If you do not provide voting directions, your shares will be voted FOR each of the Class A nominees for director proposed by the Board of Directors if you hold Class A shares; FOR each of the Class B nominees for director proposed by the Board of Directors if you hold Class B shares; and FOR ratification of the appointment of Deloitte & Touche LLP as McClatchy's independent registered public accounting firm. Whether or not you provide voting directions, your proxy, when properly executed, will be voted in the discretion of the proxy holders upon such other matters as may properly come before the meeting and postponement or adjournment thereof.

If you are the beneficial owner of shares held through a broker or other nominee, your broker or nominee should provide you with information regarding the methods by which you can direct your broker or nominee to vote your shares. Your broker or nominee might send you, for example, a voting instruction card, similar to the company's proxy card, to be completed, signed, dated and returned to your broker or nominee by a date in advance of the meeting, and/or information on how to communicate your voting instructions to your broker or nominee by telephone or over the Internet.

Voting by Mail. By completing, signing, dating and returning the proxy card in the enclosed prepaid and addressed envelope, you are authorizing the individuals named on the proxy card to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the meeting. In this way, your shares will be voted if you are unable to attend the meeting. If you received more than one proxy card, it is a likely indication that your shares are held in multiple accounts. Please sign and return all proxy cards to ensure that all of your shares are voted.

Voting by Telephone. To vote by telephone, please follow the instructions included on your proxy card. If you vote by telephone, you do not need to complete and mail your proxy card.

Voting on the Internet. To vote on the Internet, please follow the instructions included on your proxy card. If you vote on the Internet, you do not need to complete and mail your proxy card.

Revoking Your Proxy

You may revoke your proxy at any time prior to the close of voting at the meeting by doing any one of the following:

complete, sign, date and submit another proxy (a properly executed, valid proxy will revoke any previously submitted proxies);

provide written notice of the revocation to McClatchy's Secretary; or

attend the meeting and vote in person.

Quorum Requirement

A quorum, which under McClatchy's bylaws is the number of shares sufficient to constitute a majority of the outstanding voting power of McClatchy common stock as of the record date, must be present in order to hold the meeting and to conduct business. In addition, with respect to the election of directors, at least one-third of the shares of each class of common stock (Class A and Class B) must be present to establish a quorum under the Delaware General Corporation Law. Shares are counted as being present at the meeting if you appear in person at the meeting or if you vote your shares by proxy, either through the mail, by telephone or over the Internet. If any broker non-votes (as described below) are present at the meeting, they will be counted as present for the purpose of determining a quorum.

Votes Required for the Proposals

Only Class A shareholders are entitled to vote on the nominees for Class A director. If you are a Class A shareholder, with respect to each nominee for Class A director, you may vote for the nominee or you may withhold your vote. If you withhold your vote with respect to any or all nominees for Class A director, your vote will be counted as present for purposes of determining a quorum but will not be counted as a vote in favor of the proposal. The four nominees for Class A director receiving the highest number of votes from Class A shareholders, in person or by proxy, will be elected as the Class A directors.

Only Class B shareholders are entitled to vote on the nominees for Class B director. If you are a Class B shareholder, with respect to each nominee for Class B director, you may vote for the nominee or you may withhold your vote. If you withhold your vote with respect to any or all nominees for Class B director, your vote will be counted as present for purposes of determining a quorum but will not be counted as a vote in favor of the proposal. The ten nominees for Class B director receiving the highest number of votes from Class B shareholders, in person or by proxy, will be elected as the Class B directors.

In accordance with McClatchy's Amended and Restated Certificate of Incorporation, each share of Class A Common Stock entitles the holder to one-tenth (1/10) of a vote, and each share of Class B Common Stock entitles the holder to one vote, on all matters other than the election of directors presented at the meeting. If you abstain from voting with respect to a particular proposal, your vote will be counted as present for purposes of determining a quorum and present at the meeting and entitled to vote on the subject matter. Under the Delaware General Corporation Law and applicable New York Stock Exchange (NYSE) rules, shareholder approval requires the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter. Therefore, with respect to proposals other than the election of directors, under the Delaware General Corporation Law and applicable NYSE rules, an abstention has the same effect

Edgar Filing: MCCLATCHY CO - Form DEF 14A

as a vote against the proposal. With respect to the election of directors, abstentions will have no effect on the outcome of the proposal since director nominees are elected by a plurality of the votes cast by the applicable class of McClatchy common shareholders.

Broker Non-Votes

If you are the beneficial owner of shares held through a broker, bank or other nominee, and your broker, bank or other nominee transmits proxy materials to you, but you do not return voting instructions, applicable

regulations of the New York Stock Exchange permit your broker, bank or other nominee to vote your shares on certain routine matters without your instruction. Such regulations also list various non-routine matters as to which your broker, bank or other nominee may not vote your shares without your instruction. A vote which your broker, bank or other nominee does not have authority to cast pursuant to applicable regulations is known as a broker non-vote. To the extent that broker non-votes are applicable with respect to matters at the annual meeting, they will be treated as shares present for purposes of determining a quorum, but will not be treated as shares present and entitled to vote.

Voting Confidentiality

Proxies, ballots and voting tabulations are handled on a confidential basis to protect your voting privacy. Information will not be disclosed except as required by law.

Voting Results

Final voting results will be announced at the meeting and will be published in McClatchy's Quarterly Report on Form 10-Q for the second quarter of fiscal 2006, filed with the Securities and Exchange Commission. After the report is filed, you may obtain a copy by:

visiting our website at www.mcclatchy.com;

contacting our Investor Relations department at 1-916-321-1846; or

viewing our Quarterly Report on Form 10-Q for the second quarter of fiscal 2006 on the Securities and Exchange Commission's website at www.sec.gov.

Proxy Solicitation Costs

McClatchy will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of the proxy materials. McClatchy will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation material to McClatchy shareholders. Employees of McClatchy and its subsidiaries may also solicit proxies personally and by telephone. The expense for this would be nominal.

PROPOSALS

Item 1. Election of Directors

Overview

In accordance with McClatchy's Amended and Restated Certificate of Incorporation, Class A shareholders have the right, voting as a separate class, to elect that number of directors constituting 25% (or the nearest larger whole number) of the total number of members of the board of directors. Class B shareholders have the right, voting as a separate class, to elect that number of directors not elected by the Class A shareholders. Only Class A shareholders are entitled to vote on the nominees for Class A director, and only Class B shareholders are entitled to vote on the nominees for Class B director.

Each nominee is presently a director of McClatchy. The directors elected will serve until the next annual meeting and until their successors are elected or appointed and qualified or until their earlier resignation or removal. If any director nominee is unable or declines to serve as a director at the time of the meeting, the Board may, by resolution, provide for a lesser number of directors or designate a substitute director to fill the vacancy.

A brief biography for each nominee for director, grouped by class, appears below. Following the biographies of director nominees, the section entitled "Other Executive Officers" contains a brief biography for each of McClatchy's non-director executive officers. Although the biographies of McClatchy's non-director executive officers are presented under the section entitled "Proposals," no action with respect to McClatchy's non-director executive officers is sought from, or is to be taken by, the shareholders. The biographies of McClatchy's non-director executive officers are presented under this section merely for convenient reference.

Voting Matters

Only Class A shareholders are entitled to vote on the nominees for Class A director. If you are a Class A shareholder, with respect to each nominee for Class A director, you may vote for the nominee or you may withhold your vote. If you withhold your vote with respect to any or all nominees for Class A director, your vote will be counted as present for purposes of determining a quorum but will not be counted as a vote in favor of the proposal. The four nominees for Class A director receiving the highest number of votes from Class A shareholders, in person or by proxy, will be elected as the Class A directors.

Only Class B shareholders are entitled to vote on the nominees for Class B director. If you are a Class B shareholder, with respect to each nominee for Class B director, you may vote for the nominee or you may withhold your vote. If you withhold your vote with respect to any or all nominees for Class B director, your vote will be counted as present for purposes of determining a quorum but will not be counted as a vote in favor of the proposal. The ten nominees for Class B director receiving the highest number of votes from Class B shareholders, in person or by proxy, will be elected as the Class B directors.

Abstentions will have no effect on the outcome of Proposal 1, since the director nominees are elected by a plurality of the votes cast by the applicable classes of McClatchy common shareholders.

If you authorize the McClatchy proxy holders to vote on your behalf, your shares will be voted in accordance with your directions. If you do not provide voting directions, your shares will be voted, as applicable based on the class or classes of shares you hold, FOR each of the Class A nominees for director proposed by the Board of Directors and/or FOR each of the Class B nominees for director proposed by the Board of Directors. Whether or not you provide voting directions, your proxy, when properly executed, will be voted in the discretion of the proxy holders upon such other matters as may properly come before the meeting and postponement or adjournment thereof.

In accordance with McClatchy's Amended and Restated Certificate of Incorporation, each share of Class A Common Stock entitles the holder to one-tenth (1/10) of a vote, and each share of Class B Common Stock entitles the holder to one vote, on all matters other than the election of directors presented at the meeting. If you abstain from voting with respect to a particular proposal, your vote will be counted as present for purposes of determining a quorum and present at the meeting and entitled to vote on the subject matter. Under the Delaware General Corporation Law and applicable NYSE rules, shareholder approval requires the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter. Therefore, under the Delaware General Corporation Law and applicable NYSE rules, an abstention has the same effect as a vote against the proposal.

If you do not provide voting directions, your shares will be voted FOR ratification of the appointment of Deloitte & Touche LLP as McClatchy's independent registered public accounting firm. CORPORATE GOVERNANCE AND BOARD MATTERS

General

The Board of Directors is responsible for overseeing the Company's affairs for the benefit of McClatchy's shareholders. The principal functions of the Board and its Committees are described in our Corporate Governance Guidelines, which are available on our website at www.mcclatchy.com.

In addition, we have also adopted a written code of business conduct and ethics that applies to our employees, as well as a code of ethics for senior officers that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. These codes of ethics can also be found on our website at www.mcclatchy.com.

Board Independence

The Board has determined that each of the current director nominees, other than Gary Pruitt, Chairman, President and Chief Executive Officer, and William McClatchy, who is the son of McClatchy's former Publisher, James B. McClatchy (who retired in June 2005), has no material relationship with the Company and is independent within the meaning of the NYSE listing standards, as currently in effect. In evaluating the independence of Molly Maloney Evangelisti and Brown McClatchy Maloney, the Board took into consideration that they are cousins of James McClatchy and William McClatchy and in evaluating the independence of Kevin S. McClatchy, the Board took into consideration that he is a cousin of William McClatchy and a nephew of James B. McClatchy. The Board also considered, among other things, the overall nature of these familial relationships and that each of them lives in a separate household, and concluded that these relationships were not material with respect to the independence of Molly Maloney Evangelisti, Brown McClatchy Maloney or Kevin McClatchy as directors of McClatchy. Furthermore, the Board has determined that each of the members of the Audit Committee, the Compensation Committee, the Committee on the Board and the Nominating Committee is independent within the meaning of the NYSE listing standards, as currently in effect.

Board Structure and Committee Composition

As of the date of this proxy statement, the Board has 14 directors and the following five committees: (1) Audit Committee, (2) Compensation Committee, (3) Committee on the Board, (4) Nominating Committee and (5) Pension and Savings Plans Committee. The membership and function of these committees are described below. Each committee operates under a written charter that has been approved by the Board. These charters are available on our website at www.mcclatchy.com and are also available in print to any shareholder requesting copies. In addition, the Audit Committee charter is included as Appendix A to this proxy statement.

The Board of Directors met six times during fiscal 2005. No director attended fewer than 75% of the aggregate number of meetings of the board and any committee on which such director served. All directors attended the last annual meeting of shareholders. The Board has no formal policy regarding attendance at meetings.

Mr. Barnes also serves on the audit committees of Longs Drug Stores Corporation, Herbalife, Ltd. and Citizens Communications, Inc. The Board has designated Mr. Ritchey and Mr. Barnes as audit committee financial experts as defined by Item 401(h) of Regulation S-K. The Audit Committee has been established in accordance with Section 10A(m)(1) and Rule 10A-3 of the Securities Exchange Act of 1934, as amended. Among other things, the Audit Committee appoints, evaluates and determines the compensation of McClatchy's independent auditors; reviews and approves the scope of the annual audit, and the financial statements; reviews McClatchy's disclosure controls and procedures, internal controls, information security policies, internal audit function, and corporate policies with respect to financial information and earnings guidance, if provided by the Company; oversees investigations into complaints concerning financial matters; reviews other risks that may have a significant impact on McClatchy's financial statements; prepares the Audit Committee report for inclusion in the annual proxy statement; and annually reviews the Audit Committee charter and the Committee's performance. The Audit Committee works closely with management and oversees McClatchy's independent auditors. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from McClatchy for, outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties. The Audit Committee held thirteen meetings during fiscal 2005. The report of the Audit Committee is included in this proxy statement beginning on page 28.

The Nominating Committee evaluates and recommends the proposal for the board slate for election by the shareholders and will consider recommendations from shareholders for director candidates, as described below. The Nominating Committee annually reviews its charter and the Committee's performance. The Nominating Committee held two meetings during fiscal 2005.

Pension and Savings Plans Committee

Leroy Barnes, Jr. serves as the chairperson and Joan F. Lane, Kevin S. McClatchy, William McClatchy, Theodore R. Mitchell and Gary B. Pruitt serve as members of the Pension and Savings Plans Committee. The Pension and Savings Plans Committee reviews McClatchy's pension funding policy and objectives, monitors the investment of the assets in McClatchy's 401(k) and Pension Plans, and recommends appropriate related action to the Board of Directors. The Pension and Savings Plans Committee annually reviews its charter and the Committee's performance. The Pension and Savings Plans Committee held three meetings during fiscal 2005.

Director Qualifications

Under McClatchy's Corporate Governance Guidelines, the Committee on the Board is responsible for reviewing with the Board the appropriate skills and characteristics of Board members, as well as the composition of the Board as a whole. Under these criteria, Board candidates should demonstrate high ethical standards, capacity for leadership and broad business or professional experience. In assessing a candidate, the Nominating Committee will consider skills; diversity; age; independence; geographic proximity to our newspapers and other operations; experience in areas such as operations, journalism, finance, interactive media and marketing; and the general needs of the Board.

Identifying and Evaluating Nominees for Directors

The Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. In the event vacancies are anticipated or otherwise arise, the Nominating Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating Committee through current Board members, professional search firms, shareholders or other persons. These candidates are evaluated at meetings of the Nominating Committee and may be considered at any point during the course of the year. The Nominating Committee will consider properly submitted nominees of shareholders, as discussed above. The nominees standing for election at the 2006 annual meeting were recommended by the Nominating Committee in early 2006.

Executive Sessions

Executive sessions of non-management directors are held at least three times per year, as scheduled by the non-management director chairing the sessions. In addition, at least once each year, the independent directors meet in executive session. Executive sessions of the Board are scheduled and chaired by the Chair of the Committee on the Board. Currently, Joan Lane serves as the Chair of the Committee on the Board. Any non-management director may also request that additional executive sessions be scheduled.

PRINCIPAL SHAREHOLDERS

Class A Common Stock

The following table shows information about the beneficial ownership of shares of Class A Common Stock as of March 20, 2006, by each director and nominee for director; McClatchy's chief executive officer; each of McClatchy's four most highly compensated executive officers other than the chief executive officer; all directors, nominees for director and executive officers of McClatchy as a group; and each person known by McClatchy to beneficially own more than 5% of the outstanding shares of the Class A Common Stock.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission and generally includes voting or investment power with respect to securities. All shares of Class A Common Stock subject to options exercisable within 60 days following the record date are deemed beneficially owned by the person holding those options. Also, each holder of Class B Common Stock is deemed to be the beneficial owner of the same number of shares of Class A Common Stock under the Securities and Exchange Commission rules, on the basis that he or she has the right, subject to the terms of the shareholders' agreement described later in this proxy statement, to convert Class B Common Stock into Class A Common Stock. See the section entitled "Agreement Among Class B Shareholders." For purposes of calculating the percentage of outstanding shares of Class A Common Stock beneficially owned by each shareholder, the shares of Class A Common Stock deemed to be owned by each shareholder because of his or her ownership of either Class B Common Stock or options to acquire Class A Common Stock are treated as outstanding only for that shareholder. As a result, the column showing the percentage of deemed beneficial ownership of Class A Common Stock does not necessarily reflect the beneficial ownership of Class A Common Stock actually outstanding as of the close of business on the record date.

A Permitted Transferee is any current holder of shares of Class B Common Stock of McClatchy; any lineal descendant of Charles K. McClatchy (1858 to 1936); or a trust for the exclusive benefit of, or in which all of the remainder beneficial interests are owned by, one or more lineal descendants of Charles K. McClatchy.

In the event that a Class B shareholder attempts to transfer any shares of Class B Common Stock in violation of the agreement, or upon the happening of certain other events enumerated in the agreement as Option Events, each of the remaining Class B shareholders has an option to purchase a percentage of the total number of shares of Class B Common Stock proposed to be transferred equal to such remaining Class B shareholder's ownership percentage of the total number of outstanding shares of Class B Common Stock. If all the shares proposed to be transferred are not purchased by the remaining Class B shareholders, McClatchy has the option of purchasing the remaining shares. In general, any shares not purchased under this procedure will be converted into shares of Class A Common Stock and then transferred freely. The agreement can be terminated by the vote of the holders of 80% of the outstanding shares of Class B Common Stock who are subject to the agreement. The agreement will terminate on September 17, 2047, unless terminated earlier in accordance with its terms.

COMPENSATION

Director Compensation

McClatchy currently pays its non-employee directors an annual retainer of \$35,000 per year plus \$1,750 per day for in-person attendance at meetings of the Board of Directors and \$1,250 for attendance at committee meetings. Attendance at board meetings by teleconference is compensated at one-half the rate for in-person attendance. Committee chairpersons, other than the chair of the Audit Committee, receive an additional \$5,000 per year for their services. The Audit Committee chairperson receives an additional \$10,000 per year for his or her services. Compensation for attendance at meetings is subject to a limitation of two meetings in any one day, whether by teleconference or in-person attendance. McClatchy also reimburses non-employee directors for expenses incurred by them in connection with the business and affairs of McClatchy.

Each non-employee director receives an annual grant of an option to purchase up to 3,000 shares of Class A Common Stock under the Amended and Restated 2001 Director Option Plan. The options are granted at fair market value, have a ten-year term and vest in four equal annual installments beginning March 1 following the date of grant.

Executive Compensation

The following tables set forth the annual compensation paid or accrued by McClatchy to or on behalf of the chief executive officer and McClatchy's four most highly compensated executive officers other than the chief executive officer for the fiscal years ended December 28, 2003, December 26, 2004, and December 25, 2005, respectively.

- (1) Awards under McClatchy's L-TIP consist of Incentive Units, each of which represents a contingent right to receive in cash an amount equal to \$1 times the number of percentage points by which McClatchy's pre-tax earnings increase over a three-year period. The L-TIP payouts in 2005 were based on results for the performance period beginning December 30, 2001, and ending on December 26, 2004. L-TIP payouts on

- awards made after May 18, 2005 are based on increases in McClatchy's pre-tax earnings per share over a three-year performance period.
- (2) The sum includes (i) contributions by McClatchy to McClatchy's 401(k) Plan on behalf of each of the named executive officers to match pre-tax elective deferral contributions (included under Salary) made by each officer to such plan, and (ii) premium payments to continue life insurance coverage under the Group Executive Life Insurance Plan at a level not otherwise available under McClatchy's standard life insurance coverage. The amount of the contribution to McClatchy's 401(k) Plan for each named executive officer for 2005 was \$8,400.
- (3) These restricted shares will vest on January 25, 2009, subject to certain performance criteria, as more fully described under Compensation of the Chief Executive Officer, 2005, Long Term Incentives on page 27 below. The value of the restricted stock award is based on the closing market price of McClatchy Class A Common Stock on the date of grant. As of the end of fiscal 2005, the restricted shares granted to Mr. Pruitt had a value of \$2,335,600, based on the closing market price of McClatchy Class A Common Stock on December 23, 2005, the last trading day of the fiscal year. Mr. Pruitt receives dividends on these shares of restricted stock.

Stock Option/SARs Awards

In fiscal 2005, the Company awarded stock settled stock appreciation rights (SARs) in lieu of stock options. The following table contains information concerning the SARs awards to the chief executive officer and the four most highly compensated executive officers other than the chief executive officer during the fiscal year ended December 25, 2005. Annual grants of SARs are based upon assessment by the Compensation Committee of the individual's past performance, level of responsibility and accountability, anticipated future contributions and long-term value to McClatchy. The SARs were granted at fair market value, have a ten-year term and vest in four equal annual installments beginning on March 1 following the year for which the award was made.

⁽¹⁾ In 2005, McClatchy awarded stock-settled stock appreciation rights (SARs), in lieu of stock options, to its employees, including the chief executive officer and the four most highly compensated executive officers other than the chief executive officer. The SARs vest in increments of 25% over four years. The Grant Date Present Values are determined using the Black-Scholes Option Pricing Model. The Black-Scholes Option Pricing Model is one of the methods permitted by the SEC for estimating the present value of options. The Black-Scholes Option Pricing Model is based on assumptions as to certain variables, as described below, and is not intended to estimate, and has no direct correlation to, the amount that an individual will actually realize upon exercise of options. The actual value of the stock options that an executive officer may realize, if any, will depend on the excess of the market price over the exercise price on the date of exercise. The values listed above were based on the following weighted average assumptions: volatility (measured as the annualized standard deviation of the sample, as determined from the daily closing prices during fiscal 2005, ending with December 22, 2005, the last trading day of the fiscal year) of .16%; risk-free rate of return for such period of 4.40%; dividend yield for such period of 1.21%; and expected life of options granted of 5.1 years.

The following table shows the number of shares of Class A Common Stock represented by outstanding stock options or stock-settled stock appreciation rights held by the chief executive officer and the four most highly compensated executive officers other than the chief executive officer as of December 25, 2005, and the value of such awards based on the closing sales price of McClatchy's Class A Common Stock on December 23, 2005, which was \$58.39.

share (subject to a maximum payout per award per individual of \$1,000,000). Securities and Exchange Commission rules require McClatchy to show, in the "Target" column, payouts for the fiscal 2006 awards (made in late fiscal 2005) that would have been made based on fiscal year 2005 performance, as an illustration of the payments that might be made under the L-TIP in the future. Therefore, the amounts shown for the fiscal 2006 awards reflect the increase in pre-tax earnings per share in fiscal 2005 over fiscal 2004 (excluding the gain or loss on sales of assets). However, please note that no financial results for any portion of the performance period for the fiscal 2006 awards have actually been published. As a result, the actual value of these L-TIP awards upon payout may differ significantly from the numbers set forth above.

Pension Plans

The following table shows the estimated annual pension benefits payable to the executive officers named below, other than the chief executive officer, under McClatchy's qualified defined benefit pension plan and nonqualified supplemental pension plan, based on the amount of remuneration covered under the terms of the plans and the number of years of the executive officer's service with McClatchy, assuming retirement at age 62, the earliest time at which such executive officer may retire without benefit reduction. McClatchy's nonqualified supplemental pension plan enables McClatchy to provide participants with additional benefits without disqualifying the tax-deductibility to McClatchy of benefits payable under McClatchy's qualified defined benefit pension plan.

Benefits under the Company's qualified defined pension plan are computed using basic compensation exclusive of annual cash bonus and other compensation. Benefits under the supplemental plan are calculated using basic salary plus any annual cash bonus awarded. The benefits shown in the foregoing tables are not subject to any deduction for social security or other offset amounts. Benefits are computed as straight-life annuity amounts. However, plan participants may choose joint-and-survivor annuity amounts. Covered compensation for the chief executive officer and the four most highly compensated executive officers other than the chief executive officer would consist of the salary and bonus set forth in the Summary Compensation Table above. As of the end of the last fiscal year, the amount of covered compensation for each of the four most highly compensated executive officers other than the chief executive officer was, respectively: Frank R.J. Whittaker, \$815,000; Robert J. Weil, \$795,000; Patrick J. Talamantes, \$635,000; and Howard Weaver, \$495,000. The maximum years of credited services that can be attained for each of these executive officers is 35. If each of the four most highly compensated executive officers other than the chief executive officer were

Edgar Filing: MCCLATCHY CO - Form DEF 14A

to remain employees of McClatchy until the age of 62, the years of credited service for each would be, respectively: Robert J. Weil, 17.42; Frank R.J. Whittaker, 26.42; Patrick J. Talamantes, 25.42; and Howard Weaver, 29.41. As of the end of the last fiscal year, the amount of covered compensation for the chief executive officer, Gary B. Pruitt, was \$2,100,000. If Gary Pruitt were to remain an employee of McClatchy until the age of 60, his years of credited service would be 30, the maximum years of credited service under the terms of his employment agreement.

1997 Stock Option Plan

The Board of Directors originally adopted the McClatchy Company 1997 Stock Option Plan (the "1997 Plan") effective as of December 10, 1997. The 1997 Plan was amended and restated as of February 1, 2001. McClatchy shareholders have not approved the 1997 Plan. The 1997 Plan provides for the granting of nonqualified stock options.

A total of 750,000 shares of the Company's Class A Common Stock (the "Shares") were reserved under the 1997 Plan and 46,073 Shares remain for future issuance. The number of Shares available for future issuance, the number of Shares covered by outstanding stock options and the exercise price under outstanding stock options are subject to adjustment for any future stock splits, stock dividends, non-stock dividends having a material effect on the value of the Shares, Share combinations, recapitalizations, or similar changes as described in the 1997 Plan.

Stock options may be granted under the 1997 Plan to active employees of McClatchy or any subsidiary. A committee appointed by the Board of Directors (the "Committee") selects employees who will receive options and determines the terms and conditions of the stock options. The exercise price of stock options may be less than the fair market value as of the date of grant. As of the date of this proxy statement, no options

Edgar Filing: MCCLATCHY CO - Form DEF 14A

have been granted at less than the fair market value as of the date of grant. Options generally vest in installments over an employee's period of service with McClatchy or any subsidiary. All unexpired stock options granted under the 1997 Plan on or after January 12, 2001, become fully vested upon a change in control, as such term is defined in the 1997 Plan. The maximum term of a stock option granted under the 1997 Plan is ten years.

Stock options are generally nontransferable other than by will or by the laws of descent and distribution. The exercise price of stock options must be paid in full at the time of exercise. The Committee may permit payment through the tender of Shares already owned by the participant or consideration received under a "cashless exercise" program.

Employment Agreements and Change-in-Control Arrangements

Employment Agreements

McClatchy has entered into an employment agreement, dated June 1, 1996, and amended and restated on October 20, 2003, with its chief executive officer, Gary Pruitt. On June 1 of each year, the term of the agreement automatically extends for one year so that effective on each June 1, the remaining term of employment is a full three-year period. The Board of Directors can elect to terminate the automatic extension feature of the agreement; however, that election would apply only to term extensions that would become effective more than 60 days after notice.

If, during the term of the agreement, Mr. Pruitt's employment is involuntarily terminated for any reason other than cause, mental incompetence or disability, or if he resigns for good reason (as these terms are defined in the agreement), he would be entitled to a supplemental severance payment for the balance of the term of the agreement then in effect, equal to 300% of (i) his base salary, at the rate then in effect, plus (ii) the average of the annual bonuses paid to Mr. Pruitt for the three completed fiscal years prior to termination. The severance payment can be made in a lump sum or, at Mr. Pruitt's election (subject to the approval of the Board of Directors), in five equal annual installments. In addition, if a severance payment is made, Mr. Pruitt's group insurance coverage would be continued until the third anniversary of the effective date of the termination of employment or until he and his dependents become eligible for comparable coverage as a result of his re-employment, whichever is earlier.

If, during the term of the agreement, Mr. Pruitt's employment is terminated because of disability, he would be entitled to a supplemental disability benefit in an amount equal to 60% of his base salary at the rate then in effect, reduced by all other disability benefits that are payable to him under McClatchy's group insurance plan and all federal or state insurance programs. The supplemental disability benefit would be payable until the third anniversary of the effective date of the termination of employment or until disability benefits under McClatchy's group insurance plan are discontinued, whichever is earlier. In addition, Mr. Pruitt's group insurance benefits would be continued as long as any disability benefit is payable. In addition, under the agreement, Mr. Pruitt is entitled to receive a supplemental pension benefit (SERP) upon his retirement. For purposes of the SERP benefit calculation, Mr. Pruitt's normal retirement age is 60 years old.

Change-in-Control Arrangements

Under (i) the Amended and Restated 1994 Stock Option Plan (the 1994 Plan) and the 1997 Plan, with respect to any unexpired option that is granted on or after February 1, 2001 (including options granted to the named executive officers on or after such date) and, notwithstanding any contrary provision of the 1994 Plan, the 1997 Plan or any stock option agreement, and (ii) the 2004 Stock Incentive Plan (the 2004 Plan), upon a change of control (as defined in the 1994 Plan, the 1997 Plan and the 2004 Plan), the grantee is entitled to immediate 100% vesting of such option or award.

Under the terms of Mr. Pruitt's employment agreement, in the event it is determined that any payment or distribution to, or for the benefit of, Mr. Pruitt (including the right to exercise or vesting of options, restricted stock or other equity compensation) made by McClatchy, its affiliates or any person who acquires ownership or effective control of a substantial portion of McClatchy or its assets (within the meaning of section 280G of the Internal Revenue Code of 1986, or the Code) would be subject to the excise tax imposed by section 4999 (the Excise Tax) of the Code, then such payments or distributions made to Mr. Pruitt will be reduced to \$1 less than the value at which such payments or distributions would be subject to the Excise Tax. Mr. Pruitt will have the right to designate the rights, payments or benefits that will be reduced or eliminated so as to avoid having the payment or benefit deemed subject to Excise Tax.

Compensation Committee Interlocks and Insider Participation

During fiscal 2005, William K. Coblenz served as the chairperson and Molly Maloney Evangelisti, Larry Jinks, S. Donley Ritchey and Maggie Wilderotter served as members of the Compensation Committee. None of these individuals was an officer or employee of McClatchy at any time during fiscal 2005, and none of these individuals has ever been an officer of McClatchy. No executive officer of McClatchy has ever served as a member of the board of directors or compensation committee of any other entity that has or has had one or more executive officers serving as a member of Board of Directors or Compensation Committee of McClatchy.

REPORT OF THE COMPENSATION COMMITTEE

This report is provided by the Compensation Committee to assist shareholders in understanding the Committee's objectives and procedures in establishing the compensation of McClatchy's executive officers.

The Compensation Committee, which consists entirely of directors who are not employees of McClatchy, is responsible for establishing and administering McClatchy's executive compensation program. The program focuses on both short-term and long-term performance and utilizes a combination of cash and equity incentives. It is designed to reward and create incentives for excellence in individual achievement as well as company performance. All members of the Committee qualify as outside directors under Section 162(m) of the Code, and are independent as defined by the NYSE's current listing standards.

The principal elements of McClatchy's executive compensation program are:

annual base salary;

annual cash bonus (including the bonus paid to the chief executive officer under the Chief Executive Officer Bonus Plan) based on an assessment of success in meeting performance objectives on an individual, unit and/or company-wide basis;

cash compensation under the Amended and Restated Long-Term Incentive Plan, (The Long-Term Incentive Plan), based upon growth in pre-tax earnings per share over a three-year period of time; and

equity awards (including stock options, restricted stock grants, unrestricted stock grants, stock appreciation rights and restricted stock units) under McClatchy's stock plans, which provide equity compensation, the value of which will ultimately be determined by growth over time in the market price for shares of McClatchy's Class A Common Stock.

Edgar Filing: MCCLATCHY CO - Form DEF 14A

In carrying out its duties, the Committee sets the salary and annual cash bonus of the chief executive officer and, after review and consideration of the recommendations of the chief executive officer, approves the annual cash compensation of the other executive officers. The Committee also administers McClatchy's employee stock incentive plans and the Long-Term Incentive Plan, and in so doing, designates all persons who will receive awards and sets the amount, form and other conditions of the awards.

In evaluating McClatchy's performance, the Committee considers results achieved in revenue, earnings and cash flow, circulation, product excellence and market acceptance, sound strategic planning, development of new products and services, management development, achievement of diversity goals in hiring practices, community involvement and good corporate citizenship. In evaluating the individual performance of key executives, the Committee also reviews leadership and individual achievement.

The Committee believes McClatchy's compensation program is vital to the achievement of McClatchy's objectives, in that it is designed to:

enable McClatchy to attract and retain key executives essential to its long-term success;

motivate and reward senior executives for development and achievement of sound strategic business objectives; and

provide opportunity to selected executives to acquire an interest in the success of McClatchy through stock ownership under its stock incentive plans.

The Committee views other companies in the media industry (including the 12 publicly traded companies included as the Peer Group in the Five-Year Performance Graph set forth on page 29 of this proxy statement) as McClatchy's competition when determining competitive compensation practices.

In order to maximize the tax deductibility of awards under Section 162(m) of the Code, McClatchy submitted its 2004 Stock Incentive Plan for approval of the shareholders in 2004, which Plan was approved. Also, effective January 25, 2005, McClatchy adopted the Long-Term Incentive Plan, which was approved by the shareholders at the 2005 Annual Meeting of Shareholders and qualifies under Section 162(m) of the Code. Finally, effective in January 2003, McClatchy adopted the Amended and Restated CEO Bonus Plan that was approved by the shareholders at the 2003 Annual Meeting of Shareholders and also qualifies under 162(m) of the Code. McClatchy may also determine to pay compensation to the executive officers, including the chief executive officer, which may not be deductible under Section 162(m) of the Code. Section 162(m) of the Code limits the deduction available to McClatchy for compensation paid to the chief executive officer and the four most highly compensated executive officers other than the chief executive officer to the extent the compensation paid to any such person exceeds \$1,000,000, unless such compensation was based on performance goals determined by a compensation committee consisting solely of two or more non-employee directors and the performance goals are approved by the shareholders prior to payment.

Compensation of Executive Officers, 2005

McClatchy's existing executive compensation program consists of three basic elements: base pay, short-term incentives and long-term incentives. In late fiscal 2004, the Committee set salary and incentive levels of McClatchy's executive officers for fiscal 2005. At that time the Committee reviewed compensation data provided by an outside consultant to obtain perspective on compensation levels at McClatchy compared to companies within the media industry, including those companies in the Peer Group.

Base Pay

In determining salaries, the Committee reviews publicly available information on compensation at other newspaper companies, including companies in the Peer Group, and data provided by an outside consultant, with particular emphasis on salary levels at companies of a size, or adjusted to a size, comparable to McClatchy. The Committee generally targets salary structures at the median pay levels of those companies. The Committee also considers internal pay equity factors, general economic conditions, McClatchy's performance and individual responsibility, experience and job performance. No specific weight is assigned to any particular factor. The Committee believes the base salaries for McClatchy's executive officers generally are at or near the median base salaries for other newspaper companies, including companies in the Peer Group.

Short-Term Incentives (Management by Objective Annual Bonus Plan)

The Committee's goal is to establish short-term incentive opportunities that are meaningful in relation to each executive's total compensation and the executive's level of responsibility. In general, in evaluating performance, the higher the level of responsibility, the greater the proportion of the executive's total compensation is at risk. The Management by Objective Annual Bonus Plan, or MBO Plan, is an annual cash

incentive plan that links awards to performance results of the prior year. Awards for fiscal 2005 under the MBO Plan, which applies to each executive officer other than the chief executive officer, were based on full or partial achievement of pre-established performance goals relating to corporate results, business unit results and individual performance. Each performance objective is weighted to reflect its relative contribution to specific short-term and long-term financial, strategic and/or management practices goals applicable to the executive. To determine the bonus to which an executive is entitled, a certain number of points, targeted at 100, were awarded to each executive officer based upon his or her performance during the year. A certain percentage of total points possible, typically not exceeding 10%, is reserved for subjective evaluation. Points are applied as a percentage to an amount equal to a predetermined percent, generally varying from 40% to 60% (depending on the particular participant) of his or her base salary during the year. In addition, each Vice President, Operations has the opportunity to earn points in excess of 100 based on the operating cash flow performance of the newspapers and other operations they oversee and the Company's earnings per share performance. The Company's Chief Financial Officer has the opportunity to earn points in excess of 100 based on the Company's earnings per share performance.

Long-Term Incentives

Stock Options, SARs and Other Equity-Based Awards. Equity awards are usually granted each year to selected management personnel, including all executive officers permitted by the terms of the employee stock incentive plans to participate. The Committee also has the flexibility to grant other forms of equity-based awards, including restricted stock and restricted stock units as the Committee deems appropriate in light of the Company's goals and objectives. The Committee believes equity-based awards help align the financial interests of the executive officers with those of shareholders. In fixing these grants, the Committee, through subjective evaluation processes, determines the award for the chief executive officer and, as to the other participants, including the four most highly compensated executive officers other than the chief executive officer, considers the recommendation of the chief executive officer. Elements given weight by the Committee in considering the number of options, shares or units to be awarded are individual responsibility and accountability, anticipated contributions, and long-term value of the participant to McClatchy. The process employed by the Committee in determining individual awards under McClatchy's employee stock incentive plans, including those of executive officers, relates primarily to levels of responsibility but also includes subjective factors not subject to predetermined specific criteria. In 2005, the Committee awarded stock-settled stock appreciation rights in lieu of stock options.

Long-Term Incentive Plan Awards. In January 2005, McClatchy adopted its Long-Term Incentive Plan, or L-TIP. McClatchy shareholders approved the L-TIP at the 2005 Annual Meeting of Shareholders. Awards for fiscal 2005 under McClatchy's L-TIP were made in late fiscal 2004. These awards are comprised of incentive units, each of which represents a contingent right to receive in cash an amount equal to \$1 times the number of percentage points by which McClatchy's pre-tax earnings per share (without giving effect to any gain or loss on the sale of assets) increase over a three-year performance period. The performance period for the 2005 L-TIP awards began on December 26, 2004, and will end on December 30, 2007.

The Committee selects executives as participants in the L-TIP and determines the number of incentive units awarded. In determining awards, the Committee, through a subjective evaluation process, sets the number of incentive units awarded to the chief executive officer and, as to the other participants, including the four most highly compensated executive officers other than the chief executive officer, considers the recommendation of the chief executive officer. The Committee believes L-TIP awards contribute to keeping participating executives sharply focused upon maintenance of strong shareholder value even in challenging economic environments. The selection of participants and determination of award units relate primarily to levels of responsibility, but also include subjective factors not subject to specific criteria.

Compensation of the Chief Executive Officer, 2005

Base Pay

Mr. Pruitt's 2005 base pay was considered in late 2004 and, at that time, was set at \$1,000,000. In setting Mr. Pruitt's 2005 salary, the Committee considered his performance as chief executive officer, including McClatchy's financial performance, as well as compensation of the chief executive officers of the other newspaper companies in the Peer Group.

Short-Term Incentives CEO Bonus Plan

Under the CEO Bonus Plan, the Committee determines the chief executive officer's bonus payment based on a formula established in advance by the Committee. In January 2005, the Committee determined the formula for Mr. Pruitt's 2005 bonus. Under this formula, Mr. Pruitt's 2005 bonus opportunity was based on a calculation of .005 times McClatchy's operating cash flow (operating income plus depreciation and amortization) for the fiscal year, with a target payout of 100% of Mr. Pruitt's annual base pay. In January 2006, the Committee reviewed Mr. Pruitt's performance as CEO and noted that while McClatchy's results fell short of budget goals, the Company achieved record earnings from continuing operations of \$160 million, or \$3.42 per share. Under Mr. Pruitt's leadership, McClatchy achieved record revenues of \$1.19 billion, up 2.0% from fiscal 2004, and record advertising revenue of \$1 billion, up 2.8% from fiscal 2004. As with fiscal 2004, McClatchy's revenue growth in fiscal 2005 was one of the best performances among companies in the Peer Group. The Committee also noted that although McClatchy's circulation volumes declined in 2005, the Company's circulation performance was better than the industry average. In addition, each of McClatchy's newspapers operated leading local internet sites in their respective markets. Ultimately, in recognition of Mr. Pruitt's leadership and taking the above factors into account, the Committee awarded Mr. Pruitt a cash bonus of \$950,000.

Long-Term Incentives

Generally, the Committee grants to the chief executive officer long-term incentive awards for the following year at the end of each year. The chief executive officer's 2006 long-term incentive award, made in late 2005, consisted of SARs based on the value of 75,000 shares of McClatchy Class A Common Stock and 20,000 incentive units under the L-TIP. On January 25, 2005, the Committee awarded Mr. Pruitt 40,000 shares of restricted Class A Common Stock under the 2004 Plan. These restricted shares will vest on January 25, 2009, subject to certain performance criteria. In the event McClatchy's operating income for fiscal year 2008 exceeds operating income for fiscal year 2004, all of the restricted shares will vest. In the event McClatchy's operating income for fiscal year 2008 is 75% to 100% of operating income for fiscal year 2004, 50% of the restricted shares will vest. In the event McClatchy's operating income for fiscal 2008 is less than 75% of operating income for fiscal year 2004, no shares of restricted stock will vest. Based on McClatchy's performance and data provided by an outside consultant, the Committee believes these long-term incentive awards are reasonable and well within competitive practice for Mr. Pruitt's level of responsibilities.

In setting salary and bonus levels for Mr. Pruitt and in fixing the number of equity and incentive unit awards granted to Mr. Pruitt under McClatchy's employee stock incentive plans and the L-TIP, respectively, the Committee does not assign relative weight to the indicated factors. The process is primarily subjective in nature. Each Committee member may well accord a different weight to the various factors considered.

Respectfully submitted by the members of the Compensation Committee of McClatchy.
