Item 1.01 Entry into a Material Definitive Agreement.

On May 4, 2006, Applied Materials, Inc., a Delaware corporation (Applied Materials or the Company), Applied Films Corporation, a Colorado corporation (Applied Films), and Blue Acquisition, Inc., a Colorado corporation and wholly-owned subsidiary of Applied Materials (Merger Sub), entered into an Agreement and Plan of Merger (the Agreement), which provides that, subject to the terms and conditions of the Agreement, Merger Sub will merge with and into Applied Films (the Merger). Applied Films will be the surviving corporation of the Merger and, as a result of the Merger, will become a wholly-owned subsidiary of Applied Materials. Applied Films is a leading supplier of thin film deposition equipment used in manufacturing flat panel displays, solar cells, flexible electronics and energy-efficient glass.

In addition, Applied Materials will assume Applied Films outstanding options and other equity awards.

Completion of the Merger is subject to the satisfaction or waiver of customary closing conditions, including the approval of Applied Films shareholders and receipt of regulatory approvals in the U.S. and other countries.
