This Amendment No. 1 to Schedule 13D amends the Statement on Schedule 13D, filed with the Securities and Exchange Commission (the Commission ) on January 31, 2006 (the Original 13D ) by National Indemnity Company ( NICO ), a wholly owned subsidiary of OBH Inc. ( OBH which is a wholly owned subsidiary of Berkshire Hathaway Inc. ( Berkshire and, together with OBH and NICO, the Berkshire Entities ) and also filed by Warren E. Buffett (Mr. Buffett, together with the Berkshire Entities, the Reporting Persons ), with respect to the shares of Common Stock, par value \$0.10 per share ( Common Stock ) of USG Corporation ( USG ). The acquisition of 6,500,000 shares of Common Stock (the Original Shares ) was reported in a Statement on Schedule 13G, filed with the Commission by the Reporting Persons on November 27, 2000. On January 31, 2006 the Reporting Persons filed the Original 13D to report the entering into by Berkshire of an Equity Commitment Agreement and other agreements with USG relating to its then-contemplated rights offering. The closing under the Equity Commitment Agreement, as amended, occurred on August 2, 2006, pursuant to which NICO acquired 6,969,274 additional shares of Common Stock of USG (the Additional Shares and, together with the Original Shares, the Shares ) for \$40 per share, the exercise price in USG 's rights offering. The Additional Shares consisted of 6,500,000 Shares underlying rights distributed on the Original Shares, and 469,274 Shares underlying rights distributed to other stockholders that were not exercised in USG 's rights offering.

**Items 3 and 4 of the Original 13D are hereby amended in their entirety as follows:**

### **Item 3. Source and Amount of Funds or Other Consideration**

The Additional Shares were acquired from USG for \$40 per share, the exercise price in USG 's rights offering, for a total of \$278,770,960. The purchase price was obtained from internally generated funds of NICO. No funds or consideration were borrowed or obtained for purposes of acquiring the Shares.

### **Item 4. Purpose of Transaction**

NICO acquired the Shares for investment purposes. The description of the agreements between Berkshire and USG in Item 6 are incorporated herein by reference.

The Standstill Period under the Shareholder 's Agreement commenced on August 2, 2006. During the seven-year Standstill Period, Berkshire agreed, among other things, that it will not acquire equity securities of USG if, as a result of such acquisition, Berkshire would beneficially own more than 40% of the voting securities of USG, on a fully diluted basis. In addition, during the Standstill Period, Berkshire has agreed not to solicit proxies with respect to securities of USG or submit a proposal or offer involving a merger, acquisition or other extraordinary transaction unless such proposal or offer is (i) requested by USG 's Board of Directors, or (ii) is made to USG 's Board of Directors confidentially, is approved

## Edgar Filing: USG CORP - Form SC 13D/A

by a majority of the voting securities of USG not owned by Berkshire, is determined by USG's Board of Directors to be fair to USG's shareholders and, if the proposed transaction is not a tender offer for all shares of Common Stock or an offer for USG's entire company, is accompanied by an undertaking to offer to acquire all shares of Common Stock outstanding after completion of the transaction at the same price per share as was paid in the transaction. Berkshire also agreed that, if it receives notice (during a specified period) from USG that purchases or sales of Common Stock by it or certain of its affiliates would prevent USG from carrying back a net operating loss attributable to a specified payment to its Asbestos Personal Injury Trust, Berkshire will not make such purchases or sales until that specified period ends (Tax Asset Standstill). Subject to the foregoing, the Reporting Persons may at any time and from time to time acquire additional shares of Common Stock of USG through open market purchases, privately negotiated transactions or otherwise, upon such terms and at such prices as they may determine.

In addition, while the Reporting Persons have no present plans to sell any of the Shares, so long as there has been no notice from USG triggering a Tax Asset Standstill and depending upon price, market conditions, availability of funds, evaluation of other investment opportunities, and other factors, the Reporting Persons may at any time and from time to time sell or otherwise dispose of some or all of the shares of Common Stock of USG held by them, either as contemplated by the Registration Rights Agreement or in another manner permitted by applicable law.

**The first sentence of Item 5(a) of the Original 13D is amended to read as follows:**

NICO is the holder of the Shares, which, to the knowledge of the Reporting Persons, constitute approximately 15.0% of USG's outstanding Common Stock.

**Item 6 of the Original 13D is hereby amended in its entirety to read as follows:**

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

On January 30, 2006, Berkshire and USG entered into an Equity Commitment Agreement (as subsequently amended, the Equity Commitment Agreement), a Shareholder's Agreement (the Shareholder's Agreement) and a Registration Rights Agreement (Registration Rights Agreement). The following summary of the Equity Commitment Agreement, the Shareholder's Agreement and the Registration Rights Agreement is not a complete description of such agreements and is qualified in its entirety by reference to such agreements, which are filed as exhibits hereto and incorporated herein by reference.

Pursuant to the Equity Commitment Agreement, Berkshire agreed to provide a backstop commitment to purchase up to 45,000,000 unsubscribed shares in USG's rights offering, and USG agreed to sell up to 45,000,000 unsubscribed shares to Berkshire or a subsidiary of Berkshire. The purchase and sale of shares of USG Common Stock pursuant to the Equity Commitment Agreement closed on August 2, 2006.

Under the Registration Rights Agreement, USG granted Berkshire certain registration rights with respect to its shares of Common Stock.

The Shareholder's Agreement provides that, during the Standstill Period, Berkshire will not acquire equity securities of USG if, as a result of such acquisition, Berkshire would beneficially own more than 40% of the voting securities of USG, on a fully diluted basis. In addition, Berkshire agreed that, during the Standstill Period, it will not solicit proxies with respect to securities of USG or submit a proposal or offer involving a merger, acquisition or other extraordinary transaction unless such proposal or offer is (i) requested by USG's Board of Directors, or (ii) is made to USG's Board of Directors confidentially, is approved by a majority of the voting securities of USG not owned by Berkshire, is determined by USG's Board of Directors to be fair to USG and its shareholders and, if the proposed transaction is not a tender offer for all shares of Common Stock or an offer for USG's entire company, is accompanied by an undertaking to offer to acquire all shares of Common Stock outstanding after completion of the transaction at the same price per share as was paid in the transaction. Berkshire also agreed during the Standstill Period to vote its shares of Common Stock (other than the Original Shares, 6,500,000 of the Additional Shares, and certain distributions with respect to each of the foregoing) in proportion to the total votes cast in any shareholder vote (subject to limited exceptions described below). If Berkshire receives notice (during a specified period) from USG that purchases or sales of Common Stock by it or certain of its affiliates would prevent USG from carrying back a net operating loss attributable to a specified payment to an Asbestos Personal Injury Trust, Berkshire has agreed that it will not make such purchases or sales until that specified period ends.

Under the Shareholder's Agreement, during the Standstill Period, USG has agreed to exempt Berkshire from USG's existing or future poison pills to the extent that Berkshire complies with the terms and conditions of the Shareholder's Agreement. If USG proposes a poison pill to its shareholders that does not contain this agreed exemption, Berkshire may vote without restriction all the shares it holds in a shareholder vote to approve or disapprove the proposed poison pill. USG also has agreed that, after the Standstill Period ends, during such time that Berkshire owns equity securities of USG, Berkshire will be exempted from any USG poison pill, except that such poison pill may require that Berkshire does not acquire (although it may continue to hold) beneficial ownership of more than 50% of the voting securities of USG, on a fully diluted basis, other than pursuant to an offer to acquire all shares of Common Stock that is open for at least sixty calendar days.

Edgar Filing: USG CORP - Form SC 13D/A

USG's Reorganization Rights Plan, effective January 30, 2006, created a poison pill that exempts Berkshire during the Standstill Period on the terms and conditions set forth in the Shareholder's Agreement, subject to Berkshire's compliance with such agreement.

Other than as set forth above, including in the agreements set forth above and filed as exhibits hereto, or otherwise described in this Statement, none of the Berkshire Entities or Mr. Buffett or, to their knowledge, any executive officer or director of the Berkshire Entities, has any other contracts, arrangements, understandings or relationships with any persons with respect to the securities of USG.
