Item 1.02 Termination of a Material Definitive Agreement.

On September 28, 2006, the Board of Directors of Material Sciences Corporation (MSC) elected to change the composition of its Executive Committee of the Board. Effective October 7, 2006, Curtis G. Solsvig III will step down as a member of the Executive Committee and Samuel Licavoli will become a member of the Executive Committee. Mr. Solsvig has served as the chairman of the Executive Committee since December 1, 2005 and his commitment to MSC has been of significant importance to the Executive Committee. As previously disclosed, so long as Mr. Solsvig served as chairman of the Executive Committee, he received an additional director's fee of \$100,000 per fiscal quarter, which was to be reviewed by the Board quarterly. The Board reserved the authority to adjust or terminate the fee at any time and the fee would be pro rated for any quarter of partial service. Accordingly, payment of this additional director fee to Mr. Solsvig will end on October 6, 2006, and Mr. Solsvig will receive a pro rata share of that fee for the current fiscal quarter through such date. The members of the Executive Committee, which as of October 7, 2006 will consist of Dr. Ronald A. Mitsch (as chairman), Clifford D. Nastas and Samuel Licavoli, will not receive any direct or indirect compensation for serving on the Executive Committee other than compensation for service as a director of MSC. At the discretion of the Board, members of this committee may be entitled to additional compensation for service on this committee or as its chairman at some point in the future. Any such compensation will be reviewed by the Board on a quarterly basis.
