Hunter (chair), Carter and Smith. The board of directors has determined that Daniel Hunter is an audit committee financial expert and "independent" as defined under applicable SEC and NASDAQ rules. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended September 30, 2006, we believe that all persons subject to the reporting requirements pursuant to Section 16(a) filed the required reports on a timely basis with the SEC except that Mr. Norris reported a September 20, 2006 exercise of a warrant on Form 4 late on October 3, 2006.

Employment Arrangements

We entered into the following employment arrangements with each of the named executive officers reflected in the Summary Compensation Table, and each of our current executive officers.

Mr. Elwood G. Norris Effective September 1, 1997, we entered into a three year employment contract with Mr. Norris, for his services as Chief Technology Officer. The three-year term expired on August 31, 2000, but the agreement remains in effect until one party gives thirty days advance notice of termination to the other. Mr. Norris now serves as Chairman under the term of this agreement. The agreement, as amended by the Compensation Committee, provides for a base salary of \$16,667 per month. The agreement provides that Mr. Norris will participate in bonus, benefit and other incentives at the discretion of the Board of Directors. Mr. Norris has agreed not to disclose trade secrets and has agreed to assign certain inventions to us during employment. We also provide Mr. Norris with an automobile, the lease payments for which are currently \$720 per month. We are also obligated to pay Mr. Norris certain royalties. See Item 13 Certain Relationships and Related Transactions below.

Mr. Thomas R. Brown Effective August 23, 2006 we entered into a letter agreement with Mr. Brown pursuant to which he was appointed as our president and chief executive officer commencing September 5, 2006. Mr. Brown was also appointed as interim chief financial officer on September 19, 2006. The terms of Mr. Brown's employment did not change in connection with his appointment as interim chief financial officer. Mr. Brown was a director of our company and was a member of the audit and compensation committees from

March 24, 2006 until he resigned in connection with entering into the letter agreement to facilitate our company's compliance with Nasdaq corporate governance requirements. He was reappointed to the board effective September 22, 2006. The letter agreement provides for a base salary of \$250,000 per year. In connection with his employment, Mr. Brown received a non-statutory stock option to purchase 200,000 shares of common stock under our 2005 Equity Incentive Plan with an exercise price \$3.33 per share, the closing price of our common stock on the start date as reported on the Nasdaq Capital Market. Mr. Brown will be eligible for an annual bonus with respect to fiscal years beginning fiscal 2007 as recommended by the compensation committee and approved by the board. The bonus will be based in part on his achievement of detailed annual goals that will be established by the compensation committee. Mr. Brown's bonus for fiscal 2007 will be based upon the bonus plan described below under the heading Executive Officer and Employee Incentive Plan. In the event that Mr. Brown's employment is terminated for any reason other than cause, or if he resigns for good reason, he will be entitled to severance equal to one month's salary for each two month period of service, or portion thereof, up to six months' salary. He will also be entitled to continuation of his company-provided health and dental benefits for the same period.

Mr. John R. Zavoli On October 17, 2005, we entered into a letter agreement with John R. Zavoli, pursuant to which Mr. Zavoli was appointed as our president and chief operating officer, commencing November 1, 2005. Mr. Zavoli was a director of our company, and was a member of the audit and compensation committees until he resigned the committee appointments in connection with entering into the letter agreement. The letter agreement provided for an annual base salary of \$250,000 and eligibility for an annual bonus, as recommended by the compensation committee and approved by the board of directors. In addition, Mr. Zavoli received an option to purchase 100,000 shares of our common stock on November 1, 2005. Mr. Zavoli's employment was not for a specified period or term of employment and was terminable at-will by us or by Mr. Zavoli for any reason, with or without notice. On August 17, 2006 Mr. Zavoli's employment arrangement with our company terminated. Mr. Zavoli's annual base salary at the time of termination was \$250,000 and he was entitled to severance in the form of post-termination salary continuation and payment by our company of the premiums for extension of benefits under COBRA for a number of months based on his number of months of service, conditioned on his execution of a general release of all known and unknown claims against our company, and the continued effectiveness of such release beyond any statutory revocation period. On September 22, 2006 Mr. Zavoli resigned from his position as a member of our board of directors and entered into a separation and release agreement with our company providing: (a) payments of \$125,000, representing six months of base salary, and (b) payment of health benefit premiums on Mr. Zavoli's behalf for a period not to extend beyond February 28, 2007 estimated at \$6,210. In addition, the separation and release agreement contained Mr. Zavoli's general release of all claims against our company.

Mr. Kalani Jones We entered into a letter agreement dated as of August 28, 2003, as amended on October 20, 2003, under which Mr. Jones was employed as our Senior Vice President of Operations. Mr. Jones was later promoted to President and Chief Operating Officer. The letter agreement provided for an annual base salary of \$140,000, a 30% annual performance bonus to be determined by the Compensation Committee and the Board of Directors, and the grant of an option to purchase 75,000 shares of our common stock, which option vested quarterly over a two year period beginning six months after the date of employment. Mr. Jones subsequently received additional option grants. Mr. Jones's employment was terminable at-will by us or Mr. Jones for any reason, with or without notice. On October 17, 2005, Mr. Jones's employment arrangement with our company terminated. Mr. Jones annual base salary at the time of resignation was \$220,000, and he was entitled to an annual performance bonus of up to 50% of his base salary, as determined by the Compensation Committee. On October 20, 2005, we entered into a separation and release agreement with Mr. Jones. The agreement provided for our one-time payment of \$82,500 to Mr. Jones and our payment of health benefit premiums on Mr. Jones's behalf for a period not to extend beyond February 28, 2006 which totaled \$4,666. We also agreed to extend until February 15, 2006 the period of time for which the vested portion of stock options held by Mr. Jones could be exercised, however no options were exercised. In addition, the separation and release agreement contained Mr. Jones's general release of all claims against our company.

Mr. James Croft, III On August 17, 2005, our board of directors approved the appointment of Mr. James Croft, III as our Chief Technology Officer and Vice President of Advanced Development. Mr. Croft has served as our Vice President of Research and Development since February 28, 2000, and, prior to that, as our Vice President of Engineering from September 15, 1997. Mr. Croft is employed pursuant to the terms of an employment agreement dated February 28, 2000, which terms have been orally modified. Under the terms as modified, Mr. Croft's annual salary is \$165,000, and he participates in bonus, benefit and other incentives at the discretion of the Compensation Committee. We presently exclusively license two pre-employment inventions from Mr. Croft through March 2008. We are not currently marketing products using these inventions, and we are not currently paying royalties to Mr. Croft for these inventions. We plan to negotiate further revisions to our agreement with Mr. Croft, including our right to continue the license beyond March 2008. The initial term of the employment agreement dated February 28, 2000 has expired, and as a result, either we or Mr. Croft may terminate his employment for any reason upon thirty days advance notice.

Ms. Karen Jordan On December 16, 2005, our board of directors approved the appointment of Karen Jordan as our chief accounting officer. Ms. Jordan entered into a letter agreement with our company dated October 26, 2005, and joined our company in November 2005, as director of finance. Ms. Jordan's annual salary is \$140,000 and she participates in bonus, benefit and other incentives at the discretion of the Compensation Committee. Ms. Jordan's employment is not for a specified period or term of employment and is terminable at-will by us or by Ms. Jordan for any reason, with or without notice.

Mr. Bruce Gray We entered into a letter agreement with Mr. Bruce Gray, under which Mr. Gray was employed as our Vice President of Sales and Marketing for our Commercial Group effective March 21, 2005. The letter agreement provided for an initial annual base salary of \$200,000 and an annual sales commission, payable on a quarterly basis, based on revenues and billings. In September 2005, the compensation committee approved the commission plan called for by Mr. Gray's employment agreement. The commission plan governed the payment of Mr. Gray's annual sales bonus for the twelve-month period beginning April 1, 2005, and entitled Mr. Gray to commissions payable based on invoiced net sales of the commercial group on a quarterly basis, calculated as a percentage of quarterly revenue targets for our commercial group. The plan provided for a target commission for the twelve-month period of \$100,000, but commissions could exceed such amount if the commercial group's invoiced net sales exceeded our revenue plan. This plan was modified by us effective for the second quarter of fiscal 2006 to revise the quarterly revenue targets and the commission formula to be based on direct sales by Mr. Gray on personal revenue targets plus an override based on revenue targets for the group supervised by Mr. Gray. The portion payable as override was payable only if revenue targets were achieved, and was capped at 50% of Mr. Gray's base salary. The revised plan provided for an aggregate target commission of approximately \$66,000 for the last three quarters of fiscal 2006, but commissions could exceed such amount if Mr. Gray's direct sales or group sales exceeded revenue targets. In connection with entry into the revised plan, Mr. Gray's base salary was adjusted to \$180,000 per year effective March 16, 2006. Mr. Gray's employment was terminable at-will by us or by Mr. Gray for any reason, with or without notice. On September 19, 2006 Mr. Gray's employment arrangement with our company was terminated. On October 4, 2006, we entered into a separation and release agreement with Mr. Gray. The agreement provided for our one-time payment to Mr. Gray of \$90,000 and Mr. Gray's general release of all claims against our company.

Mr. Alan J. Ballard On November 17, 2005, our board of directors approved the appointment of Mr. Alan J. Ballard as our Vice President, Government and Military Division. Mr. Ballard joined our company in January 2004 and has held various positions in our Government Group. Mr. Ballard's employment was terminable at-will by us or Mr. Ballard for any reason, with or without notice. On May 16, 2006 Mr. Ballard's employment arrangement with our company terminated. Mr. Ballard's annual salary at the time of termination was \$145,000, and he was entitled to participate in bonus, benefit and other incentives at the discretion of the Compensation Committee. On October 18, 2006 we entered into a release and settlement agreement with Mr. Ballard and paid \$90,000 for severance and non-wage damages and in consideration of Mr. Ballard's general release of claims against us.

Executive Officer and Employee Incentive Plan

On September 19, 2006, the compensation committee of our board of directors recommended, and the board approved, an incentive plan for fiscal year 2007, that is designed to motivate plan participants to achieve our financial objectives and to reward such participants for their achievements when those objectives are met. Under the incentive plan, target bonus amounts vary based on a percentage of the participant's base salary, and the amount of bonus actually paid to a participant will be based on the achievement by our company of positive income from operations (including the cost of the incentive plan).

All of our employees except sales personnel, including our executive officers, will be entitled to participate in the incentive plan. The target bonuses for our participating executive officers will be 50% of base salary. Participants will be entitled to a bonus of two times the target bonus in the event income from operations exceeds \$1 million for fiscal year 2007, including the cost of the incentive plan.

Equity Compensation Plan Information

At September 30, 2006, we had two equity incentive plans under which equity securities are or have been authorized for issuance to our employees, consultants or directors: the 2005 Equity Incentive Plan and the 2002 Stock Option Plan. These plans have been approved by our stockholders. The reserve under the 2005 Equity Incentive Plan includes any prior plans that expire or become unexercisable. In addition, from time to time we issue to employees, directors and service providers special stock options, inducement grants and warrants to purchase common shares, and these grants have not been approved by stockholders. The following table sets forth information as of September 30, 2006:

Plan Category	(a) Number of securities to be issued upon exercise of outstanding options, warrants and rights	(b) Weighted-average exercise price of outstanding options, warrants and rights	(c) Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
Equity compensation plans approved by security holders	1,388,323	\$ 4.31	1,510,340
Equity compensation plans not approved by security holders	258,250(1)	\$ 6.26	
Total	1,646,573	\$ 4.62	1,510,340

- (1) Includes (i) 108,250 shares of common stock subject to inducement stock options granted to certain non-executive officer employees from time to time, which options have a weighted-average exercise price of \$9.33 per share, a five year term and generally vest 25% on the first anniversary of the grant date and then 1/16 each quarter thereafter, subject to continued service and other conditions, (ii) 50,000 shares subject to a warrant granted on February 28, 2003, to a financial advisor for consulting services rendered with an exercise price of \$3.63 and an expiration date of April 4, 2008, and (iii) 100,000 shares subject to a warrant granted on September 30, 2002, to another financial advisor for consulting services rendered with an exercise price of \$4.25 and an expiration date of September 30, 2007.

Item 13. Certain Relationships and Related Transactions.

Under the terms of an Assignment of Technology Agreement dated March 2, 1993 and an Addendum Agreement dated December 2, 1996 we are obligated to pay Elwood G. Norris, our Chairman, a 2% royalty on net sales from certain of our technologies, of which only HSS is a current offering of our company. The royalty obligation continues until at least March 1, 2007, and for any longer period during which we sell products or license technologies subject to any patent assigned to us by Mr. Norris. No royalties were paid or recorded under this agreement in the fiscal years ended September 30, 2006, 2005, or 2004, as these royalties were immaterial and were waived by Mr. Norris. We may owe royalties in future periods based on actual sales or technology revenues.

Mark Norris, the son of Elwood G. Norris, is a full-time non-executive employee of our company. In his role as a Mechanical Engineer, Mark Norris was paid \$103,336 in salary for the fiscal year ended September 30, 2006. No other family member of any executive officer, director or 5% stockholder received compensation of more than \$60,000 during the year ended September 30, 2006.

On August 7, 2006, we closed an institutional financing and issued 4,870,512 shares of our common stock at a purchase price of \$1.95 per share and warrants exercisable for an aggregate of 1,948,205 shares of common stock at an exercise price of \$2.67 per share. The warrants are exercisable from February 7, 2007 until August 6, 2010. Institutional investors included Special Situations Fund III QP, L.P., Special Situations Fund III L.P., Special Situations Private Equity Fund, L.P., Special Situations Technology Fund, L.P., and Special Situations Technology Fund II, L.P., collectively purchasing an aggregate of 2,051,282 shares and warrants exercisable for an aggregate of 820,542 shares. Based on a Schedule 13G filing on February 14, 2006 Austin W. Marxe and David M. Greenhouse beneficially owned more than five percent of our outstanding common stock prior to the financing and are controlling principals of the general partners and investment advisors of the Special Situation Funds. See Note 3 to the ownership table in Item 12 above for additional information and more current joint ownership information of Mr. Marxe and Mr. Greenhouse through the Special Situation Funds.

The August 2006 financing triggered certain anti-dilution provisions of prior warrants including warrants to purchase an aggregate of 179,302 shares held by certain of the Special Situations funds. The exercise price of the warrants held by the Special Situation Funds was adjusted from \$6.36 to \$5.44 and the shares issuable upon exercise of the warrants increased from 179,302 to 209,620 as a result of the anti-dilution adjustment. The warrant expiration date is unchanged at July 18, 2009.

In connection with the August institutional financing described above, anti-dilution provisions also triggered adjusting the exercise price of 617,500 warrants expiring September 30, 2006 from \$2.00 per share to \$1.95 per share. However, the repricing of these warrants did not apply to the warrant for 125,000 shares held by a family trust of Elwood G. Norris, our Chairman, as a result of a waiver executed by the trust. This warrant was granted in 2001 in connection with a private placement and was exercised on September 20, 2006 for cash by Mr. Norris family trust.

The Audit Committee pre-approves the annual engagement of the principal independent registered public accounting firm, including the performance of the annual audit and quarterly reviews for the subsequent fiscal year, and pre-approves specific engagements for tax services performed by such firm. The Audit Committee has also established pre-approval policies and procedures for certain enumerated audit and audit related services performed pursuant to the annual engagement agreement, including such firm's attendance at and participation at board and committee meetings; services of such firm associated with SEC registration statements, periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings, such as comfort letters and consents; such firm's assistance in responding to any SEC comments letters; and consultations with such firm as to the accounting or disclosure treatment of transactions or events and/or the actual or potential impact of final or proposed rules, standards or interpretations by the SEC, Public Company Accounting Oversight Board (PCAOB), Financial Accounting Standards Board (FASB), or other regulatory or standard-setting bodies. The Audit Committee is informed of each service performed pursuant to its pre-approval policies and procedures.

The Audit Committee has considered the role of Swenson Advisors, LLP in providing services to us for the fiscal year ended September 30, 2006 and has concluded that such services are compatible with such firm's independence.
