**Item 4.** *Description of Securities.*

Under the Savings Equalization Plan of Newmont (the Plan ), Newmont USA Limited ( Newmont USA ), a wholly-owned subsidiary of Newmont Mining Corporation (the Registrant ) will provide eligible employees of Newmont USA and its affiliates the opportunity to defer a specified amount of their compensation. The obligations of Newmont USA under such agreements (the Obligations ) will be unsecured general obligations of Newmont USA to pay the deferred compensation in the future in accordance with the terms of the Plan, and will rank *pari passu* with other unsecured and unsubordinated indebtedness of Newmont USA from time to time outstanding.

The amount of compensation to be deferred by each participating employee (each a Participant ) will be determined in accordance with the terms of the Plan based on elections by each Participant. Each Obligation will be payable on the retirement, death, disability or other termination from employment with Newmont USA in accordance with the terms of the Plan. The Obligations will be indexed to one or more investment funds individually chosen by each Participant from a list of investment funds available pursuant to the Retirement Savings Plan of Newmont ( Investment Funds ), which includes a fund intended to provide an investment return commensurate with the performance of the Common Stock of the Registrant. Each Participant's Obligation will be adjusted to reflect the investment experience, whether positive or negative, of the selected Investment Fund, including any appreciation or depreciation. The Obligations will be denominated and payable in cash lump sum payment.

A Participant's right or the right of any other person to the Obligations cannot be assigned, alienated, sold, garnished, transferred, pledged, encumbered or anticipated except by a written designation of a beneficiary under the Plan, by written will or by the laws of descent and distribution.

The Obligations are not subject to redemption, in whole or in part, prior to the individual payment dates specified by each Participant, at the option of Newmont USA or through operation of a mandatory or optional sinking fund or analogous provision. However, Newmont USA reserves the right to amend or terminate the Plan at any time, except that no such amendment shall reduce any benefit that has accrued on the effective date of the amendment.

The Obligations are not convertible into another security of Newmont USA or the Registrant. The Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of Newmont USA or the Registrant. No trustee has been appointed having the authority to take action with respect to the Obligations and each Participant will be responsible for acting independently with respect to, among other things, the giving of notices, responding to any requests for consents, waivers or amendments pertaining to the Obligations, enforcing covenants and taking action upon default.

**Item 5.** *Interests of Named Experts and Counsel.*

None.

**Item 6.** *Indemnification of Directors and Officers.*

Article Tenth of the Corporation's Certificate of Incorporation provides that the directors of the Corporation shall be protected from personal liability, through indemnification or otherwise, to the fullest extent permitted under the General Corporation Law of the State of Delaware as from time to time in effect.

Section 145 of the Delaware General Corporation Law authorizes and empowers the Corporation to indemnify the directors, officers, employees and agents of the Corporation against liabilities incurred in connection with, and related expenses resulting from, any claim, action or suit brought against any such person as a result of his or her relationship with the Corporation, provided that such persons acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, the best interests of the Corporation in connection with the acts or events on which such claim, action or suit is based. The finding of either civil or criminal liability on the part of such persons in connection with such acts or events is not necessarily determinative of the question of whether such persons have met the required standard of conduct and are, accordingly, entitled to be indemnified. The foregoing statements are subject to the detailed provisions of Section 145 of the General Corporation Law of the State of Delaware.

The By-Laws of the Corporation provide that each person who at any time is or shall have been a director or officer of the Corporation, or is or shall have been serving another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity at the request of the Corporation, and his heirs, executors and administrators, shall be indemnified by the Corporation in accordance with and to the full extent permitted by the General Corporation Law of the State of Delaware. Section 6 of Article VI of the By-Laws of the Corporation facilitates enforcement of the right of directors and owners to be indemnified by

establishing such right as a contract right pursuant to which the person entitled thereto may bring suit as if the indemnification provisions of the By-Laws were set forth in a separate written contract between the Corporation and the director or officer.

**Item 9.** *Undertakings.*

The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement;

(b) that for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(c) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering; and

(d) that for purposes of determining any liability under the Securities Act, each filing of the Corporation's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Corporation pursuant to the provisions described in Item 6 or otherwise, the Corporation has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Corporation of expenses incurred or paid by a director, officer or controlling person of the Corporation in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Corporation will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
