Item 1.01. Entry into a Material Definitive Agreement.

On April 27, 2007, ScanSource, Inc. (the Company) entered into an Industrial Lease Agreement (the Lease) with Industrial Developments International, Inc. (IDI), a Delaware corporation, whereby the Company is leasing approximately 600,000 square feet in a building located in Southaven, Mississippi. The leased space will be used by the Company for distribution, warehousing and storage purposes. The lease also provides for a right of first refusal on an additional 147,000 square feet of expansion space. The lease provides for market rental rates and will commence after the construction of the demised premises has been substantially completed (the Lease Commencement Date), which is expected to be October 1, 2007. The lease is conditioned upon the Company receiving approval for certain economic development tax incentives from the state of Mississippi. The primary term of the lease is for a period of 120 months from the Lease Commencement Date, and the Company has 2 consecutive 5-year options to extend the lease term beyond the expiration of the primary term. In connection with the entrance into the Lease, the Company also entered into an agreement with IDI giving the Company the option to require IDI to purchase the Company s existing Memphis, Tennessee facility at an agreed upon market price and upon certain conditions, on or before April 30, 2008. The new distribution center in Southaven, Mississippi will replace the Company s current 366,000 square foot facility for North American distribution operations located in Memphis. The new distribution center is also located closer to the Memphis regional airport and major freight carrier hubs.

A copy of the Company s press release regarding the Lease is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
