**Item 8.01 Other Events.**

On January 2, 2008, the Superior Court for California, San Mateo County, entered final judgment dismissing in its entirety, with prejudice, the second amended consolidated derivative complaint brought in the Superior Court for California, San Mateo County, against Nuvelo, as a nominal defendant, and certain of Nuvelo's current and former officers and directors.

As previously disclosed, on or about March, 2007 an alleged individual stockholder of Nuvelo, purportedly on behalf of the Company, filed this derivative lawsuit alleging, among other claims, that the individual defendants breached their fiduciary duties to Nuvelo by issuing or failing to prevent the issuance of purportedly false and misleading statements between January 5, 2006 and December 11, 2006 relating to the clinical trial results of Nuvelo's drug candidate alfimeprase, which Nuvelo announced on December 11, 2006, and that certain defendants benefited from these actions.
