The details of the amendment to the Articles of Incorporation, etc. are set forth below.

In order to lower the minimum investment amount to one-tenth (1/10) in conjunction with the adoption of the unit share system, the Company has resolved, at the meeting of the Board of Directors held on May 15, 2008, to make an amendment to the Articles of Incorporation, with which the number of shares constituting one (1) unit of shares will be reduced from 1,000 to 100, the effective date being the day preceding the date the Settlement Rationalization Law becomes effective.

Proposal 6: Revision of the remuneration of Directors and Corporate Auditors, and determination of the amount and specific details of stock option remuneration

This proposal was resolved and approved as originally proposed.

With respect to the remuneration for Directors (including Outside Directors), it has been resolved and approved that such remuneration will be paid annually rather than monthly, and the maximum aggregate amount thereof, which is currently JPY 45 million per month, will be changed to JPY 540 million per year. In addition, it has been resolved and approved, as a separate category from the aforementioned remuneration for the Directors, to establish remuneration in the form of stock options (stock acquisition rights) in an amount not to exceed JPY 200 million per year for Directors (excluding Outside Directors) of the Company. The stock acquisition rights are stock compensation-type stock options under which the amount to be paid in per share that is to be issued or transferred upon the exercise of such stock acquisition rights shall be one (1) yen. The aforementioned amounts of remuneration do not include the salary for non-Directors related services paid to Directors who are also employees of the Company. With respect to the remuneration for Corporate Auditors, it has been resolved and approved that such remuneration will be paid annually rather than monthly, and the maximum aggregate amount thereof, which is currently JPY 15 million per month, will be changed to JPY 180 million per year.

Proposal 7: Grant of the retirement allowances to the retiring Directors and the retiring Corporate Auditor, and payment of lump-sum retirement allowances to the Directors and the Corporate Auditor, due to the abolishment of the retirement allowances program for Directors and Corporate Auditors

It has been resolved and approved to grant the retirement allowances to (i) each of Messrs. Masato Ono and Satoru Nishibori, the retiring Directors, and (ii) Mr. Shigeru Yamamoto, the retiring Corporate Auditor, to reward them for their services during their respective terms of office, in an amount not exceeding the applicable amount determined in accordance with the Company's established rules. In addition, it has been resolved and approved to give discretion to the Board of Directors (with respect to the retiring Directors) and the Corporate Auditors (with respect to the retiring Corporate Auditor) to determine the actual amount, timing of presentation, method and related details regarding the retirement allowance to be granted to the aforementioned retiring Directors and retiring Corporate Auditor, based on discussions within the Board of Directors and among the Corporate Auditors, respectively.
