(c) Schedule A hereto sets forth certain information with respect to transactions by Deep Water in the Issuer's Common Shares during the past 60 days. All of the transactions set forth on Schedule A were effected in the New York Stock Exchange trading market.

(d) Except as set forth in this Schedule 13D, to the knowledge of the Reporting Persons, no person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, securities covered by this Schedule 13D.

(e) Not applicable.

**Item 6. Contracts, arrangements, understandings or relationships with respect to securities of the issuer.**

Except as described in this Item 6, none of the Reporting Persons has any contracts, arrangements, understandings, or relationships (legal or otherwise) with respect to any securities of the Issuer.

**Purchase Agreement.** On January 22, 2009, the Issuer entered into a preferred stock purchase agreement (the "Purchase Agreement") to issue and sell shares of 12% Cumulative Preferred Shares - Series A, par value \$0.01 per share (the "Preferred Shares"), to Deep Water and certain other named investors (collectively with Deep Water, the "Investors"), for \$200 million. Under the Purchase Agreement, the Preferred Shares are to be issued in two equal tranches of \$100 million. The first tranche closed on January 30, 2009. The second tranche of \$100 million aggregate amount of the Preferred Shares is expected to close in the fourth quarter of 2009, subject to closing conditions provided in the Purchase Agreement. Deep Water purchased \$80 million of the Preferred Shares on January 30, 2009 and, as described above, expects to purchase another \$80 million of Preferred Shares in the fourth quarter of 2009.

**Statement of Designation.** In connection with the closing of the transactions contemplated by the Purchase Agreement, on January 29, 2009, the Issuer filed a statement of designation (the "Statement of Designation") creating the Preferred Shares and establishing the designations, preferences and other rights of the Preferred Stock with the Registrar of Corporations of the Republic of the Marshall Islands.

The Statement of Designation sets the initial liquidation preference of the Preferred Shares at \$1,000 per share, subject to adjustment. No dividend will be payable in respect of the Preferred Shares for the initial five-year period. Instead, the liquidation preference of the Preferred Shares will increase at a rate of 12% per annum until January 31, 2014, compounded quarterly. The Preferred Shares will automatically convert into the Issuer's Common Shares at a conversion price of \$15.00 at any time on or after January 31, 2014 if the average closing price of the trailing 30-trading days of the Common Shares is equal to or greater than \$15.00. If at any time on or after January 31, 2014 the average closing price over the trailing 30 trading days of the Class A Common Shares is less than \$15.00, the Issuer has the option to convert the Preferred Shares at a conversion price of \$15.00 and pay the Investors 115% of the difference between the conversion price and the average closing price of the trailing 30 trading days of the Common Shares, payable in cash or Common Shares at the Issuer's option. If on January 31, 2014 the Preferred Shares have not converted to Common Shares, the liquidation preference of the Preferred Shares will increase to a rate of 15% per annum, compounded quarterly, payable in cash or by continuing to increase the liquidation value of the Preferred Shares at the holder's option.

Upon any liquidation or dissolution of the Issuer, holders of the Preferred Shares will generally be entitled to receive the cash value of the liquidation preference of the Preferred Shares after satisfaction of all liabilities to the Issuer's creditors but before any distribution is made to or set aside for the holders of junior stock, including the Common Shares.

In general, the holders of the Preferred Shares will be entitled to vote together with the holders of the Common Shares on an as-converted basis on any matter submitted for a vote of Common Shares. In addition, the holders of the Preferred Shares, voting as a separate class, will have the right to approve any future issuance of senior or parity stock (except that the Issuer may freely issue additional Preferred Shares up to an aggregate amount of \$115 million), any redemption of the Issuer's capital stock, any amendment of the Issuer's articles of incorporation, bylaws or the Statement of Designation or any share exchange, reclassification, merger, consolidation, liquidation, dissolution, asset sale or other disposition of all or substantially all of the assets of the Issuer. In addition, subject to certain exceptions, the holders of the Preferred Shares have preemptive rights to prevent dilution and the right to elect up to two members of the Issuer's board of directors.

**Registration Rights Agreement.** In addition, on January 30, 2009, as contemplated by the Purchase Agreement, the Investors and the Issuer entered into a registration rights agreement (the Registration Rights Agreement), pursuant to which, in certain circumstances, the Issuer will be obligated to file a registration statement covering the potential sale of the Common Shares issuable upon conversion of the Preferred Shares.

**Amendment to the Rights Agreement.** Pursuant to the Purchase Agreement, on January 30, 2009, the Issuer entered into an amendment to its shareholders rights agreement (the Amendment to the Rights Agreement) in order to exempt from the shareholders rights agreement the Investors as to the transactions contemplated by the Purchase Agreement and any conversion of the Preferred Shares into the Issuer's Common Shares. The Amendment to the Rights Agreement was executed by the Issuer and the American Stock Transfer & Trust Company, LLC.

**Amendment to the Gerry Wang Employment Agreement.** In connection with the closing of the transactions contemplated by the Purchase Agreement, Gerry Wang, the Issuer's chief executive officer, amended his employment agreement with Seaspan Ship Management Ltd., an affiliate of Seaspan Management Services Limited, the Issuer's manager, in order to extend the initial term of his employment to December 31, 2013 (the Amendment to the Gerry Wang Employment Agreement). Thereafter, his employment agreement automatically extends on December 31 of each year unless a prior written notice of non-renewal is delivered by either party no earlier than 210 days and no later than 180 days prior to such date.

The descriptions of the Statement of Designation, the Purchase Agreement, the Amendment to the Rights Agreement, the Registration Rights Agreement and the Amendment to the Gerry Wang Employment Agreement are qualified in their entirety by reference to the agreements themselves, which are incorporated by reference herein and included as Exhibits 3.1, 10.1, 10.2, 10.3 and 10.4, respectively, to the report of the Issuer on Form 6-K filed on February 2, 2009.
