QUESTIONS AND ANSWERS

We are providing you with this proxy statement, which contains information about the items to be voted on at our annual stockholders meeting. To make this information easier to understand, we have presented some of the information in a question-and-answer format.

Q: Why did you send me this proxy statement?

A: We sent you this proxy statement and the enclosed proxy card because our board of directors is soliciting your proxy to vote your shares at the 2009 annual stockholders meeting. This proxy statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission (SEC) and is designed to assist you in voting.

Q: What is a proxy?

A: A proxy is a person who votes the shares of stock of another person who cannot attend a meeting in person. The term proxy also refers to the proxy card. When you return the enclosed proxy card, you are giving your permission to vote your shares of common stock at the annual meeting. The people who will vote your shares of common stock at the annual meeting are Leo F. Wells, III, Douglas P. Williams, or Randall D. Fretz, each of whom are our officers. They will vote your shares of common stock as you instruct, unless you return the proxy card and give no instructions. In this case, unless you later instruct otherwise, they will vote FOR all of the director nominees. With respect to any other proposals to be voted on, they will vote in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in their discretion. They will not vote your shares of common stock if you do not return the enclosed proxy card. This is why it is important for you to return the proxy card to us (or vote by proxy via Internet or by telephone) as soon as possible whether or not you plan on attending the meeting in person.

Q: When is the annual meeting and where will it be held?

A: The annual meeting will be held on Wednesday, July 22, 2009, at 1:30 p.m. at the Atlanta Athletic Club, 1930 Bobby Jones Drive, Duluth, Georgia 30097. Directions to the 2009 annual meeting of stockholders can be obtained by calling our Client Services department at 1-800-577-4830.

Q: How many shares of common stock are outstanding?

A: As of April 24, 2009, there were 456,465,625 shares of our common stock issued and outstanding.

Q: What is a quorum ?

A: A quorum consists of the presence in person or by proxy of stockholders holding a majority of the outstanding shares. There must be a quorum present in order for the annual meeting to be a duly held meeting at which business can be conducted. If you submit a properly executed proxy card, even if you abstain from voting, then your shares will be counted toward the presence of a quorum.

Q: What may I vote on?

A: You may vote on the election of nominees to serve on the board of directors, and on any other proposal to be voted on.

Q: How does the board of directors recommend I vote on the proposal?

A: The board of directors recommends a vote FOR each of the nominees for election as director who are named as such in this proxy statement.

Q: Who is entitled to vote?

A: Anyone who owned our common stock at the close of business on April 24, 2009, the record date, is entitled to vote at the annual meeting. Every stockholder is entitled to one vote for each whole share of common stock held. However, our advisor, Wells Capital Inc., which owned 100 shares of our common stock as of the record date, has agreed to abstain from voting any of its shares in any vote for the election of directors, any vote regarding the removal of the advisor or its affiliates, or any vote regarding a transaction between us and the advisor or its affiliates.

Q: How do I vote?

A: You may vote your shares of common stock either in person or by proxy. Whether you plan to attend the meeting and vote in person or not, we urge you to have your proxy vote recorded in advance of the meeting. **Stockholders have the following three options for submitting their votes by proxy: (1) over the Internet, using the unique control number found on the enclosed proxy card; (2) by telephone, using the unique control number found on the enclosed proxy card; or (3) by mail, using the enclosed proxy card.** If you have Internet access, we encourage you to vote by proxy via the Internet. It is convenient and it saves us significant postage and processing costs. In addition, when you vote by proxy via the Internet or by phone prior to the meeting date, your proxy vote is recorded immediately and there is no risk that postal delays will cause your proxy vote to arrive late and, therefore, not be counted. For further instructions on voting, see your enclosed proxy card in this proxy statement. If you attend the annual meeting, you also may submit your vote in person, and any previous proxy votes that you submitted, whether by Internet, phone, or mail, will be superseded by the vote that you cast at the annual meeting. If you return your signed proxy card, your shares will be voted as you instruct, unless you give no instructions with respect to the proposal. In this case, unless you later instruct otherwise, your shares of common stock will be voted FOR the nominees for director. With respect to any other proposals to be voted on, your shares of common stock will be voted in accordance with the

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form DEF 14A

recommendation of the board of directors or, in the absence of such a recommendation, in the discretion of Messrs. Wells, Williams, or Fretz.

Q: What if I vote by proxy and then change my mind?

A: You have the right to revoke your proxy at any time before the meeting by:

- (1) notifying Douglas P. Williams, our Secretary;
- (2) attending the meeting and voting in person;

- (3) returning another proxy card, dated after your first proxy card, provided we receive the second proxy card before the annual meeting date; or
- (4) recasting your proxy vote on the proxy voting Web site or by telephone. Only the most recent proxy vote will be counted, and all others will be discarded regardless of the method of voting.

Q: Will my vote make a difference?

A: Yes. As discussed below, your vote could affect the composition of our board of directors. Moreover, your presence by proxy or in person is needed to ensure that the proposal can be acted upon. Because we are a widely held REIT (with more than 121,000 record holders of our stock), **YOUR VOTE IS VERY IMPORTANT! Your immediate response will help avoid potential delays and may save us significant additional expenses associated with soliciting stockholder votes.**

Q: What are the voting requirements to elect the board of directors?

A: Under our charter, a plurality of the votes cast is required for the election of the directors. This means that the director nominee with the most votes for a particular board seat is elected for that seat. Because the number of nominees does not exceed the number of board seats, a nominee need only receive a single for vote to be elected. Abstentions and withhold votes should have no effect on the outcome of the election, but they will count toward the establishment of a quorum.

However, in order to enhance your ability to influence the composition of the board of directors in an uncontested election such as this, we have adopted a policy requiring each of the nominees to agree to offer to resign should he receive fewer for votes than withhold votes. If a director must offer to resign because of withhold vote totals, a committee of all of our independent directors (the Conflicts Committee) must accept or reject the offer of resignation within 90 days following certification of the stockholder vote. If the Conflicts Committee accepts the offer, then the resignation will be effective upon acceptance. If the Conflicts Committee rejects the offer, it must publicly disclose its reasons for doing so. The offer of resignation also may be accepted at a stockholder meeting duly called for the express purpose of accepting such resignation and electing a successor to fill the vacancy created thereby. More details of this policy are set out under Proposal 1. Election of Directors. The policy is set forth in our Corporate Governance Guidelines, a copy of which is available on our Web site at www.wellsreitII.com. Proxies received will be voted FOR each nominee for director unless stockholders designate otherwise.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the annual meeting other than the election of directors, if any other business is properly presented at the annual meeting, your signed proxy card gives authority to Leo F. Wells, III, our President; Douglas P. Williams, our Executive Vice President and Secretary; and Randall D. Fretz, our Senior Vice President; and each of them, to vote on such matters in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in their discretion.

Q: When are the stockholder proposals for the next annual meeting of stockholders due?

A: Stockholders interested in nominating a person as a director or presenting any other business for consideration at our annual meeting of stockholders in 2010 may do so by following the procedures prescribed in Section 2.12 of our Bylaws and in Rule 14a-8 under the Securities Exchange Act of 1934. To be eligible for presentation to and action by the stockholders at the 2010 annual meeting, director nominations and other stockholder proposals must be received by Douglas P. Williams, our Secretary, no later than March 16, 2010. To also be eligible for inclusion in our proxy statement for the 2010 annual meeting, director nominations and other stockholder proposals must be received by Mr. Williams by December 31, 2009.

Q: Who pays the cost of this proxy solicitation?

A: We will pay all the costs of soliciting these proxies. We have contracted with Georgeson, Inc., a Delaware corporation, d/b/a Computershare Fund Services (CFS), to assist us in the distribution of proxy materials and the solicitation of proxies. CFS will be paid an administrative fee of approximately \$3,500 and \$0.30 per phone vote and \$0.05 per Internet vote, plus out-of-pocket expenses for its basic solicitation services, which include review of proxy materials; dissemination of brokers' search cards; distribution of proxy materials; solicitation of brokers, banks, and institutional holders; and delivery of executed proxies. CFS will be paid \$5.00 per vote for its telephone solicitation services. We also will reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to our stockholders. Our officers and employees of our advisor or its affiliates may also solicit proxies, but they will not be specifically compensated for these services.

Q: Is this proxy statement the only way that proxies are being solicited?

A: No. In addition to mailing this proxy solicitation material, employees of CFS, employees of our advisor or its affiliates, and our officers also may solicit proxies in person, via the Internet, by telephone, or by any other electronic means of communication or by other means of communication we deem appropriate.

Q: If I share my residence with another stockholder, how many copies of the Annual Report and Proxy Statement will I receive?

A: In accordance with a notice previously sent to our stockholders, we are sending only a single set of the annual report and proxy statement to any household at which two or more stockholders reside if they share the same last name or we reasonably believe they are members of the same family, unless we have received instructions to the contrary from any stockholder at that address. This practice is known as "householding" and stems from rules adopted by the SEC. This practice reduces the volume of duplicate information received at your household and helps us reduce costs. Each stockholder subject to householding will continue to receive a separate proxy card or voting

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form DEF 14A

instruction card. We will deliver promptly, upon written or oral request, a separate copy of the annual report or proxy statement, as applicable, to a stockholder at a shared address to which a single copy of the document was previously delivered. If you received a single set of these documents for this year, but you would prefer to receive your own copy, you may direct requests for separate copies to the following address: Wells Client Services Department, P.O. Box 2828, Norcross, Georgia 30091-2828, or call us at 1-800-557-4830. If you are a stockholder who receives multiple copies of our proxy materials, you may request householding by contacting us in the same manner and requesting a householding consent form.

Q: What if I consent to have one set of materials mailed now but change my mind later?

A: You may withdraw your householding consent at any time by contacting our Client Services department at the address and telephone number provided above. We will begin sending separate copies of stockholder communications to you within 30 days of receipt of your instruction.

Q: The reason I receive multiple sets of materials is because some of the shares belong to my children. What happens if they move out and no longer live in my household?

A: When we receive notice of an address change for one of the members of the household, we will begin sending separate copies of stockholder communications directly to the stockholder at his or her new address. You may notify us of a change of address by contacting our Client Services department at the address and telephone number provided above.

Q: If I plan to attend the annual meeting in person, should I notify anyone?

A: While you are not required to notify anyone in order to attend the annual meeting, if you do plan to attend the meeting, we would appreciate it if you would mark the appropriate box on the enclosed proxy card to let us know how many stockholders will be attending the meeting so that we will be able to prepare a suitable meeting room for the attendees.

Q: Where can I find more information?

A: You may access, read and print copies of the proxy materials for this year's annual meeting, including our proxy statement, form of proxy card, and annual report to stockholders, at the following Web address: <http://www.wellsreitII.com/proxy>. We also file annual, quarterly, and current reports; proxy statements; and other information with the SEC. You may read and copy any reports, statements, or other information we file with the SEC on the Web site maintained by the SEC at www.sec.gov. Our SEC filings also are available to the public at the SEC's Public Reference Room located at 100 F Street, N.E., Washington, DC 20549. You also may obtain copies of the documents at prescribed rates by writing to the Public Reference Section of the SEC at 100 F Street, N.E., Washington, DC 20549. Please call the SEC at 1-800-SEC-0330 for further information regarding the public reference facilities.

CERTAIN INFORMATION ABOUT MANAGEMENT

The Board of Directors

Our board of directors has oversight responsibility for our operations and makes all major decisions concerning our business. We currently have eight directors, all of whom are being nominated for reelection at the annual meeting. We currently have no vacant board positions. Our board of directors held 12 meetings during 2008. For biographical information regarding our directors, see *Executive Officers and Directors* on page 16.

Our board has established the following committees: Audit Committee; Nominating and Corporate Governance Committee; Asset Management Committee; Finance and Planning Committee; and Stockholder Relations, Communication, and Development Committee. In addition, our charter has established a Conflicts Committee consisting of all of our independent directors. Information regarding each of the committees is set forth below.

Director Independence

Although our shares are not listed for trading on any national securities exchange, a majority of the members of our board of directors, and all of the members of the Audit Committee, the Conflicts Committee, and the Nominating and Corporate Governance Committee are independent as defined by the New York Stock Exchange (NYSE). The NYSE standards provide that to qualify as an independent director, in addition to satisfying certain bright-line criteria, the board of directors must affirmatively determine that a director has no material relationship with us (either directly or as a partner, stockholder, or officer of an organization that has a relationship with us). The board of directors has determined that Charles R. Brown, Richard W. Carpenter, Bud Carter, John L. Dixon, E. Nelson Mills, and Neil H. Strickland each satisfies the bright-line criteria and that none has a relationship with us that would interfere with such person's ability to exercise independent judgment as a member of the board. For a discussion of transactions and relationships between our directors and our affiliates that were considered by the board under the applicable independence definitions in determining that these directors are independent, see *Certain Relationships and Related Transactions*. None of these directors has ever served as (or is related to) an employee of our company or any of our predecessors or acquired companies or received any compensation from us or any such other entities except for compensation directly related to service as a director. Therefore, we believe that all of these directors are independent directors.

The Audit Committee

General

The Audit Committee's primary function is to assist our board of directors in fulfilling its responsibilities by overseeing our independent auditors and reviewing the financial information to be provided to our stockholders and others, the system of internal control over financial reporting that our management has established, and our audit and financial reporting process. The Audit Committee also is responsible for overseeing our compliance with applicable laws and regulations and for establishing procedures for the ethical conduct of our business. The Audit Committee fulfills these responsibilities primarily by carrying out the activities enumerated in the Audit Committee Charter adopted by our board of directors in 2003. The Audit Committee Charter is available on our Web site at www.wellsreitII.com.

The members of the Audit Committee are E. Nelson Mills (Chairman), Neil H. Strickland, and Charles R. Brown. All of the members of the Audit Committee are independent as defined by the NYSE. The board of directors has determined that E. Nelson Mills satisfies the SEC's requirements for an audit committee financial expert. During 2008, the Audit Committee met eight times.

Independent Auditors

Effective May 14, 2008, the Audit Committee dismissed Ernst & Young LLP as our independent registered public accounting firm and appointed Deloitte & Touche LLP as our new independent registered public accounting firm. This appointment followed the Audit Committee's decision to seek proposals from independent registered public accounting firms for the fiscal year ended December 31, 2008, as disclosed in our Current Report on Form 8-K dated April 30, 2008 and filed with the SEC on May 5, 2008. The Audit Committee dismissed Ernst & Young LLP upon the completion of its review of our financial statements included in our Form 10-Q for the three months ended March 31, 2008 filed with the SEC on May 14, 2008.

During the years ended December 31, 2007 and 2006, and through May 14, 2008, there were no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Ernst & Young LLP's satisfaction, would have caused it to make reference thereto in its reports on our financial statements for such years. None of the reportable events described in Item 304(a)(1)(v) of Regulation S-K under the Securities Act of 1933 occurred during the years ended December 31, 2007 and 2006 and through May 14, 2008.

During the years ended December 31, 2007 and 2006, and the subsequent interim periods through May 14, 2008, the Registrant did not consult with Deloitte & Touche LLP regarding: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Registrant's financial statements; or (ii) any matter that was either the subject of a disagreement or a reportable event as defined in Item 304(a)(2) of Regulation S-K under the Securities Act of 1933.

From May 14, 2008 through December 31, 2008, Deloitte & Touche LLP served as our independent auditor and provided certain domestic and international tax and other services. The Audit Committee has engaged Deloitte & Touche LLP as our independent auditor to audit our financial statements for the year ended December 31, 2009. The Audit Committee may, however, select new auditors at any time in the future in its discretion if it deems such decision to be in our best interest. Any decision to select new auditors would be disclosed to the stockholders in accordance with applicable securities laws.

Representatives from Deloitte & Touche LLP are expected to be present at the annual meeting, to have the opportunity to make a statement if they desire to do so, and to be available to respond to appropriate questions posed by any stockholders.

Preapproval Policies

The Audit Committee Charter imposes a duty on the Audit Committee to preapprove all auditing services performed for us by our independent auditors, as well as all permitted nonaudit services (including the fees and terms thereof) in order to ensure that the provision of such services does not impair the auditors' independence. Unless a type of service to be provided by the independent auditors has received general preapproval, it will require specific preapproval by the Audit Committee.

All requests or applications for services to be provided by the independent auditor which do not require specific preapproval by the Audit Committee will be submitted to management and must include a detailed description of the services to be rendered. Management will determine whether such services are included within the list of services that have received the general preapproval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent auditors.

Requests or applications to provide services that require specific preapproval by the Audit Committee will be submitted to the Audit Committee by both the independent auditors and the Principal Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. The Chairman of the Audit Committee has been delegated the authority to specifically preapprove all services not covered by the general preapproval guidelines up to an amount not to

exceed \$75,000 per occurrence. Amounts requiring preapproval in excess of \$75,000 per occurrence require specific preapproval by all members of the Audit Committee prior to engagement of our independent auditors. All amounts specifically preapproved by the Chairman of the Audit Committee in accordance with this policy are to be disclosed to the full Audit Committee at the next regularly scheduled meeting.

All services rendered by Ernst & Young LLP and Deloitte & Touche LLP for the year ended December 31, 2008 were preapproved in accordance with the policies and procedures described above.

Principal Auditor Fees

The Audit Committee reviewed the audit and nonaudit services performed by our principal auditor, as well as the fees charged by the principal auditor for such services. In its review of the nonaudit service fees, the Audit Committee considered whether the provision of such services is compatible with maintaining the independence of the principal auditor. The aggregate fees billed to us for professional accounting services, including the audit of our annual financial statements by our principal auditor for the years ended December 31, 2008 and 2007, are set forth in the table below.

	2008	2007
Audit fees		
Ernst & Young LLP	\$ 73,975	\$ 674,915
Deloitte & Touche LLP	550,000	-0-

Total	-0-	-0-
Total fees	\$ 957,329	\$ 885,321

For purposes of the preceding table, the principal auditor's professional fees are classified as follows:

Audit fees These are fees for professional services performed for the audit of our annual financial statements and the required review of quarterly financial statements and other procedures performed by the principal auditor in order for them to be able to form an opinion on our consolidated financial statements. These fees also cover services that are normally provided by independent auditors in connection with statutory and regulatory filings or engagements, including reviews of our financial statements included in the registration statements, as amended, related to our public offerings of common stock. Audit fees are presented for the period to which the audit work relates.

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form DEF 14A

Audit-related fees These are fees for assurance and related services that traditionally are performed by independent auditors that are reasonably related to the performance of the audit or review of the financial statements, such as due diligence related to acquisitions and dispositions, attestation services

that are not required by statute or regulation, internal control reviews, and consultation concerning financial accounting and reporting standards.

Tax fees These are fees for all professional services performed by professional staff in our independent auditor's tax division, except those services related to the audit of our financial statements. These include fees for tax compliance, tax planning and tax advice, including federal, state, and local issues. Services also may include assistance with tax audits and appeals before the IRS and similar state and local agencies, as well as federal, state, and local tax issues related to due diligence. Tax fees are presented for the period in which the services were provided.

All other fees These are fees for any services not included in the above-described categories, including assistance with internal audit plans and risk assessments.

Report of the Audit Committee

The Audit Committee reviews the financial reporting process on behalf of the board of directors. Our management has the primary responsibility for the financial statements and the reporting process, including the system of internal control over financial reporting. Membership on the Audit Committee does not call for the professional training and technical skills generally associated with career professionals in the field of accounting and auditing. In addition, the independent auditors devote more time and have access to more information than does the Audit Committee. Accordingly, the Audit Committee's role does not provide any special assurance with regard to our financial statements, nor does it involve a professional evaluation of the quality of the audits performed by the independent auditors. In this context, the Audit Committee reviewed the 2008 audited financial statements with management, including a discussion of the quality and acceptability of our financial reporting, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with Deloitte & Touche LLP, which is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, their judgments as to the quality and the acceptability of the financial statements and such other matters as are required to be discussed with the Audit Committee under Statement on Auditing Standards No. 61 (*Communication with Audit Committees*). The Audit Committee received from and discussed with Deloitte & Touche LLP the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding that firm's independence from us. In addition, the Audit Committee considered whether Deloitte & Touche LLP's provision of nonaudit services is compatible with maintaining its independence from us.

The Audit Committee discussed with Deloitte & Touche LLP the overall scope and plans for the audit. The Audit Committee meets periodically with the internal auditor and Deloitte & Touche LLP, with and without management present, to discuss the results of their examinations, their evaluations of our internal controls, and the overall quality of our financial reporting.

In reliance on these reviews and discussions, the Audit Committee recommended to the board of directors and the board approved, the inclusion of the 2008 audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the Securities and Exchange Commission.

March 24, 2009

The Audit Committee of the Board of Directors:
E. Nelson Mills (Chairman), Neil H. Strickland, and Charles R. Brown

The Conflicts Committee

The members of our Conflicts Committee are Neil H. Strickland (Chairman), Charles R. Brown, Richard W. Carpenter, Bud Carter, John L. Dixon and E. Nelson Mills, all of whom are independent directors. Our charter empowers the Conflicts Committee to act on any matter permitted under Maryland law if the matter at issue is

such that the exercise of independent judgment by affiliates of our advisor could reasonably be compromised. Among the duties of the Conflicts Committee are the following:

reviewing and reporting on our policies (see below);

approving transactions with affiliates and reporting on their fairness to us (see below);

supervising and evaluating the performance and compensation of our advisor;

reviewing our expenses and determining that they are reasonable and within the limits prescribed by our charter;

approving borrowings in excess of limits set forth in our charter;

approving acquisitions and dispositions;

evaluating the performance of our officers; and

considering plans with respect to the succession of our president in the event of his sudden incapacitation, death, or departure.

In addition, our Conflicts Committee discharges the board's responsibilities relating to compensation of our executives and directors. In this regard, the Conflicts Committee administers the granting of stock options to selected employees of Wells Capital, Inc. ("Wells Capital"), our advisor, and Wells Management Company, Inc. ("Wells Management"), our property manager, based upon recommendations from Wells Capital, and sets the terms and conditions of such options in accordance with the 2003 Stock Option Plan. To date, no employee stock options have been issued. The Conflicts Committee also is responsible for administering the terms of the Independent Director Stock Option Plan, the terms of which are discussed in detail below under "Compensation to Directors" Independent Director Stock Option Plan.

Under the terms of the 2003 Stock Option Plan, and only to the extent permissible under Maryland law, the Conflicts Committee may expressly delegate to any individual or group of individuals some or all of the committee's authority to administer the plan, including authority to designate participants, determine terms, conditions, and amounts of option awards, and to grant awards. However, no delegation of duties and responsibilities may be made to eligible participants in the plan who are, or who are anticipated to become, persons subject to the short-swing profit rules of Section 16 of the Securities Exchange Act of 1934.

The primary responsibilities of the Conflicts Committee are enumerated in our charter. The Conflicts Committee does not have a separate committee charter. The Conflicts Committee met 11 times during 2008.

Report of the Conflicts Committee

Review of Our Policies

The Conflicts Committee has reviewed our policies and determined that they are in the best interest of our stockholders. Set forth below is a discussion of the basis for that determination.

Investment Policies. We focus our investment efforts on the acquisition of high-quality, income-generating office and industrial properties leased to creditworthy tenants. Although we may acquire other types of real estate, this focus is preferred because we believe it will best enable us to achieve our goal of preserving investor capital and generating current income. We also believe that there are sufficient acquisition opportunities that meet this investment focus. Our advisor, Wells Capital, has extensive expertise with this type of real estate.

Working Capital Reserves. We may from time to time temporarily set aside offering proceeds, rather than pay down debt or acquire properties, in order to provide financial flexibility or in the event that suitable

acquisitions are not available. While, in the short term, temporarily setting aside funds will temporarily decrease the amount we invest in real estate and hence temporarily decrease future net income, we believe that it may be prudent under certain economic conditions to have these funds available, in addition to funds available from operations and borrowings.

Borrowing Policies. Over the long-term, we have a policy of keeping our debt at no more than 50% of the cost of our assets (before depreciation) and, ideally, at significantly less than this 50% debt-to-real-estate asset ratio. This conservative leverage goal could reduce the amount of current income we can generate for our stockholders, but it also reduces their risk of loss. We believe that preserving investor capital while generating stable current income is in the best interest of our stockholders. As of December 31, 2008, our debt-to-real-estate asset ratio was approximately 25.5%.

Policies Regarding Operating Expenses. We have the responsibility of limiting total operating expenses to no more than the greater of 2% of average invested assets or 25% of net income, as these terms are defined in our charter. For the four consecutive quarters ended December 31, 2008, total operating expenses represented 1.3% of average invested assets and 12.2% of operating income, as defined by the advisory agreement.

Offering Policies. We are conducting a public offering of up to 300 million shares of common stock at \$10 per share (with discounts available for certain categories of investors). We also are offering shares under our dividend reinvestment plan. We believe these offerings are in the best interest of our stockholders because they increase the likelihood that we will be able to (i) acquire properties at attractive pricing, thereby improving stockholder returns and (ii) continue to diversify the portfolio of income-producing properties, thereby reducing risk in our portfolio.

Listing Policy. We believe it is in the best interest of our stockholders for our common shares to remain unlisted on a national exchange at this time. First, we are in the fundraising and property-acquisition stage of our life cycle, and remaining unlisted improves our ability to continue to raise new equity and purchase additional properties so that the real estate portfolio can achieve greater size and diversification. Second, in the near term, the re-negotiated advisory agreement allows us the opportunity to continue to acquire properties (until the aggregate purchase price of the portfolio is \$6.5 billion) without an increase in the amount of asset management fees paid to our external advisor, Wells Capital. Third, our shares are offered as a long-term investment. We believe that the ability to provide our stockholders with liquidity in the near-term is outweighed by the longer-term benefits of completing the current offering, allowing the portfolio to mature and then listing the shares at a price that is anticipated to be higher than the price at which they would likely trade today.

Transactions with Affiliates

Our charter requires our Conflicts Committee to review and approve all transactions involving our affiliates and us. Prior to entering into a transaction with an affiliate that is not covered by our advisory agreement with our advisor, a majority of the Conflicts Committee must conclude that the transaction is fair and reasonable to us and on terms and conditions not less favorable to us than those available from unaffiliated third parties. In addition, our Code of Ethics lists examples of types of transactions with affiliates that would create prohibited conflicts of interest. Under the Code of Ethics, our officers and directors are required to bring potential conflicts of interest to the attention of the chairman of our Audit Committee promptly. The Conflicts Committee has reviewed the material transactions between our affiliates and us since the beginning of 2008 as well as any such currently proposed transactions. Set forth below is a description of such transactions and the committee's report on their fairness.

Our Relationship with Wells Capital. Our executive officers, Leo F. Wells, III, Douglas P. Williams, and Randall D. Fretz, are also executive officers of Wells Capital, our advisor. Mr. Wells is the sole director of our advisor and indirectly owns 100% of its equity. Since 2003, our advisor has provided our day-to-day

management. Among the services provided by our advisor under the terms of an advisory agreement are the following:

real estate acquisition services;

asset management services;

real estate disposition services;

property management oversight services; and

administrative services.

Our advisor is at all times subject to the supervision of our board of directors and only has such authority as we may delegate to it as our agent. The term of our advisory agreement runs through June 30, 2009 and is subject to an unlimited number of successive one-year renewals upon mutual consent of the parties. From January 1, 2008 through the most recent date practicable, which was December 31, 2008, we have compensated our advisor as set forth below.

We have incurred acquisition fees payable to our advisor equal to 2.0% of gross proceeds from our public offerings of common stock for services in connection with the selection, purchase, development, or construction of real property. We incur such acquisition fees upon receipt of proceeds from the sale of shares. Acquisition fees from January 1, 2008 through December 31, 2008 totaled approximately \$16.4 million.

Our advisor bears substantially all of our organization and offering costs other than our payment of selling commissions and dealer-manager fees. We reimburse our advisor for up to 2.0% of our gross offering proceeds for organization and offering costs, including legal, accounting, printing, and other accountable offering costs. From January 1, 2008 through December 31, 2008, we incurred approximately \$9.9 million of organization and offering expenses.

For asset management services in 2008, we generally paid monthly asset management fees equal to one-twelfth of 0.75% of the cost of all of our properties and our investments in joint ventures. However, the asset management fee related to the Lindbergh Center Buildings, which were acquired July 1, 2008, was immediately 0.5%. In addition, for the last three months of 2008, we reduced the payment to our advisor to a fee equal to one-twelfth of 0.625% of the cost of all of our properties and our investments in joint ventures until the monthly payment equals \$2,708,333.33 (or \$32.5 million annualized). The monthly payment will remain capped at that amount until the cost of all of our properties and our investments in joint ventures is at least \$6.5 billion, after which the monthly asset management fee will be equal to one-twelfth of 0.5% of the cost of all of our properties and our investments in joint ventures. These fees are limited to 1.0% of the net asset value of the properties included in the above calculations, calculated on a quarterly basis. Asset management fees incurred from January 1, 2008 through December 31, 2008 totaled approximately \$31.0 million.

Additionally, we reimburse our advisor for all costs and expenses it incurs in fulfilling its asset management and administrative duties, which may include wages, salaries, taxes, insurance, benefits, information technology, legal and travel, and other out-of-pocket expenses of employees engaged in ongoing management, administration, operations, and marketing functions on our behalf. We do not, however, reimburse our advisor for personnel costs in connection with services for which our advisor receives acquisition fees or real estate commissions. Administrative reimbursements, net of reimbursements from tenants, from January 1, 2008 through December 31, 2008 totaled approximately \$11.1 million.

The Conflicts Committee considers our relationship with the advisor during 2008 to be fair. The Conflicts Committee evaluated the performance of the advisor and the compensation paid to the advisor in connection with its decision to renew the advisory agreement through June 30, 2009. The Conflicts Committee believes that the amounts payable to the advisor under the advisory agreement are similar to those paid by other publicly offered, unlisted, externally advised REITs and that this compensation was appropriate in order for the advisor to provide the desired level of services to us and our stockholders. The Conflicts Committee bases its evaluation of the advisor on factors such as (a) the amount of the fees paid to the advisor in relation to the size, composition, and performance of our portfolio; (b) the success of the advisor in generating opportunities that meet our investment objectives; (c) rates charged to other REITs and to investors other than REITs by advisors performing the same or similar services; (d) additional revenues realized by the advisor and its affiliates through their relationship with us, including loan administration, underwriting or broker commissions, servicing, engineering, inspection, and other fees; (e) the quality and extent of service and advice furnished by the advisor; (f) the performance of our portfolio, including income, conservation or appreciation of capital, frequency of problem investments, and competence in dealing with distress situations; and (g) the quality of our portfolio relative to the investments generated by the advisor for its own account.

Our Relationship with WIS. Mr. Wells indirectly owns 100% of our dealer-manager, Wells Investment Securities, Inc. (WIS). In addition, Messrs. Fretz and Williams are directors of WIS. Our dealer-manager is entitled to receive selling commissions of 7% of aggregate gross offering proceeds, except that no selling commissions are paid in connection with the sale of our shares under the dividend reinvestment plan. WIS reallows 100% of these selling commissions to broker/dealers participating in our public offering. In the event of the sale of shares through an investment advisory representative in which the representative is compensated on a fee-for-service basis by the investor (or through a bank acting as a trustee or fiduciary), the dealer-manager waives its right to a commission, with a corresponding reduction in the purchase price of shares sold in our offering. From January 1, 2008 through December 31, 2008, we incurred selling commissions, net of discounts, of \$46.5 million to WIS, of which approximately 100% was reallocated to participating broker/dealers.

WIS also earns a dealer-manager fee of 2.5% of aggregate gross offering proceeds. WIS may reallow to participating broker/dealers up to 1.5% of aggregate gross offering proceeds. There is no dealer-manager fee for shares sold under the dividend reinvestment program. In the event of the sale of shares through an independent investment advisor (or bank acting as trustee or fiduciary), the dealer-manager reduces its dealer-manager fee to 1.5% of gross offering proceeds with a corresponding reduction in the purchase price of the shares. WIS earned dealer-manager fees, net of discounts, from us of approximately \$17.3 million from January 1, 2008 through December 31, 2008, of which approximately \$9.2 million was reallocated to participating broker/dealers.

The Conflicts Committee believes that this arrangement with WIS is fair. The compensation payable to WIS reflects our belief that such selling commissions and dealer-manager fees will maximize the likelihood that we will be able to achieve our goal of acquiring a large, diversified portfolio of high-quality, income-producing properties.

Our Relationship with Wells Management. On November 24, 2008, our property management, leasing, and construction management agreement with Wells Management automatically renewed for another one-year term. Mr. Wells indirectly owns 100% of Wells Management. In consideration for supervising the management, leasing, and construction of certain of our properties, we pay the following fees to Wells Management:

For each property for which Wells Management provides property management services, we pay Wells Management a market-based property management fee based on gross monthly income of the property.

For each property for which Wells Management provides leasing agent services, Wells Management is entitled to: (i) a one-time fee in an amount not to exceed one month's rent for the initial rent-up of a newly constructed building; (ii) a market-based commission based on the net rent payable during the

term of a new lease; (iii) a market-based commission based on the net rent payable during the term of any renewal or extension of any tenant lease; and (iv) a market-based commission based on the net rent payable with respect to expansion space for the remaining portion of the initial lease term.

For each property for which Wells Management provides construction management services, Wells Management is entitled to receive from us that portion of lease concessions for tenant-directed improvements that are specified in the lease or lease renewal, subject to a limit of 5% of such lease concessions and a management fee to be determined for other construction management activities.

The Conflicts Committee believes that these arrangements with Wells Management are fair and reasonable and on terms and conditions no less favorable to us than those available from unaffiliated third parties. Property management fees incurred from January 1, 2008 through December 31, 2008 were \$3.6 million.

The Conflicts Committee of the Board of Directors:
Neil H. Strickland (Chairman), Charles R. Brown, Richard W. Carpenter, Bud Carter, John Dixon, and E. Nelson Mills

The Nominating and Corporate Governance Committee

General

The members of our Nominating and Corporate Governance Committee are Neil H. Strickland (Chairman), Richard W. Carpenter, and Bud Carter. The members of the Nominating and Corporate Governance Committee are independent as defined by the NYSE.

The primary functions of the Nominating and Corporate Governance Committee are: (i) identifying individuals qualified to serve on the board of directors and recommending that the board of directors select a slate of director nominees for election by the stockholders at the annual meeting; (ii) developing and recommending to the board of directors a set of corporate governance guidelines and periodically reevaluating such guidelines for the purpose of suggesting amendments to them; and (iii) overseeing an annual evaluation of the board of directors and each of its committees. The Nominating and Corporate Governance Committee held three meetings during 2008. A copy of the Nominating and Corporate Governance Committee charter is available on our Web site at www.wellsreitII.com.

Board Membership Criteria

The Nominating and Corporate Governance Committee annually reviews with the board of directors the appropriate experience, skills, and characteristics required of board members in the context of the then-current membership of the board. This assessment includes, in the context of the perceived needs of the board at that time, issues of knowledge, experience, judgment, and skills such as an understanding of the real estate industry or brokerage industry, or accounting or financial management expertise. Other considerations include the candidate's independence from conflict with us and the ability of the candidate to attend board meetings regularly and to devote an appropriate amount of effort in preparation for those meetings. It also is expected that independent directors nominated by the board of directors shall be individuals who possess a reputation and hold (or have held) positions or affiliations befitting a director of a large publicly held company and are (or have been) actively engaged in their occupations or professions or are otherwise regularly involved in the business, professional, or academic community. Moreover, as required by our charter, at least one of our independent directors must have at least three years of relevant real estate experience, and each director who is not an independent director must have at least three years of relevant experience demonstrating the knowledge and experience required to successfully acquire and manage the type of assets we acquire and manage.

Selection of Directors

The board of directors is responsible for selecting its own nominees and recommending them for election by the stockholders. Pursuant to our charter, however, the independent directors must nominate replacements for any vacancies among the independent director positions. The board delegates the screening process necessary to identify qualified candidates to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee annually reviews director suitability and the continuing composition of the board; it then recommends director nominees who are voted on by the full board of directors. All director nominees then stand for election by the stockholders annually.

In recommending director nominees to the board of directors, the Nominating and Corporate Governance Committee solicits candidate recommendations from its own members, other directors, and management of Wells Capital. The Nominating and Corporate Governance Committee may engage the services of a search firm to assist in identifying potential director nominees. The Nominating and Corporate Governance Committee also will consider recommendations made by stockholders for director nominees who meet the established director criteria set forth above. In order to be considered by the Committee, recommendations made by stockholders must be submitted within the timeframe required to request a proposal to be included in the proxy materials. See *Stockholder Proposals* below. In evaluating the persons recommended as potential directors, the Nominating and Corporate Governance Committee will consider each candidate without regard to the source of the recommendation and take into account those factors that the Nominating and Corporate Governance Committee determines are relevant. Stockholders may directly nominate potential directors (without the recommendation of the Committee) by satisfying the procedural requirements for such nomination as provided in Article II, Section 2.12, of our Bylaws. Any stockholder may request a copy of our Bylaws free of charge by calling our Client Services department at 1-800-577-4830.

The Asset Management Committee

The members of the Asset Management Committee are Charles R. Brown (Chairman), Richard W. Carpenter, and Bud Carter, all of whom are independent directors. The primary function of the Asset Management Committee is to advise the board of directors on investment criteria and acquisition policies, the general economic environment in various real estate markets, existing or prospective properties or tenants, and portfolio diversification goals. The Asset Management Committee held ten meetings in 2008.

The Stockholder Relations, Communication, and Development Committee

The members of the Stockholder Relations, Communication, and Development Committee are Bud Carter (Chairman), John L. Dixon and Neil H. Strickland, each of whom is an independent director. The primary function of the Stockholder Relations, Communication, and Development Committee is to advise the board of directors on various stockholders' issues including market conditions, issues relating to net proceeds raised from stockholders, and communications with stockholders. Through guidance and oversight, the Stockholder Relations, Communication, and Development Committee encourages communications that provide stockholders with timely information in a cost-effective and user-friendly format. In addition, the Stockholder Relations, Communication, and Development Committee advises the board on market trends and competitive analysis. During 2008, the Stockholder Relations, Communication, and Development Committee held five meetings.

The Finance and Planning Committee

The members of the Finance and Planning Committee are Richard W. Carpenter (Chairman), Charles R. Brown, and E. Nelson Mills, all of whom are independent directors. The primary function of the Finance and Planning Committee is to review and advise the board of directors on our overall financial performance, which includes issues related to net proceeds raised, fees and expenses, operating earnings, dividends, capital structure, and budgetary and reporting processes. The Finance and Planning Committee held six meetings in 2008.

Stockholder Communications with the Board of Directors

We have established several means for stockholders to communicate concerns to the board of directors. If the concern relates to our financial statements, accounting practices, or internal controls, stockholders should submit the concern in writing to the Chairman of our Audit Committee in care of our Secretary at our headquarters address. If the concern relates to our governance practices, business ethics, or corporate conduct, stockholders should submit the concern in writing to the Chairman of our Nominating and Corporate Governance Committee in care of our Secretary at our headquarters address. If uncertain as to which category a concern relates, a stockholder may communicate the concern to any one of the independent directors in care of our Secretary.

Stockholders also may communicate concerns with our directors at our annual meeting. All of our directors were in attendance at our 2008 annual meeting. We expect all of the directors to be present at our 2009 annual meeting.

Executive Officers and Directors

We have provided below certain information about our executive officers and directors. All of our directors have terms expiring on the date of the 2009 annual meeting, and all of our directors are being nominated to be re-elected to serve until the 2010 annual meeting and until their successors are elected and qualified.

Compensation of Executive Officers

Our executive officers do not receive compensation from us for services rendered to us. Our executive officers also are officers of Wells Capital, our advisor, and its affiliates and are compensated by these entities, in part, for their services to us. See Certain Information about Management The Conflicts Committee Report of the Conflicts Committee Transactions with Affiliates for a discussion of the fees paid to Wells Capital and its affiliates.

Compensation of Directors

We have provided below certain information regarding compensation paid to or earned by our directors during the 2008 fiscal year.

Name	Fees Earned or Paid in Cash (\$)	Total (\$)
Leo F. Wells, III (1)		
Douglas P. Williams (1)		
Charles R. Brown (2)	92,250	92,250
Richard W. Carpenter (2)	77,750	77,750
Bud Carter (2)	83,750	83,750
John L. Dixon	28,206	28,206
E. Nelson Mills (3)	87,875	87,875
Neil H. Strickland (2)	91,250	91,250

(1) Directors who are also our executive officers do not receive compensation for services rendered as a director.

(2) Includes \$8,750 paid in December 2007 as a retainer for service performed in the first quarter of 2008.

(3) Includes \$9,375 paid in December 2007 as a retainer for service performed in the first quarter of 2008.

Cash Compensation

We pay each of our independent directors:

an annual retainer of \$30,000;

\$1,500 per regularly scheduled board meeting attended;

\$1,500 per regularly scheduled committee meeting attended (in addition, the Audit Committee chairperson receives an annual retainer of \$7,500 and all other committee chairpersons receive annual retainers of \$5,000 for serving in that capacity); and

\$500 per special board meeting attended whether held in person or by telephone conference.

In addition, we have reserved 100,000 shares of common stock for future issuance upon the exercise of stock options granted to the independent directors pursuant to our Independent Director Stock Option Plan (described below). All directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with attendance at meetings of the board of directors.

Independent Director Stock Option Plan

We have adopted an Independent Director Stock Option Plan. However, we suspended this plan in 2007 and do not expect to issue additional options to our independent directors until our shares of common stock are listed on a national securities exchange. Prior to suspending the plan, we had issued stock options to purchase 50,500 shares of common stock to our independent directors pursuant to this plan. Of these, options to purchase 29,500 shares of common stock remain outstanding. Available for future issuance under the plan are options to purchase 18,000 shares that were terminated in 2007 and options to purchase 3,000 shares that were terminated in 2006. We may not grant options under this plan at any time when the issuance of the shares underlying the grant, when combined with those issuable upon exercise of outstanding options or warrants granted to our advisor, directors, officers, or any of their affiliates, would exceed 10% of our outstanding shares.

The exercise price for all options granted to date is \$12.00 per share. The exercise price for subsequent options, if any, will be the greater of \$12.00 per share or the fair market value of the shares on the date they are granted. Fair market value is generally defined to mean (i) the closing sales price on the immediately preceding date on which sales were reported if the shares are listed on a securities exchange or (ii) the mean between the bid and offered prices as quoted by Nasdaq for such immediately preceding trading date if the shares are not listed on a securities exchange. However, if the Conflicts Committee determines that the fair market value of our shares is not properly reflected by such Nasdaq quotations, or if our shares are not quoted by Nasdaq, then the Conflicts Committee will determine fair market value in good faith.

We have authorized and reserved a total of 100,000 shares for issuance under the plan. If the number of outstanding shares is changed into a different number or kind of shares or securities through a reorganization or merger in which we are the surviving entity, or through a combination, recapitalization, or otherwise, we will make an appropriate adjustment in the number and kind of shares that may be issued pursuant to exercise of the options. We also will make a corresponding adjustment to the exercise price of the options granted prior to any change. Any such adjustment, however, will not change the total payment, if any, applicable to the portion of the options not exercised but will change only the exercise price for each share.

Options will lapse on the first to occur of (i) the tenth anniversary of the date we grant them, (ii) the removal for cause of the independent director as a member of the board of directors, or (iii) three months following the date the independent director ceases to be a director for any reason other than death or disability. Options may be exercised by payment of cash or through the delivery of common stock. Options are generally exercisable in the case of death or disability for a period of one year after death or the disabling event. No option issued may be exercised if such exercise would jeopardize our status as a REIT under the Internal Revenue Code. The independent directors may not sell, pledge, assign, or transfer their options other than by will or the laws of descent or distribution.

The term of the plan is 10 years. Upon our earlier dissolution or liquidation; upon our reorganization, merger, or consolidation with one or more corporations as a result of which we are not the surviving corporation; or upon sale of all or substantially all of our properties, the plan will terminate, and any outstanding options will terminate and be forfeited. The board of directors may provide in writing in connection with any such transaction for any or all of the following alternatives:

for the assumption by the successor corporation of the options granted or the replacement of the options with options covering the stock of the successor corporation, or a parent or subsidiary of such corporation, with appropriate adjustments as to the number and kind of shares and exercise prices;

for the continuance of the plan and the options by such successor corporation under the original terms; or

for the payment in cash or shares of common stock in lieu of and in complete satisfaction of such options.

Equity Compensation Plan Information

We have reserved 750,000 shares of common stock for issuance under our Stock Option Plan and 100,000 shares of common stock under the Independent Director Stock Option Plan. Both plans were approved by our stockholders in 2003 before we commenced our initial public offering. The following table provides summary information about securities issuable under our equity compensation plans.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants, and rights	Weighted average exercise price of outstanding options, warrants, and rights	Number of securities remaining available for future issuance under equity compensation plans (1)
Equity compensation plans approved by security holders	29,500	\$ 12.00	820,500
Equity compensation plans not approved by security holders			
Total	29,500	\$ 12.00	820,500

- (1) Includes 70,500 shares reserved for issuance under the Independent Director Stock Option Plan, which has been suspended. We do not expect to issue additional options to our independent directors until our shares of common stock are listed on a national securities exchange.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

For a discussion of the material transactions since the beginning of 2008 and any currently proposed transactions involving us and any of our officers or directors or their affiliates, see *Certain Information about Management* The Conflicts Committee Report of the Conflicts Committee *Transactions with Affiliates* above. Mr. Carter has no equity interest in Vistage International.

Prior to joining our board of directors, John Dixon served as an officer of Mutual Service Corporation and Associated Securities, Inc., two broker-dealer firms that have executed agreements with WIS to sell our securities and other products sponsored by our affiliates. The compensation amounts paid by WIS to the broker-dealer firms pursuant to these agreements were \$2,212,930 in 2007 and \$1,365,350 in 2008.

Section 16(a) Beneficial Ownership Reporting Compliance

Under U.S. securities laws, directors, executive officers and any persons beneficially owning more than 10% of our common stock are required to report their initial ownership of the common stock and most changes in that ownership to the SEC. The SEC has designated specific due dates for these reports, and we are required to identify in this annual report on Form 10-K those persons who did not file these reports when due.

Based solely on our review of copies of the reports filed with the SEC and written representations of our directors and executive officers, we believe all persons subject to these reporting requirements filed the reports on a timely basis in 2008 except as follows: one report disclosing two transactions was filed late by Mr. Wells.

IMPORTANT NOTICE REGARDING DELIVERY OF SECURITY HOLDER DOCUMENTS

The SEC now permits corporations to send a single set of annual disclosure documents to any household at which two or more stockholders reside, unless contrary instructions have been received, but only if the corporation provides advance notice and follows certain procedures. In such cases, each stockholder continues to receive a separate notice of the meeting and proxy card. This householding process reduces the volume of duplicate information and reduces printing and mailing expenses. If your family has multiple accounts holding

shares of our common stock, you should have already received a householding notification from us. If you have any questions or require additional copies of the annual disclosure documents, please contact our Client Services department by mail at Wells Client Services Department, P.O. Box 2828, Norcross, Georgia 30091-2828 or by telephone at 1-800-557-4830. We will arrange for delivery of a separate copy of this proxy statement or our annual report promptly upon your written or oral request. You may decide at any time to revoke your decision to household, and thereby receive multiple copies.

PROPOSALS YOU MAY VOTE ON

Whether you plan to attend the meeting and vote in person or not, we urge you to have your vote recorded. Stockholders have the following three options for submitting their votes by proxy: (1) over the Internet, using the unique control number found on the enclosed proxy card, (2) by telephone, using the unique control number found on the enclosed proxy card, or (3) by mail, using the enclosed proxy card. Your vote is very important! Your immediate response will help avoid potential delays and may save us significant additional expenses associated with soliciting stockholder votes.

PROPOSAL 1. ELECTION OF DIRECTORS

At the annual meeting, you and the other stockholders will vote on the election of eight nominees to our board of directors. Those persons elected will serve as directors until the 2010 annual meeting and until their successors are duly elected and qualified. The board of directors has nominated the following people for re-election as directors:

Charles R. Brown	E. Nelson Mills
Richard W. Carpenter	Neil H. Strickland
Bud Carter	Leo F. Wells, III
John L. Dixon	Douglas P. Williams

Each of the nominees for director is a current member of our board of directors. Detailed information on each nominee is provided on pages 16 through 20.

If you return a properly executed proxy card, unless you direct them to withhold your votes, the individuals named as proxies will vote your shares FOR the election of the nominees listed above. If any nominee becomes unable or unwilling to stand for re-election, the board may reduce its size or designate a substitute. If a substitute is designated, proxies voting on the original nominee will be cast for the substituted nominee.

Vote Required

A plurality of the votes cast is required for the election of the directors. This means that the director nominee with the most votes for a particular board seat is elected for that seat. Because the number of nominees does not exceed the number of board seats, a nominee need only receive a single for vote to be elected. Abstentions and withhold votes should have no effect on the outcome of the election, but they will count toward the establishment of a quorum.

However, in order to enhance your ability to influence the composition of the board of directors in an uncontested election such as this, we have adopted a policy requiring all of the nominees to agree to offer to resign should he receive fewer for votes than withhold votes in an uncontested election. If a director must offer to resign because of withhold vote totals, the Conflicts Committee must accept or reject the offer of resignation within 90 days following certification of the stockholder vote. If the Conflicts Committee accepts the offer, then the resignation will be effective upon acceptance. If the Conflicts Committee rejects an offer, it must disclose the reasons for doing so in a Form 8-K filed with the SEC.

Any director who tenders his or her resignation pursuant to this provision shall not participate in any Conflicts Committee action regarding whether to accept his or her offer of resignation or whether to accept any other director's resignation. However, if the nonparticipation of resigning directors would leave fewer than three directors participating in the decision, then all Conflicts Committee members may participate other than the director whose resignation is at issue.

The offer of resignation also may be accepted at a stockholder meeting duly called for the express purpose of accepting such resignation and electing a successor to fill the vacancy created thereby. Unless previously accepted by the Conflicts Committee, such resignation shall be effective immediately prior to the stockholders' election of a successor at such meeting. If no successor is elected and qualified at such meeting, then the resignation shall not be deemed to be accepted.

The policy is set forth in our Corporate Governance Guidelines, a copy of which is available on our Web site at www.wellsreitII.com.

Recommendation

Your board of directors unanimously recommends a vote **FOR** all nominees listed for re-election as directors.

STOCKHOLDER PROPOSALS

Any proposals by stockholders for inclusion in proxy solicitation material for the next annual meeting must be received by our secretary, Mr. Douglas P. Williams, at our executive offices no later than December 31, 2009. However, if we hold our annual meeting before June 22, 2010 or after August 21, 2010, stockholders must submit proposals for inclusion in our 2010 proxy statement within a reasonable time before we begin to print our proxy materials. If a stockholder wishes to present a proposal at the 2010 annual meeting, whether or not the proposal is intended to be included in the 2010 proxy materials, our bylaws require that the stockholder give advance written notice to our secretary March 16, 2010.

OTHER MATTERS

As of the date of this proxy statement, we know of no business that will be presented for consideration at the annual meeting other than the items referred to above. If any other matter is properly brought before the meeting for action by stockholders, proxies in the enclosed form returned to us will be voted in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in accordance with the discretion of the proxy holder.
