PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 19, 2009

This statement is furnished in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders of MVB Financial Corp. (MVB) to be held on May 19, 2009, at the time and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Solicitation of Proxies

The solicitation of proxies is made by the Board of Directors of MVB. These proxies enable shareholders to vote on all matters that are scheduled to come before the meeting. If the enclosed proxy is signed and returned, it will be voted as directed; or if not directed, the proxy will be voted FOR all of the proposals to be submitted to the vote of shareholders described in the enclosed Notice of Annual Meeting and this Proxy Statement. A shareholder executing the proxy may revoke it at any time before it is voted:

- (a) by notifying MVB employees James R. Martin, Larry F. Mazza or Lisa J. Wanstreet in person;
- (b) by giving written notice to MVB. The revocation should be delivered to Lisa J. Wanstreet, Corporate Secretary, 301 Virginia Avenue, Fairmont, WV 26554;
- (c) by submitting to MVB a subsequently dated proxy; or
- (d) by attending the meeting and withdrawing the proxy before it is voted at the meeting.

The expenses of the solicitation of proxies will be paid by MVB. In addition to this solicitation by mail, directors, officers and employees of MVB or its subsidiary, MVB Bank, Inc. (the Bank) may solicit proxies personally or by telephone, although no person will be specifically engaged for that purpose.

Eligibility of Stock for Voting Purposes

Pursuant to the Bylaws of MVB, the Board of Directors has fixed March 31, 2008, as the record date for the purpose of determining the shareholders entitled to notice of, and to vote at, the meeting or any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at such meeting or any adjournment thereof.

As of the record date for the Annual Meeting, approximately 1.58 million shares of the capital stock of MVB, owned by approximately 1,000 shareholders, were issued and outstanding and entitled to vote. There are 4,000,000 shares authorized. The principal holders of MVB Common Stock are discussed under the section of this Proxy Statement entitled, Principal Holders of Voting Securities.

PURPOSES OF MEETING

1. ELECTION OF DIRECTORS

General

The Bylaws of MVB currently provide for a Board of Directors composed of five to twenty five members to be elected annually. The Board has set 18 as the number of directors of MVB for the upcoming year. This is the same as that established in 2008.

As required by West Virginia law, each share is entitled to one vote per nominee, unless a shareholder requests cumulative voting for directors at least 48 hours before the meeting. If a shareholder properly requests cumulative voting for directors, then each MVB shareholder will have the right to vote the number of shares owned by that shareholder for as many persons as there are directors to be elected, or to cumulate such shares and give one candidate as many votes as the number of directors multiplied by the number of shares owned shall equal, or to distribute them on the same principle among as many candidates as the shareholder sees fit. If any shares are voted cumulatively for the election of directors, the proxies, unless otherwise directed, shall have full discretion and authority to cumulate their votes and vote for less than all such nominees. For all other purposes, each share is entitled to one vote.

Management Nominees to the Board of MVB

At the 2005 MVB Annual Meeting of Shareholders, the Board of Directors was divided into classes, each to serve for three years. At that meeting, the classes were elected to a one, two or three-year term to begin the staggered term provisions of the Articles of Incorporation. The six (6) individuals identified below represent management nominees to the Board of Directors. As described above, six will be elected for a three year term.

In order to meet their responsibilities, Directors are expected to attend board and committee meetings as well as the annual meeting of shareholders. All directors attended the 2008 Annual Meeting of Shareholders.

Committees of the Board

MVB or the Bank has a number of standing committees as described below.

Human Resources Committee. Composed of David B. Alvarez, Stephen R. Brooks, Berniece D. Collis, Kelly R. Nelson, Louis Spatafore and Michael F. Trent. The purpose of this Committee is to address issues related to staffing, compensation and related policy matters. This Committee also is responsible for administration of the 2003 MVB Financial Corp. Stock Incentive Plan Option Program. Martin and Mazza are ex-officio members of this Committee and make suggestions, which the Committee evaluates and, if considered appropriate, acts on. Neither Martin nor Mazza makes any recommendations or participates in meetings relating to his own salary. The Committee met five times in 2008.

Investment/A&L Committee. Composed of Harvey M. Havlichek, James R. Martin, Larry F. Mazza, J. Christopher Pallotta, Timothy R. Procita, Eric L. Tichenor, Roger J. Turner and Samuel J. Warash. The purpose of this committee is to review the performance of the investment portfolio and policies related to investments, liquidity and asset and liability management. The Committee reports the results from these meetings to the Board of Directors. The Committee met five times in 2008.

Loan Review Committee. Composed of Harvey M. Havlichek, David A. Jones, James R. Martin, G. Warren Mickey, Leonard W. Nossokoff, J. Christopher Pallotta, Wayne H. Stanley, Richard L. Toothman and Samuel J. Warash. The purpose of this Committee is to evaluate the adequacy of the Allowance for Loan Losses, review loans and groups of loans for risks and evaluate policies related to the Allowance for Loan Losses as necessary. The Committee met four times in 2008.

Audit Committee. Composed of John W. Ebert, Harvey M. Havlichek, Christine B. Ielapi, Kenneth F. Lowe, Louis Spatafore and Michael F. Trent. The purpose is to review the results of the internal and external audits, Reports

of Examination from regulatory authorities and discuss the financial statements with management and external auditors and to report such to the Board of Directors.

The Audit Committee of MVB does not include an individual who is considered to be an audit committee financial expert. This is true for the entire Board of Directors as well, because no one meets the guidelines set forth by Section 407 of the Sarbanes-Oxley Act of 2002, for an audit committee financial expert. In the small community market area of MVB, individuals meeting the required credentials under the Act are very rare. All members of the Board of Directors are successful business owners and have knowledge of the requirements to run such a successful business. The directors of MVB, including those who are members of the Audit Committee, believe that having separate internal and external audits and regulatory examinations assist in insuring proper supervision, evaluation and reporting of MVB activities.

The Audit Committee met four times in 2008. The Committee meets with representatives Conley CPA Group, PLLC, who is responsible for the internal audit function of MVB and S.R. Snodgrass, A.C., who is responsible for the annual certified audit, as well as with the members of the regulatory authorities upon completion of their examinations of the Bank or MVB. During these meetings, the active management of the Bank or MVB, including directors Martin and Mazza and CFO Tichenor, may be asked to leave the room to provide comfort of questioners and responders.

In the opinion of MVB's Board of Directors, none of the Board of Directors, except for Directors Martin and Mazza, have a relationship with MVB that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors. None of them are or have for the past three years been employees of MVB, except for Directors Martin and Mazza, and none of their immediate family members are or have for the past three years been executive officers of MVB or Bank. In the opinion of MVB and its Board of Directors, the entire Board of Directors, except for Directors Martin and Mazza, are independent directors, as that term is defined in Rule 4200(a)(15) of the Rules of the Financial Industry Regulatory Authority. The Board of Directors of MVB has adopted a written charter for the Audit Committee, a copy of which is attached as Appendix A hereto.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2008, with management. The Audit Committee has also discussed the audited financial statements with S.R. Snodgrass, A.C., MVB's independent accountants, as well as the matters required to be discussed by Statement on Auditing Standards No. 61. (having to do with accounting methods used in the financial statements). The Audit Committee has received the written disclosures and the letter from S.R. Snodgrass, A.C. required by Independence Standards Board Standard No. 1 (having to do with matters that could affect the auditor's independence) and has discussed with S.R. Snodgrass, A.C., the independent accountants' independence. Based on this, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in MVB's Annual Report on Form 10-K for the year ended December 31, 2008, filed with the Securities and Exchange Commission.

Submitted by The Audit Committee,	
John W. Ebert	Kenneth F. Lowe, III
Harvey M. Havlichek	Louis Spatafore
Christine B. Ielapi	Michael F. Trent

March 17, 2009

This report shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, unless MVB specifically incorporates this report by reference. It will not otherwise be filed under such Acts.

Nominating Committee. The Board of Directors has not established a formal nominating committee as the entire Board serves in this capacity. The Board of Directors of MVB does not maintain a separate nominating committee, nor does it have a nominating committee charter, because the Board of Directors is relatively small and vacancies are rare. Because the full Board of Directors serves the function of the nominating committee, not all directors are independent.

The Board of Directors believes that candidates for director should have certain minimum qualifications, including:

Directors should be of the highest ethical character.

Directors should have excellent personal and professional reputations in MVB's market area.

Directors should be accomplished in their professions or careers.

Directors should be able to read and understand financial statements and either have knowledge of, or the ability and willingness to learn, financial institution law.

Directors should have relevant experience and expertise to evaluate financial data and provide direction and advice to the chief executive officer and the ability to exercise sound business judgment.

Directors must be willing and able to expend the time to attend meetings of the Board of Directors of MVB and the Bank and to serve on Board committees.

The Board of Directors will consider whether a nominee is independent, as legally defined. In addition, directors should avoid the appearance of any conflict and should be independent of any particular constituency and be able to serve all shareholders of MVB.

Because the directors of MVB may also serve as directors of the Bank, a majority of directors must be residents of West Virginia, as required by state banking law.

Directors must be acceptable to MVB's and the Bank's regulatory agencies, including the Federal Reserve Board, the Federal Deposit Insurance Corporation and the West Virginia Division of Banking and must not be under any legal disability which prevents them from

serving on the Board of Directors or participating in the affairs of a financial institution.

Directors must own or acquire sufficient capital stock to satisfy the requirements of West Virginia law and the Bylaws of the Bank.

Directors must be at least 21 years of age. The Board of Directors of MVB reserves the right to modify these minimum qualifications from time to time, except where the qualifications are required by the laws relating to financial institutions.

The process of the Board of Directors for identifying and evaluating nominees is as follows: In the case of incumbent directors whose terms are set to expire, the Board of Directors considers the directors' overall service to MVB or the Bank during their term, including such factors as the number of meetings attended, the level of participation, quality of performance and any transactions between such directors and MVB and the Bank. The Board of Directors also reviews the payment history of loans, if any, made to such directors by the Bank to ensure that the directors

Edgar Filing: MVB FINANCIAL CORP - Form DEF 14A

are not chronically delinquent and in default. The Board considers whether any transactions between the directors and the Bank have been criticized by any banking regulatory agency or the Bank's external auditors and whether corrective action, if required, has been taken and was sufficient. The Board of Directors also confirms that such directors remain eligible to serve on the Board of Directors of a financial institution under federal and state law. For new director candidates, the Board of Directors uses its network of contacts in MVB's market area to compile a list of potential candidates. The Board of Directors then meets to discuss each candidate and whether he or she meets the criteria set forth above. The Board of Directors then discusses each candidate's qualifications and chooses a candidate by majority vote.

The Board of Directors will consider director candidates recommended by stockholders for nomination by the Board of Directors, provided that the recommendations are received at least 120 days before the next annual meeting of shareholders. In addition, the procedures set forth below must be followed by stockholders for submitting nominations.

The Board of Directors does not intend to alter the manner in which it evaluates candidates, regardless of whether or not the candidate was recommended or nominated by a shareholder.

MVB's Bylaws provide that nominations for election to the Board of Directors must be made by a shareholder in writing delivered or mailed to the president not less than 14 days nor more than 50 days prior to the meeting called for the election of directors; provided, however, that if less than 21 days notice of the meeting is given to shareholders, the nominations must be mailed or delivered to the president not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. The notice of nomination must contain the following information, to the extent known:

Name and address of proposed nominee(s);

Principal occupation of nominee(s);

Total shares to be voted for each nominee;

Name and address of notifying shareholder; and

Number of shares owned by notifying shareholder.

Nominations not made in accordance with these requirements may be disregarded by the chairman of the meeting and in such case the votes cast for each such nominee will likewise be disregarded. All nominees for election at the meeting are incumbent directors, except for nominee Cincinnati. No shareholder recommendations or nominations have been made.

Executive Compensation

The following information is prepared based on positions as of December 31, 2008. In anticipation of James R. Martin's retirement, effective April 30, 2009, as previously reported in Form 8-K, filed February 19, 2008, Larry F. Mazza assumed the position of President and Chief Executive Officer of MVB and Bank, as previously reported in Form 8-K, filed December 17, 2008. Martin remains as Vice Chairman of MVB and Bank.

Edgar Filing: MVB FINANCIAL CORP - Form DEF 14A

The Board of Directors of MVB believes that the successful implementation of its business strategy will depend upon attracting, retaining and motivating able executives, managers and other key employees. The 2003 MVB Financial Corp. Stock Incentive Plan provides that the Human Resources Committee appointed by the Board of Directors of MVB have the flexibility to grant stock options, merit awards, and rights to acquire stock through purchase under a stock

purchase program. During 2007, the Human Resources Committee granted one award pursuant to the Plan for 15,000 shares at the fair market value of MVB common stock at the time of the award. No awards were granted in 2008. For stock options granted in 2006 and years thereafter compensation expense is recognized over the vesting period of the options.

The following tables summarize the outstanding equity awards at fiscal year-end, December 31, 2008.

MVB does not provide Stock Award Plans for employees.

MVB provides a defined benefit retirement plan for all qualifying employees. They must have completed one year of service and be older than 21 years of age. There is a five-year requirement for full vesting. The plan provides for benefits based on the highest five consecutive years of earnings; times 2%; times years of service. Normal retirement age is 65. All retiree benefits are calculated in the same manner.

Employment Agreements and Change in Control

MVB and the Bank have employment contracts with Messers Mazza, Martin and Turner. The general terms of these contracts are described below:

Under the terms of the contract signed by Mazza December 11, and effective January 1, 2009, he became President and Chief Executive Officer of MVB and Bank. This is in anticipation of Martin's announced retirement as of April 30, 2009. The term of Mazza's contract is for one year. The agreement automatically renews for an additional year on January of each year unless written notice of non-renewal of the agreement is provided no later than December 1 of each year. The base salary is \$200,000 and is subject to adjustment annually by the Board of Directors. If terminated without cause, Mazza shall receive an amount equal to that payable under the Agreement over a period of twelve months and such benefits as provided at the time of termination. If terminated as a result of the legal disability, Mazza shall be entitled to receive benefits under MVB's long-term disability policy. Mazza, for the remaining term of the agreement, shall be entitled to receive an amount equal to the remaining term of the agreement less the long-term disability benefits. If terminated under a change in control of MVB or the Bank, Mazza would be entitled to receive compensation equal to that remaining on the contract and for an additional twelve months.

The contracts for Martin and Turner are similar except for the term. Martin's contract is for a term of three years and automatically renews for an additional three years on January 1 of each year unless written notice of non-renewal of the agreement is provided by December 1 of each year. As described previously, Martin has announced that he intends to retire as of April 30, 2009, at which time his contract will be terminated.

Turner's contract is for an initial term of five years. At the end of the contract, it may be renewed on an annual basis or he may become a part-time employee.

Under the contracts of Martin and Turner, the base salary for these two individuals is \$186,000 and \$155,000, respectively, and is subject to adjustment annually at the discretion of the Board of Directors. If an individual is terminated without cause, the terminated party shall receive an amount equal to the balance remaining on the agreement and such benefits as provided at the time of termination. If terminated as a result of the legal disability of the individual, the disabled party shall be entitled to receive benefits under MVB's long-term disability policy. The disabled party, for the remaining term of the agreement, shall be entitled to receive an amount equal to the remaining term of the agreement less the long-term disability benefits. Upon change in control of MVB or the Bank, the individual has a one-year window during which they may elect to leave without any covenants not to compete. After one year from the change in control, the leaving window expires.

Director Compensation

No compensation is paid for serving as a member of the Board of MVB. Members of the Board of Directors of Bank receive a fee of \$325 for each Board meeting attended and a fee of \$75 for each Committee meeting attended. To the extent a director fee is paid by a subsidiary, such fee is also included below. MVB-Harrison, Inc. paid a fee of \$150 per meeting attended while MVB-East, Inc. paid a fee of \$100 per meeting attended. The table below provides detail information about non-executive director fees paid in 2008. All director compensation is paid in cash.

MVB does not provide Stock Awards, Option Awards, Non-Equity Incentive Plan Compensation, Nonqualified Deferred Compensation Earnings or any other Compensation to directors.

Certain Transactions With Directors, Officers and Their Associates

MVB and the Bank have, and expect to continue to have, banking and other transactions in the ordinary course of business with its directors and officers and their affiliates, including members of their families or corporations, partnerships or other organizations in which officers or directors have a controlling interest, on substantially the same terms (including documentation, price, interest rates and collateral, repayment and amortization schedules and default provisions) as those prevailing at the time for comparable transactions with unrelated parties. All of these transactions were made on substantially the same terms (including interest rates, collateral and repayment terms on loans) as comparable transactions with non-affiliated persons. MVB's management believes that these transactions did not involve more than the normal business risk of collection or include any unfavorable features.

Total loans outstanding from the Bank at December 31, 2008, to MVB and Bank executive officers and directors as a group and members of their immediate families and companies in which they had an ownership interest of 10% or more was \$10.6 million or 35.8% of total equity capital and 5.2% of total loans. These loans do not involve more than the normal risk of collectibility or present other unfavorable features.
