**Amendment and Restatement of the 2005 Stock Incentive Plan**

At the Annual Meeting of Shareholders of Cisco Systems, Inc. ( Cisco ) held on November 12, 2009, Cisco s shareholders approved the amendment and restatement of the 2005 Stock Incentive Plan (the SIP ). The amendment and restatement of the SIP was approved by Cisco s Board of Directors, subject to the approval of Cisco s shareholders, and became effective with such shareholder approval on November 12, 2009.

As a result of such shareholder approval, the SIP was materially amended and modified as follows:

The SIP now provides that for the purpose of computing shares remaining eligible for issuance under the SIP, each one share issued as a stock grant (or pursuant to the vesting of a stock unit) will count as the issuance of 1.5 shares reserved under the SIP for the purpose of computing shares remaining eligible for issuance under the SIP.

Under the SIP, shares underlying awards previously granted under the Cisco Systems, Inc. 1996 Stock Incentive Plan, the SA Acquisition Long-Term Incentive Plan and the WebEx Acquisition Long-Term Incentive Plan that expire unexercised will be available for reuse under the SIP.

The SIP now provides that the maximum term for stock options and stock appreciation rights under the SIP may not exceed ten years from the date of grant.

A more complete description of the terms of the SIP and the material amendments and modifications thereto can be found in Proposal No. 2 Approval of the Amendment and Restatement of the 2005 Stock Incentive Plan (pages 16 through 26) in Cisco s definitive proxy statement dated September 17, 2009, and filed with the Securities and Exchange Commission on September 23, 2009. The foregoing descriptions are qualified in their entirety by reference to the SIP, a copy of which is filed as Exhibit 10.1 to this report.

**Amendment and Restatement of the Employee Stock Purchase Plan**

At the Annual Meeting of Shareholders of Cisco, Cisco s shareholders also approved the amendment and restatement of the Employee Stock Purchase Plan (the ESPP ). The amendment and restatement of the ESPP was approved by Cisco s Board of Directors, subject to the approval of Cisco s shareholders, and became effective with such shareholder approval on November 12, 2009.

As a result of such shareholder approval, the ESPP was materially amended and modified as follows:

The term of the ESPP was extended by ten years from January 3, 2010 to January 3, 2020.

An additional 150 million shares of Cisco's common stock were authorized for issuance over the term of the ESPP.

The ESPP now provides greater flexibility for Cisco to establish rules, procedures, or sub-plans to the International Employee Stock Purchase Plan, a sub-plan of the ESPP, that allow eligible employees of Cisco's foreign subsidiaries to participate in the ESPP in a manner that may or may not comply with the requirements of Section 423 of the Internal Revenue Code of 1986, as amended.

A more complete description of the terms of the ESPP and the material amendments and modifications thereto can be found in Proposal No. 3 Approval of the Amendment and Restatement of the Employee Stock Purchase Plan (pages 27 through 32) in Cisco's definitive proxy statement dated September 17, 2009, and filed with the Securities and Exchange Commission on September 23, 2009. The foregoing descriptions are qualified in their entirety by reference to the ESPP, a copy of which is filed as Exhibit 10.2 to this report.
