

COHEN & STEERS INFRASTRUCTURE FUND INC
Form DEFA14A
January 13, 2010

January 8, 2010

Dear Stockholder,

Last year you voted in favor of merging Cohen & Steers REIT and Utility Income Fund, Inc. into Cohen & Steers Infrastructure Fund, Inc. (the Fund) and increasing the number of authorized common shares. We would like to thank you for your support. Of those who responded, an overwhelming 85% voted FOR the proposals. Like you, they recognized the benefits:

Lower operating expenses

Similar investment objectives and policies

No dilution to stockholders

A tax-free event for federal income-tax purposes

Because not all stockholders voted, however, we are still short of the votes needed to approve the proposals. Therefore, we will reconvene a special stockholders meeting on February 26, 2010.

*If you do not wish to change your vote, **NO FURTHER ACTION IS NECESSARY.*** Unless we receive instructions from you to the contrary, your shares will be voted according to your instructions on the previously submitted proxy card, or pursuant to any instructions you submitted by telephone or through the internet.

If you wish to change your vote, please call the Fund's proxy solicitor, Broadridge, at 866.615.7265.

Please understand that the increase in the number of authorized common shares is *not dilutive*, and will not increase the Fund's outstanding common stock. Except for shares issued in the merger and in connection with the Fund's dividend reinvestment plan, the Fund does not currently intend to issue stock.

If you have any further questions, please contact Cohen & Steers at 800.330.7348. Thank you.

Sincerely,

/s/ Martin Cohen
