CEDAR FAIR COMMENTS ON MERGER TRANSACTION

SANDUSKY, Ohio, January 22, 2010 Cedar Fair, L.P. (NYSE: FUN), a leader in regional amusement parks, water parks and active entertainment, today made the following statement in response to the announcement issued today by Q Funding III, L.P.:

The independent members of the Cedar Fair Board of Directors undertook a lengthy and thorough process to evaluate all options to address the Company's capital structure and best serve the interests of our unitholders. After carefully weighing numerous alternatives and the outlook for the business, the Board determined, and continues to believe, that the proposed acquisition of Cedar Fair is the best option to maximize value for all unitholders. This transaction was thoroughly negotiated and includes protections for unitholders, including a go-shop process in which the Company has been actively soliciting alternative proposals. The offer price of \$11.50 in cash per Cedar Fair limited partnership unit represents a 43% premium over Cedar Fair's volume weighted average closing unit price over the 30 days prior to the transaction announcement and a 28% premium over the closing unit price on December 15, 2009. This valuation also exceeds those of the recent comparable transactions in our industry.

We always welcome the views of our unitholders with the shared goal of enhancing value. Q Funding has not contacted us about the merger or the Company's prospects.

We look forward to having the opportunity to speak with our unitholders regarding the merits of this transaction. We urge all unitholders to carefully review the Company's definitive proxy materials when mailed before making a decision about how to vote.
