Amendment to the FTI Consulting, Inc. 2009 Omnibus Incentive Compensation Plan

The Board of Directors (the Board) of FTI Consulting, Inc. (FTI) previously approved, subject to stockholder approval, an amendment to the FTI Consulting, Inc. 2009 Omnibus Incentive Compensation Plan (the 2009 Plan) that would increase the number of shares of FTI's common stock that may be delivered pursuant to awards granted under the 2009 Plan by an additional 4,500,000 shares (the Amendment). According to the results from FTI's Annual Meeting of Stockholders held on June 2, 2010 (the Annual Meeting), FTI's stockholders approved the Amendment. The foregoing description of the Amendment is qualified in its entirety by reference to the text of the 2009 Plan (amended and restated as of June 2, 2010), which was filed as Appendix A to FTI's Definitive Schedule 14A - Proxy Statement dated April 23, 2010 (Proxy Statement) filed with the Securities and Exchange Commission on April 23, 2010 and incorporated herein by reference.

Item 5.07 Submission of Matters to a Vote of Security Holders

A total of 42,356,649 shares, or 90.19%, of the common stock issued and outstanding as of the record date of April 1, 2010, was represented at the meeting by proxy or in person. The proposals below were described in detail in the Proxy Statement for the Annual Meeting. At the Annual Meeting, stockholders elected Brenda J. Bacon, James W. Crownover, Dennis J. Shaughnessy and George P. Stamas as Class II directors of FTI to hold office until the 2013 annual meeting of stockholders. The stockholders also approved (i) Proposal 2 to amend the 2009 Plan to increase by 4,500,000 shares the number of shares of common stock authorized and reserved for issuance under the plan and (ii) Proposal 3 to ratify the retention of KPMG LLP as FTI's independent registered public accounting firm for the year ending December 31, 2010.

Abstentions and broker non-votes were not be counted as votes cast either for or against Proposal 3 and had no impact on the results of the vote for that Proposal. Broker non-votes or the withholding of authority to vote for a particular nominee for director did not count as a vote cast either for or against such nominee and had no impact on the election of such nominee as a director of FTI. Approval of Proposal 2 required that the total votes cast represent over 50% in interest of all securities entitled to vote on that Proposal and that a majority of the votes cast at the Annual Meeting vote in favor of that Proposal. Under the New York Stock Exchange stockholder approval requirements, abstentions are treated as votes cast. Accordingly, abstentions had the effect of a vote against Proposal 2. Notwithstanding that broker non-votes are not counted as votes cast on Proposal 2, the total votes cast represented over 50% in interest of all securities entitled to vote on that Proposal.

The results of the Annual Meeting are as follows:
